Major Frank Riley,
Daniel Ashley Hotel,
Valdosta, Georgia.

Dear Major Riley:

Just a line to thank you for your continued interest in us here at the College, and especially for your cooperation and help in connection with yesterday's program. We enjoyed having you for lunch and were glad that you could stay on for part of the afternoon.

The band concert was greatly enjoyed, and I shall appreciate it if you will extend the thanks of the College to those responsible for giving us such a fine concert. I hope the members of the band enjoyed themselves at supper and at seeing something of our girls and dancing with them in the cool of the evening.

With all good wishes, I am

Sincerely yours,

FRR/ar
