Miss Catherine Garbutt
The Georgia State Womans College
Valdosta, Georgia

Dear Miss Garbutt:

It is my understanding that you were student chairman in charge of the G.S.W.C.'s sponsorship of Lowndes County's War Bond Drive for the month of April. Lowndes County made an outstanding record during the Second War Loan Drive by more than doubling their quota, and I am sure the efforts of you and your fellow students contributed much toward this achievement.

The Georgia War Savings Staff, U. S. Treasury,
is grateful to you for your patriotic service.

Sincerely yours,
Marion H. Allen, State Administrator
