FRITZ LEIBER REMEMBERED

1910 - 1992

Grand Master of Science Fiction & Fantasy

Fritz Leiber's brilliant 50-year career as a writer of Science Fiction and Fantasy was marked by over 30 awards. He earned seven Hugos, four Nebulas, and numerous Grand Master and Life Achievement awards. His novels and stories influenced and impressed many other writers while captivating readers for decades.

This hour long video is our informal tribute to a talented writer, good friend, and perfect gentleman - Fritz Leiber, Jr. The program includes intimate interviews with Fritz, his fellow writers, friends, and family. We feature statements by Fritz Leiber, Justin Leiber, Margo Skinner Leiber, Harlan Ellison, Judith Merrill, Poul Anderson, Greg Bear, Susan Dexter, Megan Lindholm, S.P. Somtow, and others.
