### NEWS FROM VALDOSTA SECTION

VALDOSTA, Ga., July 25.—A former Valdosta girl, student of the Georgia State Womans College, has added another outstanding achievement to her promising career as an artist, having recently been commissioned to do a sketch of J. Pierpont Morgan, noted New York capitalist and world-famous collector of objects of art.

This latest Valdostan to gain distinction is known and remembered in this city as Miss Cleo Mansfield, who is now Mrs. Albert Carlson, of Baltimore, Md. She is the daughter of Mr. and Mrs. C. C. Mansfield of Morgan, Ga., and a first cousin of Mrs. Richard Parrish, of this city. When Miss Mansfield came to Valdosta she enrolled at the Georgia State Womans College as a special student and quickly showed her preference for art. She became the art student of Miss Frances Ruth Carpenter, head of the art department of the college, who soon remarked upon her outstanding talent. She was a member of the 1925 graduating class

and early thereafter she joined the art staff of the Atlanta Sunday American, doing portraits of Atlanta debutantes. She later went with another Atlanta paper and while still in Atlanta she met and married to Albert Carlson, a prominent Baltimore insurance man.

J. P. Morgan has long been a lover of fine pictures, and his collection of miniatures are said to be without a rival. Artists have clamored for the privilege of painting or sketching him, and now it is a Georgia girl, a former Valdostan and graduate of the Georgia State Womans College, who is given this highly prized commission.

### G. S. W. C. Project Is Being Pushed

VALDOSTA, Ga., July 2.—Twenty workers were assigned to the project at the Georgia State Woman's college this week by the national re-employment office in Valdosta.

Work is being pushed rapidly on the new dormitory by the Valdosta Construction Company which was awarded the contract, and completion is expected in time for the opening of the college in September.

### Miss Cleo Mansfield To Paint Morgan Partrait

Friends of Miss Cleo Mansfield, of Morgan, in private life Mrs. Al Carlson, of Baltimore, Md., will be interested to learn she has been commissioned to paint a portrait of J. P. Morgan, New York capitalist. Miss Mansfield received her training at G. S. W. C. at Valdosta and after finishing attended art school in Atlanta, where she grew well known with her sketches of the Ambassa-

dors and their wives. Her husband is the son of the ex-ambassador to Sweden.

She has many friends and college class mates in this section who will be interested to learn of her success. Mrs. Robert Andrews recently received one of the artist's pictures, that won considerable mention in Atlanta studios.

## COLLEGE ISSUES NEW BULLETIN

Officials Of Georgia State  
Womans College Issues  
Bulletin Describing Col-  
lege Facilities

### FOR NEW STUDENTS

Attractive bulletins, describing the Georgia State Womans College here, and going into full detail of the offering of the college to young women of Georgia, who seek a higher education, have been issued by officials of the college, and are being mailed out to those who seek information regarding the college.

Beautiful campus scenes, as well as pictures of the activities of students of the college are included in the bulletin, and there is a description of the college, its personnel, and its offering to young women students.

The following descriptive matter is issued over the signature of the college registrar:

Designated by the Regents of the University System of Georgia as the four year liberal arts college for women, the Georgia State Womans College at Valdosta offers courses leading to the Junior College Diploma and to the A. B. degree.

The college is a member of the Association of Georgia Colleges, of the Southern Association of Colleges and Secondary Schools, and of the Association of American Colleges. As one of the senior units of the University System, G. S. W. C. is recognized and accredited everywhere as a standard A grade four year college.

The sixty acre campus, flanked both north and south by pine groves, is of exceptional beauty and charm. Buildings and equipment are complete and adequate. The general style of architecture is a form of Spanish mission adopted to the landscape and climate. There is no lovelier college in Georgia.

**Valdosta Poets  
Have Work In  
New Anthology**

Valdostans will be interested to learn that a recent publication of the Galleon Press, the American States Anthology of Poetry, contains some of the works of two Valdosta poets.

Miss Gertrude Gilmer, professor of English at the Georgia State Womans College, and author of the widely acclaimed "Check-List of Southern Publications Prior to 1861", is represented by six lovely poems. Miss Gilmer's poetry is descriptive of the deep south and Valdosta and vicinity is easily recognizable in her work. Versecraft and other poetry publications have included work of Miss Gilmer's. In addition to her literary activities Miss Gilmer is president of the Georgia branch of A. A. U. W., and a member of the American Penwoman's League.

Mr. Bracuto is represented by three lyrics of unusual rhythmic patterns. Mr. Bracuto has previously published his work in "American Voices." He is a frequent columnist for the Tribune and enjoys a wide reading public.

OF VALDOSTA STATE  
ORGANIZATION**

VALDOSTA, July 31.—At the Georgia State Woman's College Dr. Frank R. Reade, president of the college, expressed his pleasure at the outlook for the year. "During the past several years," he said, "all budgets throughout the University System necessarily have been curtailed. Since the regents took control of the various units about half a million dollars of back indebtedness has been paid. However, the system is now free of debt and we can go for-

NEW G. S. W. C. DORMITORY AT VALDOSTA READY NEW YEAR'S

NEW DORMITORY  
READY JANUARY

VALDOSTA WOMAN'S COLLEGE TO HAVE ITS FACILITIES INCREASED

VALDOSTA, Aug. 14. — The new \$80,000 dormitory being erected on the campus of the Georgia State Woman's College at Valdosta will be completed and ready for occupancy in January. The foundation is laid and work is being pushed as rapidly as possible by the Valdosta Construction Company, contractors. Girls will be assigned to rooms in the new dormitory at the opening of the second quarter of the school year on January 4.

The dormitory, a two-story structure of white stucco with red tile roof, will provide accommodations for fifty to sixty girls. It will also house an auditorium seating 500 people; a reception room, a suite of rooms for overnight guests, an alumnae reception room and a lounging room for day students.

It will enable the college to relieve the congestion in the other dormitories and at the same time provide needed quarters for alumnae, dramatic and other college activities.

Of the Spanish mission type of architecture, so admirably suited to the climate and the setting of pine trees and palms which cover the campus, the new building is of the same general design as the present ones, for which the trustees of the college in 1929 were awarded honorable mention by the Southern Architectural and Art Exposition. Edwards and Sayward of Atlanta are the architects.

The Valdosta college is one of the twelve units in the University System to share in the \$837,000 building program undertaken by the regents of the University System with funds furnished by the state of Georgia and the PWA. The program includes new buildings—most of them dormitories—at Cochran, Americus, Carrollton, Dahlonega, Statesboro, Milledgeville, Forsyth, Tifton, Douglas, Georgia Tech and the University in addition to Valdosta.

READE DESCRIBES  
GSCW EXPANSION

Social Service Training and Other Courses Are Added to School's Program

VALDOSTA, Ga., Aug. 1 (AP)—President Frank Reade of Georgia State Woman's College announced today an expansion program for the school, one feature of which will be training for social service workers.

"The new attitude toward social security, resulting from activities of the New Deal, has given tremendous impetus to the demand for trained social workers," Dr. Reade said. The courses will begin this fall.

He said "once people thought of social workers only in connection with the tenement sections of large cities. Today, with the new conception of this field of service, there has opened up a wonderful vocational opportunity for women, and one that is highly remunerative."

In addition to introduction of the courses in social service training, Reade said a placement and publicity bureau had been established, with Miss Thyrsa Perry, formerly in the office of the University System board of regents in charge.

Arts Courses Aided

A course in bacteriology, and one in Spanish, will be added also, beginning with the September term.

A motion picture machine, with sound equipment, has been bought by the college to supplement lectures in such subjects as history, the physical sciences and fine arts. A health and recreation project also was authorized.

Dr. Elinor Nims Brink will be in charge of the social service courses. She holds a bachelor's degree from Vassar, and a doctor of philosophy degree from University of Chicago, and has studied in Paris and New York City.

All members of last term's faculty will return this fall, except Prof. James Stokes, who becomes head of the department of biology at Georgia State College for Women at Milledgeville. Dr. Beatrice Nevins will come to Valdosta from GSCW to fill the vacancy made by Stokes' transfer.

The Valdosta alumnae of the Georgia State Woman's College were entertained at the College on Thursday afternoon, July 30th, by the president, Dr. Frank R. Reade. All alumnae, whether or not affiliated with the association, were invited to be present.

Dr. Reade made a short talk in which he outlined some of his plans for the college. He stressed the importance of the alumnae in building a greater institution and made a plea for more active cooperation on the part of local and state groups. Dr. Earl Phelan showed three films to demonstrate the new Victor talking picture machine which has just been purchased for use at the college.

Later on in the afternoon the guests assembled in the board room for refreshments. Assisting Dr. Reade in receiving the guests were Mrs. Harold Gulliver, Mrs. Joe Wisenbaker and Mrs. W. M. Thomas.

## Course in Social Service Work Is Installed by Valdosta College

President Frank Reade, of Woman's Educational Institution, Says New Deal Activities Have Given Impetus to Demand for Trained Workers.

VALDOSTA, Ga., Aug. 1.—(AP)—President Frank Reade, of Georgia State Woman's College, announced today an expansion program for the school, one feature of which will be training for social service workers.

"The new attitude toward social security, resulting from the activities of the New Deal, has given tremendous impetus to the demand for trained social workers," Dr. Reade said. The courses will begin this fall.

Dr. Brink comes here from the Florida State College for Women where she has been a faculty member for five years.

Dr. Brink will assist Dr. J. A. Durrenberger, head of the department of history and social sciences.

Work is progressing on a \$60,000 dormitory, a PWA-state project, which is to be completed by the opening quarter in January.

A health project will be carried out this year under direction of Dr. Marian Farbar, resident physician, and a sum was set aside also for added facilities for physical education work. This will include two new tennis courts, increasing the number available to five, and other athletics.

## NEW COURSES ADDED AT VALDOSTA COLLEGE

Social Service Training Will Be Part of Course This Fall.

however, the course is sufficiently comprehensive to enable students to enter upon social work in rural and small town communities in less responsible positions.

Dr. Elinor Nims Brink, of the University of Chicago, has been added to the faculty to assist Dr. J. A. Durrenberger, head of the department of history and the social sciences, in conducting the new courses.

The newly created placement bureau is established as a service agency to co-operate with students and employers and is operated by the college without charge to either. It is an extension of the program of vocational guidance already offered.

Work on the new \$60,000 dormitory, a part of the building program recently undertaken by the regents, is progressing rapidly and will be ready for occupancy by the opening of the second quarter of school in January, it is announced.

Dr. Frank R. Reade is president of the college.

Miss Elizabeth Powell, of Athens, formerly of this city sailed for Germany at midnight Friday, aboard the S. S. Bremen, to enter Hamburg college as an exchange student from the University of Georgia.

She is the daughter of Dr. and Mrs. R. H. Powell, who are former residents of this city. Dr. Powell was president of the Georgia State Woman's College here for a long period of years. He is now dean of the Coordinate College of the state university system in Athens.

Miss Powell has a number of friends here who will be interested in the announcement that she has been selected as an exchange student for the German university.

She will remain in Europe for a year, spending some of her time in Italy and France, as well as in Germany.

## New Collection Of Poetry Lists Lowndes Writers

VALDOSTA, Ga., Aug. 1.—Included in the two volume edition of American States Anthology, a new collection of poems of modern poets, are the works of two Valdosta writers, Miss Gertrude Gilmer, of the English department of the Georgia State Woman's College, and Peter Bracuto, member of the Valdosta public school faculty.

Miss Gilmer has had previous work published in Versecraft and other literary magazines. Her poems deal with local scenes.

Mr. Bracuto was included among the poets chosen by another anthology published last year. In American States Anthology he has several lyric poems and one devoted to Savannah.

The publishers announce that the work included in this year's edition will be the subject to a series of national broadcasts treating modern American poetry.

## COLLEGE BUDGET IS APPROVED BY REGENT'S BOARD

Chancellor Sanford and Members of Board of Regents Have Approved New Year Budget for School

According to a statement made today by Dr. Frank R. Reade, the 1936-37 budget of the Georgia State Woman's College was approved by Chancellor S. V. Sanford, and the Board of Regents of the University System, on July 15.

"During the past several years," Dr. Reade continued, "all budgets throughout the University System necessarily have been curtailed. Since the Regents took control of the various units, about half a million dollars of back indebtedness has been paid, and the system is now free of debt."

"For 1936-37 we have a budget which is adequate to the needs of the college. No one could better have understood the problems that we have to face than has Dr. Sanford, and the college is grateful to him and to the Regents in that they have approved our budget, as set up by us on May 1, without change."

**FACULTY FOR 1936-37**

With only one or two exceptions, all of last year's faculty will return in September. The department of biology will be headed by Miss Beatrice Nevins, Ph. D., Wisconsin. Mr. James Stokes, who has been doing graduate work at the University of Chicago for the past year, has been appointed as head of the department of biology at G. S. C. W. in Milledgeville.

Mrs. Eva Shriville will be the college dietitian for next year, replacing Miss Martha McElmurray, who has a position with the Michael Reese Hospital in

Chicago. Mrs. Shriville has had a number of years of experience in college work in addition to considerable training at the Piedmont Hospital in Atlanta.

Two important additions have been made to the college staff. A Placement-Publicity Bureau has been newly created, and will be directed by Miss Thyrza Perry, B. A., Oglethorpe University, and for several years secretary to former Chancellor Phillip Weltner. By virtue of her experience in the Regents' office, and her training in newspaper and personal work, Miss Perry is a most valuable addition. She will be in charge of placement of graduates, of publicity for the college, of N. Y. A. student self-help positions, and will cooperate with the alumnae in their various activities.

The Georgia State Woman's College is the first unit in the University System to offer courses in pre-social work. The college is fortunate in having secured Mrs. Eleanore Nims Brink, Ph. D., Chicago, to direct this work. Dr. Brink formerly has been head of the department of sociology at the University of Kentucky, has studied abroad, and comes to G. S. W. C. from the Florida State College for Women at Tallahassee.

Among other additions to the curriculum, Spanish is being offered in the department of modern foreign languages; and a course in bacteriology, for which the Regents have made a special appropriation, has been set up.

## SPECIAL PROJECT

The Regents have approved a number of special projects for 1936-37. First, a sum necessary to insure the participation of the college in the Artis Series which is to be offered this year by the city of Valdosta has been set aside. Another sum makes it possible for a special health project; and another a special physical education project which includes tennis, swimming, golf, and horseback. Already two new tennis courts are in process of construction. One of these is for alumnae of the college, the other for the faculty.

Recently the college has bought a sound movie machine, for educational purposes, and for re-

creation. The project is under the direction of Dr. Earl Pheasant. A series of films will be shown to G. S. W. C. alumnae on Thursday afternoon at the college.

More ample and more convenient parking space is being arranged for next year, at the north end of West Hall.

## Dormitory Costing \$60,000 Will Be Ready On Georgia State Woman's College Campus By January

The new \$60,000 dormitory which is being erected on the campus of the Georgia State Woman's College at Valdosta will be completed and ready for occupancy in January under the present schedule. The foundation is laid and work is being pushed as rapidly as possible by the Valdosta Construction Company, contractors. Girls will be assigned to rooms in the new dormitory at the opening of the second quarter of the school year on January 4th.

The dormitory, a three story structure of white stucco with red tile roof, will provide accommodations for fifty to sixty girls. It will also house an auditorium seating five hundred people; a reception room, a suite of rooms for over-night guests, an alumnae reception room and a lounging room for day students. It will enable the college to relieve the congestion in the other dormitories and at the same time, provide badly needed quarters for alumnae, dramatic and other college activities.

Of the Spanish Mission type of architecture, so admirably suited to the climate and the setting of pine trees and palms which cover the campus, it is of the same general design as the present buildings, for which the trustees of the college in 1929 were awarded Honorable Mention by the Southern Architectural and Arts Exposition, Edwards & Sayward of Atlanta are the architects.

The dormitory at Valdosta is a part of the \$837,000 building program undertaken by the Regents of the University System with funds granted by the PWA and supplemented by the State. The program includes new buildings—most of them dormitories—at twelve of the units in the University System at Cochran, Americus, Carrollton, Dahlonega, Statesboro, Milledgeville, Forsyth, Tifton, Douglas, Georgia Tech, the University of Georgia and Valdosta.

Dr. S. V. Sanford, Chancellor of the University System, said 19,500 students were enrolled in the University System of Georgia last year, giving this state the fifth largest university system in the country. It is expected the enrollment will reach 22,000 this year with the enlarged facilities.

## Famous Store Remodels Its Front, Shelves

With its store front recently remodelled, and its interior shelving rearranged, the Famous Store is offering to the buying public some of the choice items displayed on the New York markets of recent date, and purchased there by J. Pearlman, store manager, who but recently has returned from the north and the east.

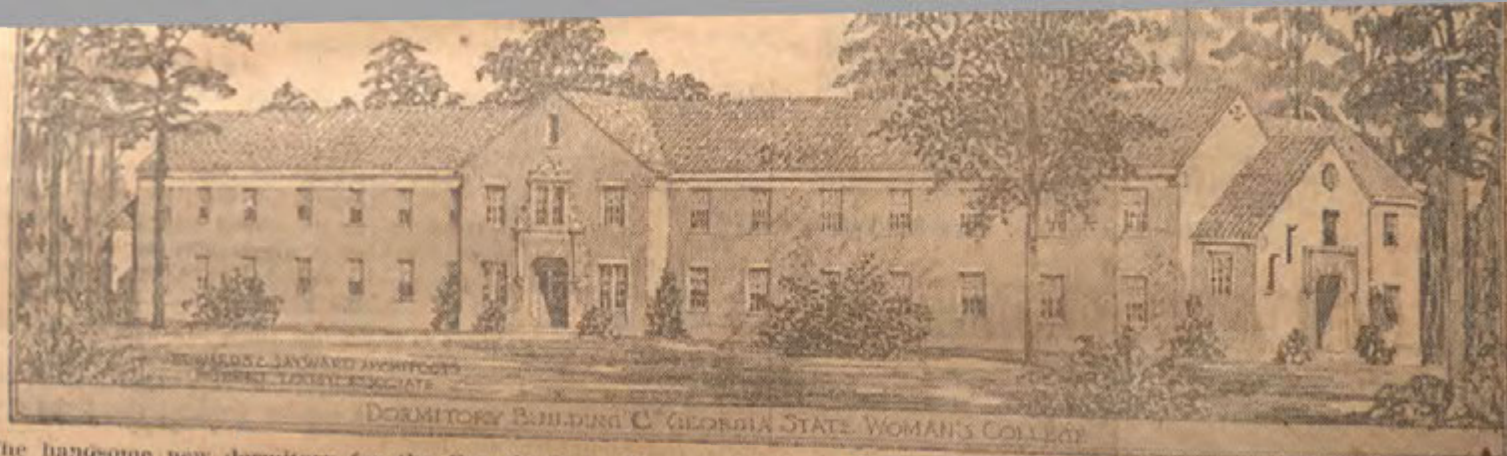

The large store front, which offers several entries into the store has been remodelled, repainted and conditioned to furnish a more advantageous showing of goods on display.

The stock in trade is wide in its variety, meeting the needs of man, woman and child.

### REGENT S. H. MORGAN

In the passing of Regent S. H. Morgan, of Guyton, Georgia, the Georgia State Woman's College laments his loss, but feels that Regent Morgan's services to this unit and to the University System will but perpetuate the memory of a great and good man.

Appointed to fill Mr. Morgan's place is Mr. Ormond Hunter, a member of a prominent family and an outstanding citizen of Savannah; Mr. Hunter holds the Ph. D. degree from Yale University, and the LL. B. from the University of Georgia.

## SOCIAL SERVICE REGULAR COURSE

Social Service Training To Become Regular Offering Of State Woman's College Here

### READE ANNOUNCES

A new curriculum in professional social service training will become a regular offering of the Georgia State Woman's College, beginning with the fall quarter, according to an announcement made by Dr. Frank R. Reade, president. The curriculum is designed primarily for students who purpose after graduation to pursue studies in a graduate school of Social Work; however, the course is sufficiently comprehensive to enable students immediately to enter upon social work in rural and small town communities in less responsible positions.

"The new attitude toward social security, resulting from the activities of the New Deal, has given tremendous impetus to the demand for trained social workers," said Dr. Reade. "Formerly people thought of social workers only in connection with the tenement sections of large cities. Today, with the new conception of this field of service, there has opened up a wonderful vocational opportunity for women, and one that is highly remunerative."

The college at Valdosta is the first unit in the University System to offer such training.

Dr. Ellinger Nims Brink will be in charge of the new social service courses. Dr. Brink holds an AB degree from Vassar and a Ph. D. from the University of Chicago. In addition, she has studied at the Psychological Center, Paris, France, under Dr. Otto Rank, and at Columbia University, Cleveland College and the Berlitz School of Languages in New York City. Dr. Brink has had wide teaching experience and comes to the Georgia State Woman's College directly from the Florida State College for Women where she has been for the last five years. She is the wife of Dr. Fritz A. Brink

## Faculty of State Woman's College Widely Scattered During Summer

Faculty members of the Georgia State Woman's College have been widely scattered this summer. Some have taught in various schools and universities, others have been taking special courses and others have been enjoying well deserved vacations.

They will be back in Valdosta in ample time for the opening of the college term in September.

The teachers have been engaged as follows during the summer months:

Miss Clara Bancroft, teacher of voice, is at 973 Wilson Ave., Columbus, Ohio. "Most of my time," she writes, "has been spent on the sand pile with my adorable little red-headed three year old niece's boy, Bruce."

Miss Janie Bush, professor of Latin, is at Barnesville, Georgia. She has recently completed a survey course Horace, Ovid, and Livy which will be offered in the fall.

Miss Matilda Callaway, professor of Home Economics, is at Vassar College, Poughkeepsie, N. Y., attending their Institute of Euthenics. She writes: "Getting some good information, taking five classes a day, a lecture course in the afternoon and some arts and crafts in the evening when it is not too hot to hammer on copper."

Miss Frances Ruth Carpenter, professor of Art, taught at the South Georgia Teachers College until July 15. She is now at Elberton, Georgia. The college plan to buy a kiln this summer, and Miss Carpenter will direct some work in the ceramic arts during next year. Professor Harry Vaughan, of the Georgia Tech Ceramics department, will come

District Health Commissioner of the Georgia State Health Department at Blackshear, Ga.

Although the course is of the senior college level, the sequence of courses really begins in the sophomore year with fundamental courses in Economics and Political Science. In the Senior college division, the program has been expanded to include courses in the Field of Social Work, Problems of Child Welfare, Social Pathology, Social Legislation and Theories of Social Reform and Social Case Work.

down in the fall in an advisory capacity, and will show movies relating to the ceramic industry.

Miss Majorie Carter, assistant dean of women, is at camp Olenochite, Kingdon, Virginia, where she has been a counsellor for a number of years.

Miss Evelyn Deariso librarian, of Sylvester, has been visiting in Asheville, N. C.

Dr. Joseph Durrenberger, professor of sociology, taught for six weeks in the summer school at the University of Georgia. He and Mrs. Durrenberger and the children are leaving today for a trip to Texas.

Dr. Martin E. Farbar, college physician, is at 5464 Woodlan Avenue, Chicago. She has been taking some courses in Chicago, and at the University of Illinois, with special attention to color attention, color blindness, posture silhouettes, and foot arch corrections, all of which will be helpful in her work at the college.

Miss Gertrude Gilmer, professor of English, is at 110 21st Avenue, South, Nashville, Tennessee. She is doing research and graduate study at Peabody.

Dr. Harold Gulliver, professor of English, has returned to Valdosta after teaching for six weeks in the summer school at the University of Georgia.

Miss Annie P. Hopper, dean of women, is at the Bellech, 15th and Spruce, Philadelphia. During the summer she has visited relatives in Mississippi and Texas. She plans to return to the college the latter part of August.

Dr. Lena J. Hawks, Dean of Instruction, is at the Terrace Hotel, Lake Junaluska, N. C., with her mother. Earlier in the summer they visited in Greensboro.

Miss Leonora Ivey, professor of Physical Education, is teaching archery at L. S. U. in Baton Rouge, and taking some advanced dancing courses.

Miss Elizabeth McRee, instructor in Physical Education, is at present visiting friends in Washington.

Miss Lillian Patterson, assistant librarian, is spending the summer at her home in Cor-

dele. Dr. Earl W. Phelan, professor of Chemistry, is spending the summer in Valdosta, and is working on a moving picture project for next year.

Miss Mildred Price, professor of history, is at the University of Michigan, Ann Arbor, where she is doing graduate work on an International Relationship Scholarship.

Dr. Harold Punke, professor of Education, is at International House, Chicago. He is taking some special courses in philosophy at the University of Chicago.

Miss Louise Sawyer, professor of Speech, is at her home in Mommouth, Illinois. She taught for six weeks in the summer school at the University of Georgia.

Miss Savelo Treanor is at the University of North Carolina, Chapel Hill, where she is continuing her work towards the Ph. D.

Miss Gady's Warren, professor of Music, is at 854 Kearney Avenue, Arlington, N. J. She is studying in New York but finds time to hear all of the various concerts.

**VALDOSTA COLLEGE OPENS ON TUESDAY**

BEGINS ITS 24TH YEAR

Woman's College Is Now Entirely Free from Debt

VALDOSTA, Ga., Sept. 12. — The Georgia State Woman's College at Valdosta opens its twenty-fourth session on Tuesday, September 15th, with prospects for one of the most successful years in its history, according to Dr. Frank R. Reade, the president. The Valdosta College, together with the other units of the University System, is now free of debt and on a sound budgetary basis; the physical plant of the college is being enlarged, under the building program of the University System, and the improved business conditions in South Georgia indicate a considerable increase in enrollment.

Two innovations, the social service training curriculum and the placement bureau, have been made in the program for the coming year. Dr. Elinor Nims Brink, formerly with the State Woman's College at Tallahassee, Fla., will join the faculty to conduct the course in social service. The placement bureau will be under the direction of Miss Thyrsa Perry, formerly secretary to Phillips Weltner while he was chancellor, and Dr. Beatrice Nevins will come to Valdosta from the State College for Women at Milledgeville, to be professor of biology. Mrs. Eva Shriville, for the past three years a member of the staff of the Piedmont Hospital in Atlanta, will join the college staff as dietitian.

Faculty members for the 1936-1937 session include: Miss Clara Bancroft, instructor in music; Miss Sara Jane Bush, professor of Latin; Miss Matilda Callaway, professor of home economics; Miss Frances Ruth Carpenter, professor of art; Dr. J. A. Durrenberger, professor of history and social science; Miss Gertrude Gilmer, professor of English; Dr. Harold S. Gulliver, professor of English; Dr. Lena J. Two new tennis courts have been constructed, a parking space has been provided for town girls at the north end of West Hall, and rustic furniture has been distributed over the grounds. Work on the new \$60,000 dormitory is advancing rapidly. Mr. W. A. Edwards of the firm of Edwards and Sayward, architects, visited the college on Friday and commented favorably on the progress being made. During freshman week, which will begin Tuesday, September 15 and last through the 19, all new girls, including day students will live on the campus and take part in the activities of the week. The time will be devoted to a program of placement and individual counseling and will give the students opportunity to get acquainted with one another and adjusted to the college routine. Dr. Reade has requested that town girls who wish to live in the dormitory during freshman week please make reservations through the dean's office, if they have not already done so.

Freshmen Welcomed To City By Newspaper Man; Meet In Rotunda With Faculty Members

**FOR PROGRAM**

Freshmen of the Georgia State Woman's College were welcomed to Valdosta at their first assembly on Tuesday morning by Ray Griffin, of the Valdosta Times.

All freshmen and faculty members gathered in the rotunda of Ashley Hall at nine thirty o'clock for the opening of the twenty-fourth session of the Valdosta college. Dr. T. Barron Gibson, pastor of the First Baptist Church lead the devotional and extended an invitation to the new students from the pastors of the various congregations to affiliate with the church of their denomination. After the introduction of the members of the faculty, the exercises closed with the singing of the Alma Mater.

The freshman week program began this morning and will continue through Saturday with placement tests and physical examinations occupying most of the time. The student government organization is conducting classes daily for instruction of new students in college regulations.

Upperclassmen will register at the college on September 21st.

Georgia State Womens College To Have Faculty Meeting On Monday For Conference

**NEW MEMBERS NAMED**

The Georgia State Womens College will open its twenty-fourth session on Monday, September 14th, when the faculty assemble at the college at ten o'clock. Registration of freshmen will begin the following day and upperclassmen will report to the college on September 21.

There will be four additions to the college personnel this year. Dr. Elinor Nims Brink will join the Department of History and Social Sciences; Dr. Beatrice Nevins will be the new professor of biology; Miss Eva Shriville will join the staff as college dietitian and Miss Thyrsa Perry will be in charge of the newly established department of Placement and Publicity.

Dr. Nevins, for several years a member of the faculty of the Georgia State College for Women at Milledgeville, holds her Ph. D. from the University of Wisconsin. She succeeds Dr. James Stokes who this summer completed work for his doctor's degree at the University of Chicago and who will go to the Milledgeville college as head of the biology department.

The new training courses in social service, which have attracted wide attention, will be conducted by Dr. Brink under the direction of Dr. J. A. Durrenberger. Dr. Brink holds an AB degree from Vassar and a Ph. D. from the University of Chicago. She has studied at the Psychological Center, Paris, France, and for the past five years has been at the Florida State College for Women at Tallahassee. She is the wife of Doctor Fritz A. Brink, District Health Commissioner of the Georgia State Health Department at Blackshear, Georgia.

Mrs. Shriville comes to Valdosta from the staff of the Piedmont hospital in Atlanta.

College authorities expressed their pleasure at the outlook for the year. The institution, together with other units of the University System is now free of debt and on a sound budgetary basis. Prospects for a full enrollment are good in view of the greatly improved business conditions in South Georgia. The physical plant has been put in order for the opening and many improvements made on the campus. Two new tennis courts have been constructed, a parking space has been provided for town girls at the north end of West Hall, and rustic furniture has been distributed over the grounds.

VALDOSTA, Sept. 18.—Freshman week, an established custom at the Georgia State Woman's College began Tuesday. The period of time has been devoted to placement tests, individual counseling and physical examinations. Upper classmen will report to the college on September 21.

The college is beginning its twenty-fourth session and authorities anticipate a highly successful year. Dr. Brink reviewed the plans of the administration for attaining social security for this country, and the conditions of Georgia to insure its participation in the program. The setting up of an organization in Georgia will create a demand for people with special training and, according to Dr. Brink, there are only ninety people in the state at present with professional training in social service. "With this in mind, the dearth of trained social workers in the state," said Dr. Brink, "the Georgia State Woman's College is inaugurating this fall the program of education basic to such professional education. The first step is the laying of an adequate foundation in the social and biological sciences. The second step is the developing of pre-professional courses dealing with the organization of social services and with the technique of helping people out of trouble."

## FRESHMAN WEEK VALDOSTA COLLEGE

### DR. BRINK TELLS OF PLANS FOR SOCIAL TRAINING

VALDOSTA, Sept. 18.—Freshman week, an established custom at the Georgia State Woman's College began Tuesday. The period of time has been devoted to placement tests, individual counseling and physical examinations. Upper classmen will report to the college on September 21. The college is beginning its twenty-fourth session and authorities anticipat-

ing the Georgia State Woman's College. Dr. Brink reviewed the plans of the administration for attaining social security to the people of this country, and the conditions which must be fulfilled by the state of Georgia to insure its participation in the program. The setting up of an organization in Georgia will create a demand for people with special training and, according to Dr. Brink, there are only ninety people in the state at present with professional training in social service.

"With this in mind, the dearth of trained social workers in the state," said Dr. Brink, "the Georgia State Woman's College is inaugurating this fall the program of education basic to such professional education. The first step is the laying of an adequate foundation in the social and biological sciences. The second step is the developing of pre-professional courses dealing with the organization of social services and with the technique of helping people out of trouble."

here began its 24th session today with the opening of freshman week.

Dr. Frank R. Reade, the president, said the college, together with other units of the university system, is free of debt and on a sound budgetary basis. The physical plant also has been enlarged as part of the university system building program.

The college program has been expanded this year to include a curriculum in pre-professional social service training. The new course will be conducted by Dr. Elinor Nims Brink who came here from the Florida State Woman's college at Tallahassee.

MISS EMMA AMBOS

MISS ELOISE OGLETREE

## SAVANNAH GIRLS ACTIVE VALDOSTA

### NUMBER OF THEM ARE OFFICERS IN COLLEGE ORGANIZATIONS

VALDOSTA, Sept. 18.—Savannah girls are taking an outstanding part in the activities of the Georgia State Woman's College for the year 1936-37, heading up six campus organizations, including the student government, the senior class and the Y. W. C. A.

Miss Emma Wilhelmina Ambos holds the important office of student government president; Miss Eloise Ogletree will serve as president of the Y. W. C. A. organization, while Miss Priscilla Kelly was elected by her classmates as senior class president. Savannah girls heading other school activities are Miss Edith Bennett, president of the Philharmonic Society; Miss Josephine Joubert, president of the Phi Kappa Athletic Society, and Miss Virginia Zipples, president of the junior class. Miss Anna Richter is secretary and treasurer of the Dramatic Club, and deputization chairman of the Y. W. C. A.

Misses June Lawson, Lillian Bragg, Mary DuBois, Evelyn Ogletree, Helen Joiner, Lou Grevemberg and Dorothy Austin, all of Savannah, are also prominent on the Valdosta college campus.

## YOUTH FUNDS FOR DRY AREA

Youth Administration has allotted additional funds to colleges in Georgia to assist students from families affected by the drought. The Georgia State Woman's College at Valdosta has announced that it has a small part of its allotment unassigned and students wishing to apply for this government aid should make written application to the college immediately. All applications should be accompanied by a statement signed by the county agricultural agent to the effect that the family's income has been so reduced due to drought conditions that the student is unable to meet college expenses without help.

The college aid drought fund applicable only to families affected by the drought, will be administered in the

same way as the Regular National Youth Administration fund. All students will be paid on an hourly basis for work assigned them, and may earn as much as \$15 a month.

Campus organization, library and clerical work and the supervision of a playground for children constitute the major projects at the Valdosta college which are being conducted with the help of NYA students.

## COLLEGE OPENS DOOR TO PEOPLE

Following Policy Set Some  
Time Ago, Classrooms of  
GSWC Are Opened To Res-  
idents

For the third consecutive year the Georgia State Womens College opens the doors of its classrooms to the residents of Valdosta. This "open door policy," unique in the educational field, provides an opportunity for adult residents to review or pursue further, with college guidance, subjects of special interest.

Such students may audit any courses being given and they have the privilege of using the college library for reference work. However, they do not take examinations, are not called on in class and do not receive credit for the work. They pay a nominal fee on entering merely as an evidence of their sincerity of purpose.

College officials say the "open door policy" has been highly successful during the past two years. Mothers often enter the college with their daughters to "brush up a little," or take a course in political science or literature and alumnae return frequently to take advantage of recent additions to the college curriculum.

## G. S. W. C. RESUMES 'OPEN DOOR' PLAN

Valdosta, Ga., Sept. 25. (AP)—Persons past the usual college age had the opportunity today of studying subjects of special interest at the Georgia State Woman's College as the institution continued its "open door" policy for the third consecutive year.

Adult residents of this community may review or pursue various subjects under college guidance. Such students have the privilege of using the college library for reference work.

However, they do not take examinations, are not called on in class, and do not receive academic credit for the work. They pay a nominal fee merely "as evidence of their sincerity of purpose," college officials said.

They explained mothers often enter with their daughters to "brush up a little" or to take a course in political science or literature.

# College!

(NOTE: This is the first column of a number to appear in the Times dealing with interesting news items of the Georgia State Womens College here.)

Registration of upperclassmen at G. S. W. C. began Monday morning, September 21st and will continue through today. At this time, officials of the college stated it is impossible to make a definite announcement about enrollment.

Freshmen registration took place last week and their regular schedule of classes began Monday. The time from Tuesday, September 15th until Saturday, September 19th was occupied with activities of "Freshman Week". Valdosta girls, freshmen at G. S. W. C., who spent the week in the dormitories included: Elizabeth Moore, Christie Moore, Willie Jean Patton, Alice Mann, Ora Kate Wisenbaker, Mary Bell Harrell, Edna Ruth McCain, Edith Wilson, Sue Nelle Greenlee, Billye Martin, Rosemary Baker, Suenita Fend, Elizabeth Renfro, Kathleen Campbell, Carolyn Williams, Geraldine Bowen, Sara Mathis, Elizabeth Rhymes, Eleanor Gamble, Dot Dalton, Dollie Gannon, Frances Howell, Mary Frances Patterson, Lucile Hitchcock, Rosalind Taylor.

Some upperclassmen returned to act as hostesses during freshmen week. They entertained the new students on Wednesday night in the gym. Anna Richter, Savannah, Kathryn Wilson, Waycross, Lerah Sutton, Axon and Virginia Giddens, Albany, put on a program of songs and readings.

On Thursday afternoon members of the Y. W. C. A. served punch on Ashley Terrace and Thursday evening held the opening vesper program for the year. Eloise Ogletree of Savannah, president of the "Y" welcomed the freshmen into the organization and Miss Annie P. Hopper, dean of women, extended friendly greetings to the new girls.

The management of the Ritz theater invited the freshmen to be its guests on Friday evening at the showing of "Mary of Scotland."

One of the merriest affairs of the week was the kid party given by the Y. W. C. A. or

Saturday evening in the gym. After much debating the kid prize was awarded to Billy Spivey of Talberton. Margaret Neal of Atlanta was the master of ceremonies and Gerry Butler of Donaldsonville, Nell Polk of Fitzgerald, Marie Potter of Vienna and Beth Spivey of Talberton, Flo Casey of Kingsland, Ruth Elliott of Commerce, Montine Cowart of Waycross, Louise Bell of Arlington, Mildred Henderson of Manor, Ruth Whilsonian of Blackshear, Irwin Smith of Waycross and Mildred Wilson of Waycross, Carolyn Kay of Moultrie, Branch Ellis of Macon and Lota Mayberry of Brunswick displayed a variety of talent in songs and dances.

The Kiwanis and Rotary clubs took the freshmen on a tour of Valdosta on Sunday afternoon. The drive included Twin Lakes and Ocean Pond and other beautiful spots around Valdosta. Jack McMichael of Quitman was guest speaker at vesper on Sunday evening. Mr. McMichael, who is prominent in Y. M. C. A. activities at Emory University, made an inspiring talk on "Things you might miss in college."

Freshmen week was not all song and dancing. The checking of academic standing was an important phase of the week's program. Placement tests in science, mathematics, English and history were given during the week. On Saturday morning the student government examination was administered to freshmen.

Girls winning top places in the freshmen placement tests were:

History: Ora Kate Wisenbaker, Valdosta; Edith Brawner of Greenville and Rosalind Taylor, Valdosta.

English: Rosalind Taylor, of Valdosta, Edith Brawner, Greenville and Linda Wingate, Immokalee, Florida.

Mathematics: Rosalind Taylor, Valdosta; Willie B. O'Hff, Quitman and Montine Cowart, Waycross.

Science: Ora Kate Wisenbaker, Valdosta, Montine Cowart, Waycross and Mildred Wilson, Waycross.

Valdosta girls who made above 95 on their student government examinations are: Sue Nelle Greenlee, Frances Howell and Helen Duncan.

## CAMPUS CANOPY STAFF NAMED

SAVANNAH STUDENTS  
ARE LISTED ON COLLEGE  
PAPER'S AIDES

VALDOSTA, Sept. 25.—The Georgia State Woman's College announces the staff of the Campus Canopy, the college newspaper, has recently been elected. Miss Lorene Johnson of Thomasville was chosen editor and Miss Elizabeth Green of Jacksonville was named business manager. Several Savannah girls are listed on the editorial and advertising staffs. They are: Eloise Ogletree, Priscilla Kelley, June Lawson and Josephine Joubert.

The Glee Club members for this year have been selected and practice has begun. Miss Clara Bancroft, director, announced this week. Miss Edith Bennett of Savannah was chosen a member.

The new amphitheater located in the pines on the south side of the campus is now complete and has been furnished with rustic benches. Opening outdoor exercises will be held shortly. Two additional tennis courts were constructed on the campus during the summer and the college has an application in the WPA office for a swimming pool.

Horseback riding has aroused much enthusiasm among G. S. W. C. students. Riding at the college is under the supervision of the physical education department and since its addition to the program two years ago, it has proved to be one of the most popular attractions on the campus.

Two major social events stand out on the G. S. W. C. calendar for the coming week. On Friday afternoon the churches of Valdosta jointly will entertain the students at a party. On Saturday, October 3rd, at 8:30, the faculty will entertain the entire student body at a reception. Dancing will follow later in the evening.

The clubs and societies on the G. S. W. C. campus are rapidly launching into their programs for the new year. The Glee Club held its first meeting Wednesday night at seven fifteen. Miss Alexa Daley, of Dublin, is president and Miss Laura Mae Shinkel, of Albany, is secretary-treasurer. The club is under the direction of Miss Clara Bancroft. Freshman try-outs were held last Monday and the membership of the club was announced as follows: Misses Annie Laurie Bell, Tifton; Edith Bennett, Savannah; Margaret Carter, Adel; Branch Ellis, Macon; Pardee Greer, Valdosta; Mary Johnson, Macon; Jonelle Marchant, Omega; Sarah Pyle, Valdosta; Camille Rycroft, Adel; Vivian Robinson, Denton; Laura Mae Shinkel, Albany; Evelyn Tomlinson, Stockton; Beverly Dougherty, Valdosta; Helen Fletcher, Hazlehurst; Idelle Lee, Lakeland; Janet Mann, Blakely; Eleanor Morgan, Valdosta; Daisy McNeal, Waycross; Marie Porter, Pinehurst; Juanita Sirmans, Homerville; Kathryn Toole, Valdosta; Margaret Wade, Valdosta; Jerry Butler, Donaldsonville; Virginia Giddens, Albany; Lerah Sutton, Axson; Rosalind Taylor, Valdosta; Mildred Wilson, Waycross; Emily Wooten, Americus; Carolyn Askew, Arlington; Montine Cowart, Waycross; Alexa Daley, Dublin; Louise Stump, Valdosta; Madeline Douglas, Homerville; Sue Nell Greenlee, Valdosta; Leta Griffith, Kinderhook.

On Thursday evening the Y. W. C. A. held an ordination service for freshmen and new students. The students, dressed in white, marched out on the campus and formed a triangle for the impressive candle lighting service. Miss Eloise Ogletree, president, of Savannah, welcomed the freshmen and Miss Branch Ellis of Macon, made the response.

Miss Lillian Bragg of Savannah was elected president of the Sock and Buskin, dramatic club, at a meeting of that organization held Saturday afternoon. Other officers elected were: Miss Ruth Williams, Waycross, Vice President; Anna Richter, Secretary-Treasurer.

The Valdosta Club, which met on Monday, September 28th, elected Miss Ruth Garbutt as secretary. Other officers of the club previously elected are: Miss Martha Jennings, President; Miss Ann Brooke, Vice-President; and Miss Clara Mae Sasser, Treasurer. Members of the club will entertain at a luncheon on October 7th. Invitations will be extended to new girls who will be invited to join the club.

The Junior Class will hold a business meeting on Tuesday evening and the Philharmonic club will hold try-outs on Wednesday for those who wish to play in the college orchestra.

According to an announcement made by school officials Misses Lella Callender and Susie Matthews have been awarded Wymodausis scholarships for this year.

The Wymodausis Club of Valdosta offers each year two scholarships, restricted to junior and senior college students, who are residents of Valdosta, who have made high records in college. The Junior Service League scholarship, which also is restricted to residents of Valdosta, was awarded to Miss Dolly Gannon.

## College Voice Instructor Featured In Program of Jacksonville Musicale

Miss Clara Bancroft, instructor in voice at the Georgia State Woman's College, will be featured in the opening program of the Friday Musicale in Jacksonville on October 2nd. The program is to serve the double purpose of opening the musical season and of commemorating the 50th anniversary of the death of Franz Liszt.

Miss Bancroft, who has studied with the best masters in this country and in Europe, sings with fine diction in four languages, being an authority on French songs and German "Lieder."

In her first group, Miss Bancroft's dramatic contralto will be heard in two Liszt songs: "The French 'Comment disaient-ils'" and the famed German "Oie Lorelei." In her second group Miss Bancroft appears in two numbers widely different but showing to advantage the range, tone, and versatility of her voice: Rachmaninoff's loved "In the Silent Night" and Schubert's "Erlkaenig."

Her accompanist will be Mrs. E. F. Bowles, organist for the First Baptist Church of Jacksonville.

Miss Clara Bancroft, instructor in voice at G. S. W. C. will be featured in the opening program of the Friday Musicale in Jacksonville, Florida on October 2nd. The program is to serve the double purpose of opening the musical season and of commemorating the fiftieth anniversary of the death of Franz Liszt. Miss Bancroft, who has studied with the best masters in this country and in Europe, sings with fine diction in four languages, being an authority on French songs and German "Lieder."

The Georgia State Woman's College is continuing for the third year its "open door policy" for adult members of the community. This unique policy throws open the doors of its classrooms to persons past the usual college age who wish to review or pursue further subjects of special interest. Such students merely audit classes and are not registered for college credit. Officials of the college regard the policy as highly successful. Mothers often en-

ter college with their daughters "just to brush up a little" or to take a special course in political science or literature. Alumnae frequently return to take advantage of recent additions to the college curriculum.

Horseback riding has aroused much enthusiasm among G. S. W. C. students. Riding at the college is under the supervision of the physical education department and since its addition to the program two years ago, has proved to be one of the most popular attractions.

The new amphitheater, located in the pines on the south side of the campus, is now completed and has been furnished with rustic benches to accommodate approximately three hundred persons. Opening out-door exercises will be held shortly.

At the regular Thursday vespers hour, the Y. W. C. A. held an ordination service for freshmen and new students. Miss Eloise Ogletree, president, welcomed the freshmen and Miss Branch Ellis made the response.

Miss Clara Bancroft, instructor in voice at G. S. W. C., was featured in the opening program of the Friday musicale in Jacksonville, on October 2.

The Georgia State Woman's College is continuing for the third year its "open door policy" for adult members of the community. This unique policy opens the classrooms to persons past the usual college age who wish to review or pursue further subjects of special interest. Such students merely audit classes and are not registered for college credit.

Clubs and societies on the G. S. W. C. campus are rapidly launching their program for the year. The Glee Club held its first meeting Wednesday. Miss Alexa Daley is president and Miss Laura Mae Shinkel is secretary-treasurer.

Freshmen try-outs were held recently and the membership of the club was announced as follows: Annie Laurie Bell, Edith Bennett, Margaret Carter, Branch Ellis, Pardee Greer, Mary Johnson, Jonella Marchant, Sarah Pyle, Camille Rycroft, Vivian Robinson, Laura Mae Shinkel, Evelyn Tomlinson, Beverly Dougherty, Helen Fletcher, Idelle Lee, Janet Mann, Eleanor Morgan, Daisy McNeal, Marie Porter, Juanita Sirmans, Kathrum Toole, Margaret Wade, Jerry Butler, Virginia Giddens, Lorah Sutton, Rosalind Taylor, Mildred Wilson, Emily Wooten, Carolyn Askew, Montine Cowart, Alexa Daley, Louise Stump, Madeline Douglas, Sue Nell Greenlee, and Lota Griffith.

Miss Lillian Bragg was elected president of the Sock and Buskin dramatic club, at a meeting of that organization Saturday. Other officers elected were: Miss Ruth Williams, vice president, and Miss Anna Richter, secretary-treasurer.

## Rolling Library for This Section Planned by GSWC; Appeal Is Made

A library on wheels, which when completed, will travel up and down the roads of Lowndes County, has been set in motion by the students of the Georgia State Woman's College. In order that good books and magazines may find their way into the homes of persons who in the past have not had the use of any public library, the students of the college are organizing a miniature library, complete in itself, which will circulate over the county. This traveling library will not stay on the paved routes but will take the small dirt roads that lead to the smaller communities where new books and current periodicals do not often find way.

The college is entirely dependent on gifts of books and magazines to build up the collection. It is planned to include not only the classics but modern novels, with a few current best sellers. Periodicals varying in type from the American Boy to the Virginia Quarterly, and from the Ladies Home Journal to the Readers Digest, will be provided for different tastes and ages.

An earnest appeal is made to

the people of Valdosta to support the plan. Anyone having books or magazines which they are willing to contribute is asked to telephone the college and a representative will be sent to collect them. An especial appeal is being made for children's books and for old magazines which may be clipped for serial stories.

The work involved in collecting the books, putting them in proper condition, labeling and assorting, is being carried out under the supervision of Miss Lillian Patterson of the college library staff with the assistance of students on the National Youth Administration program. The actual cost of transportation will be provided by the Works Progress Adm.

For the time being the service will be confined to Lowndes County but the sponsors hope that public response will make it possible to organize several miniature libraries so that the plan may be extended to communities outside the county which are also without library facilities. With several complete libraries, the units could be rotated among the various places so as to supply new material at regular intervals.

## VALDOSTA SCHOOL ELECTS EDITORS

Miss Lorene Johnson of Thomasville Will Direct Weekly Student Newspaper

VALDOSTA, Sept. 30.—Miss Lorene Johnson of Thomasville has been elected editor of the Campus Canopy, the weekly student newspaper of the Georgia State Woman's College at Valdosta. Miss Elizabeth Green of Jacksonville, Fla., was elected business manager. Other members of the associate staff are: Rosalind Lane, assistant editor, Valdosta; C. J. Morris, news editor, New Rochelle, New York; Catherine Moore, sports editor, Moultrie; Bernice Andrews, feature editor, Thomasville; Martha Guy, exchange editor, Quilman; Carolyn Greene, advertising manager, Columbus; and Frances Hines, circulation manager, Americus. The initial issue of the 1936-37 Canopy will make its appearance the first of October.

At the regular Thursday vesper hour, the Y. W. C. A. held an ordination service for freshmen and new students. The students, dressed in white, marched out on the campus and formed a triangle for the impressive candle lighting service. Miss Eloise Ogletree, president of Savannah, welcomed the freshmen, and Miss Branche Ellis of Macon, made the response.

Miss Clara Brancroft, instructor in voice at G. S. C. W., will be featured in the opening program of the Friday musicale in Jacksonville, Fla. on October 2nd. The program is to serve the double purpose of opening the musical season and of commemorating the 50th anniversary of the death of the composer.

Brancroft, who has studied with the best masters in this country and in Europe, sings with fine diction in four languages, being an authority on French songs and German "Lieder."

The Georgia State Woman's College is continuing for the third year its "open door" policy for adult members of the community. This unique policy throws open the doors of its classrooms to persons past the usual college age who wish to review or pursue further subjects of special interest. Such students merely attend classes and are not registered for college credit. Officials of the college regard the policy as highly successful. Mothers often enter college with their daughters "just to brush up a little" or to take a special course in political science or literature. Alumnae frequently return to take advantage of recent additions to the college curriculum.

Horseback riding has aroused much enthusiasm among G. S. W. C. students. Riding at the college is under the supervision of the physical education department and since its addition to the program two years ago, has proved to be one of the most popular attractions.

The new amphitheater, located in the pines on the south side of the campus, is now completed and has been furnished with rustic benches to accommodate approximately three hundred persons. Opening out-door exercises will be held shortly.

Clubs and societies on the G. S. W. C. campus are rapidly launching into their program for the new year.

The Glee Club held its first meeting on Wednesday night. Miss Alexa Daley, of Dublin, is president and Miss Laura Mae Shinkel, of Albany, is secretary-treasurer. Freshman try-outs were held the Monday previous and the membership of the club was announced as follows: Annie Laurie Bell, Tifton; Edith Bennett, Savannah; Margaret Carter, Adel; Branche Ellis, Macon; Pardee Greer, Valdosta; Mary John, Macon; Jonelle Marchant, Omega; Sarah Pyle, Valdosta; Camille Rycroft, Adel; Vivian Robinson, Denton; Laura Mae Shinkel, Albany; Evelyn Tomlinson, Stockton; Beverly Dougherty, Valdosta; Helen Fletcher, Haslehurst; Idelle Lee, Lakeland; Janet Mann, Blakeley; Eleanor Morgan, Valdosta; Daisy McNeal, Waycross; Marie Porter, Pinehurst; Juanita Sirmans, Homerville; Kathrum Toole, Valdosta; Margaret Wade, Valdosta; Jerry Butler, Donaldsonville; Virginia Giddens, Albany; Lorah Sutton, Axson; Rosalind Taylor, Valdosta; Mildred Wilson, Waycross; Emily Wooten, Americus; Carolyn Askew, Arlington; Montine Cowart, Waycross; Alexa Daley, Dublin; Louise Stump, Valdosta; Madeline Douglas, Homerville; Sue Nell Greenlee, Valdosta; and Lota Griffith, Kenderlou.

Miss Lillian Bragg of Savannah was elected president of the Sock and Buskin dramatic club, at a meeting of that organization on Saturday afternoon. Other officers elected were: Miss Ruth Williams, Waycross, vice president and Miss Ann Richter, Savannah, secretary-treasurer.

**A WORTHWHILE PROJECT**

The announcement that students of the Georgia State Womans College have undertaken the organization of a library on wheels to provide the best in reading to communities in Lowndes county which do not now have the advantages of a library is one which should stir the interest of every lover of good reading in the city. The plan of those sponsoring the movement contemplates the equipment of a complete library unit which will be moved from time to time into the smaller communities of the county, thus offering residents of those communities the best in books and magazines.

An appeal is being made to residents of Valdosta and Lowndes county to contribute books and periodicals to the library. There is no reasonable limit to the number of publications which may be used. Old magazines, historical books, books of travel, current best sellers, books of reference, in fact, any books or magazines which can be spared are desired.

There are numerous centers in Lowndes county, as in other counties, where there are no library facilities. Residents of those centers are denied the advantages which are afforded by good reading. Providing these people with well selected reading matter is a program which may well engage the best efforts of the students of the college.

The development and organization of the library on wheels is to be done by students on the National Youth Administration program and it will be directed by College authorities. A trained librarian will have charge of the work. The cost of the project will be borne by the Works Progress Administration.

Reading is a source of never ending enjoyment and it is one of the essentials toward the development of mind and character. Failure to read the proper books and magazines is to miss many of the finer things of life.

The project is well worth while. The College authorities are to be commended for undertaking such a program. Without the full cooperation of the public it will not be possible to make the project successful.

Residents of this community who have publications which can be spared are urged to communicate with the College authorities at once, so the material may be gathered and put in shape for use in the rolling library.

(Special to Waycross Journal-Herald)

Miss Mary Askew of Arlington and Miss Martha Jennings of Valdosta have been elected by the student body to serve on the Honor Council of the Georgia State Woman's College. Both Miss Jennings and Miss Askew are prominent in campus activities at the Valdosta college. The Council, a part of the student government association, is composed of three faculty members, the president of the student government organization, the president of the Y.W.C.A. and two representatives elected by the entire student body.

A WPA project for a \$14,000 swimming pool on the campus of the college has received the approval of President Roosevelt. Under the terms of the application, the government will provide \$7,474 of the amount needed and the college will provide \$6,472.48. Work is expected to start in December so that the pool will be ready for use in the spring.

Ending a three day continuation of Sock and Buskin dramatic club try-outs, the judges selected seventeen new members from a group of twenty candidates. College Y.W.C.A. and Miss Ethel Stallings of Newnan, vice president, will attend the meeting.

Miss Frederica Lambert of Fort Valley, was elected secretary and Miss Marian Johnson of Southern Pines, N. C., treasurer of the sophomore class at the class meeting last week. Miss C. J. Morris of Mount Vernon, New York is president.

G.S.W.C. students had an opportunity to see themselves in the movies this week. The college last summer purchased a talking picture machine to use in illustrating classroom lectures. One of the professors made shots of some of the student activities and campus scenes and the reel was shown to the students one evening at an assembly.

**JUNIOR COLLEGE  
CAST IS NAMED**

Cast for Play To Be Presented by Emory Junior College Is Named Today; Much Interest in

**SCHOOL'S DRAMA**

Dr. Richard Sanders, faculty director of the Emory Junior Dramatic Club, announced yesterday the cast and production staff for "A Scrap of Paper," a comedy in three acts, which the club, assisted by students from G. S. W. C., will produce Friday, November 6, as their annual production. Rehearsals are already well under way and early indications seem to indicate that the play will be one of the best performances ever given on a local stage. The following cast boasts of the best talent that our two colleges have produced and should insure a highly interesting and well-acted production:

Suzanne de Ruseville, Ethel Stallings; Louise de la Glaciere, Theresa Graham; Mathilde, Beverly Dougherty; Mademoiselle Zenobie, Anna Richter; Pauline Catherine Wilson; Madame Dufont, Lyburn Warren; Prosper Cornamont, McIntosh Burns; Baron de la Glaciere, Albert Hall; Brise-mouche, Odie Kendrick; Anatole, Clarence Glausier; Baptiste, Charles Stebbins; Francois, Hugh Richards; Stage Manager, George Jennings; House Manager, Neal Scott; Director, Dr. Richard Sanders.

**Emory Dramatic Club Selects A Play For Acting**

The Dramatic Club of Emory Junior College has chosen for its annual fall production "A Scrap of Paper," a comedy in three acts adapted by Faigra Simpson from the famous French play "Les Pattes de Mouche," by Sardou. This play has been a favorite on the French, English and American stages for over seventy years. It cleverly applies for the purposes of comedy the idea which Moliere uses for the purpose of tragedy in his well known short story, "A Piece of String."

Since several students who performed in "The Rivals" and "Bumblepuppy," plays which met with a favorable reception last year, have returned this year and will act in "A Scrap of Paper," members of the club hope to repeat the success of those plays. Among these students are Charles Stebbins and Mac Burns. Feminine roles will be played by students from the Womans College.

Rehearsals have already begun. The play will be given on the evening of Friday, November 6.

New Orleans will be visited by the G. S. W. C. seniors in the spring of the year. The annual senior trip is an event for which classes begin planning and raising money their freshmen year. The class of '36 voted last Friday in favor of the Creole city. A script tea dance will be given on Friday afternoon at the Legion Home, the proceeds to be added to the balance already in the treasury. Miss Mary Hargraves of Thomasville was elected secretary and treasurer of the class at the meeting.

The following girls have been elected to membership in the Fine Arts Club: Misses Dorothy May Wilson, Sue Coppage, Rosalind Lane, Ruth Garbutt, Frances Bingham, Doris Harper, Caroline Williams, Eloise Lineberger, Gordon Willford and Elizabeth Wade all of Valdosta; Edith Brawner of Greenville and Emily Wooten of Americus.

Freshmen are being initiated into the proper use of library facilities through a short course in library science. Since the continuous and efficient use of the library is a necessary part of every student's intellectual development, students are taught how to approach the enormous amount of printed material concerning all phases of human knowledge. The course is designed to teach them what the resources of the library are such as authoritative reference materials, materials for cultural advancement and for leisure time; to teach them to find this material through the card catalog, Readers' Guide and other special books; and to teach them how to use the material found in preparing daily lessons with as much speed and ease as possible.

Campus beautification was selected by the Math-Science class as their major project for the year 1936-37. Miss Elizabeth Green of Jacksonville, Florida is president of the club, Miss Mary Hudson of Whigham was elected secretary-treasurer. The club last year gave a sum of money to the college for this purpose.

The Y. W. C. A. and the dormitory girls have contributed funds to furnish a recreation room in Converse Hall, the freshmen dormitory. The room will be attractively painted and furnished with game tables and magazines. Miss Matilda Callaway, home economics teacher, will direct the decoration of the room. One corner of the room will contain a kitchen unit where girls may make candy, toast sandwiches or make cocoa.

For their trip to New Orleans in the spring. The annual senior Julia Casey, Dorothy Clark, Mary Hargrave, Marion Johnson, Bessie Lewis, Tracy Long and Catherine Wilson.

Speaking to the students at the Wednesday assembly hour, Dean W. B. Stubbs, of Emory Junior College, called attention to the four hundredth anniversary this week of the burning at the stake of William Tindall, English translator of the Bible.

**Valdosta College Project Approved**

VALDOSTA, Ga., Oct. 12—W. M. Kaylor, WPA administrator with headquarters in this city, announced President Roosevelt's approval of the swimming pool to be built on the campus of the Georgia State Woman's college at Valdosta.

The pool is to cost \$14,000 of which amount the college authorities will provide \$6,472 for materials and WPA \$7,474. The pool will be built outdoors on the campus, of concrete material, 75 feet in length and 24 feet in width. It is understood that construction work will start early in December to be completed for use early in the spring months.

At the present time a new combination dormitory and auditorium is under construction at the college, its contract price being \$60,000.

HONORS FOR TRIO SAVANNAH GIRLS

TO APPEAR IN WHO'S WHO AMONG STUDENTS AMERICAN UNIVERSITIES

VALDOSTA, Oct. 29.—Announcement is made of the selection of three Savannah girls as the most outstanding students on the campus of the Georgia State Woman's College. Miss Priscilla Kelly, Miss Emma Ambos and Miss Eloise Ogletree have been selected for this signal honor. This means their names will be included in the 1936-37 edition of Who's Who Among Students in American Universities and Colleges, a publication which includes some 1,300 names and is representative of 300 colleges and universities.

Miss Kelley is president of the senior class; Miss Ambos is president of the student organization and Miss Ogletree is president of the Y. W. C. A. All three students have been prominent in campus activities since their freshmen year.

Miss Kelley and Miss Ogletree are leaving tomorrow to visit their parents in Savannah over the week-end. Miss Anna Richter another student, is also to be at home for this week-end. Miss Richter was one of the students participating in a little skit at the annual meeting of the Valdosta Chamber of Commerce. It was very cleverly presented. The Savannah student appeared as "Miss Albany."

G.S.C.W. Host To District Educators

VALDOSTA, Ga.—Students of the Georgia State Woman's College have come to the aid—or further confusion—of Davis B. Selznick in the all-important matter of selecting a cast for Margaret Mitchell's "Gone With the Wind," adding their suggestions to the numerous opinions already voiced. The problem of a cast for this sensational best-seller has aroused considerable interest among students. For Melanie, either Heather Angle, Elizabeth Allen or Janet Gaynor were conceded as perfect to play opposite Franchot Tone or Leslie Howard as Ashley Wilkes, the husband.

Other stars voted for leading roles were: Frank Morgan for Frank Kennedy, Scarlett's second husband; Walter O'Connell, as Gerald O'Hara, her father, and Irene Dunn as Ellen, her mother. Mary Boland or Billie Burke were chosen for Aunt Pitty Pat, the twittering elderly aunt, and Louise Beavers, as Mammy, the old negro nurse.

Honor Council Selects Two At G.S.W.C.

VALDOSTA, Ga.—Mary Askew and Martha Jennings have been elected by the student body to serve on the Honor Council of the Georgia State Woman's College.

Honor Council Members Are Elected at G.S.W.C.

Swimming Pool Assured for Valdosta College; Former Student Makes Good

VALDOSTA, Ga., Oct. 17.—Miss Mary Askew of Arlington and Miss Martha Jennings of Valdosta have been elected by the student body to serve on the honor council of the Georgia State Woman's College. Both Miss Jennings and Miss Askew are prominent in campus activities at the Valdosta college. The council, a part of the student government association, is composed of three faculty members, the president of the student government organization, the president of the Y. W. C. A. and two representatives elected by the entire student body.

A WPA project for a 14,000 swimming pool on the campus of the college has received the approval of President Roosevelt. Under the terms of the application, the government will provide \$7,474 of the amount needed and the college will provide \$6,472.48. Work is expected to start in December so that the pool will be ready for use in the spring.

Ending a three-day continuation of Sock and Buskin Dramatic club try-outs, the judges selected 17 new members from a group of some 50 applicants. Bids were extended to the following: Misses Maudelle Wilson, Cordele; Ernestine Isbell, Valdosta; Neil Zipperer, Valdosta; Doris Harper, Valdosta; Mildred Wilson, Waycross; Marian Johnson, Southern Pines, N. C.; Emily Wooten, Americus; Martha Jennings,

Valdosta; Carolyn Kay, Moultrie; Ruth Elliot, Commerce; Louise Bell, Palatka, Fla.; Mary Johnson, Macon; Ruth Whisonant, Blackshear; Rosamond Dowling, Jesup; Eileen Hyland, Mount Vernon, N. Y.; Beverly Dougherty, Valdosta; Lylburn Warren, Waycross.

G. S. C. W. girls will play the forthcoming Emory Junior College production, A Scrap of Paper. Taking part in this annual fall event are: Misses Anna Richter, Savannah; Catherine Wilson, Waycross; Ethel Stallings, Newnan; Theresa Graham, Jesup; Lylburn Warren, Waycross; Beverly Dougherty, Valdosta.

Miss Leonora DuFour of Albany, who last year was graduated from G. S. W. C., is now writing a column for the Cincinnati Daily News. She will become a regular reporter on that paper by the first of the year. The name of the column is Midstream and she is given a by-line.

Miss Fredrica Lambert of Fort Valley, was elected secretary and Miss Marian Johnson of Southern Pines, N. C., treasurer of the sophomore class at the class meeting last week. Miss C. J. Morris of Mount Vernon, New York, is president.

G. S. C. W. students had an opportunity to see themselves in the movies this week. The college last summer purchased a talking picture machine to use in illustrating classroom lectures. One of the professors made shots of some of the student activities and campus scenes and the reel was shown to the students one evening at an assembly.

Home-going week-end for the students of the Georgia State Womans College was the high light of the calendar for the past week. All classes for Saturday were suspended and the majority of students left on Friday afternoon for their first visit home since the opening of school in September. Regular classes were resumed on Monday morning.

About fifty girls remained in the dormitories to enjoy a round of activities on the campus during the week-end. Saturday night supper was served around the fire place in the woods on the north side of the campus and later in the evening the girls were guests of the junior class at a dance in the gymnasium, for which occasion a number of young men from town were invited also. The amphitheater in the pines was the scene of a beautiful worship service Sunday morning at seven thirty. Miss Priscilla Kelly of Savannah led the services and Miss Myrtle Parker of Ludowici played the violin. On Sunday afternoon tea was served in the rotunda of Ashley Hall from four to five thirty.

Miss Martha Jennings of Valdosta and Miss Mary Askew of Arlingham were selected by the students to represent the State at the National Conference on the Education of Women to be held in New Orleans in the spring.

The merchants of Valdosta donated prizes to be given away.

## Sanford Describes Studies Carried Out By University System To Promote Georgia

Chancellor in Valdosta Address Calls Attention to New Fields.

(Special to Journal-Herald)  
Speaking last evening to a group of one hundred and fifty prominent citizens of Valdosta and this section, gathered at a dinner in his honor, Chancellor S. V. Sanford, head of the University System, described studies being carried out by experts in the University System to promote the agricultural and industrial development of Georgia.

**New Responsibilities**  
Declaring state supported institutions of higher education had come to a new realization of their responsibility, he said, "We no longer believe that we should concern ourselves merely with the training of the minds and the characters of the young people who come within the walls of our buildings. The University System is making its contribution to the development of the agricultural and industrial resources of Georgia."

Chancellor Sanford was the guest of the Rotary and Kiwanis clubs and the Junior Chamber of Commerce. In addition to the membership of the three civic organizations in the promotion of live stock industry in that section. When this grass is discovered, untold wealth will be brought to South Georgia.

Other studies under way have to do with the better use of naval products, the use of pine pulp as developed by Dr. Herty for rayon for making socks and cloth, and

the raising of mules in the territory in which they are needed. Another study concerns the possibility of marketing a peanut meal, exceedingly high in food value. Since Georgia raises one-third of the peanuts used in the United States, this product alone offers a wonderful opportunity for development.

During the morning the Chancellor visited the Georgia State Woman's College where he spoke to the faculty and student body and inspected the new \$60,000 dormitory which is nearing completion. After the civic dinner he was the guest of the Wymodausis Club.

## SANFORD SPEAKER AT MEETING HERE

Chancellor of University System Will Be Speaker At Meeting of Three Active Valdosta Clubs

HERE TONIGHT

Members of three prominent and active Valdosta organizations were to gather in the Daniel Ashley hotel dining room tonight to hear Dr. S. V. Sanford, chancellor of the University System, and prominent southern educator discuss the work of the system in the state's program of education.

The chancellor was invited here to speak to the gathering by the Junior Chamber of Commerce, the Rotary Club and the Kiwanis Club.

The meeting will be in the form of an informal dinner, beginning at 7:30 and a full representation of the memberships of the three organizations is expected to hear the address of the chancellor.

Dr. Sanford is recognized over the south as one of the leading educators in his field, and his work, as chancellor of the University System, has brought wide commendation upon the program of advanced education, he has outlined under the state University System.

This morning, he talked at the chapel exercises of the Georgia State Woman's College, a branch of the University System located in this city.

Dr. Frank Reade, president of the college here, has urged the members of the three organizations sponsoring the talk of the chancellor to hear his address tonight.

## Grass Experiments Told By Sanford in Lowndes

Variety Similar to That of Western Plains Sought by University Scientists

VALDOSTA, Ga., Nov. 10 (AP)—A grass with the same cattle fattening food value as western plains grass is now the goal of scientists in experiment stations of the University System of Georgia, Chancellor S. V. Sanford said tonight.

Addressing a joint meeting of civic and professional organizations, Dr. Sanford said the grass is to be planted on the deforested lands of South Georgia with the idea of promoting the livestock industry in this section of the state.

"When this grass is discovered, untold wealth will be brought to South Georgia by this industry," Chancellor Sanford said.

He outlined the formation and operation of the board of regents of the University System and the future educational program contemplated for its development.

Homer Eberhardt, president of the Junior Chamber of Commerce, presided over the meeting. Chancellor Sanford was introduced by Judge Frank McCrackin, a former trustee of the Georgia State Woman's College here.

The Rotary and Kiwanis clubs, the Junior Chamber of Commerce and the Lowndes County Medical society were represented at the meeting. Among invited guests were Dr. Frank Reade, president of the Woman's College; Representatives Theo Coleman and J. T. House, of Lowndes county; Fred Hand, of Mitchell county; State Senators L. L. Easten, of Lanier county, and Jack Williams, of Ware county, and Harold Saxon, of Quitman, president of the Georgia Educational Association.

## VALDOSTA HEARS DR. S. V. SANFORD

Deliver Scholarly Address On Education Needs

BEFORE JOINT MEETING

University Head Pleads For a Better Deal

VALDOSTA, Ga., Nov. 10.—Dr. S. V. Sanford, chancellor of the University of Georgia system, tonight addressed a joint meeting of Junior Chamber of Commerce, Kiwanis, Rotary and South Georgia Medical Association at a dinner meeting in the main dining hall of Hotel Daniel Ashley.

Dr. Sanford's subject was "The Objective of the University System." He pointed out in his discourse what is being done by the system to meet the demands of "the dawn of a new civilization under the New Deal." It was the second address by Dr. Sanford for the day. The first being delivered to the students of the Georgia State Woman's College in the morning, and tonight's address was followed by a third address made before the Wymodausis Club at the Woman's building.

The joint meeting was presided over by Homer Eberhardt, president of the Jaycees and the invocation was given by Rev. Charles M. Meeks, of First Methodist Church. Dr. Sanford was presented by Judge J. P. McCracken, who paid a glowing tribute to him and his work as the head of the university system. Following a salvo of witty anecdotes for which he is famous, Dr. Sanford entered into a serious presentation of what is demanded of education to allow to remain the same means in the year. The chancellor said he did not mean that children should go to school the year round, but that every school in the state should operate in summer especially to teach adults along vocational lines, as teachers are now taught at summer sessions by the colleges.

The scholarly address by Chancellor Sanford made a deep impression upon the large assemblage of business and professional men and gave them a more comprehensive vision of the possibilities of developing the productive capacity of the state's citizenry. The visit of Dr. Sanford and his address here tonight is in line with similar meetings and address being staged at the various places in the state where units of the university system are located, with a view of better acquainting the people with the plans of the board of regents for a greater service to the state.

## Grass Experiments Told By Sanford in Lowndes

Variety Similar to That of Western Plains Sought by University Scientists

VALDOSTA, Ga., Nov. 10 (AP)—A grass with the same cattle fattening food value as western plains grass is now the goal of scientists in experiment stations of the University System of Georgia, Chancellor S. V. Sanford said tonight.

Addressing a joint meeting of civic and professional organizations, Dr. Sanford said the grass is to be planted on the deforested lands of South Georgia with the idea of promoting the livestock industry in this section of the state.

"When this grass is discovered, untold wealth will be brought to South Georgia by this industry," Chancellor Sanford said.

He outlined the formation and operation of the board of regents of the University System and the future educational program contemplated for its development.

## VALDOSTA HEARS DR. S. V. SANFORD

Deliver Scholarly Address  
On Education Needs

BEFORE JOINT MEETING

University Head Pleads For  
a Better Deal

VALDOSTA, Ga., Nov. 10.—Dr. S. V. Sanford, chancellor of the University of Georgia system, tonight addressed a joint meeting of Junior Chamber of Commerce, Kiwanis, Rotary and South Georgia Medical Association at a dinner meeting in the main dining hall of Hotel Daniel Ashley.

Dr. Sanford's subject was "The Objective of the University System," he pointed out in his discourse what is being done by the system to meet the demands of "the dawn of a new civilization under the New Deal." It was the second address by Dr. Sanford for the day. The joint meeting was presided over by Homer Eberhardt, president of the Jaycees and the invocation was given by Rev. Charles M. Meeks, of First Methodist Church. Dr. Sanford was presented by Judge J. F. McCrackin, who paid a glowing tribute to him and his work as the head of the university system. Following a salvo of witty anecdotes for which he is famous, Dr. Sanford entered into a serious presentation of what is demanded of education today, and he recited pointedly the plan of the board of regents in systematizing the state's educational work so that there is no duplication at any of the units. Dr. Sanford declared that today there is no longer a dividing line between the leader and the led because of this there is the need for intelligent co-operation in every community. He warned his hearers that while there is no danger of Communism in the United States as long as there are real Americans, the larger cities are teeming with the germs of it. The New Deal, he said, is here to stay as a peaceful force or as bloody revolution, but that the revolution can be avoided by stressing spiritual values through education. Dr. Sanford said that Georgia will not be gripped by the influence of Carl Marx if four powerful forces are combined. These he said are the church, educational institutions, the American Legion and the great minds of its business leaders.

To meet present day demands, Dr. Sanford said Georgia's educational systems must devote its attention to increasing the productive capacity of the attention to increasing the productive capacity of the state, especially in agriculture and live stock. He pointed out the possibilities of increasing the use of the state's peanut crop, its naval stores, the use of pine pulp for making rayon, and developing permanent pastures for live stock. He stated the university system is now employing its best experts in research along these lines. To better accomplish development through education Dr. Sanford stressed the idea of utilizing Georgia's billion dollar school investment twelve months in the year instead of nine months. He declared that no other billion dollar investment was allowed to remain idle three months in the year. The chancellor said he did not mean that children should go to school the year round, but that every school in the state should operate in summer especially to teach adults along vocational lines, as teachers are now taught at summer sessions by the colleges.

The scholarly address by Chancellor Sanford made a deep impression upon the large assemblage of business and professional men and gave them a more comprehensive vision of the possibilities of developing the productive capacity of the state's citizenry. The visit of Dr. Sanford and his address here tonight is in line with similar meetings and address being staged at the various places in the state where units of the university system are located, with a view of better acquainting the people with the plans of the board of regents for a greater service to the state.

## Sanford Discusses University And Work of System at Meeting

Declaring the system of public education, such as adopted, sponsored, and forwarded by the University System of the state is a bulwark for Americanism, against the other 'isms' of the world, and that modern education should be education of vision, instead of education based on tradition, Dr. S. V. Sanford, Chancellor of the University System of the State, delivered an impressive talk before a gathering of approximately two hundred Valdosta, Lowndes county and South Georgia citizens last night.

The Chancellor spoke to a joint gathering of the Kiwanis and Rotary clubs. The Junior Chamber of Commerce, and the South Georgia Medical Association in the ballroom of the Daniel Ashley hotel.

His talk was impressive, and delivered deliberately, and with emphasis on the work of the University of the state. He traced the development of the system, which he declared is the "Father of the American system of state universities, now adopted by every state in the union."

Dr. Sanford was introduced to the gathering by Judge J. F. McCrackin. The meeting was presided over by Homer C. Eberhardt, president of the Junior Chamber of Commerce. A number of guests from out of the city, including editor and senator-elect Jack Williams of Waycross; J. Harold Saxon, president of the Georgia Education Association and superintendent of the Quitman school, W. J. Cooley, Brooks county school superintendent; Zeno Barfield, Habira, a member of the Lowndes county board of commissioners, and many others.

Sweeping into his talk, with a discussion of the problems that confront the youth and people of this nation today, Dr. Sanford declared that education is a bulwark against 'isms' that are not American in principle or practice.

He discussed the problems that have confronted him since he was named chancellor of the system, and declared that he is not going to sit by and fail to work for further development of the system, and every unit in the system.

In discussing the work of the University System, he declared "every unit of the University System of Georgia, at the present time has its own objectives and aims, to avoid duplication and waste." He is deeply influenced by these books, and especially as "Das Kapital" made itself felt over the world. Today there are millions swayed by its teachings, who cannot understand or read a single paragraph or sentence in the entire book," he said.

"Today, history registers a curve towards to influence the world and its thinking people."

"In 1932, the United States stood at the cross roads of depression and despair. Bankruptcy threatened the entire nation. There were four roads open for the United States. These were problems that were facing other nations. There was the way of Communism, Fascism, the laissez-faire, or hands-off policy, and the New Deal. I do not speak of the New Deal as a political trend, but as a move of greater scope, and the United States, in the election of 1932 rejected all the rest and took the New Deal route out of the di-

lemma.  
"The New Deal was not an effort to patch up the depression, but rather a movement to entirely rebuild society.

"The foundation of the New Deal is laid in peace. It recognizes progress, and encourages it," Dr. Sanford said.

"With the New Deal there is now the dawn of a nobler and greater civilization. Many devices must be tried to meet the problems facing us, and these problems should be a challenge to us instead of baffling us," he declared.

Dr. Sanford then discussed the University System, declaring that the state of Georgia founded a state university soon after the roar of the cannons of the Revolution had died away, and blazed a pioneer path for American state universities.

In discussing the charter of the University System, which was written by Abraham Baldwin, Dr. Sanford declared that the new system of education, now being followed by the university all was included in the charter, but "we just didn't read it until 1929."

He declared that all units of the state university system at the present time are accredited. All are doing a creditable work, and all are functioning perfectly.

"There is no question but that our university system is becoming a house of visions, a house of learning and teaching, a house of the new and modern education. We are proud of the university system of the state of Georgia, we are proud of the worthwhile work it is doing in the state, and we are delighted with the strides we are making in public education—and with that, there is no danger of Communism, Fascism, and the other 'un-American' isms ever gaining a foothold in America today," he declared, in conclusion.

A delicious dinner was served to the gathering.

## VALDOSTA COLLEGE GIRLS GIVE PROGRAM

### Armstrong Girls Present Dance Numbers

A varied and unusual program was presented at an assembly held yesterday morning at 11:30 o'clock at the Armstrong Junior College. The major part of the forty-five-minute program was presented by a deputation team of the Y. W. C. A. of the Womans College at Valdosta. Other features included several dances by members of the student body of the local institution.

Miss Anna Richter was chairman of the team which was composed of four girls from Savannah. Miss Eloise Ogletree, president of the Y. M. C. A., was the principal speaker using as her topic the duties of a college student in the community and how the college prepares him to assume these duties. Miss Edith Bennett sang Beethoven's "Come to Me," accompanied at the piano by Miss Virginia Zipples. An invitation was extended to the local students to send a similar group to the Valdosta college.

Dances were presented by Miss Virginia Quinan, who did a Grecian dance; Miss Jane Chapman, who did a soft shoe dance, and Misses Bettie Williams and Frances Coats, who together presented a Spanish dance. Music for these dances was furnished by Bill Bond on his accordion. The dances as well as several other women students left yesterday afternoon for Athens, where they will participate in a sport day program at the University of Georgia, to which all the colleges of the state have been invited. Others making the trip were Miss Pauline Cargill and Miss Janet Rushing, who will participate in tennis matches. The group was accompanied by Miss Frances Ennis and Miss Margaret Portson, instructors at the college.

Declaring the system of public education, such as adopted, sponsored, and forwarded by the University System of the state is a bulwark for Americanism, against the other 'isms' of the world, and that modern education should be education of vision, instead of education based on tradition, Dr. S. The Chancellor spoke to a joint gathering of the Kiwanis and Rotary clubs. The Junior Chamber of Commerce, and the South Georgia Medical Association in the ballroom of the Daniel Ashley hotel.

His talk was impressive, and delivered deliberately, and with emphasis on the work of the University of the state. He traced the development of the system, which he declared is the "Father of the American system of state universities, now adopted by every state in the union."

Dr. Sanford was introduced to the gathering by Judge J. F. McCrackin. The meeting was presided over by Homer C. Eberhardt, president of the Junior Chamber of Commerce. Sweeping into his talk, with a discussion of the problems that confront the youth and people of this nation today, Dr. Sanford declared that education is a bulwark against 'isms' that are not American in principle or practice.

He discussed the problems that have confronted him since he was named chancellor of the system, and declared that he is not going to sit by and fail to work for further development of the system, and every unit in the system.

In discussing the work of the University System, he declared "every unit of the University System of Georgia, at the present time has its own objectives and aims, to avoid duplication and waste."

The units do not serve any special section of the state, but rather the entire state, he declared.

"This world today," he said, "is thinking. There is now no line between the leader and the led. Those who have 'assumed' the role of leadership must do the thinking to save the nation."

In speaking of the problems of the nation, Dr. Sanford read a quotation which he said might have been delivered by any reactionary during the recent campaign, setting forth the financial problems of the nation, but he declared it was written one hundred years ago by Ralph Waldo Emerson. "I read this," he declared, "to prove to you there is nothing new under the sun."

"There is no cause for us to be despondent and discouraged over a few little expenditures."

Dr. Sanford declared the world today is entering a new era in history—one he declared is called the modernistic era, which began at the beginning of the 20th century.

He declared that three books are now having a marked and important influence upon the world. These books, he said, are the Bible, Darwin's "Origin of the Species," which gave the world the theory of evolution and Carl Marx, "Das Kapital," that brought the revolution against capital to the world.

"Trends in thinking, education, religion and government all are deeply influenced by these books, and especially as 'Das Kapital' made itself felt over the world. Today there are millions swayed by its teachings, who cannot understand or read a single paragraph or sentence in the entire book," he said.

"Today, history registers a curve towards to influence the world and its thinking people."
