OUR FRIENDS, OUR MEMORIES, OUR PAST TIMES

THE YEAR IN REVIEW

SEPTEMBER

FRESHMEN ADJUST
REGISTRATION
RUSH PARTIES

On September 14, 1975, the quiet, peaceful VSC campus was invaded by hundreds of cars unloading thousands of students, parents, brothers, and sisters at the various dorms.

Invariably each person could be seen carrying a box full of items necessary to transform a simple dorm room into a students' home-away-from-home for the next year.

The impressions students get on their first day at school are impressions that will remain with them throughout their stay. The beauty of the campus, the carnival-like atmosphere of the dorm and the first taste of cafeteria food will linger in the minds of all students for some time to come.

It is always easy to tell who the freshman are — they are the ones with the most relatives and the most boxes. Blank, vacant looks are on their faces as they wander from building to building trying to figure out where they are, while at the same time telling their parents not to worry about them because they will do just fine. After a few pictures for the grandparents, it's time for the parents to leave.

Many freshman feel a lump in their throat as their parents drive off and they realize that college life is something they will have to face on their own. They have arrived. They will never quite be the same again.

There is only one word for registration at VSC — frustration. Registration at VSC has always been a hassle. Usually it meant waiting in long lines in the hot gym. This year; however, registration was moved to the air-conditioned confines of the Education Center.

Despite the increased creature comforts, the frustration of registration is still there and will probably remain forever. The long lines, particularly for English, History, and P.E. courses, have been moved inside cramped rooms, sometimes extending out into the hallway. The hallways themselves have become dangerous highways with a constant flow of high speed traffic as students scurry about madly trying to get to the English room before their course closes out.

With patchwork schedule in hand, students go to the fee payment area to deplete their checkbook and fill our the many colored cards which tell everything about you. And then, as if to record you for immortality your I.D. picture is made, showing a face of either frustration in getting a terrible schedule or pure joy in just getting out of registration alive.

A yearly ritual at VSC is the Greek Rush, held during the first ten days of Fall Quarter. It is a high-pressure game in which an individual tries to favorably impress a fraternity or sorority. Likewise, the fraternities and sororities do their best to impress the most students.

Rush consists of nightly informal parties, a weekend dance, formal gatherings called smokers, or ice-water teas. All during this time, the rushee is meeting new people and trying hard to remember their names.

When a person gets a bid from a fraternity or sorority it is usually the most important moment of their young college life. The many new friends he or she will make as fraternity brothers or sorority sisters are friends they will keep for the remainder of their college career.

Having survived rush, the new Greek system member is ready to go on to pledge training and the ultimate goal of Greek life-initiation. Most Greeks on the VSC campus were introduced to the Greek system through rush. Rush is an event that will remain in their memories as long as they stay at VSC.

OCTOBER

JIMMY WALKER
CROSS COUNTRY MEET
FALL CONVOCATION

Jimmy Walker is one of the funniest commedians around today. He is also a well-known actor, starring as JJ in the popular television series "Good Times" and in the motion picture "Let's Do It Again." On October 22, VSC students got an opportunity to see this fast-rising star in person as he performed his comic routine to a packed crowd at the VSC Gym. All of those in attendance came away with the same feeling — he's dyn-o-mite?

The annual VSC Blazer Cross Country Invitational was held on October 18, 1975. This event was won by the host Blazers. VSC's George Whitmire won individual honors with a record time of 25:35 for the five-mile course.

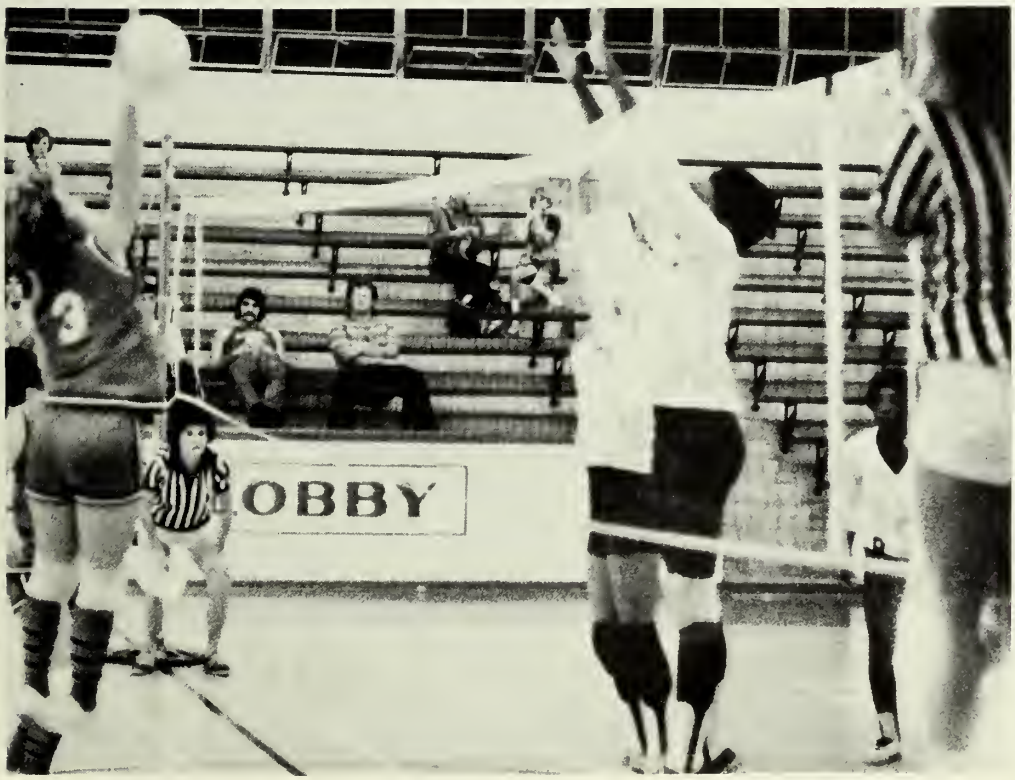
Dr. Donald Ratajczak, Director of Economic Forecasting at Georgia State University was the featured speaker at the Fall Convocation on Wednesday, October 1. Dr. Ratajczak spoke on the state of the economy. Also present at the event were the President's Freshmen Scholars, who were introduced by VSC Vice President Dr. W. Ray Clere.

NOVEMBER

"THE STAR SPANGLED GIRL"
TKE CALENDAR GIRL
LADY BLAZERS VOLLEYBALL

The Fall Production of the VSC Department of Speech and Drama was Neil Simon's play "The Star Spangled Girl." The play is a comedy about two roomates who vie for the affections of the same girl, who, of course, cannot stand either one of them. The play was performed before large and enthusiastic audiences on the nights of November 13-15.

Kim Purser won the first of two major VSC beauty titles by winning the TKE Calendar Girl Contest on November 4. Miss Purser, a member of Alpha Delta Pi Sorority, was named as Miss January on the TKE calendar for 1976.

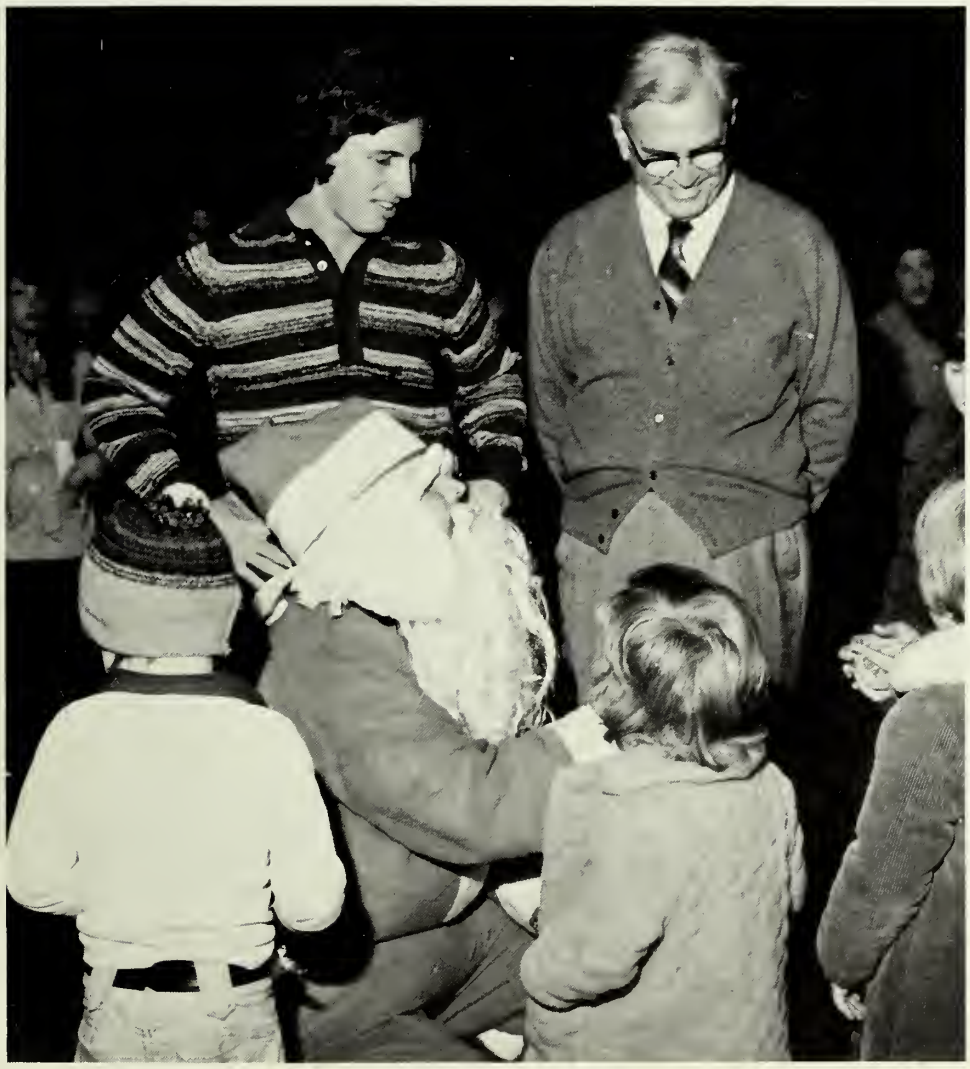


Lady Blazers Volleyball action moved into high gear during the month of Nobember. Coach Nancy Scott's team usually played with three freshmen starters. These girls were backed by seniors Patty Goldston, Connie Powell, and Susan Wheeler. The Lady Blazers performed at their peak before the friendly home crowds within the friendly confines of the VSC gym and they put on several exciting matches for their hometown fans during the course of the season.

DECEMBER

CHRISTMAS TREE LIGHTING
QUARTER ENDS
CHRISTMAS PARTIES

December was a rather inactive month at Valdosta State College as classes finished on the second and finals finished on the sixth. With all of the studying it is difficult to imagine the students finding the time to participate in any social activities. But, as this was the Christmas season there were always parties being held, whether they were at the Long Branch, a Fraternity House, a dorm room, or on the lawn of VSC Presidnet S. Walter Martin's house on Georgia Avenue. The vent pictured here is the Annual Christmas Tree lighting, sponsored by Delta Chi Fraternity.



JANUARY

LADY BLAZERS BASKETBALL
NEW CHRISTY MINSTRELS
BLAZER BASKETBALL

The VSC Lady Blazers are rapidly becoming one of the most popular teams on campus. And with little wonder as over the past two years they have won over fifty games while losing less than ten. In these past two years the Lady Blazers have finished second behind Mercer for the State Championship and have gone to post-season tournaments in both years.

The New Christy Minstrels brought their musical magic to VSC on January 24 with a concert in Whitehead Auditorium. Their stop in Valdosta was one of many on a nationwide tour which saw them perform at several other colleges. The many VSC students who attended the concert could only agree that VSC was lucky to have had them here.

Four times during January all eyes on the VSC campus turned to the Blazer Basketball team hustled into action. Jam-packed crowds and exciting games once again proved that Basketball is one of VSC's favorite pastimes. A month of fast-paced basketball action was highlighted by VSC's 87-81 defeat of arch-rival West Georgia.

FEBRUARY

"UP WITH PEOPLE"
"THE RIVALS"
MISS VSC

The popular singing group "Up With People" appeared at Valdosta State College on February 11 for a noontime show in front of the cafeteria. This performance was a highly enthusiastic song and dance routine and was a definite crowd pleaser. For those VSC students who wanted to see more of the group there was an additional concert at Mathis Auditorium on February 12. The picture here shows the group at their noontime performance.

As a Bicentennial treat for VSC students, the VSC Department of Speech and Drama staged Richard Sheridan's play "The Rivals." This play was written by Sheridan in the 1770's and was an unqualified flop. However, it has been delighting audiences ever since that time and VSC audiences were no different. Excellent costuming and acting as well as outstanding direction made this one of VSC's most enjoyed theatrical events for some years. The play was presented on February 18-21.

Kim Purser won her second major beauty title of the year on February 11 when she won the coveted crown of Miss VSC. This year's event was one of the most successful ever and featured a guest appearance by Miss America, 1976, Tawny Godin. As a result of her winning the Miss VSC crown, Kim will represent VSC at the Miss Georgia contest held in Cololmub during the summer. The Miss VSC Contest is sponsored by Pi Kappa Phi fraternity.

MARCH

BLAZER BASEBALL
VSC JAZZ ENSEMBLE
SPRING FEVER BEGINS

The crack of ball against bat came again at VSC in March as the Blazer Baseball team took to the field to start their 1976 season. With the start of baseball comes the daily pilgrimage to Blazer Field where students pull their cars up to the outfield fence, lean back on the hood with beer can in hand and enjoy the game. The start of baseball season also signals to VSC students that the time has come to start laying out in the sun to get a good tan before Spring Quarter arrives.

The VSC Jazz Ensemble has entertained many students since its creation. This year it has continued to draw the appreciative applause of hundreds of students who have attended any one of the numerous mini-concerts given by the ensemble this year. Whether they are held in front of the cafeteria at lunchtime, in the rear of the Fine Arts Building at late afternoon, or in Whitehead Auditorium in the evening, VSC students can expect outstanding music from this talented group.

APRIL

MEISBURG & WALTERS
MISS BEAUTIFUL
GREEK WEEK

Steve Meisburg and John Walters are extremely popular on the VSC campus. They have performed here several times in the past and have always drawn large and enthusiastic audiences. On April 6, they came back to VSC for a performance in Whitehead Auditorium. Their music, described as "country pop with folk," was enthusiastically applauded by the many VSC students in the audience.

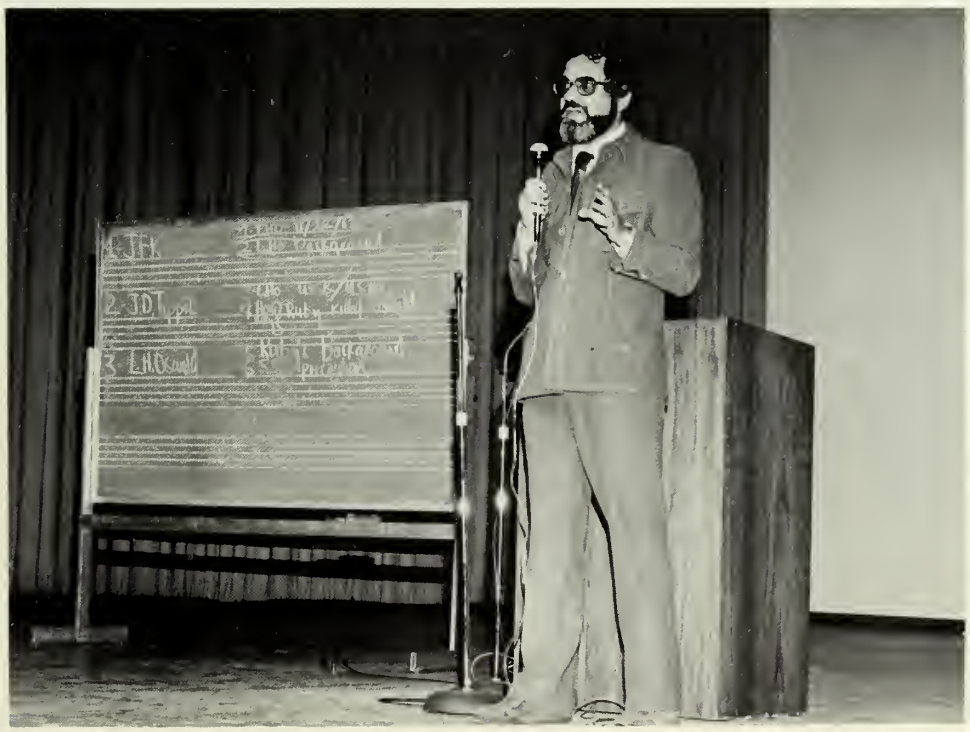
Sponsored by Alpha Xi Delta Sorority, the Miss Beautiful Contest has always been a popular event in the past. In this event members of the VSC fraternities get drunk, dress up in women's clothes, and then have a hilarious time on stage performing a talent routine before an audience that is roaring with laughter. This year's contest was held on April 22 and was won by Randy Bennett of Tau Kappa Epsilon Fraterntiy.

Greek Week is one of two major events in the social year of VSC, a Greek Community. This week is set aside by the Greeks as a time for friendly competition and fellowship. Events of the week include a chariot race down Patterson Street, watermelon-eating contests, the Tug-o-War, the Greek Olympics, and the Greek Dance. Highlight of the week is the naming of the Greek God and Goddess, won this year by Greg Moseley and Barbara Tonning.

MAY

"YOU'RE A GOOD MAN, CHARLIE BROWN"
BEACH TRIP
SEMINARS WEEK

The last of the three major productions put on by the Speech and Drama Department was "You're A Good Man, Charlie Brown." This play proved to be very popular with VSC students and members of the community as it was performed before large and enthusiastic audiences each night. The play was held on April 13-15 in Sawyer Theatre.



A gala Bicentennial fireworks display opened the 1976 edition of VSC's annual Week of Seminars. Seminars Week also included lectures on Egyptian heiroglyphics, bagpipes, Walt Disney, Rolls Royces, and numerous other subjects. A featured attraction was the appearance of Mark Lane, an authority on the assassination of John F. Kennedy, who spoke before a capacity audience in Whitehead Auditorium.

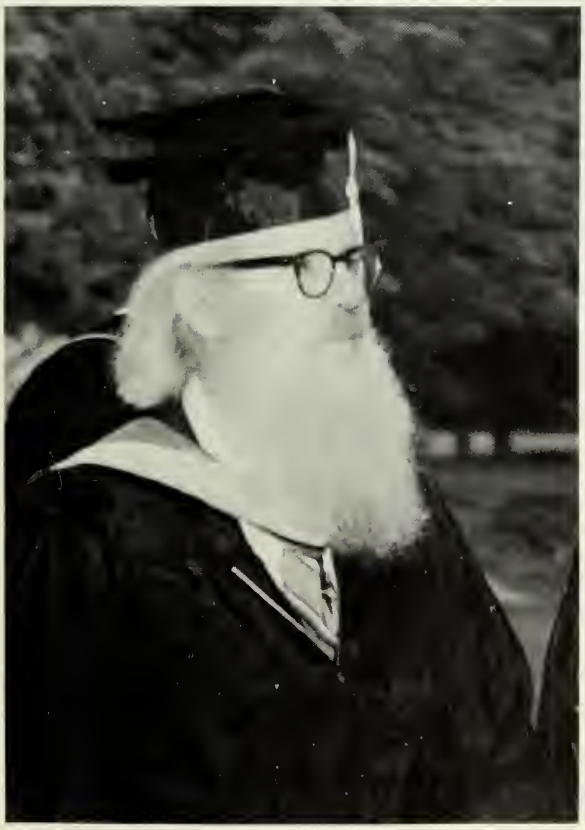
Beach trip is the social highpoint of the year at VSC. Hundreds of VSC students will leave as early as Wednesday morning in order to get plenty of the Panama City Beach sunshine. Students plan for this event as early as fall quarter. It would not be surprising to hear some students talking about next year's Beach Trip while driving back from this year's Beach Trip.

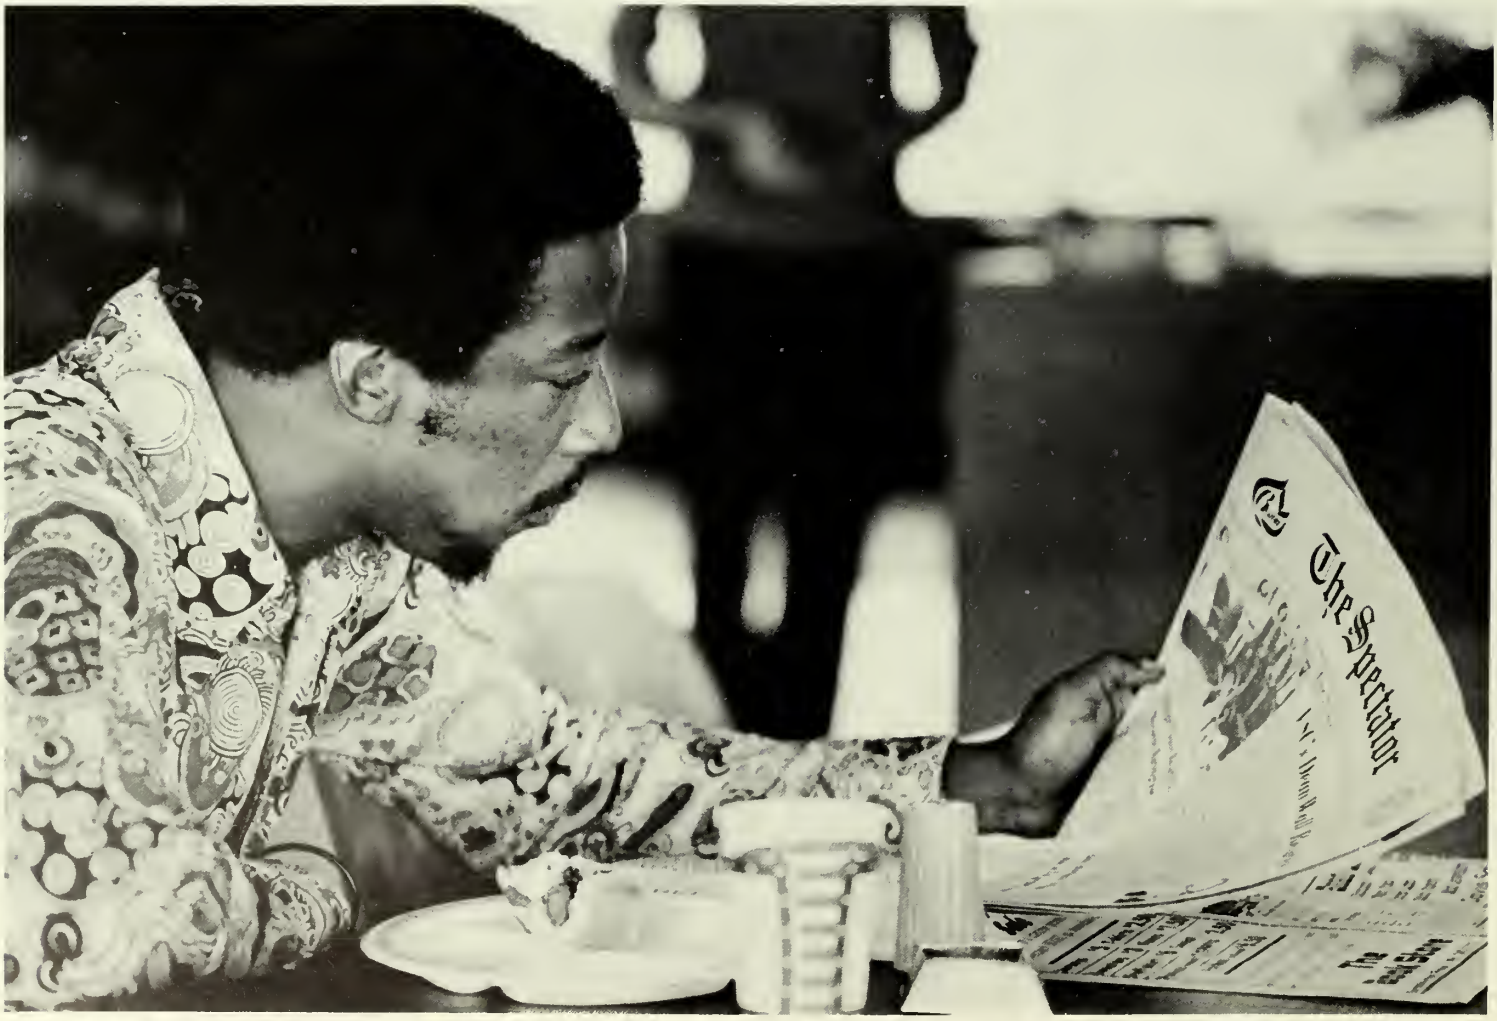
JUNE

END OF THE YEAR
GRADUATION
RELAXING

Graduation is an important part of all of our lives. It not only ends our period of growing up but it starts a whole new experience for most of us. It is a sad time and a happy time. One will not easily forget our college days and all the memories that came with it. We have put four hard years of our lives to get a degree that will mean our future. What will become of us now? When will we see everyone again? It has been fun and exciting but now we are grown up. The graduating class of 1976 — the great year of our Bicentennial.

The end of the year has come. Now we can have the summer to relax and get our thoughts back together. We have the whole summer to miss everyone and when fall comes around, we will all be together again.





The Spectator

SECURITY PATROL
SECURITY PATROL

VALDOSTA

KA

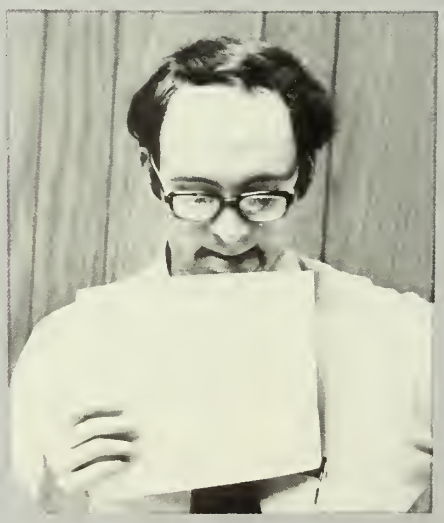
YIELD

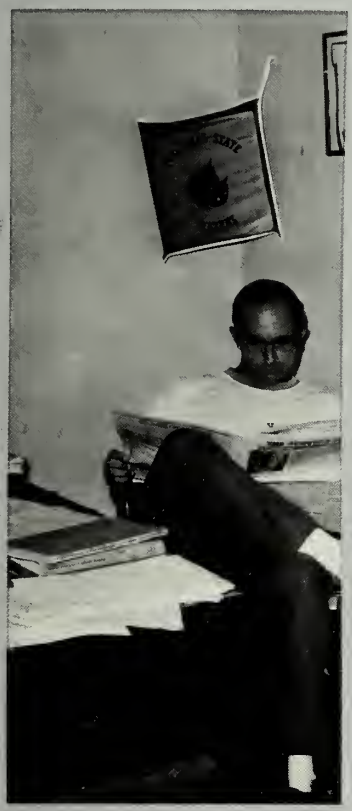
Gen.

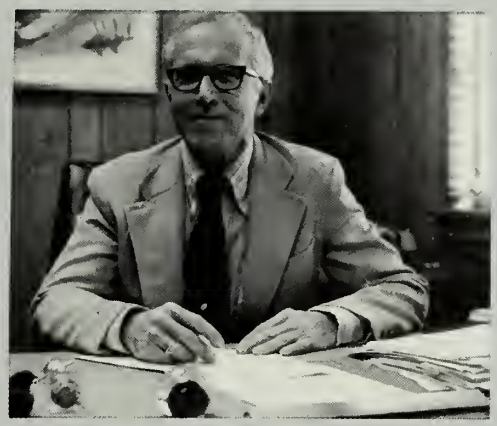
There are many things to keep a student amused at VSC. The College Union Board sponsors many different activities and there are numerous clubs and organizations which the students can join.

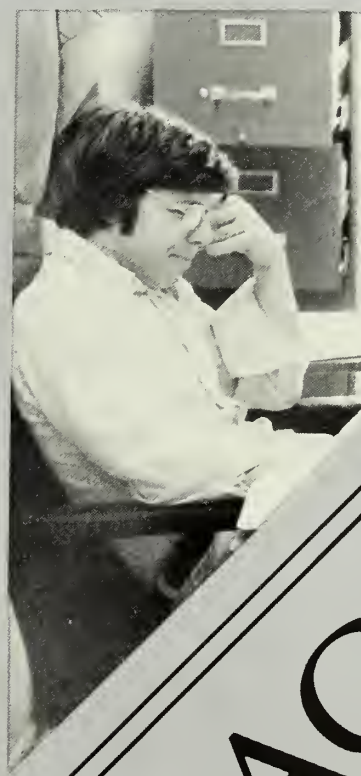
The favorite pastime of VSC students is relaxing and engaging in conversation. VSC students will linger for hours in the cafeteria — not because the food is good but because the talk is plentiful. Any day during Spring quarter dozens of VSC students can be seen lounging in the sun talking about everything under the sun. All this proves that students do not live for class alone.

U.S.MAIL









FACULTY

PINE CONE: Where is V.S.C. now at in its development?
MARTIN: The greatest period of growth is over. We have grown from 1600 to 5200 students in the past ten years, but the growth rate will be slower in the future.
PINE CONE: How will V.S.C. grow in the future?
MARTIN: We still need a few things to add to the physical plant. Our first priority will be to add a new gymnasium and after that we will look to renovate West Hall. I do not foresee any new dorms or dining halls.
PINE CONE: How will V.S.C. grow academically in the future?
MARTIN: V.S.C. will expand in almost all areas of study. We will expand in Fine Arts to offer a Masters degree in Fine Arts. We will also experience vast expansion in Business Administration and Nursing. Sometime in the future, V.S.C. will be offering a Ph.D.
PINE CONE: What are V.S.C's strongest academic areas?
MARTIN: V.S.C. is strong in all areas, as indicated by our high standing in the rating of all four-year colleges in Georgia. We are particularly strong in History, English, Education, and Special Education.
PINE CONE: How have the recent budget cuts affected V.S.C.?

college is just a beginning where one learns how to learn

MARTIN: Most students were not affected by the budget cuts. The quality of education has not decreased and no faculty positions were cut. The only cutback was in the purchase of library books. We hope that there will no more cuts in the future and that some of the money cut will be restored in the future.
PINE CONE: What is the purpose of the Senior Exit Exam?
MARTIN: The purpose is to check on the quality of work by the college, and to show the taxpayers how we are doing our job. The only thing that will be on a student's transcript will be a note stating that he took the test. The score will not be on the transcript now, but future graduates may have their scores recorded on their transcripts.
PINE CONE: How long have you been in education?
MARTIN: Forty-four years. I taught in high school for three years starting when I was twenty-one. I then spent twenty-two years teaching History at the University of Georgia, four years as Vice Chancellor of the University System of Georgia. As a college president, I was at Emory for five years, and this is my tenth years at V.S.C.

President S. Walter Martin

Vice President W. Ray Cleere

PINE CONE: Describe briefly your job responsibilities.
CLEERE: My job is basically two-fold. As Dean of Faculties my duties include coordinating the academic and administrative divisions of the college. As Vice President, I am also the President's chief administrator in all matters except financial affairs. I attempt to solve some of the problems that do not call for decisions by the President. Also, when appropriate, I try to prevent problems from arising. I suppose you could say that my job is problem oriented. If there were no problems on the campus, I would not be needed. But there are problems and controversies which naturally arise occasionally. I think this is a good sign. The controversies surrounding a college are part of its vitality. Without it we would not be doing our job properly.
PINE CONE: As Dean of Faculties, how would you rate the V.S.C. faculty?
CLEERE: Overall, I think we have an excellent faculty which includes a number of outstanding scholars and teachers.
PINE CONE: Do you teach any classes yourself?
CLEERE: Yes, I teach an upper division Psychology class, usually during the summer quarter. I might add here that V.S.C. is unique in that most of its top administrative officials also teach in the classroom. Other colleges allow their administrators to teach, but at V.S.C. it is strongly encouraged.
PINE CONE: How long have you served as Vice President?
CLEERE: This will be my fifth year as Vice President. Before that I served for one year as the Dean of the School of Education.
PINE CONE: How well do you and President Martin work as a team?
CLEERE: In my opinion quite well. First, a good Vice President is a reflection of the current administration. Second, there must be a team spirit reflected throughout the institution and when problems do arise, we must work quickly to solve them.

the natural problems and controversies surrounding a college are part of its vitality

PINE CONE: Do you expect to be President of V.S.C.?
CLEERE: I do not consider myself a candidate for the presidency of this institution. When President Martin does retire, the Board of Regents and various officials from this college will meet and decide on several broad questions which might include:

1. Where is V.S.C. in its development as a multi-purpose institution?
2. What direction is most appropriate for the college over the next few years?
3. Should the institution move toward offering Ph.D. programs, medical programs, or law school?

After these questions, along with many others, are answered, a committee will be selected. The committee will in turn recommend a number of candidates to the Chancellor and the Board of Regents.
PINE CONE: With so many things on your mind, how do you manage to maintain sanity?
CLEERE: In my sixteen years of administrative work, I have found that it would be extremely difficult to work efficiently if I did not find a little humor in almost everything. I believe if one is so consumed with the seriousness of life he will not see the beauty of life. I am the type person who needs to be involved in a great many things. I find very few things dull and routine about being Vice President of a college like V.S.C.

PINECONE: What is the scope of your job?
BOND: I am responsible for the student body. Under this broad heading, I am in charge of student development and all extracurricular activities for the student body. However, I feel that the primary purpose of my job is to help a student attain his educational and life goals, to help them identify their own individual needs and desires. It is also my responsibility to protect the rights of the student as an individual.
PINECONE: Since the legal age in Georgia is eighteen, have your job responsibilities been eased any? Are you still a surrogate parent?
BOND: The term you are referring to is "in loco parentis". This literally means, "to act in place of the parent". The courts have now taken some of the responsibilities that were mine just a few years ago and have given these responsibilities to the students themselves, of course, I am always available to help any student who needs assistance.
PINECONE: How can you handle all these responsibilities at the same time?
BOND: I have a number of capable staff members working under me in the offices of counseling, testing, financial aid, discipline, student health, student activities, placement, and the various student organizations, just to mention a few. In addition, a large number of students accept responsibilities as paraprofessionals. In my job, I also have an opportunity to work closely with the Student Government Association and the representatives of the campus media such as the Spectator, WVVS, and the Pinecone. Much of what I am responsible for is handled by these organizations, quite well I might add.
PINECONE: Can you explain the effect of the "Buckley Rule" on your office?
BOND: So far we have not had too many students ask to see their files. If they do ask, we are happy to show them. We have never kept any "secret files" on students here. What the Buckley law does is require a student's written permission before anyone can look at their files. This prevents organizations such as the F.B.I. and C.I.A. from obtaining files without the student's permission. I am personally glad that the law was passed.
PINECONE: Do you think your job responsibilities are diminishing as students are given more responsibilities?
BOND: No, because some students will still need counseling or any of the other services I have mentioned before. Most students have some difficulties in adjusting to college life and my job is aimed primarily at that adjustment, and seeing that their primary goal in being here, that of receiving an education, retains its primary position.

Andrew J. Bond
Dean of Students

PINE CONE: What is your official title and what are the duties of your job?
NETTLES: My title is the Associate Dean of Students for Student Development. My duties include responsibilities for campus order and student discipline, administrative responsibility for the Counseling Center, the Placement Office, and the Veterans Affairs Office. I am also involved with personal/social counseling and exit reviews. In addition, I am on several committees. They are; Traffic Committee, Drug Abuse Committee, Student Affairs Committee, Administrative Council, and the Religious Life Committee. I am responsible for the administrative maintenance of the Student Policies Committee. However, I do not sit on the committee.
PINE CONE: Explain briefly the function of the Student Judiciary Committee.
NETTLES: This committee determines the innocence or guilt of a student and then if guilty, determines which sanction is the most appropriate. The procedure is an administrative process to determine whether the student's relationship with the institution can be maintained. This committee does not take the place of the state courts. I view the appearance of a student before the Judiciary Committee as a learning experience rather that a punitive experience. I am always in favor of a student being able to continue his education.
PINE CONE: Can a student expect to get a fair hearing in the Traffic Court?
NETTLES: Yes. As a matter of fact, we overturn more than 50 per cent of the citiations brought before us.

PINE CONE: How long have you been at V.S.C. and what is your current position in the administration?
BORDEN: This is my seventh year at Valdosta State College. I am currently serving as Dean in charge of the residence halls on campus. Part of my duties in this capacity are to insure that the residence halls are suitable for living in. I am also in charge of selecting and training the head resident and the R.A.'s of each dorm.
PINE CONE: Do you think the new regulations on beer and weeknight visiting hours will be helpful for student living in the dorms?
BORDEN: I think it will. In effect, all we have done is leagalize a situation that has already been existing. This is just a natural part of a student;s development at college. Because of these new regulations, I think that students are more open and frank with themselves and others than they were before.
PINE CONE: What type of attitude do you take when you deal with so many diverse people?
BORDEN: In dealing with young people, one must be open minded. By doing so you can be more fair and also you have an opportunity to learn from the students. I think this is one of the biggest benefits of my job.

Associate Dean William R. Nettles, III

Bottom Row (L-R) — Marcus Anderson, Lee Draper, Mike Hodge, Mike Rasper, Gary Slayton, Scott Porter, Mike Dorsey.

WOMEN'S GOLF

Even though the women's golf team is a new sport on VSC, the girls' have a desire to have a winning team. Coached by Mrs. Tillie Mathis, the player's have practice sessions all year round. With the firm interest and added experience of these fine girls, a good season should be coming in the near future.

Players include:
Fran Henderson
Ann Chitty
Kathy Townsend
Connie Bowers
Coach Tillie Mathis

Left to right — Cindy Kyle, Susan Wheeler, Nancy Hickey, Sharon Crews, Melissa Hunnicutt, Mcchelle Nelson, Patty Goldston, Jenna Marshall, Freddie Gilliam, and Connie Powell.

WOMEN'S VOLLEYBALL

1975 proved to be a progressive year for Dr. Nancy Scott and her volleyball players. Although the season was not a winning one, the team has improved very much to be only two years old. They were up against tough competition such as Columbus, West Georgia, Florida, Shorter, and Berry. We look to see the team bring back experienced players and a good 1976 season.

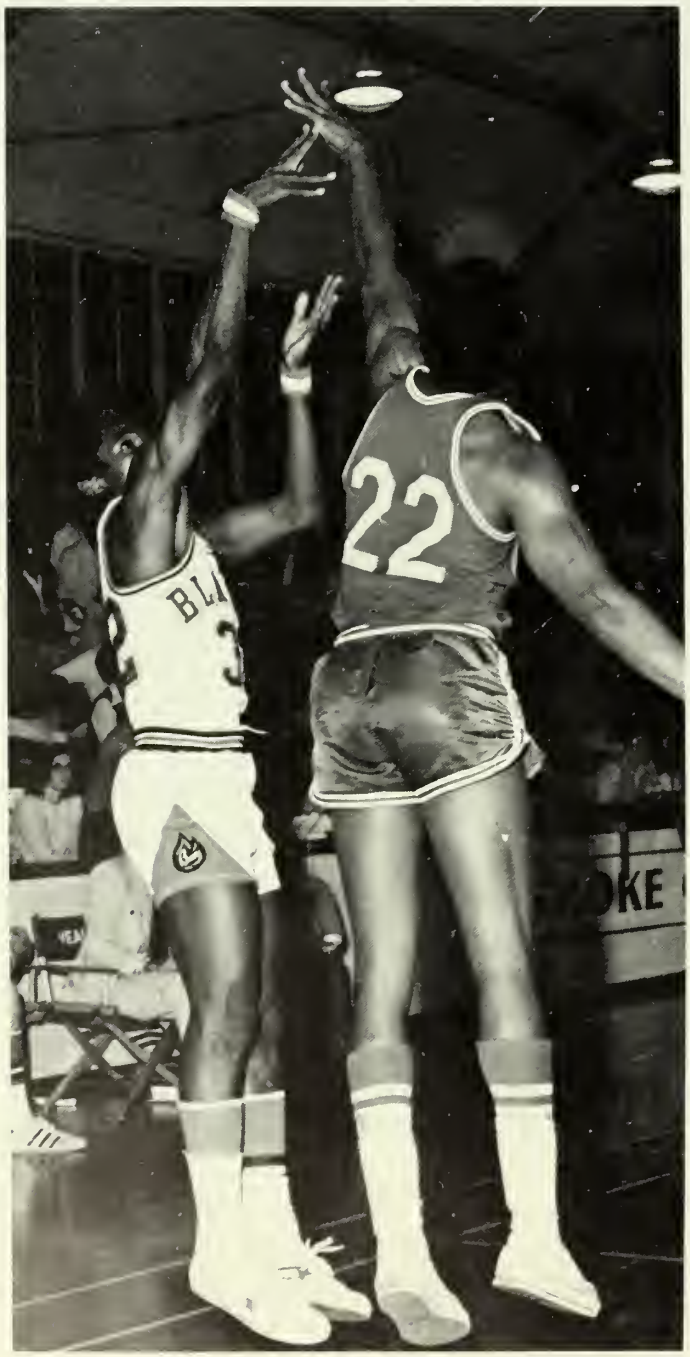
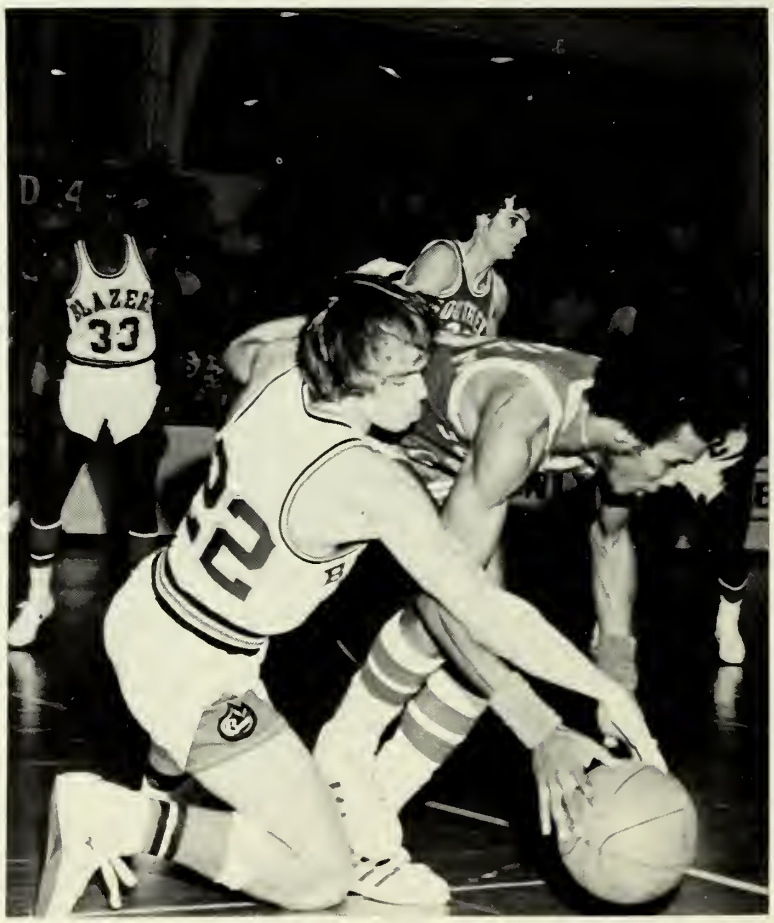
Nov. 21, 22	Fr, Sat	Region III Tournament Florida State University	Tallahassee, Fla.

BLAZERS 75-76





The VSC Blazers entered the 75-76 season with hopes of claiming a conference championship. Head Coach James Dominey was cautiously optimistic about the chances of VSC winning a title.

Starting the season with four newcomers and five veterans, Coach Dominey had to field a young team hampered by it's small size, with the tallest player being 6'6".

The Blazers finished the season with a disappointing 11-12 record and a third place finish in the South Atlantic Conference. At the South Atlantic Conference Championship tournament; however, the Blazers surprised everyone by defeating Southern Tech 76-65, West Georgia 83-77, and Augusta College 74-56 to take the South Atlantic Conference crown.

Mark Patrick and Jackie Manuel were named to the All-Tournament Team and Mark Patrick was named as the Most Valuable Player in the Tournament.

VSC finished the season by losing in the first round of the NCAA Division II South Regionals to the University of Tennessee at Chatanooga.

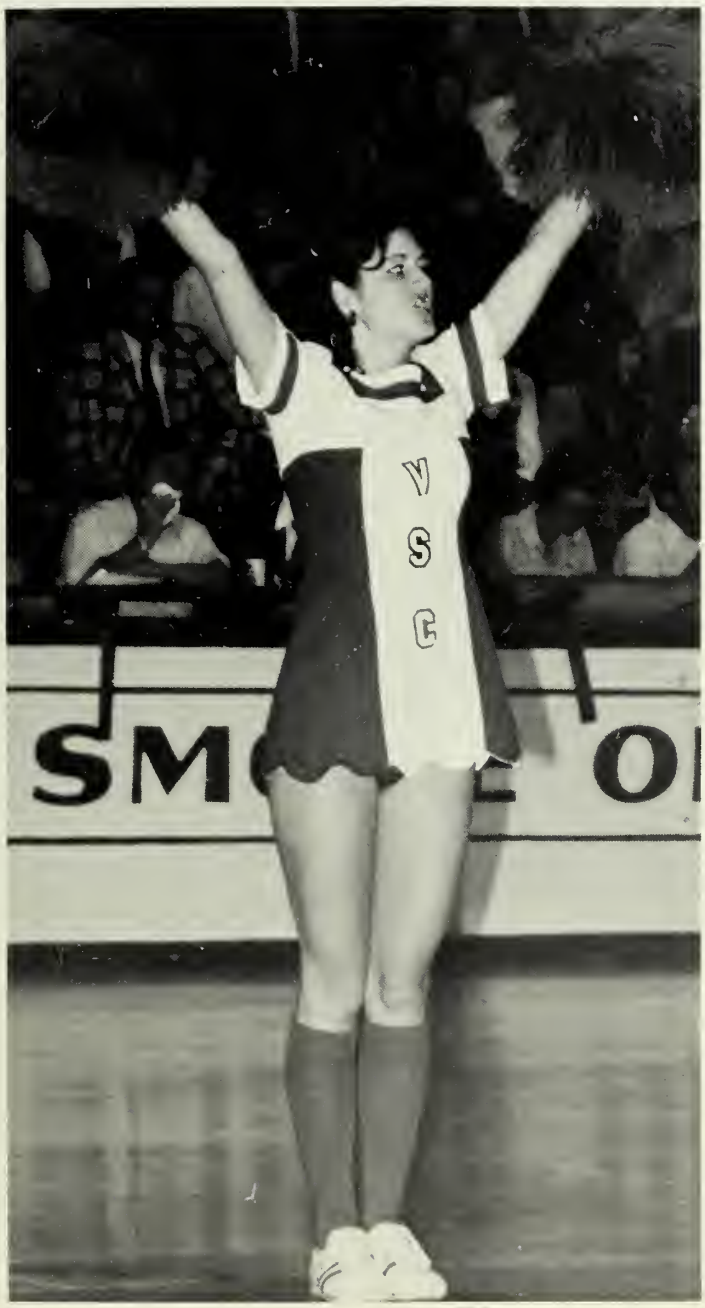
VSC Cheerleaders

The VSC cheerleaders provided much support and added spirit to a successful basketball season. Under the sponsorship of Mrs. Hansen and captain Janie Miller, the cheerleaders helped boast spirit for all the boy's basketball games.



BLAZER BASEBALL 1976

Blazer Baseball '76 got off to a fast start as the Blazers won many of their opening games at Blazer Field. However, as the season wore on the Blazer bats fell silent and the Blazers usually steady defense proved to be shaky.

This lack of hitting and porous defense proved to be the players downfall as they barely managed to break the 500 mark in wins with a 28 win 23 lost record. For the first time in seven years Coach Tommy Thomas's Blazers failed to reach the post-season playoffs. Blazer fans and players can only look forward to next year when the team looks to start another post season playoff streak.

MEN'S TENNIS

WOMEN'S TENNIS

The women's tennis program on VSC has been established for only a few years. Miss Judy Phillips coaches the young team. The women had a fairly successful season. With most of the player's returning on next year's team, we hope to have another successful season.

Players include:
Jackie Youngblood
Joyce Shirley
Melissa Hunnicutt
Penny Balkcum
Karen Holland
Judy Seymour
Mary Lynn Price
Linda Haddock
Connie Powell
Kay Thorton

Intramural Football

Intramural Football '75 was just as exciting and fast-paced as in the past. Highly competitive and high scoring games marked both the Fraternity and Independent Leagues.

In the Fraternity League, Kappa Alpha and Delta Chi were forced to have a playoff game to decide the championship. In that game the KA's defeated Delta Chi in an upset to earn the right to play the Independent League champions.

In the Independent League, the Wesley Foundation was rolling over all of it's opponents on the way to an undefeated season, and was waiting in the wings to find out who there opponents would be.

The stage was set for an exciting championship game. The speed and depth of the KA team was pitted against the machine — like Wesley team. In the championship game Wesley defeated the KA's to reign as the Men's Intramural football champions.

Wesley was easily, the strongest team in competition. They were the only undefeated team left after the season was over. Superior strength at almost every position was a hallmark of the Wesley Team. Wesley's potent offense and stingy defense performed flawlessly throughout the season and carried them to the championship of the Men's Intramural Football League.

44

31

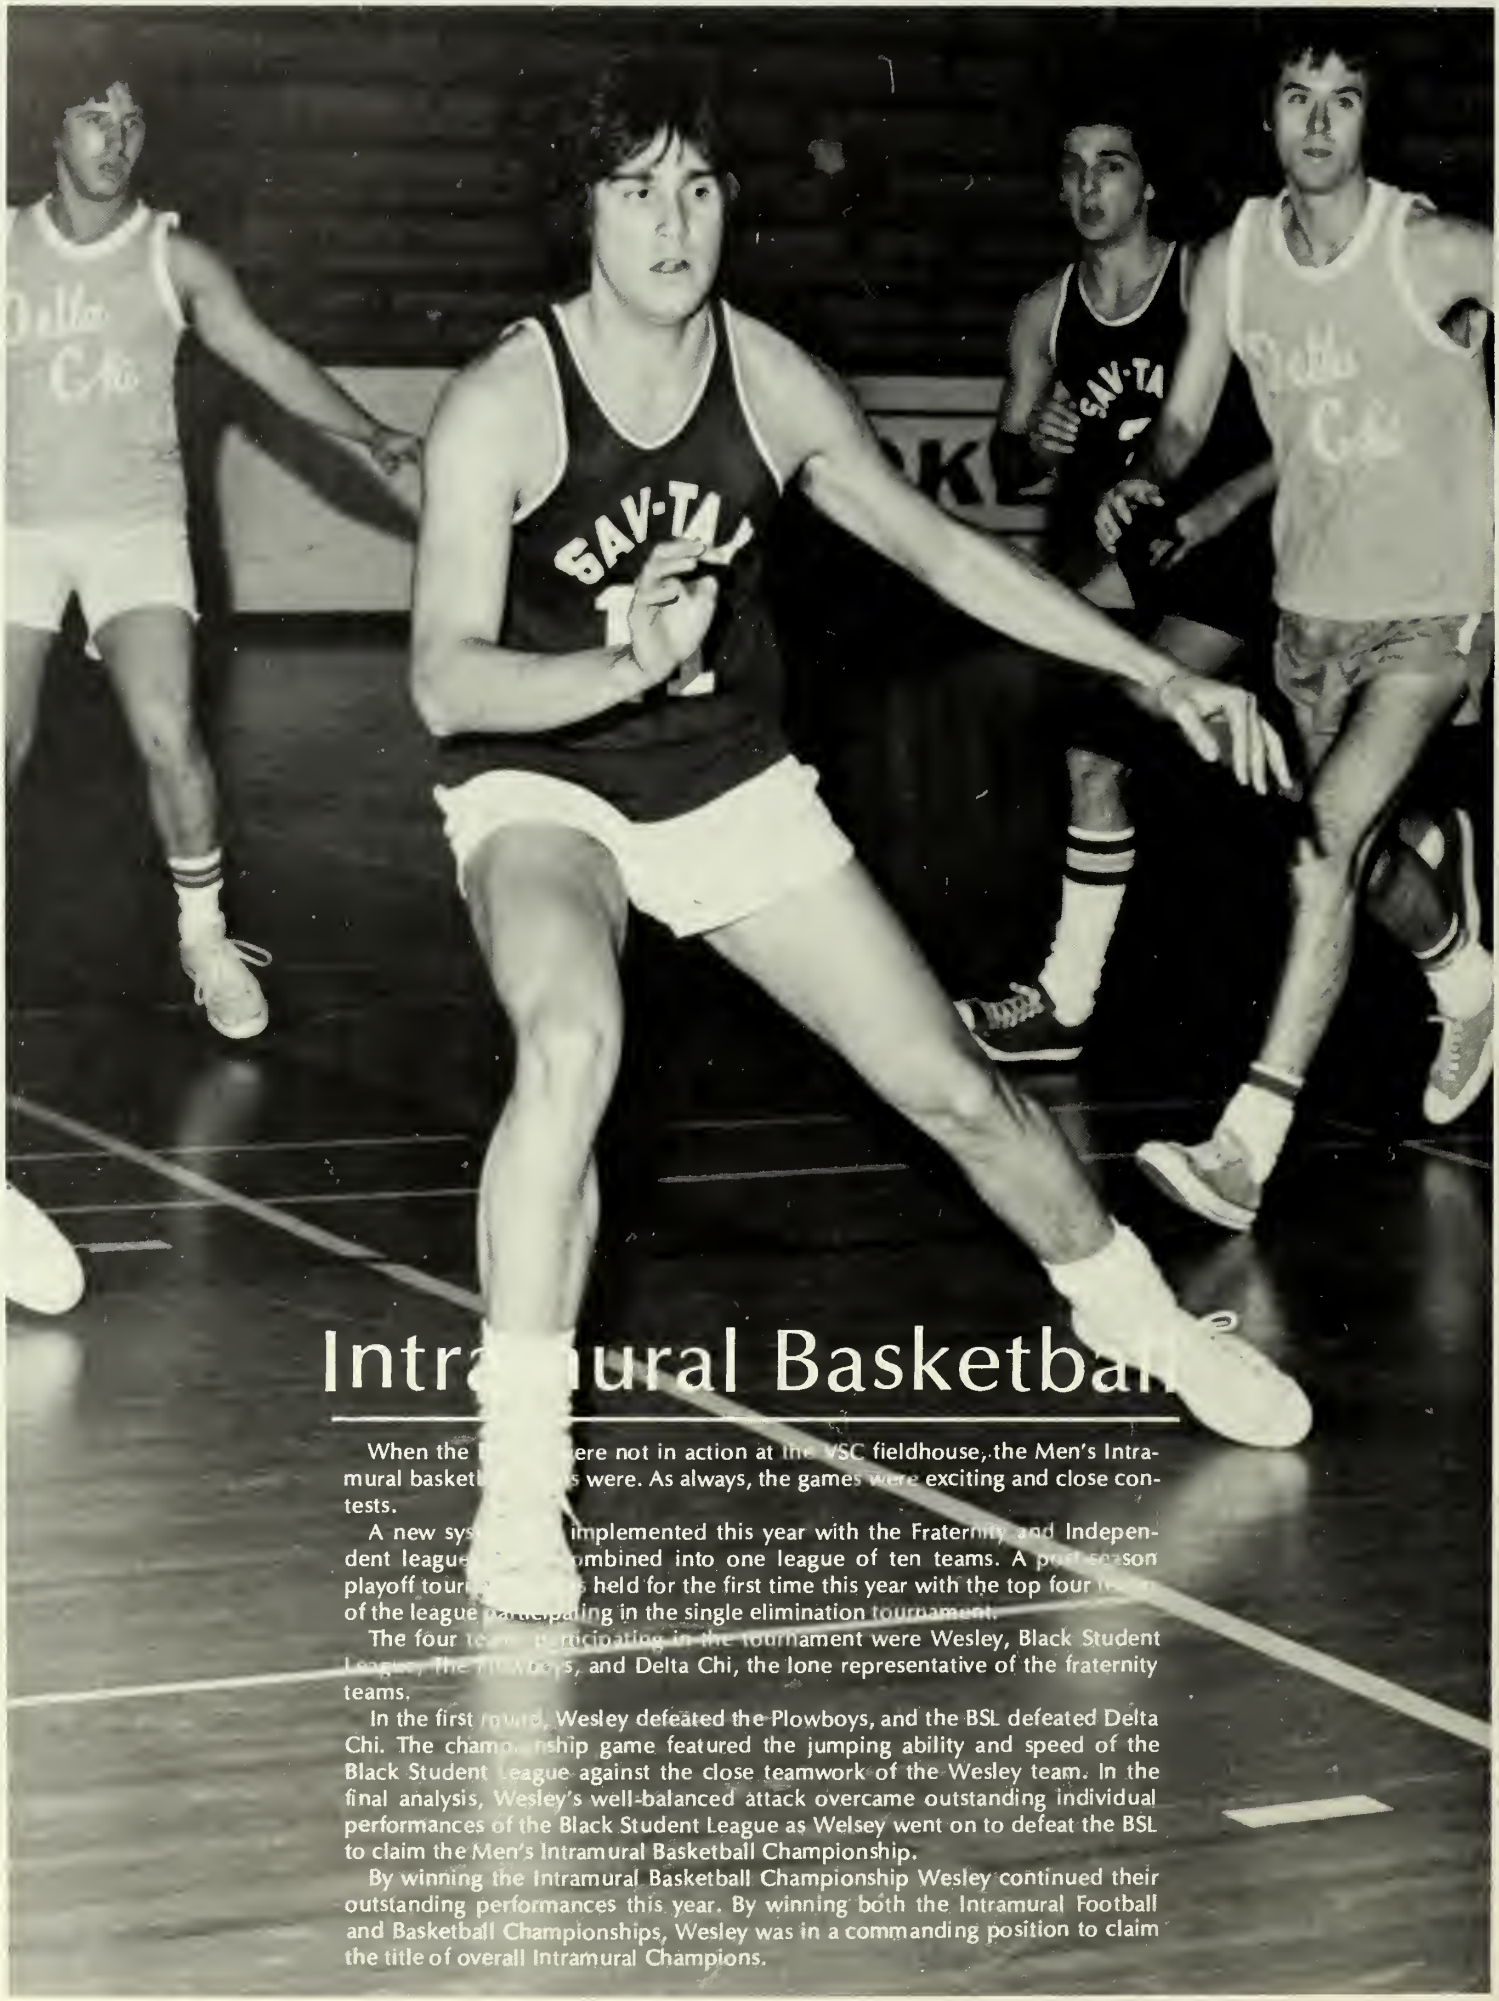
Women's Volleyball

There was very much competitive action in the 1975 women's intramural volleyball program. At the end of the season, the championship game was played between Alpha Delta Pi and Phi Mu. Phi Mu won the championship to remain undefeated for the season.

Women's Soccer

Women's Soccer was highlighted by much competition between the Greek and Independent leagues. At the end of the season, the championship game was played between Phi Mu and Independent, with Independent winning the outcome of the contest to become the soccer champs for the second year in a row.

CRABBALL-CRABBALL-CRABBALL



Intramural Basketball

When the [illegible] were not in action at the VSC fieldhouse, the Men's Intramural basketb[illegible]s were. As always, the games were exciting and close contests.

A new sys[illegible] implemented this year with the Fraternity and Independent league[illegible]ombined into one league of ten teams. A post-season playoff tour[illegible]s held for the first time this year with the top four [illegible] of the league participating in the single elimination tournament.

The four teams participating in the tournament were Wesley, Black Student League, The Plowboys, and Delta Chi, the lone representative of the fraternity teams.

In the first round, Wesley defeated the Plowboys, and the BSL defeated Delta Chi. The champ[illegible]ship game featured the jumping ability and speed of the Black Student League against the close teamwork of the Wesley team. In the final analysis, Wesley's well-balanced attack overcame outstanding individual performances of the Black Student League as Welsey went on to defeat the BSL to claim the Men's Intramural Basketball Championship.

By winning the Intramural Basketball Championship Wesley continued their outstanding performances this year. By winning both the Intramural Football and Basketball Championships, Wesley was in a commanding position to claim the title of overall Intramural Champions.

Women's Basketball

Women's Intramural basketball was highlighted by a very competitive season and a lot of fine basketball ability was demonstrated. Many excellent teams were fielded, and at the end of the season, four teams were in the play-off. These four teams consisted of Independent II, Phi Mu, BSL and Spirits. With the BSL and Spirits eliminated, the championship game was played between Phi Mu and Independent II. Independent II went on to be the overall basketball champs.

Women's Softball

The 1976 women's intramural softball program produced many outstanding teams. With so many competitive teams, the season proved to be long and very tough.

COLLEGE UNION BOARD

The College Union Board is an arm of the Student Government Association with the designated responsibility of providing entertainment for the students. Althoug "providing entertainment" can be stated very simply, the execution of such a responsibility is complex and time consuming. Many, many hours of thought and hard work go into each function sponsored by the Union Board. Throughout each quarter the Board must meet the demands of a diversified college community. Nonetheless, the work is done and the demands are met. Such an accomplishment speaks highly of the Union Board, especially when one considers that the people giving unselfishly of their time to meet the entertainment demands are students. The twenty students who comprise the College Union Board are proud of their past accomplishments and look towards the future for even greater advances.

Take time to look over some of our past programs. They will give some indication of things to come. If you'd like to be a part of all this, you need only read each quarter's calendar and attend the events. If you'd like to be in on the planning stages, then come join us. The Union Board meetings are open to anyone who wishes to attend. To find out about the meetings, just call 247-3308. We will welcome you with open arms.

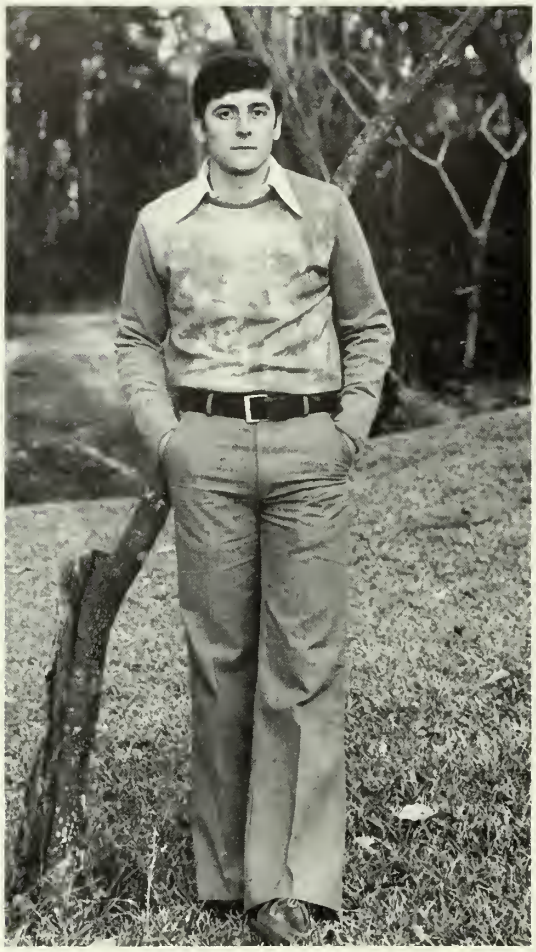
HONORS AND BEAUTIES

Who's Who

To be selected as [illegible] of the [illegible] selection [illegible] extracu[illegible] YSC [illegible] right [illegible] Phelps, Pam [illegible] Rozier, [illegible] Mara McRae.



BEN F. YOUNG, JR.

Ben Young is the son of Mr. and Mrs. Ben F. Young of Albany, Ga. He is a member of Omicron Delta Kappa, Sigma Alpha Chi and the Student Judiciary Committee of the Student Goverment Association. Young is also an active member of Phi Kappa Phi Fraternity, serving as its Vice President, and Air Force ROTC, serving as Corps Commander. In ROTC, he has been designated as a Distinguished Military Cadet and has received the Outstanding Commander's Award. He is also a member of the Arnold Air Society.

MARTHA LOU WILSON

Martha Lou Wilson is the daughter of Dr. and Mrs. O.R. Wilson of Alma, Georgia. She is a member of Sigma Alpha Chi, Alpha Chi, Phi Kappa Phi. She is a member of the VSC Concert Band, in which she plays the flute. In her freshman year, she was named a President's Freshman Scholar, and received the Honor Music Student Award.

WHO'S WHO

CHARLETTE CREW

Charlette Crew is the daughter of Mr. and Mrs. W. Ceil Crew of Whigham, Georgia. She is a member of Omcron Delta Kappa, Alpha Lambda Delta, Sigma Alpha Chi, Alpha Chi, and Cardinal Key Honor Societies. She is an active member of Phi Mu sorority and has served as it's President, Vice President, and Rush Chairman. In addition she has won awards as being the Outstanding Pledge, Outstanding Pledge Scholar, and The Most Inspired Sister.

ROBERT GOETTE

Robert Goette is the son of Dr. and Mrs. Robert L. Goette of Taejon, Korea. He is also a member of Phi Kappa Phi and Omicron Delta Kappa. He is an active member of the Campus Crusade for Christ at VSC and has been teaching a class at the Calvary Church in Valdosta.

PATSIE TOMPKINS

Patsie Tompkins is the daughter of Mr. and Mrs. Grady Tompkins of Summer, Georgia. She is a member of Alpha Chi, Phi Beta Lambda, and the National, Southern, and Georgia Business Educators Association. She is also a member of the VSC chapter of the Student National Education Association.

DAVID ROZIER

David Rozier is the son of Mr. and Mrs. D.R. Rozier of Brunswick. He has been Secretary Treasurer of Sigma Alpha Chi, a member of Alpha Chi, and Omicron Delta Kappa. He is also a member of Kappa Alpha Fraternity where he served as Corresponding Secretary and Treasurer. He has also served as Comptroller of The Student Government Association.

JIM PHELPS

Jim Phelps is the son of Mr. and Mrs. W.A. Phelps of Camilla, Georgia. He is a member of Sigma Alpha Chi and Phi Kappa Phi. He was named as a President's Freshman Scholar in 1973. As a member of Sigma Alpha Epsilon he has served as President and Treasurer.

BARBARA TONNING

Barbara Tonning is the daughter of Mr. and Mrs. R.W. Tonning of Waycross, Georgia. She is a member of Sigma Alpha Chi, Alpha Chi Cardinal Key and is Vice President of Omicron Delta Kappa. She is also a member of Phi Mu sorority and has served as it's Vice President and has represented Phi Mu on the Panhellenic Council for two years. She is a member of the Student Nurses Association of Georgia and was a delegate to the National Student Nurses Association at Philadelphia in 1975.

TKE CALENDAR GIRL KIM PURSER

Kim Purser, and 18 year old freshman from Lake City, Florida is the 1975-76 TKE Calendar Girl. Kim, a member of Alpha Delta Pi is the daughter of Mr. and Mrs. J. Palmer Purser and an early childhood education major.

CALENDAR GIRL CONTEST:

By winning both the TKE Calendar Girl Contest and Miss VSC, in the same year, Kim Purser has earned a unique place in the history of Valdosta State College. With three years of college remaining for her it will be interesting to see how many other events Kim Purser can attain.

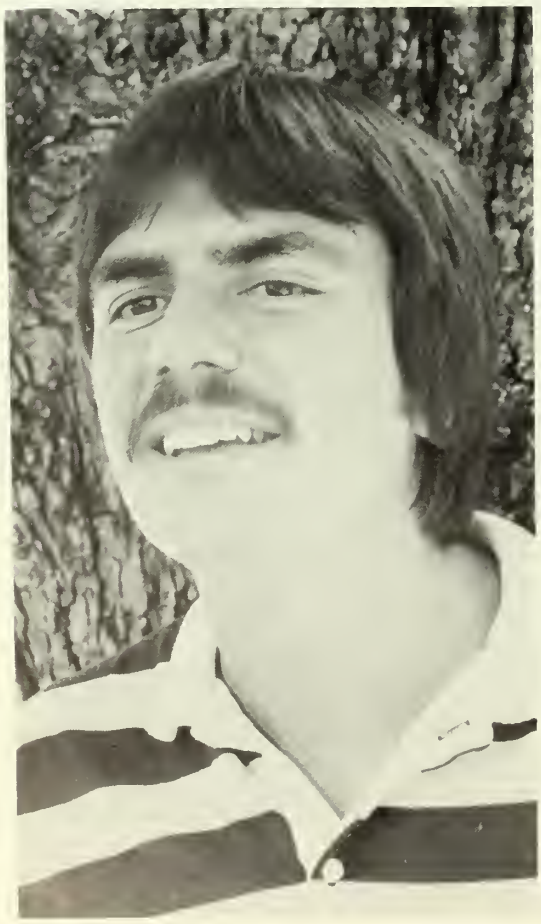
COLLEGE INSIGHT — STUDENT LEADERS

THE STUDENT LEADERS WHO WORK WITH THE COLLEGE INSIGHT PROGRAM AT VSC ARE CHOSEN ON THE BASIS OF SEVERAL QUALITIES AND CHARACTERISTICS. SCHOLARSHIP, LEADERSHIP, INTEREST IN THE SCHOOL AND STUDENTS, AND THE ABILITY TO RELATE WELL TO OTHER PEOPLE ARE SOME OF THE DESIRED ATTRIBUTES FOR A STUDENT LEADER AT VSC. THESE STUDENTS ARE RESPONSIBLE FOR HELPING THE NEW STUDENT MAKE THE ADJUSTMENT TO HIS NEW HOME AT VALDOSTA STATE COLLEGE.



BILL HORTMAN

BILL is the Coordinator of Counseling Services and Orientation. He holds a B.S. and M.Ed. from Valdosta State College. He has been working with Student Development for one year and is involved with such things as counseling, testing, Test Anxiety Reduction, Effective Study classes and Orientation.

MARION ODOM

MARION is the student coordinator of Orientation. He is a twenty-year-old senior Accounting major from Moultrie, Georgia. He is Comptroller of the SGA, an associate member of the College Union Board, a DJ at WVVS, and a Resident Assistant. He is the son of Mr. & Mrs. Phil Odom, Jr.

KATHY FAULKNER

KATHY is a 20 year old math major from Waycross, GA. She has been involved with orientation for two years and is a TKE sponsor. She is a junior and the daughter of Mr. & Mrs. J.L. Faulkner.

WES URPHY

WES is a senior from Cordele, Georgia, majoring in Business Management. During the past school year, he served as President of the Pi Kappa Phi Fraternity and also as a senator of the SGA, in addition to being a member of the Annual staff. Wes is also an Alpha Zi Delta big brother. He is 20 years old and the son of Mr. & Mrs. Joel T. Murphy, Sr.

BOB HAGAN

BOB is a 21 year old senior Criminal Justice major. He is the recording secretary for the Kappa Alpha fraternity and has been representative to the interfraternity council for four years. He was the 1976 editor of the PINECONE, a reporter to the SPECTATOR staff, a senator for the SGA, and a member of the Student Affairs and Communications Board. He has been involved in the orientation program for two years and is a Phi Mu Gent for the Phi Mu sorority. He is the son of Mr. & Mrs. J. Terris Hagan, Jr. of Roswell, GA.

JENNIFER JOHNSON

JENNIFER is a 22 year old Art major from Valdosta, GA. She is a member of Sigma Alpha Chi, the Art Student League and is a KA Southern Belle. She has been involved with orientation for two years. She is the daughter of Mr. & Mrs. John W. Hardwick of Cairo, GA.

LOUISE PIERSON

LOUISE, a nineteen-year-old sophomore, is from Thomasville, Georgia. She is majoring in Criminal Justice. Louise is a senator in the SGA, a member of the College Union Board, a DJ at WVVS. She is the daughter of Mrs. H.E. Pierson, Jr.

ROBERT DRUKENMILLER

ROBERT is a twenty-year-old senior Business major from Hapeville, Georgia. He is a Resident Assistant in Patterson Hall and participates in the ROTC program here at VSC. He is also a member of the College Union Board and Arnold Air Society. He is the son of Mr. & Mrs. Roy Drukenmiller.

DICK McLEOD

DICK, a senior Marketing major, twenty-one years of age, is from Albany, Georgia. He is in his second term as President of the SGA, and is also a member of the Pi Kappa Phi fraternity. Dick is also a member of Sigma Alpha Chi and ODK. He is the son of Mr. & Mrs. T.W. McLeod.

CINDY McALISTER

CINDY is a senior majoring in Special Education from Titusville, Florida. She is a member of the Alpha Delta Pi sorority, Cardinal Key, chairman of the College Union Board, and a Resident Assistant. She is 21 years old and the daughter of Mr. & Mrs. Everett S. McAlister.

Delta Theta Chapter of Alpha Delta Pi looks back on another year filled with honors and achievements and the fulfillment of the high standards and ideals for which it stands. Our participation in Greek activities includes the recognition of two of our sisters as fraternity sweethearts and sponsors and little sisters in every fraternity. Four ADPi's are TKE calendar girls, with Kim Purser being Miss January. Kim also captured the title of Miss VSC this year. ADPi participated in the annual city blood drive in which our members, over all other sororities, had the highest percentage of members donating blood. One of our annual and most rewarding projects is a Halloween party for underprivileged children in the area. This year, ADPi sponsored a very successful Jail and Bail, with all proceeds going to the March of Dimes. Alpha Delta Pi is proud of her achievements, and we look forward to next year as we continue to uphold the ideals on which our sorority was founded.

"reach out and touch somebody's hand, make this a better place if you can . . ." Alpha Xi Delta is sisters reaching toward each other in friendship, joy, and sadness, but also reaching outward to others who have not experienced this special love we share.

Our growth in Alpha Xi Delta is twofold. It is first each girl growing and becoming her own self and giving in her own unique way, and a second sisterhood intertwined with unbreakable bonds of respect for one another, concern and understanding and especially love — Alpha Xi Delta love.

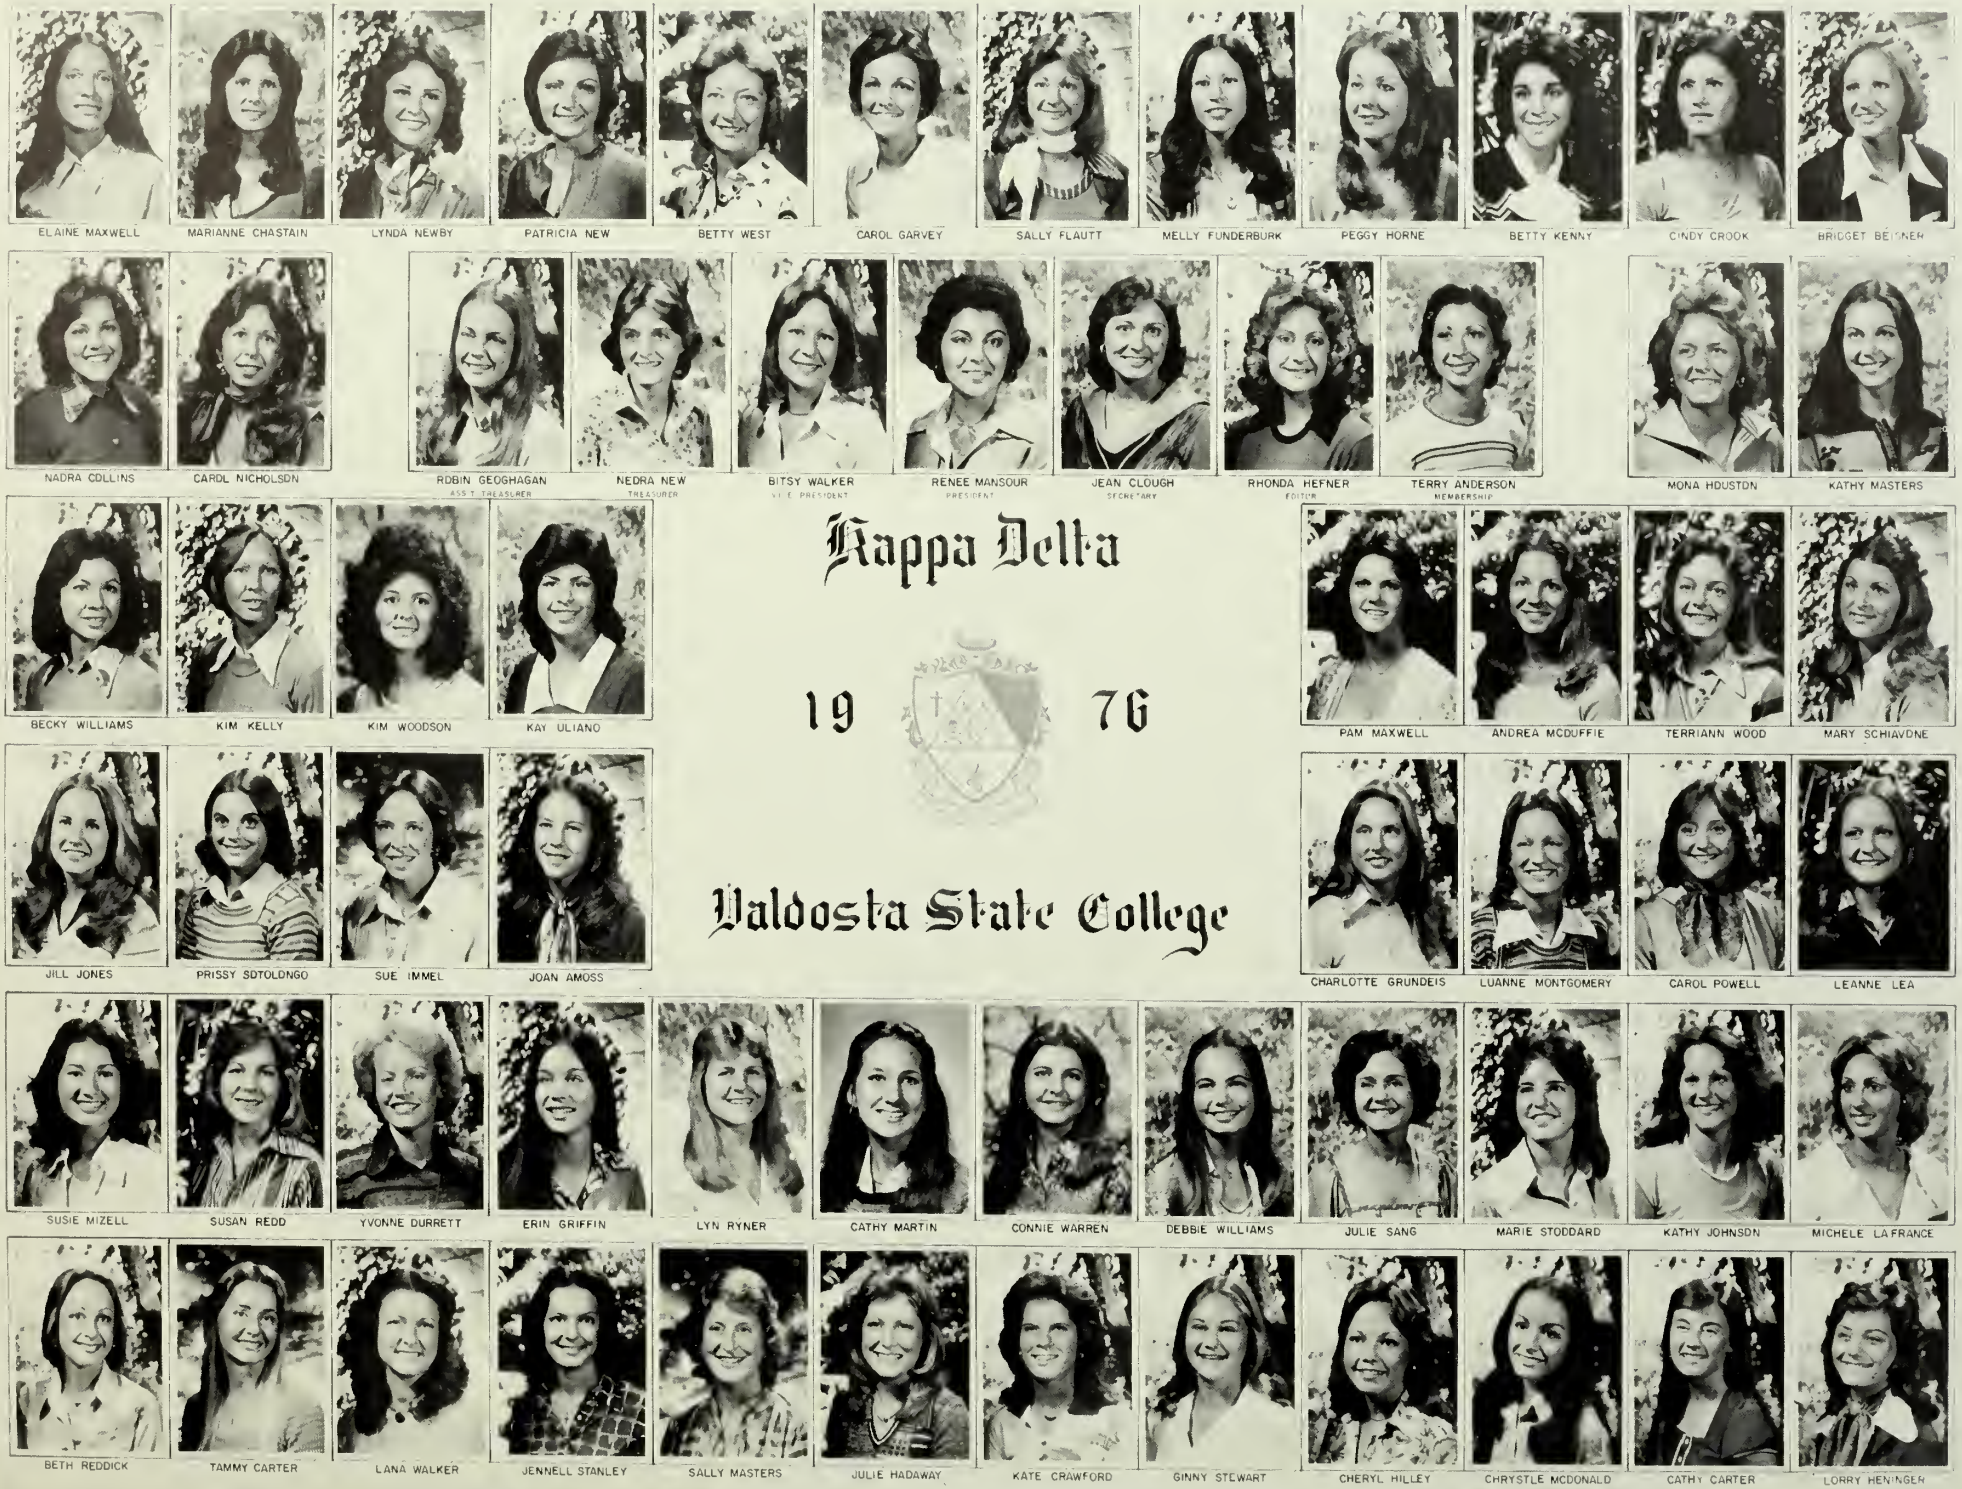
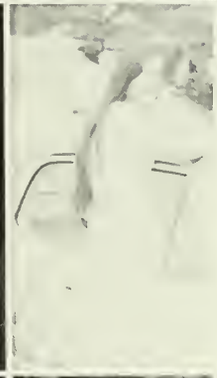
Kappa Delta

19 76

Valdosta State College





In Kappa Delta we are forever on our way, passing each day in search of friends and fun. Extending our hand out to touch those not yet known to us. Life is an endless voyage of new faces and a world of constant encounters, but with Kappa Delta . . . everything is homeward bound. Sometimes we feel the touch of alone, solitude fills the air but turn to catch our sisters smile, together again. Although there are times to spend by ourselves, there is much to experience mutually. We care to learn from those we know and give of ourselves in return. For knowledge is those we really know and the experiences we encounter. With Kappa Delta you have a bond of warm and friendly sisterly love.

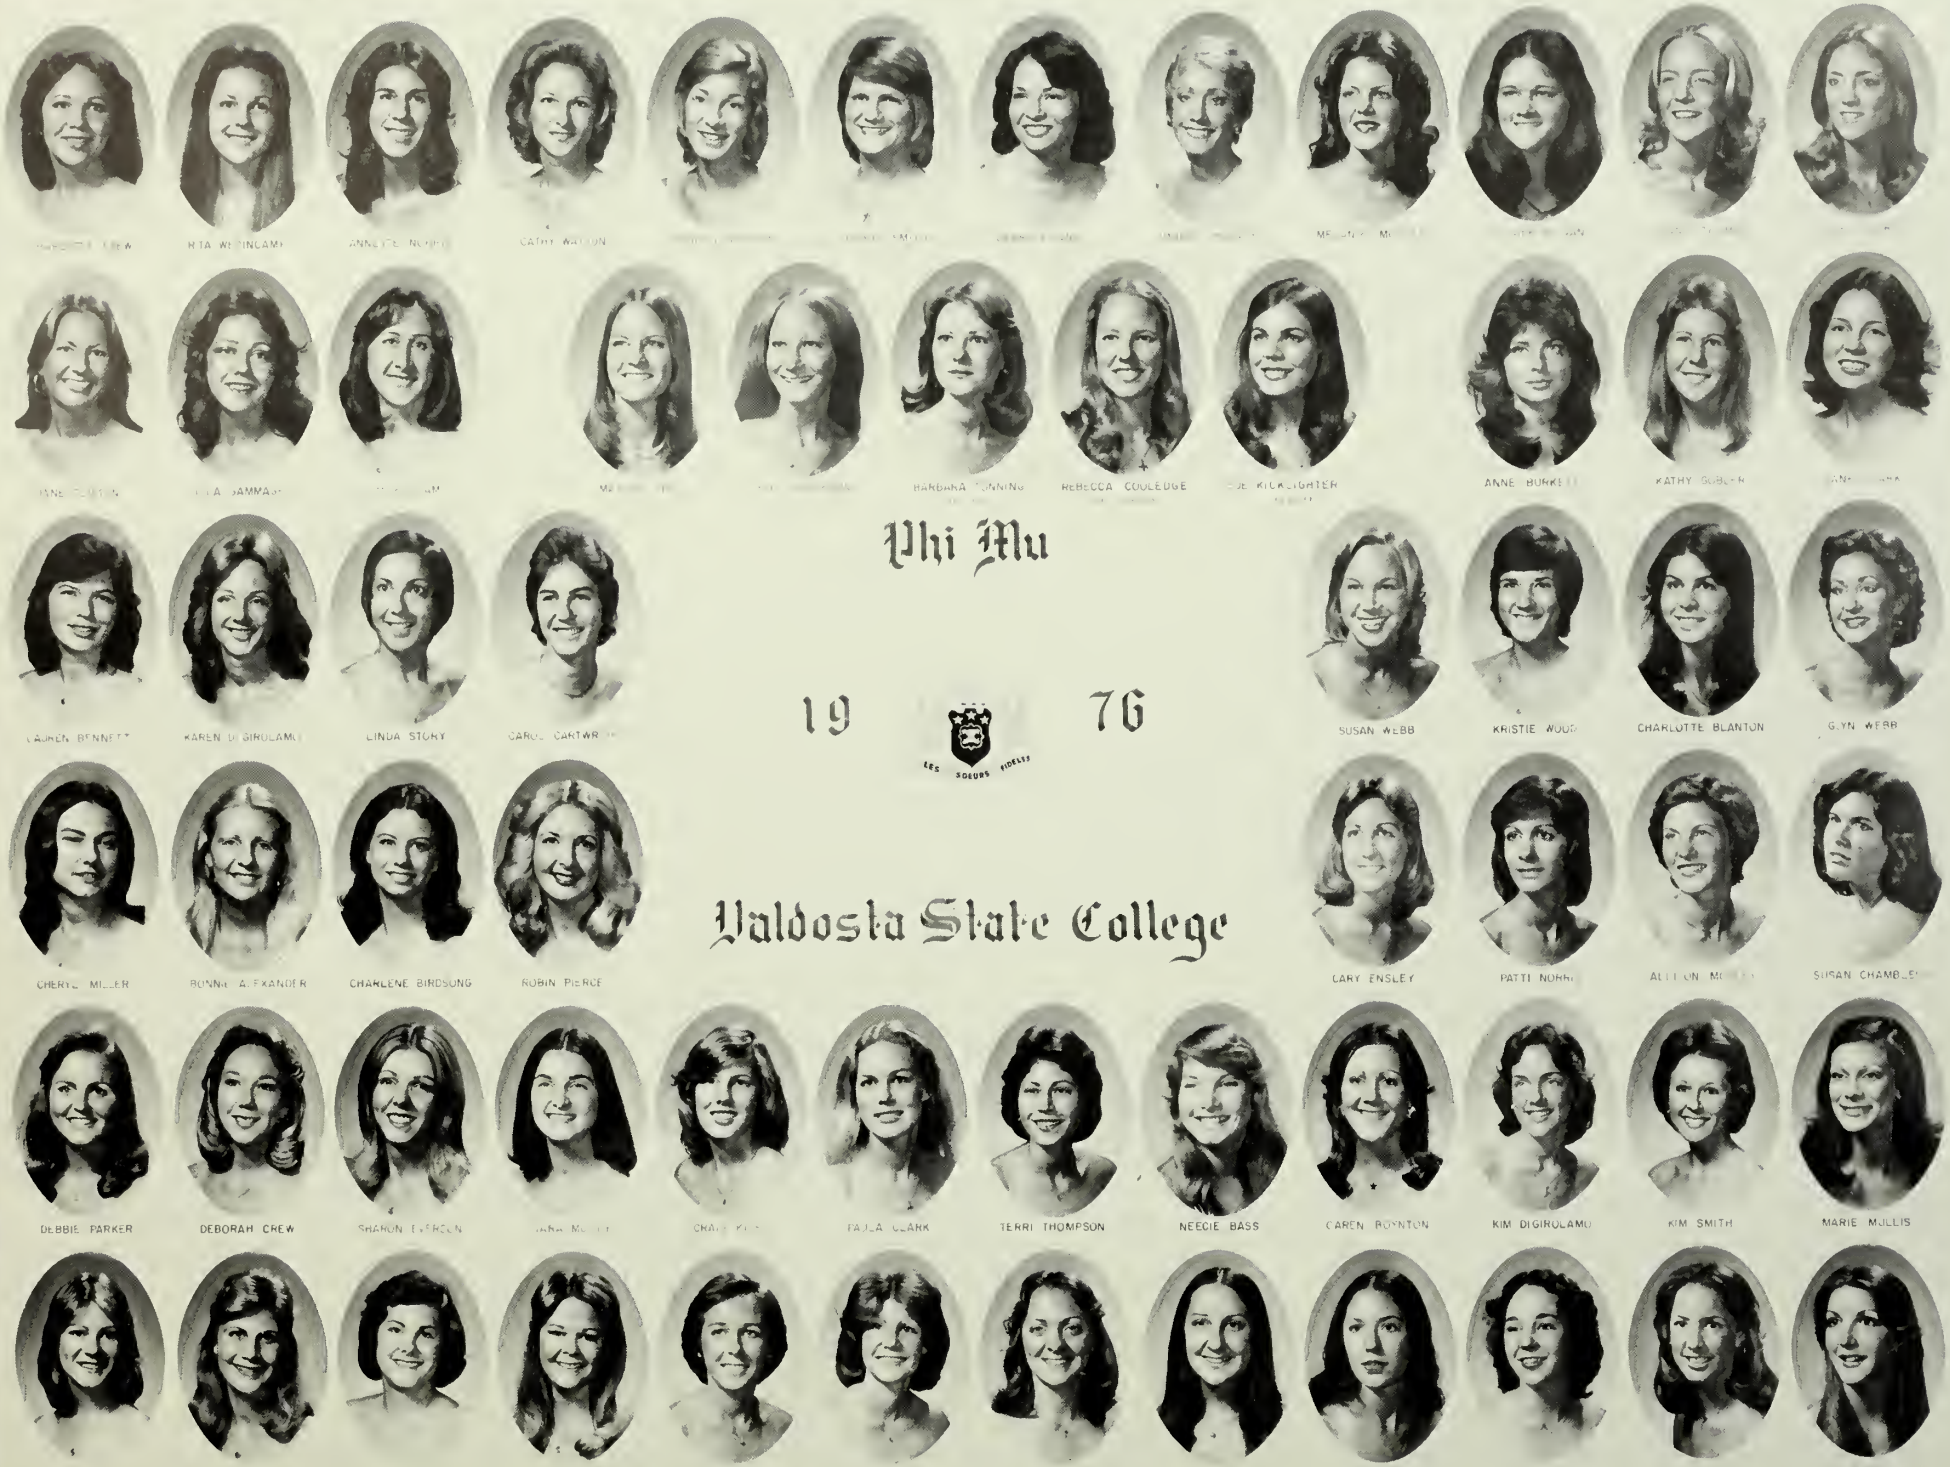
Phi Mu

19 76

LES SOEURS FIDELES

Valdosta State College



We could tell you about what we have — we have friendships, sisterhood, joys, tears, great times, and each other.

We could tell you what we do — we care, we love, we party, we laugh, we win, we share, we learn, and we experience.

But it is not what we have or what we do which directly expresses the worth of Phi Mu . . . rather it is what we are . . .

We are individuals combined with group effort and unity which cannot be merely described — it must be seen. We can't wait to meet you and "show" you what we are all about.

Phi Mu has been part of the Valdosta State campus for 11 years. During this time we have welcomed new members of all personalities, but we have one thing in common — the desire to get something out of life through giving of ourselves! Come let us give of ourselves to you!

Zeta Tau Alpha fraternity is one of the largest national fraternities for women. Our bond of sisterhood reaches out into all 50 states and six provinces of Canada. Eta Iota chapter was installed on May 22, 1971 with 28 charter members. Our number has grown as we have initiated over 125 girls in only five years on campus. Eta Iota has been active in several philanthropies and are honored to have fourteen fraternity Little Sisters and sponsors including three sweethearts. Other honors include Most Outstanding Panhellenic Woman, Homecoming Queen and Court, and two TKE Calendar Girls. Scholastically, we received most improved chapter and have several girls in honor societies such as Alpha Lambda Delta, Sigma Alpha Chi, and Cardinal Key. But above all the honors and awards we have achieved as individuals, together we are united in a never-ending bond of loyalty and sisterhood forming a love that is unique to Zeta Tau Alpha.

Delta Chi

19 76

Valdosta State College

The year 1975-1976 was a most successful one for the brothers of Delta Chi fraternity. The year saw the fraternity capture both the fraternity basketball and softball championships, representation in the Student Government Association, several honor societies, and Inter-Fraternity Council. Spring quarter, the most eventful quarter, was highlighted when Delta Chi won the Chariot race for the ninth straight year and completed the week being named as the overall Greek Week Champions. Our annual White Carnation Ball drew the year to a close, a year that we can look back upon as an outstanding year for Delta Chi.

Kappa Alpha was founded at Washington and Lee College on December 21, 1865. KA represents almost every college in the southeast and is now spreading throughout the country. Delta Rho Chapter of the Kappa Alpha Order was founded at Valdosta State College campus on November 19, 1971.

With General Robert E. Lee as their spiritual founder, the KA's celebrate their annual Old South week every spring. Reliving the Old South, Kappa Alpha takes great pride in holding the Old South Ball.

In the few short years that Kappa Alpha has been on the VSC campus, it has formed one of the strongest bonds of brotherhood. KA distinguishes themselves in all areas of the college life from the faculty, administration, SGA, IFC President, Yearbook Editor, SGA Senators, to all areas of intramural sports, campus honor societies and clubs.

Pi Kappa Phi progressed in all aspects of campus life during the year. Another successful Miss VSC pageant was produced through coordinated brotherhood effort. Participation in Inter-Fraternity Council and Student Government Association affairs took place. Effort was put forth in all sports and intramural activites. Community and fund rasing services were given both on and off campus. Most important, a traditionally strong fraternity was maintained by an exceptional pledge class, a unified brotherhood, and dedicated leadership.

Sigma Alpha Epsilon Fraternity was founded at the University of Alabama on March 9, 1856. This ever growing brotherhood maintains national prominence with almost two hundred chapters nationwide. The Georgia Sigma chapter was founded on the Valdosta State College campus on October 13, 1973.

The borthers of SAE continued to contribute to all realms of campus activity including SGA Vice President, IFC Treasurer, Sigma Alpha Xi Honor Society, SGA Senators, Spectator and Pine Cone staff, and Greek God. SAE retained the scholastic trophy for the third year in a row and participated in the intramural sports program. SAE was also active in various community service projects such as the Mark Stevens Memorial Blood Drive and the Annual Run for Muscular Dystrophy.

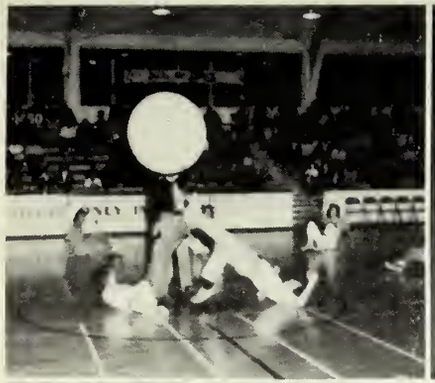
Valdosta State College



Zeta Nu chapter of Tau Kappa Epsilon enjoyed one of its finest years during the 1975-1976 school year. The year got underway with an outstanding rush program and pledge class from which over twenty new brothers came. Next was the annual TKE Calendar Girl Contest on November 4. Miss Kim Purser won this event and then went on to capture the Miss VSC title in February, sponsoring TKE. Winter quarter activities included the annual Founders Day banquet on January 10, and the Red Carnation Ball on March 5. In addition TKE also participated in Homecoming activities and the TKE Sweetheart, Mina Smith, was named to the Homecoming court. Spring quarter was the busiest for TKE's as TKE participated in Greek Week activities, winning the Greek Olympics and the Tug-of War, and also enjoying Beach Trip. In addition, Randy Bennett was named as the A D Miss Beautiful contest. The annual Spring Frolics were held in May as was the Awards Banquet and the honorary initiation of four fraters. Members of Tau Kappa Epsilon will look back on this year as being a most memorable year for the fraternity.

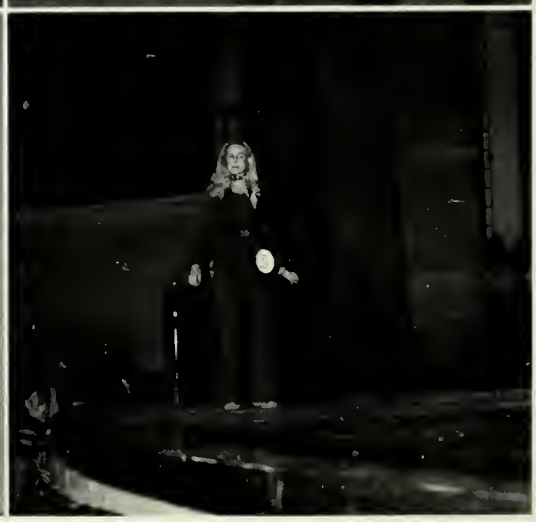
SPECIAL EVENTS

TALENT SHOW

Announcing Sydney Mance, Corneilis Perry, and Jonathan Gibson, winners of the 1975-76 V.S.C. talent show. Dancing their way to fame and little fortune, the trio rose to the top as results of discreet judging. Combining disco music with the mechanical movements of a robot — the trio of "Syd, Nita, and Gib", really did it up. Other contestants were fantastic also but the threesome were simply undefeatable.

JIMMIE WALKER

To some he is known as Jimmie Walker, a fast-rising actor and commedian, to others he is known as J.J. of the television show "Good Times." But to the jam-packed crowd at the VSC gym he is known as Dyn-O-Mite, and the gym exploded in a burst of laughter and applause almost every time he opened his mouth. The "comedy concert" took place on October 22nd; on November 22nd VSC students were still saying Dyn-O-Mite.



The annual TKE Calendar Girl Contest was held this year on November 4, 1975. Kim Purser, a freshman, won the event and will be Miss January on the TKE Calendar. Sue Link was Miss February, Patricia Knight was Miss March, Susan Gish was Miss April, Vickie Kelly was Miss May, Angela Porier was Miss June, Mary Schavione was Miss July, Marie Stoddard was Miss August, SuBeth Tillman was Miss September, Sissy Vahn was Miss October, Barbara Walters was Miss November, and Kay Willis was Miss December.

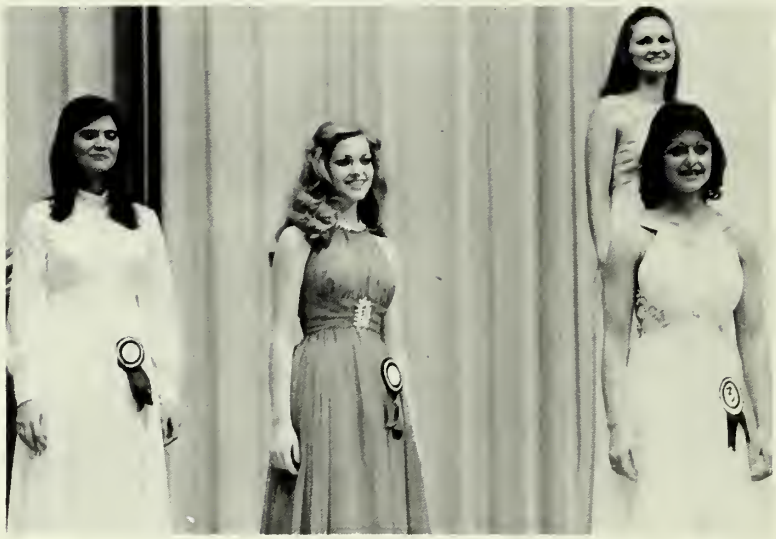
MARSHGRASS IN CONCERT

UP WITH PEOPLE

This spring quarter Valdosta State was honored by having the very talented "Up With People" singing group perform on VSC's campus. The group consisting of young, talented people from all over the world travels to perform at colleges and universities throughout. VSC was especially proud this year to have these entertainers display their talents on our campus.



THE MISS VALDOSTA STATE COLLEGE PAGAENT

MISS VSC

Kim Purser won her second major beauty title of the year when she won the Miss VSC Contest on February 11, 1976. Earlier in the year, Kim won the TKE Calendar Girl Contest. By winning the contest Kim is the first girl in VSC history to win both of these coveted titles.

First-Runner-Up was Jill Jones. Donna Davis was Second-Runner-Up and Terry Thompson was named Miss Congeniality.

A highlight of the event was an appearance by Miss America of 1976, Tawny Godin. Miss Godin performed an original piano composition that she also played in the Miss America Pageant.

1776-1976 BICENTENNIAL

Bicentennial fever struck VSC students during Spring Quarter. As the nation's Bicentennial approached, VSC students geared up for the event by participating in the Lowndes County Centennials celebration, held on May 16-22. Featured event for VSC students was the Rocking Chair Marathon. Evon Griffin, sponsored by ZTA, won this event by rocking for over eighty hours.

The event was sponsored by the Kappa Alpha fraternity. Other highlights of the week included a historical bike ride, colonial carnival, and a street dance.

THE PAT TERRY GROUP

The Pat Terry Group is one of the many examples of excellent entertainment that VSC students can enjoy. This group is a folk-rock group that combines their music with a message of God's goodness and compassion. The many people who attended their concert came away knowing that they had seen some outstanding talent.

URBIE GREEN

Many times during the year VSC students would wander to the back of the Fine Arts Building or to the front of the Cafeteria attracted by the sound of the VSC Jazz Ensemble. They have performed at free concerts for VSC students on numerous occassions throughout the year. They are also in constant demand for regularly scheduled college events such as the TKE Calendar Girl Contest or the Miss VSC Pageant.

With an ever-increasing repritoire of songs ranging from Scott Joplin to the Beatles they are becoming increasingly popular with both VSC students and the Valdosta Community.

The Rivals

For it's Winter Production, the VSC Department of Speech and Drama chose a play with a Bicentennial flavor — Richard Sheridan's "The Rivals." The play was originally performed in 1775. It was a flop then, but since has become an extremely popular play, as its success at VSC indicates. As an added bonus, theatre-goers were able to buy apples and pears from a vendor dressed in an authentic Early American outfit.

The play, a comedy of manners, was well-recieved by capacity crowds during each performance.

ORIENTATION

SPRING FROLICS

Featuring such contest as a balloon race, changing clothes in a sleeping bag and finding pennies in the swimming pool, TKE sponsored the competitive and sometimes humorous spring frolics for the campus sororities. The frolics were highlighted by the Miss Legs Contest and an egg on the head contest.

Registration

You wake up early in the morning and drag yourself over to the Education Center to register. Your first obstacle is the massive Oak Street Overpass. It is steep at all times, but it is particularly bad at this time of the morning when you can barely walk on a level surface.

Having somehow cleared the first obstacle, you then have to convince the guardian of the stairs that you are really the same person that your pink (or is it orange?) computer card says you are.

Upon gaining access to the second floor of the Education Center, you are faced with yet another delimma — where to register first. If you are an upperclassman you have nothing to worry about; no one will be knocking down doors to take Accounting 481, Math 495, or History 810. On the other hand, if you are an underclassman, particularly a freshman, be prepared to wait at least half an hour to sign up for the class you want, (if it is still open, which is another story in itself). Every entering freshman must take an English, History, Biology, and P.E. and therefore these classes close out faster than all the rest. For entering Freshmen, registration can be a rude awakening to the realities of life.

Having waited in lines for several hours to get a schedule which looks nothing at all like the one you had neatly planned on a notecard beforehand, you are now ready to pay your fees.

Fee payment means waiting in still another line as the person in front of you weighs the advantages of a five day meal plan as compared to a seven day meal plan. With your decison made you then head for the ID card section to have your ID made. You wonder what sort of person would want to take your picture at a time like this. Upon recieving your completed ID card you look at it and then vow not to show it to anyone.

You then go into another room — with chairs, thank God! and prepare to delve into your checking account to the tune of about $500 which entitles you to ten weeks knowledge, VSC style.

You then come out of registration an exhausted person, mentally, physically, and financially. But you still have to cross the overpass and you still have to buy books. As you approach the overpass you cannot help but think "I should have stayed in bed!"

BEACH WEEKEND

Panama City can be fun. Unfortunately, this year during beach weekend it rained. Nevertheless, those bikini beauties and muscular handsomes who ventured further down south enjoyed themselves just the same. Drinking beer, going out on a date, dancing at the hotel, and partying with a bunch of friends are all things that make beach weekend so much fun. Going out on the beach can be fun too and there were those who journeyed outside to the wet sands whenever the sun peeked from behind the clouds.

For some the best part of going on a beach trip is riding down to Florida. For many it is the stay itself, and there are a few of us who enjoy ourselves but are always a little bit happier when we get back to good old V.S.C.

KA

I am a part of a mass miracle, I am a piece of life

The existence that I know So well must end —

Or will my presence only change? My existence

will not stop; I will be replaced by others.

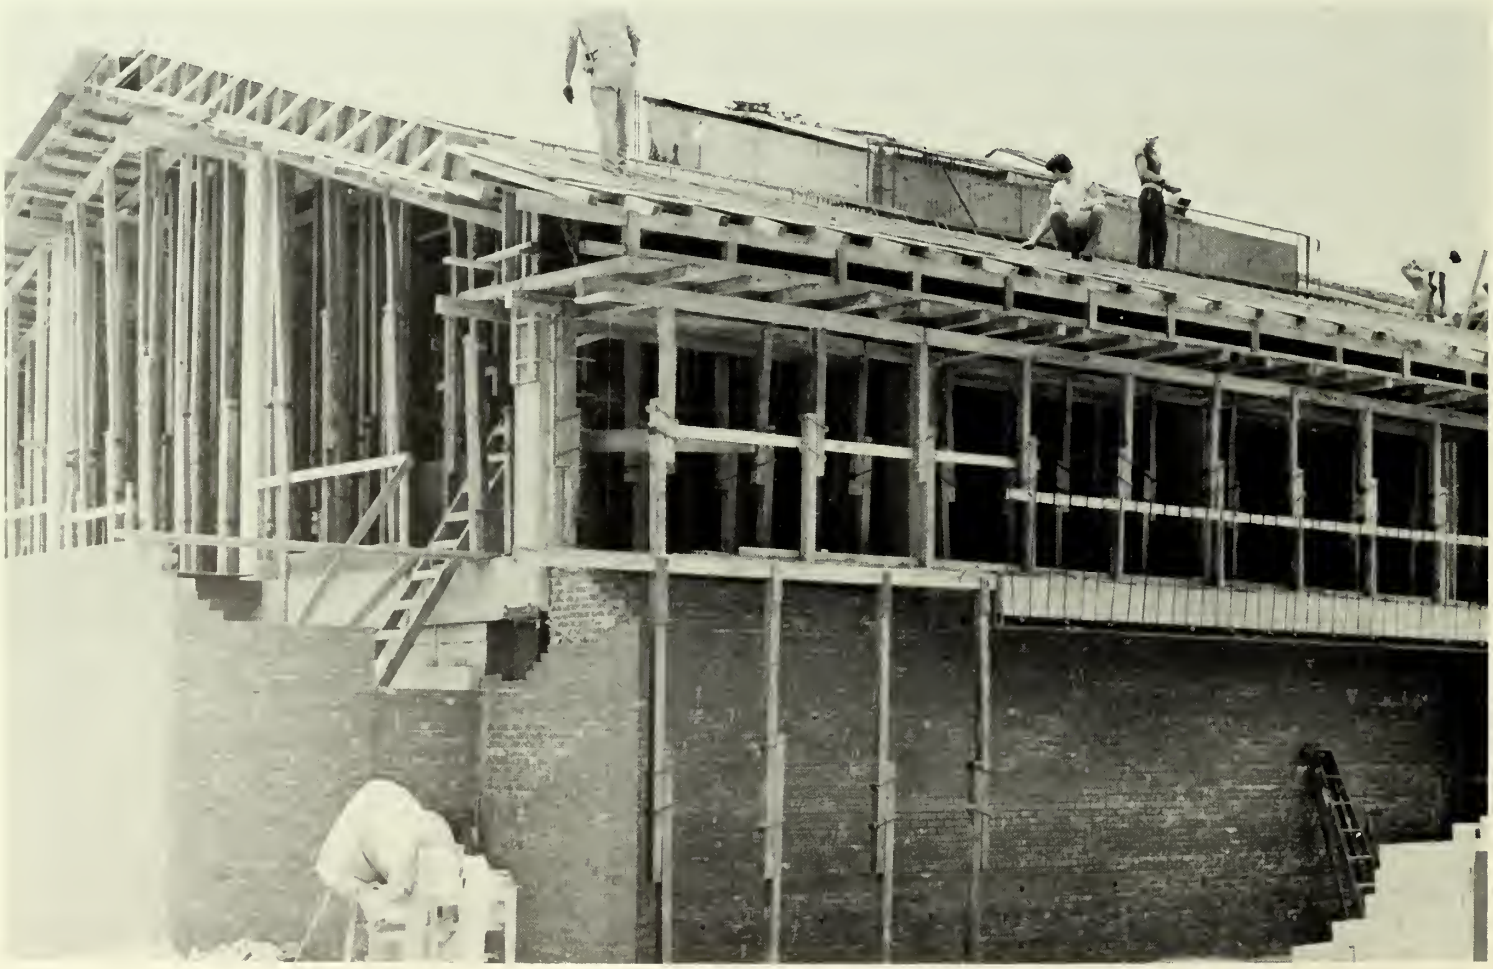
Where was I? I no longer will live in a sheltered environment —

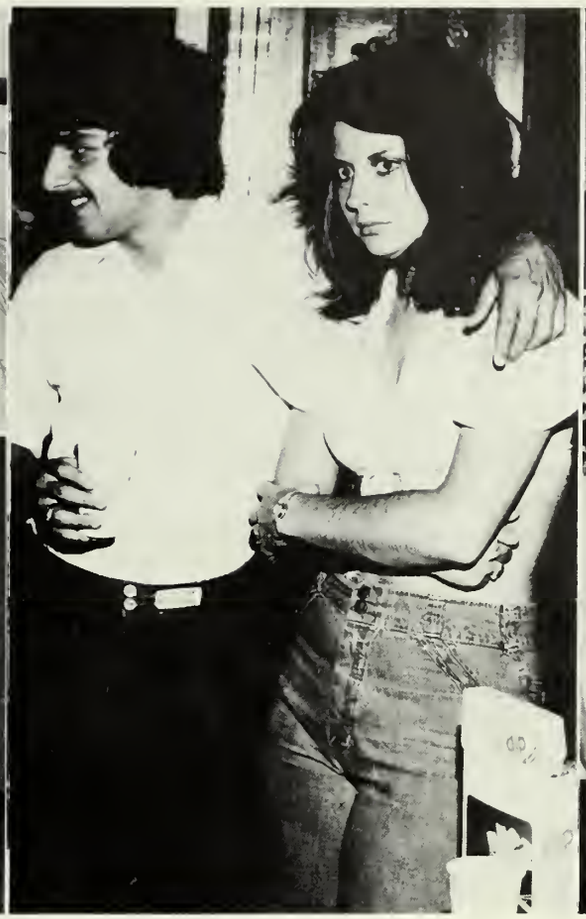
My mind will expand and many new horizons will be for me to discover.

Yet, I can if I choose, withdraw into myself . . .

It is my decision and my future . . . . Where was I?

I no longer will live in a sheltered environment — My mind will





expand and many new horizons will open before me.

I am Reaching, feeling, touching . . .

Trying to realize who you are. Who am I??

PINE CONE

Valdosta State Yearbook • Powell Hall – VSC
Valdosta, Georgia 31601 • Ph. 247-3308

EDITOR' NOTE

It has certainly been a privilege and an honor to have been the editor of the 1976 edition of the PINECONE and to have worked with the wonderful people who served on the staff.

We were faced with more tasks and experiences than meets the eye. Many hours were spent in the small office in Powell Hall in preparing layouts and copy, cropping pictures, and other items too numerous to mention.

There were times when we felt as if this book would never meet its deadline. For some reason things were always going wrong. Pictures which we needed weren't to the perfected point or someone couldn't meet his deadline with an assignment. But with the complete cooperation of each staff member everything ended well.

If I failed to mention our advisor, Mr. John Albright, I would be doing a terrible injustice to this book. He was always standing by to offer his assistance and guidance in any way possible. I would also like to thank Dean Andrew J. Bond, Mr. Mike Thornton and the entire Criminal Justice dept. for their cooperation in helping me put out this book.

It is rather difficult to satisfy everyone, but it has been my ultimate aim to satisfy as many people on the campus and to make this book a true 1975-76 reflection of Valdosta State College.

With the last paragraph on the last page, I would like to say "THANK YOU" to the entire staff and everyone who contributed something to the publication of the 1976 PINECONE.

Bob Hagan, Editor
1976 PINECONE
