Gentlemen:

Since December, the students of the Georgia State Woman's College at Valdosta have been conducting a War Bond-Scholarship Campaign. Money collected from students and faculty members, alumnae, and friends of the College everywhere is turned immediately into war bonds. In this way, G.S.W.C. girls are helping to win the war.

On maturity, these bonds will constitute a scholarship fund to be used to enable girls to attend college who otherwise would be unable to do so. In this way, G.S.W.C. students are helping to insure the peace that will follow.

Very truly yours,

P. S. As president of this College, I hope that this letter will be ample "proof of authenticity."
