

Shadow ^{named} child

New House (tentative)

- Prize lets black children play in her yard, Statesville? because other wise they'd play on the highway
- Mother-in-law come to visit baby & Angie ^{over} fear these discussing disgrace of children without clothes etc.) Does not want Sammie around them
- Angie tells Ashly to take little boy home (he is covered in flea bites & etc, impetigo)
- Prize gets mad, makes lunch for the two women, turns the dog in to eat crumbers (he inspired by Angie's taking a stand for children, she is aware of gossip about her being a nigger lover etc) - (he inspired by Navay's wanting Lee & the Baker people)

~~out line~~

(Grandmother has looked them out)

- Angie comes home, has to stop for children on the drive, little boy flea bites etc, see
- Mother-in-law ^{sees} ~~perch~~ ^{she} ~~thru~~ ^{is} blind. The child gets over & straddles dog on the porch stands & peers on the dog, pumps his body, Angie talks to little girl, starts inside
- children come back while she is cooking & her own little girl hears them perch
- Prize gets out to play, go-go (Angie tells Ashly to put clothes on)
- Mother-in-law, smells perfume she sweeps her up & plays, then goes to living room to talk to setter (later)

(Bobbi is part-time waitress at Cafe)

Angie starts to tell them lunch is ready
overhear them talking

* * (Chase -- she won't try anymore, she's
up till this point she's tried) (Angie realizes that if
she keeps trying to impress the woman, her mother-in-law will want to
come live with them)
- turn dog in to eat crumb of rice (probably
baby dog scattered)

(Essie wine knit dress, big beads, necklace ^{bring strawberry cake}
with few cakes)
- old black woman has stolen apron (Essie, who
owns cafe, confronts her - she'd seen
run it, Angie goes to school)

- Essie bathing eyes - red leg stick, add
hair

- she starts crying ^(children heard outside door)
midway the meal, might
have to move in with Angie

(husband's leaving)

- Angie doesn't want to have more children
dreams she's adopted the 3 in
her yard, etc (rainbow & swings)

- speaker in room along fence (Angie would
love that, says sitter - (Mike, unseen)

- Angie tries to find ~~match~~ good Keds, has
to put floral lavender chequered baby
with long dress someone saw her, gold
table stick out

require water proof chair cover
