THE CODE OF ACADEMIC COSTUME

An 1894 conference of representatives of leading American institutions adopted a uniform code of academic dress. The code was revised by the American Council on Education in 1932 and again in 1959.

Black gowns recommended for use have certain characteristics. The bachelor's degree gown has pointed sleeves, the master's degree oblong sleeves and the doctor's degree gown has bell-shaped sleeves. The bachelor or master gowns have no trimmings. The doctor's degree gown is faced down the front with black velvet with three bars of the same across the sleeves. The velvet may be the color distinction of the subject to which the degree pertains, agreeing in color with the edging of the hood.

For all academic purposes, including trimmings of doctor's gowns, edging of hoods and tassels of caps, colors associated with different subjects are: Agriculture, Maize; Arts, Letters, Humanities, White; Commerce, Accountancy, Business, Drab; Economics, Copper; Education, Light Blue; Fine Arts, Brown; Journalism, Crimson; Law, Purple; Library Science, Lemon; Music, Pink; Nursing, Apricot; Speech, Silver Gray; Philosophy, Dark Blue; Physical Education, Sage Green; Public Administration, Peacock Blue; Public Health, Salmon Pink; Science, Golden Yellow; Social Work, Citron; Theology, Scarlet.

The bachelor's degree hood length is three feet, the master's degree is three and one-half feet, and the doctor's degree is four feet. The hood for the latter has panels at the side. The hoods are lined with the official color or colors of the college or university which conferred the degree; more than one color is shown by the division of the field color.

The hood binding or edging is velvet or velveteen, in widths of two, three and five inches for the bachelor's, master's and doctor's degrees, respectively. The color of the edging should be distinctive of the subject to which the degree pertains. The black academic cap is usually shaped like a mortar board. The tassel is black or the color appropriate to the subject to which the degree pertains. The only exception is the doctor's cap which may have its tassel of gold thread.

ALMA MATER

'Mong the stately pines of Georgia
Glorious to the view
Stands our noble Alma Mater
Basking 'neath the blue.

Alma Mater, thee we honor
Praises never fail,
For thy fame shall never perish,
Red and Black—all hail!

Alma Mater's sons and daughters
We will ever be,
Always to thy heart returning,
Dear old V.S.C.

Alma Mater, thee we honor
Praises never fail,
For thy fame shall never perish,
Red and Black—all hail!
