TO THE PARENTS OF G.S.W.C. GIRLS:

Within the next few days, you will receive a bulletin of the College devoted to a War Bond Scholarship Campaign which will be carried on by our students for the duration of the war.

Already our various student clubs and organizations have raised more than \$400.00 for this fund.

The bulletin explains the object of this student campaign, and any contribution, small or large, that you or your friends may wish to make will be greatly appreciated by all of us.

With all good wishes, I am

Sincerely yours,

Frank R. Reade
