If you can't do this little propaganda job for us, you must be losing your grip! If you try it, you may be losing your job! Remember, my boy, it isn't long before the 13th. Whatever is done must be done now. If we can't get the President, Mrs. Roosevelt will do; if we can't get the First Lady, how about you?

You must think I'm nuts. Frankly, I am.

Sincerely yours, ---

and congratulations on your new job.
