Dear friends,

We are late, having hoped to have written by the solstice, but what can a soul do when one's pet unicorn has his moon in Aquarius?

Thank you for your warm response. To answer inquiries, our newsletter is free, and comes into being quarterly, sooner or later. Our hope is to have a more frequent letter, which is dependant upon reader response and the cost of stamps. The Unicorn was mentioned in a delightful paragraph by Jo + James Dixon of "Castle Rising," and as a result we have brought new readers into our circle. Jo + James are very special people - "The Color Book" is proof that they wear the Kiss of the Goddess...

Summer....

★ The Pearl garden grows so well! This year's Pearl garden lives behind a beautiful woman and her two daughters. The yarrow is in bloom, full, yellow, to the sun. The mandrakes survived the relocation, and the mints are outrageous. We seem blessed with rain, after two years of drought, and those sultry August evenings will be beyond belief, as all this rain makes the foliage thick and lush. Each rain has brought forth presents.... Along the west, very discreet: mushrooms!! (Proof that the Goddess gardens.)

★ Andrius reports that May was very lusty, but you know how some unicorns are....

Letters have come from Ontario, Buffalo, New Mexico, Ohio, to mention only a few... We would "hello" each of you by name, but: The Unicorn protects privacy and should any wish to communicate through us, we invite you to tell us if you wish your name withheld (and Andrius said he looked that up in Webster's)

* Karen and Michael hope to move to Northern Minnesota. that part of the world would do well to have more people like these... Pat wishes in your wish boxes that Karen and Michael will be moved by Samhain. We received a lovely letter from them... thank you!

* Ron was home from L.A. He reports that many seek to follow the Goddess; told of a joyous celebration in March; and, sadly, a tale of some negative work being done. We ask all of you to send Mr. Ron images of love, that he and his group be unhindered in their work of love. We love Ron, and miss him. We hello his fun Texas friend.
