

GEORGIA STATE WOMANS COLLEGE  
VALDOSTA, GEORGIA

7 April 1943

---

Our mutual friend, Dr. Frank R. Reade, -- "our beloved president" to us, but just plain "Frank" to you, has told us that he believes you will be interested in our War Bond Scholarship Fund Campaign. Under another cover, we are sending you a ~~xxxxx~~ descriptive booklet which will explain the purposes of this Scholarship Fund in detail, and, if you think well of the idea and feel in the mood (so soon after March 15!) -- please send us your contribution in the enclosed stamped and addressed envelope, -- to reach us, if possible, by April 13. No sum of money is so small that we will sneeze at it! (Needless to say, neither your name nor the amount of your contribution will be made public.)

We mention April 13 (the 200th anniversary of the birth of Thomas Jefferson) because on that day we are holding "Open House" at G.S.W.C. -- with all of our activities aimed at helping to raise the \$400,000.00 quota which has been set for Lowndes County for this month, ~~x~~ and for which drive we are the official sponsors.

Within the past year, chiefly through the activities of our various student clubs and organizations, we have already raised enough money to insure a college education for a number of girls, -- after the war is over.

And when the war is over, perhaps you'll be planning a vacation in Florida or will be passing through this section of Georgia. If so, please stop off and pay us a visit.

Sincerely yours,

---
