SUBJ: VSU and Langdale College "History"

DATE: November 14, 2003

Early this term, the Executive Committee of the Langdale College Business Alumni Advisory Board asked us to prepare "a little presentation" that could be used at various alumni functions. We were not given much guidance and I asked Olena White, one of our graduate assistants, to "put something together". She created a theme for the presentation, did the research and worked with Rex DeVane and Curtis Combs in Media Services to put together the presentation. The final project is fantastic and I think applicable for both VSU and Langdale College. Since it is a PowerPoint presentation you can edit it for different audiences.

Enclosed is a CD with file for this presentation. We "unveiled" the presentation at the Albany alumni reception in October. I will also show it to the Langdale College faculty and to all incoming business students. It is a 24-minute presentation, and I think it is well worth your time to watch it. Of course, feel free to use it as you deem appropriate. One warning: the file is quite large and it is best to run from your hard drive on your computer.

Enjoy.

Mr. Curtis Combs
