"Said something about a security station?"
Joe said, "Where they was planning on
putting it?"
"Huh?" Ep said with a wry. "Ain't
that something?"

"You ever think you'd see the day?"
"Huh!" Ep said, ^(conspiring) casting about over
the freshly cleared woods ^(decorated)
with surviving scarred pine & bay trees.

The Sun came passed the mid point

dull car slowing to read another
sign a sharp red sports car zoomed
up behind them and honked twice, speeding
past in a roar.
The crickets & locusts picked up
again on the silence.

"You planning on Q-fishing?" Joe

asked, taking my place left 3
with an effort. "Not if he can
help it," came the immediate reply.
