Colonel Hilbert F. Muentzer,
Moody Field, Georgia.

Dear Colonel Muentzer:

Just a line to tell you how glad we were to have you here at the College for lunch and for part of yesterday afternoon. I also want to thank you for your fine cooperation in authorizing your fliers to drop our paper bombs at various places in Lowndes County, and also for letting us have the Moody Field Band. By late afternoon the crowd had dwindled a good deal, but all who heard the concert were delighted with it, and I hope the boys enjoyed themselves afterwards both at supper and at seeing and dancing with our girls.

We must get together a little later on in the month and see if we can't stir up some more interest in the War Bond Drive, along the lines you suggested yesterday.

With best wishes, I am

Sincerely yours,

FRR/ar
