Mrs. W. G. Lee, Secretary  
Wesleyan Alumnae Association  
Macon, Georgia

Dear Mrs. Lee:

I am very anxious to learn the present address of Madame Chiang Kai-chek. If you have this information in your alumnae files, I shall appreciate it a great deal if you will send this address to me in the enclosed envelope.

If you do not have this information, I am wondering if you could tell me to whom I should write? Wellesley, perhaps?

With best wishes, I am

Sincerely yours

Secretary to the President

W
