VSC History

Valdosta State College, which first opened its doors to students January 2, 1913 as the South Georgia State Normal College for young ladies, is a multi-purpose, senior unit of the University System of Georgia

The beautiful south Georgia college offers undergraduate degree work leading to the Associate in Applied Science, the Bachelor of Arts in 14 major programs and the Bachelor of Science in six major programs. It offers the Bachelor of Science in Criminal Justice, the Bachelor of Science in Nursing, the Bachelor of Science in Education in nine major programs, the Bachelor of Business Administration in seven major programs the Bachelor of Fine Arts in six major programs, and the Bachelor of Music in two major programs. Graduate degrees offered are the Master of Education in eight major programs the Master of Arts with majors in English, History and Mathematics the Master of Science with majors in psychology and sociology the Master of Business Administration is seven major programs and the Education Specialist in five major programs.

A special act of the Georgia Legislature established the institution of higher learning in 1906. It was not until 1911 however that the state appropriated $30 000 for one building and equipment. The city of Valdosta, enthused over the idea of having a college in their city gave a campus of 60 acres and $50,000 in money In 1912 the future of the institution was assured when the Legislature granted it adequate an nual appropriation for maintenance In 1922 the school s name was changed to Georgia State Womans College and a four-year program leading to the bachelor's degree was authorized. In 1950 the Board of Regents made the college coeducational and also changed the name to Valdosta State College

Located in Valdosta, a city of 38,000 in deep south Georgia the College is convenient to the downtown and other shopping areas. The two campuses located less than a mile apart include more than 150 acres. The 85-acre Main Campus fronts on North Patterson Street, one of the city's main thoroughfares. Approximately 10 blocks north is the North Campus The campuses are connected by a College-owned bus service operating regularly throughout each class day

Both campuses are widely recognized for their ex ceptional beauty Flowering plants include a variety of camellias azaleas redbud, and dogwood all located amid tall pines palms and oak spaced throughout the landscaped grounds

VSC President

Hugh Bailey

Valdosta State's No. 1 basketball fans are VSC President Hugh C. Bailey and his family Not only are the Baileys in attendance at every Blazer home game but often Dr and Mrs. Bailey are leading the cheering section when VSC is on the road.

Dr Bailey who became the college's sixth president in July of 1978 likes to brag on the success of the VSC athletic program and has made it clear time and again he wants to see athletic excellence continue. He had a keen interest in the progress of the new physical education complex which was recently completed and stays completely informed concerning developments in the overall Blazer athletic program

Dr Bailey 54 came to Valdosta State from Francis Marion College in Florence, S.C. where he was vice president for academic affairs and dean of the college.

A native of Berry, Ala. he is married to the former Ahleida Joan Seever of Mobile, Ala. and has two daughters, Debra Jane and Laura Joan

Athletic Director

Bill Grant

Bill Grant, in his 25th year at Valdosta State College, has been the school's athletic director since 1970 and in that capacity handles the business affairs of the athletic department.

A native Valdostan, Grant coached baseball at VSC for eight years and directed the 1965 team to the school's first conference title. He turned over the baseball job to Tommy Thomas in 1968. In addition to his teaching duties in the physical education department, he is the school s golf coach

An outstanding high school athlete at Valdosta High School, Grant earned a scholarship to play football at the University of Georgia, but a broken ankle early in his sophomore year curtailed a promising college career

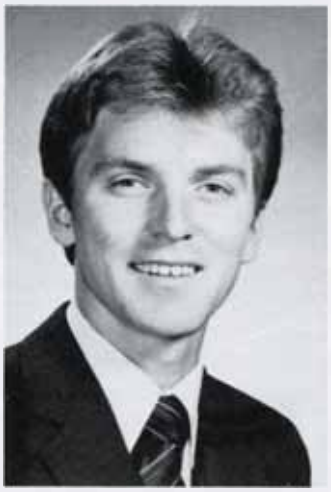

Grant received the B.S. degree from Georgia, and after four years in the Air Force, he attended George Peabody College in Nashville, Tenn., where he received the Master of Arts degree in 1958. He coached at Valdosta High for two years before joining the VSC faculty

Grant takes care of all matters pertaining to spectator control at VSC basketball games.

He is married to the former Susan Mercer of Moultrie.

Athletic Trainer

Jim Madaleno

An added bonus that the new football program at Valdosta State gave the entire athletic program was a full-time athletic trainer Before football, the various sports had to rely on students or coaches to handle the important training chores. Now Valdosta State has Jim Madaleno a fully certified athletic trainer who has proven himself invaluable to the total athletic program.

Madaleno came to VSC in time for spring practice in 1982 and has since instituted and excellent training program He maintains and staffs two fully equipped training rooms, one in the football complex and another in the physical education complex. He has recruited a very capable staff of stu dent trainers and teaches a course in athletic training as a part of the physical education curriculum

Before coming to VSC, Madaleno was an assistant trainer at Florida State University working primarily with football The Dearborn, Mich. native graduated from Michigan State University where he was a student trainer for four years.

He received a graduate assistantship to Florida State and earned his master's degree in movement science in 1981 Madaleno 25 is single.

Graduate Assistant

Bret Campbell

A three-year starter at Valdosta State, Bret Campbell will be on the sideline this season with coaches Dominey and Tucker The Anderson, Ind. native ran the Blazer offense for three seasons and handed out 544 assists in 106 games.

"Bret is a class individual who has earned this position through his efforts during the last four years," Dominey said "He will be involved in every facet of the program Not only will Valdosta State benefit greatly but it will also be a great learning experience for Bret."

Secretary-Statistician

Diana Parker

Diana Parker a sophomore who played high school basketball at Clinch County High School in nearby Homerville, serves as an office assistant to coach Dominey and is also one of the Blazer statisticians.

"Her attitude and personality add a great deal to the program," Dominey said. "She is very committed to VSC basketball and we would not want to be without her "

Manager

Mike Patrick

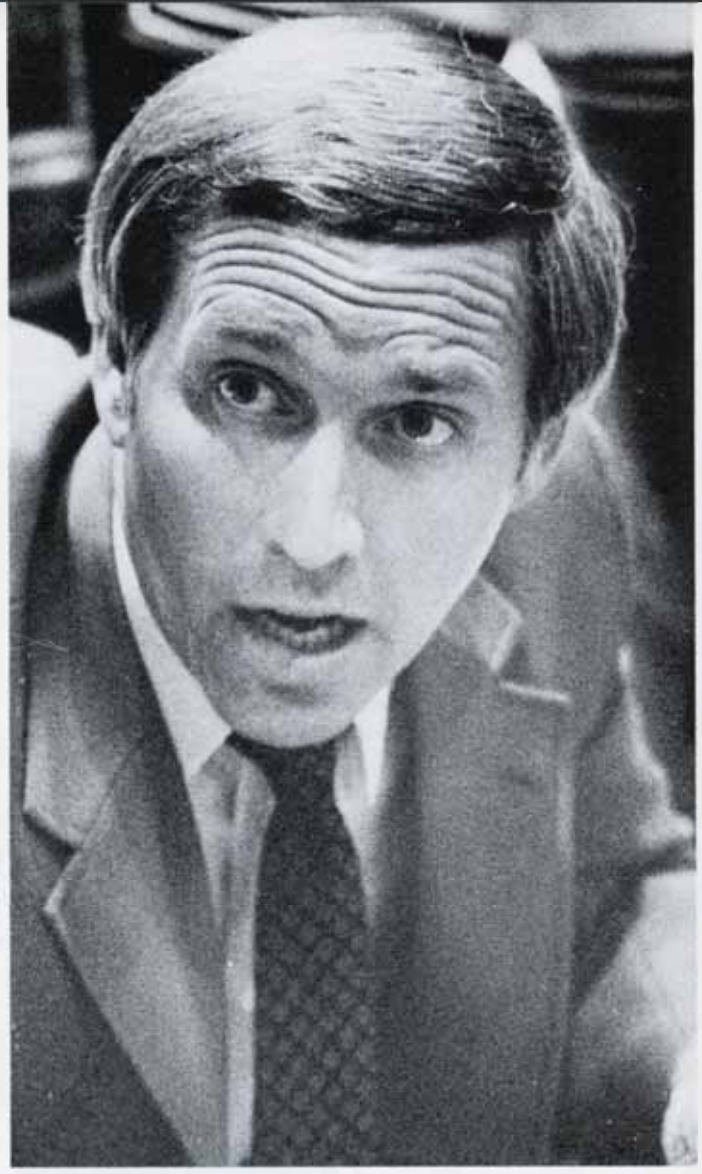

Mike Patrick is a senior from nearby Quitman who is entering his fourth season as Valdosta State's manager Coach Tucker chose Patrick three years ago over several other candidates because he showed the commitment necessary to do the hours of work the job takes.

Patrick has proven his loyalty to Blazer basketball during the past three seasons. Coach Dominey points to Patrick s conscientiousness, saying "he has the respect of everyone in the program

Head Coach

James Dominey

Twelve seasons and 205 victories are behind him, yet James Dominey is as excited about this year as he was 13 autumns ago on the eve of his first campaign

Dominey considers this season to be a special challenge partly because of what happened last year For the first time in his career at VSC the Blazers had a losing record barely a losing record at 14-15 but a losing record nonetheless.

James Dominey has never been anything but a winner and that losing record hurts. He doesn t expect it to happen again but with the extremely tough schedule he has assembled ending on the high side of 500 won t be easy

Dominey has never backed away from a strong schedule. He has always believed the good competition helped his club become better getting them ready for post-season play

That's the main reason he pushed so hard for Valdosta State to join the Gulf South Conference two years ago. 'The winner of our conference tournament gets an automatic bid to a regional Dominey said 'With the automatic we don t have to worry about playing the tough schedule because overall record is not as important.

But he still wants that overall record to be better than break even His first team back in 1971-72 won 18 games, setting a standard that has become the average number of wins for Dominey-coached teams.

Dominey 39 has brought the Blazers a long way in the 12 years he's been in charge The school left the Georgia Intercollegiate Athletic Conference after winning the league title for the 11th time in 1972 campaigned as an independent in 1973 and joined the South Atlantic Conference and NCAA s Division II in 1974. The SAC folded in 1981 and the Blazers joined the GSC in 1982

Again this season the Blazers have a tough pre-holiday schedule, facing three Division I schools and playing five games on the road But like last year Dominey plans to use the eight games to further evaluate his club and find the right combinations for various situations. He has a lot of new faces this season and it will be a difficult chore to find the best group.

'We have some talented players. It's my job to get that talent pointed in the right direction

Dominey comes from a very talented basketball family that dominated and excelled for Vienna High School in the 1950s and 1960s. In 1962 he captained the Vienna team during his senior season and averaged 28 points a game, earning a scholarship to Norman Park Junior College.

Following two outstanding seasons on the junior college level Dominey accepted Oglethorpe University's scholarship offer and completed his college eligibility as a starting guard for the nationally-ranked Stormy Petrels.

Dominey received his physical education degree from Oglethorpe and took a graduate assistantship to Middle Tennessee State University where he earn ed the master of education degree in 1967

One year of high school coaching in Atlanta (Dykes High School) preceded his joining the Valdosta State staff in 1968 as an assistant. Three years later he became the school s fourth head coach and VSC s winning tradition was assured

In 12 seasons Dominey's teams have won five con ference titles and recorded three second place finishes. He has taken a team to the NAIA national tournament and three of his clubs have played for one of four NCAA regional championships.

Dominey is married to the former Monica Moore of Vienna and they have two daughters Monica Leigh 14 and Andrea Jean 12

Assistant Coach

Bobby Tucker

This is the sixth year Bobby Tucker has appeared in this space, and there are just so many ways one can describe the job he does as James Dominey's top aide The best and most complete description is simple. totally dedicated.

Tucker has no problem with the long hours outside the limelight, the hard work, the days away from a young family

"Sure, it's frustrating at times. But I love what I m doing. It's exciting to me to recruit players and then watch those players become an integral part of our program I have high expectations high goals and I want to be able to transmit my enthusiasm to the players.

Dominey's assessment of his assistant:

"I can only repeat what I've said before. I don't think I could have a better assistant. I think we compliment each other perfectly because we have the same goals as far as our approach to basketball is concerned

Beginning his sixth season as Dominey's right hand, Tucker 31 is again primarily concerned with scouting and recruiting. But he is also expected to be on the bench on game nights which makes an appointment book required equipment for his job.

"We found out first hand what the Gulf South Conference is like last year " Tucker said "We know what we need to do to get ready to meet the challenge

Tucker received a physical education degree from VSC and attended Indiana State University to get his master's degree in physical education with an emphasis in athletic training. He is one of only a handful of certified athletic trainers in Georgia.

He has a year of high school coaching experience gained at Turner County (Ashburn) and has coached on the junior high level in the Marietta school system. He was an integral part of five Blazer basketball teams as a trainer during his undergraduate years.

Tucker is married to the former Barbara Dodd of Nashville, Tenn a graduate of the VSC nursing program The Tuckers have two children, Brian 3½ and Susanne, 2

1983-84 Outlook

A Forward Glance

To be a winner in 1983-84 Valdosta State must combine a group of young veterans with a group of younger newcomers. The team must jell quickly because the pre-Christmas non-conference schedule is extremely difficult. And the team must come back from the holidays ready to play because the demanding 14-game conference schedule begins January 7

Coach James Dominey hopes he got an early indication of what this club is made of on the first day make that night. of practice

October 15 was the day practice could begin under NCAA regulations. October 15 was a Saturday On Friday at midnight, the Blazers gathered in the lockerroom of the Physical Education Complex, and at 12·01 a.m took the floor for their first official workout in preparation for the 1983-84 campaign

I told the players they already had an advantage over last year's team," said Dominey 'The team last year started when they had to The team this year started when they wanted to

Dominey sees his 13th edition as a team that is young and lacking in overall size

The top returnees are sophomores Marlon Jones (15 7 ppg) and Tommy Conley (13 0 ppg) both starters much of last season Senior center Richard Richardson (10 7 ppg) and senior forward Lee Green (7.4 ppg) also started a good bit of the time last year

Senior center Kirk Dunn and sophomore guard Don Latson are the other veterans who will add depth

Dominey signed five freshmen Greg Freelove at guard, forwards Walt Webb Eric Orr and Mike Brown and center Leon Jones and one junior college transfer forward Garry Williams.

Out of the dozen players only Marlon Jones and Conley are considered likely starters in the early days of practice As for the rest of the starting five Dominey said It wouldn t surprise me if we didn t have at least one, maybe two freshmen starting. For the first time all of our new people could get a lot of playing time

Dominey concedes the Blazers are a little shorter overall than he'd like The tallest player is Brown at 6-7 "We are still missing the size we d like to have We've got to somehow neutralize our lack of size We've got to play a full-court game

The schedule is a bear The seven non-coference teams (three are Division I) on the slate had a combined record of 134-71 last season

The Blazers will find out in a hurry if they've found the right combination

Gulf South Conference basketball coaches predict a fifth place finish for Valdosta State in the 1983-84 league race a spot Blazer coach James Dominey can t argue with

Looking at last season what everyone lost and what everyone has coming back, I can t really argue with where we were selected in the pre-season poll Dominey said But what you deal with in pre-season polls are facts. What you don t know about are all the intangibles and for that reason I like our chances as much as anyone s

Jacksonville State which won the conference tournament over VSC last year and returns most of that team was picked to win the league crown Tennessee-Martin the regular season league winner a year ago came in second in the balloting, followed by Troy State Livingston VSC and North Alabama (tie) Delta State and Mississippi College

West Georgia, which joined the conference last July will not compete for the basketball title this year because of scheduling conflicts. The Braves will enter the league for men s basketball purposes in 1984-85

The coaches also selected a pre-season all conference team which included VSC sophomore Marlon Jones. Jones was the Blazers second leading scorer last season averaging 15 7 points a game

Joining Jones on the team are Keith McKeller and Robert Spurgeon of Jacksonville State, Jerry Davis and Mitch Stentiford of Tennessee-Martin Marvin Madison of Troy State Kimbrell Young of Mississippi College Carl Brown of Delta State Anthony Casey of Livingston and Maurice Stafford of North Alabama

Davis was last year's Player of the Year and Young was the 1982-83 Freshman of the Year Davis Madison McKeller Stafford Stentiford and Young made the post-season all-conference team a year ago

Game Information

TIME OF GAME: All varsity home games begin at 7:30 p.m. EST. If a preliminary game is played, it will begin at 6 p.m.

PLACE OF GAME: The new physical education complex (capacity 3000) is located on the west end of the VSC campus. Ample dressing room facilities are available for both teams.

TEAM COLORS: Valdosta State wears white with red numerals at home, and red with white numerals on the road. Both uniforms are trimmed in black. Players' numbers are the same on both uniforms.

TIMING AND SCORING: Official time is on the scoreboard clocks located in all four corners of the arena. Valdosta State provides timer and scorer. There is room at the scorer's table for the visitor's timer and/or scorer. The scorer's table is located on the south side of the court at midcourt.

PUBLICITY AND TICKETS: Send all requests to Steve Roberts, Director of Sports Information, Valdosta State College, Valdosta, GA 31698.

PLAYING COURT: The floor runs east and west with dimensions of 94 feet by 50 feet.

PLAYERS' BENCHES: Benches are located on the south side of the court on either side of the scorer's table. Visitors sit on the east side of the scorer's table; VSC sits on the west side.

RADIO: Valdosta State broadcasts all its home games over WVLD radio, located at 1450 on the AM dial. A phone line is available for one visiting radio station. The line is free to Gulf South Conference members. A $25 fee is charged non-conference radio visitors.

STATISTICS: Both teams will be supplied shooting and rebound statistics at halftime of each game. Complete statistics, including box score, will be supplied to both teams, press, radio, television and scouts following the game.

PROGRAMS: A program containing complete rosters with numbers, name, position, height, class and hometown is available to fans at no charge.

MEDICAL ATTENTION: Valdosta State's trainer will be on hand for all games; a doctor will always be in attendance.

ADDITIONAL INFORMATION: Contact Steve Roberts, Sports Information Director; James Dominey, Head Coach; Bobby Tucker, Assistant Coach; or Bill Grant, Athletic Director.

Voice of the Blazers

Pete Butler

Pete Butler, 24, came to Valdosta in 1982 to head up the sports program at WVLD, which is the flagship station for Blazer football and basketball. The Kentucky native is a graduate of Red Bank High School in Chattanooga, Tenn., and Middle Tennesse State University in Murfreesboro, where he was sports director at WMOT-FM for two years.

Butler has organized a total sports program for WVLD with an emphasis on Valdosta State athletics. WVLD is building a network of other radio stations which will carry Blazer basketball games.

Back Cover

Valdosta State's cheerleaders were photographed at the recently constructed C.B. Sharpe Memorial Bridge which connects the college's North Campus with the parking lot at Blazer Field, where VSC plays baseball. The bridge, named for an alumna of Valdosta State, was formally dedicated during Homecoming activities fall quarter.
