HEAD COACH

JAMES DOMINEY

This is year 17 for James Dominey in his role as head basketball coach at Valdosta State College, and while every year has been different this one has the preseason earmarks of being unlike any of the other 16.

Dominey and his staff are faced with a gigantic rebuilding job this season as only one player from last year's 16-10 club returns. The top seven scorers and rebounders from that team are gone. Only sophomore guard Mike Oxford, who played sparingly last season and averaged 3.4 points a game, is back.

Last year's recruiting season was obviously crucial, and Dominey believes he signed some solid players with which to rebuild. But he stresses the Blazers will be rebuilding, not reloading.

"Because we are losing so many veteran players, we recruited primarily in the junior college ranks," Dominey said. "We had to get that college experience in order to have a chance. But when you go with players from a lot of different junior colleges, it can take a while for them to begin playing together. It will take a lot of hard work on everyone's part."

Dominey learned early as a player that there are no shortcuts to success. He was an outstanding prep player at Vienna High School where he was team captain his senior season in 1962, averaging 28 points a game and earning a scholarship to Norman Park Junior College.

He enjoyed two productive seasons on the junior college level and went on to Oglethorpe University where he started for two years for the nationally-ranked Stormy Petrels.

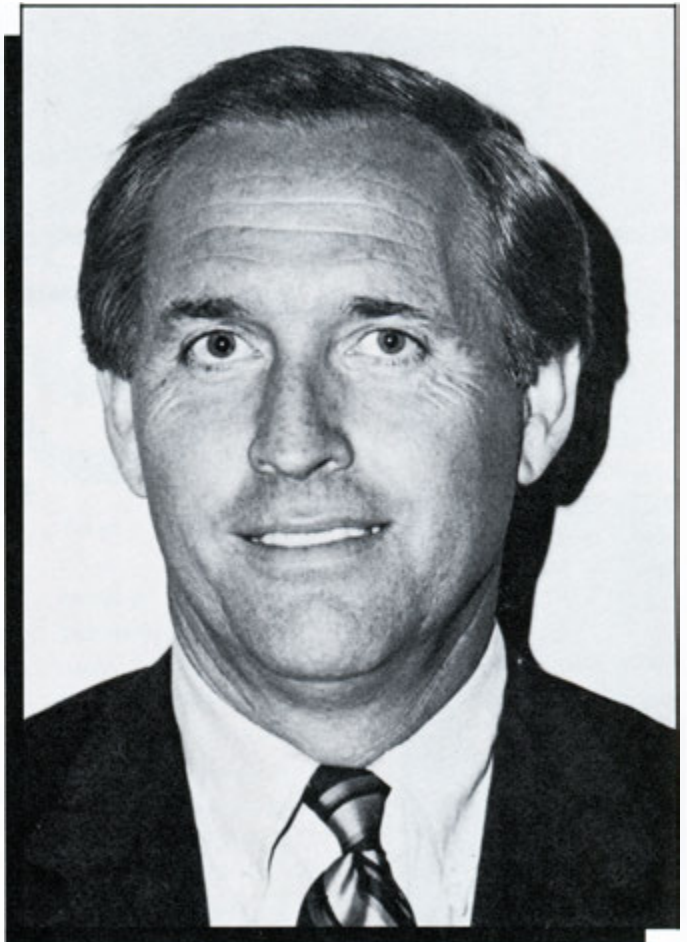

After graduating from Oglethorpe, he took a graduate assistantship at Middle Tennessee State University where he earned the master of education degree in 1967. One year of high school coaching preceded his joining the Valdosta State staff in 1968 as an assistant. Three years later he became the school's fourth head coach.

In the 16 seasons which have rolled by since then, Dominey and the Blazers have had many more good times than bad. There have been only two losing seasons. Four Dominey-coached teams won the old South Atlantic Conference title. His 16-year record stands at 260-170, a winning percentage of .605 and an average of more than 16 wins a year.

Improving that winning percentage will be tough. In addition to the 16 conference games, the Blazers play Division I Georgia on the road and talented intrastate Division II schools Columbus and Albany State. There are no breathers.

"The Gulf South Conference is as tough a Division II league as there is in the country," he said. "We have 16 of our 27 regular season games against teams in our conference. The league has great balance from top to bottom. Everybody is tough at home, and the teams which are successful are the ones who can win on the road.

"We won't be treated with much respect until we can prove something to the other teams in our league. I hope by the time January rolls around, we'll be ready to be competitive against a very tough conference schedule."

ASSISTANT COACH RICK STUKES

Rick Stukes is beginning his second season as the top assistant coach at Valdosta State, and the 32-year-old Decatur, Alabama native has already made a positive impact on the Blazer program.

He was head coach James Dominey's first choice when the assistant's job came open in the spring of 1986, and Stukes put his recruiting talents to work last spring, bringing in a solid group of players for the 1987-88 season.

"Rick's primary responsibility will continue to be recruiting," Dominey said. "Recruiting requires a great deal of time. Rick has the reputation of doing a thorough job of evaluating talent and spending the time and energy necessary to get the job done."

As a player, Stukes was a member of two state playoff squads at Alabama Christian Junior Col-

lege and was a guard on the 1977 and 1978 teams at Auburn University at Montgomery, where he received a degree in physical education.

He was on high school staffs at Central of Montgomery and T. R. Miller in Brewton, Ala., before going to North Alabama to work on his master's degree, which he earned in 1981. He was the top assistant at Columbus for two seasons before going to Louisiana State as a physical education instructor in 1984. Last season he was an assistant coach at Georgia Southern.

"Rick is an experienced recruiter who has been involved with recruiting on the Division I and II levels," Dominey said. "He is also a very likeable individual, who has impressed the players and our fans. I'm very happy to have him as my top aide."

Stukes is single.

1988 OUTLOOK

Coach James Dominey begins his 17th season at Valdosta State in a position in which he has never been. After last year's 16-10 finish, the Blazers return only one letterman for the new year.

Gone are two all conference players and the entire starting lineup from a year ago when the Blazers finished in a third place tie in the Gulf South Conference race.

Dominey places great importance on the 1987 portion of the VSC schedule when the Blazers play 10 of the 27 regular season games. Valdosta State picked up five junior college transfers and recruited three freshmen to join lone returnee Mike Oxford. Oxford played in all 26 games as a freshman, averaging 3.4 points.

Michael Phillips, a 6-2 guard from Groveland, Fla., heads the list of JC recruits. He averaged 20 points a game for Lake Sumter Community College and was an all-Suncoast selection. He demonstrated outstanding leadership ability in the preseason and was a unanimous choice to captain this year's club.

Likely to join Phillips in the starting backcourt will be 6-0 point guard Lavell Garror from Mobile, who directed South Plains (Texas) Junior College to a 25-6 season last year. Garror is expected to provide solid play at the trigger position which has been a weak link on recent Valdosta State teams.

Other JC transfers are 6-5 forward Tony Bates, who averaged 10 points and 7 rebounds for Daytona Beach Community College, 6-4 forward Ron Courtley, who averaged 16 points for Macomb (Michigan) Community College, and 6-7 center Chris Johnson, who averaged 10 points and 10 rebounds for Brevard Community College.

James McRae, who played for Brunswick Junior College two years ago, has played tight end on the Blazer football team the last two years and will join the basketball squad at the end of the grid season. McRae is a 6-3 power forward who averaged 11 points a game at Brunswick in his sophomore season.

Two of the freshmen, 6-4 swing player Ronnie Gaines and 6-7 forward Daryl Green, led Bainbridge High School to a 25-2 record last season. Gaines averaged 17 points and 11 rebound while Green scored 14 points and pulled down 12 rebounds a game. The other rookie signee is 6-1 guard Lloyd Clarke, who averaged 16 points for Gainesville (Florida) Eastside High School.

Walkon freshman Travis Mackey, a 6-5 center, rounds out the Blazer roster.

"With so many newcomers it is important that we find the right combination as soon as possible," Dominey said. "That's why the early part of our schedule is so important. We've got to find out who we can count on before we begin conference play in January."

The Blazers will play in four tournaments before the new year, including their own invitational in early December. The

schedule includes a trip to Athens to play Georgia. The conference slate begins at home on January 2 against last year's conference champion and national semifinalist Delta State.

Dominey thinks the conference will be tougher top to bottom than ever.

"The league appears to be extremely balanced this year," he said. "I think as many as seven teams have a legitimate shot at the title. Because we have only one letterman returning I expect we will be put in the role of spoiler, but we aren't approaching the conference schedule that way. All I know is, we'll all be 0-0 on January 2 when the league race begins."

THE PLAYERS

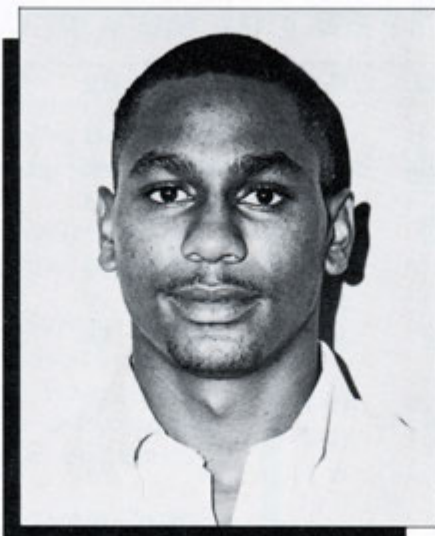

MICHAEL PHILLIPS 11

CLASS Junior
 HEIGHT 6-2
 WEIGHT 175
 POSITION Guard
 HOMETOWN Groveland, Fla.

One of the top recruits for the 1987-88 season ... comes in with impressive stats from junior college years at Lake Sumter Community College ... averaged 20 points a game last season, shooting 51 percent from the field and 72 percent from the line ... a solid all-around player with outstanding quickness ... team player who averaged over five assists a game last year ... has displayed outstanding leadership ability in preseason and was elected a team captain ... a definite key to this year's team.

Dominey's Comments

"Michael has great athletic ability, and I think he can be an outstanding player in our conference. Like all of our players this year, he has to make the adjustment to our level of basketball. Once he does that, and he will, I think he will be a very productive player."

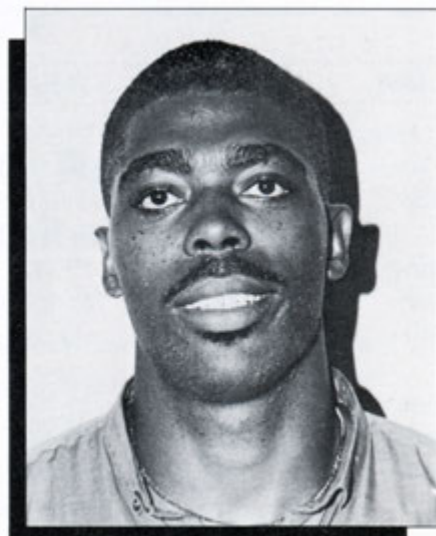

LAVELL GARROR 25

CLASS Junior
 HEIGHT 6-0
 WEIGHT 170
 POSITION Guard
 HOMETOWN Mobile, Ala.

A point guard with the tools to be a complete player ... biggest asset could be his ability to play outstanding defense ... led his junior college team to a 25-6 record last year, averaging 8 points, 8 assists and 6 steals a game while shooting 52 percent from the field and 71 percent from the line ... impressed his fellow players enough in the preseason to be elected a team captain ... expected to give the Blazers some scoring punch from the point guard position.

Dominey's Comments

"Lavell is a great team player with outstanding athletic ability. That ability coupled with the intensity he has on the court will be a big plus for us. He plays extremely hard. As a coach, that's all you can ask of a player."

TONY BATES 21

CLASS Junior
 HEIGHT 6-5
 WEIGHT 195
 POSITION Forward
 HOMETOWN Fort Wayne, Ind.

Averaged 10 points and 7 rebounds for Daytona Beach Community College, which rolled up a 27-5 record and a No. 5 national ranking last season ... very strong inside player with outstanding leaping ability ... bothered by a nagging leg injury in the preseason but is expected to see a lot of playing time after the holiday break ... has great quickness and could be a dominating defensive player when he reaches full speed.

Dominey's Comments

"Tony, like all of our junior college recruits, is a great athlete. The important thing is for him to find out his role on this club, then go about fulfilling it. There's no question about his ability. The leg injury has set him back, but I expect him to be among our leaders before the year is over."

 POSITION Forward
 HOMETOWN Fairmont, N.C.

Has played football at Valdosta State the last two seasons after playing basketball at Brunswick Junior College from 1984-86 ... nicknamed "Bear" because of his impressive physical appearance ... very aggressive player ... a great leaper ... obviously will be brought along slowly as he readjusts his talents to the game of basketball ... expected to add depth along the front line as the season progresses.

Dominey's Comments

"Bear is the kind of player you like to have on your team. He will help us inside as we get into conference play. I expect him to get better and better as the year goes along."

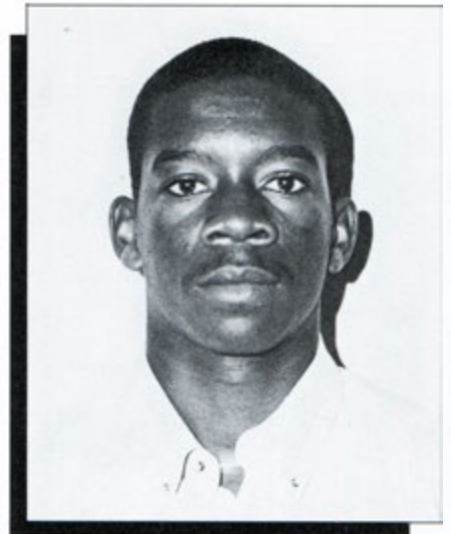

RON COURTLEY 34

CLASS Junior
 HEIGHT 6-4
 WEIGHT 190
 POSITION Forward
 HOMETOWN Rochester Hills, Mich.

A solid performer for Macomb Community College in Warren, Mich., where he averaged 16 points and 8 rebound a game ... outstanding shooter who hit 52 percent of his field goal attempts last season ... ranked in the top ten in the Michigan Community College Conference in scoring, rebounding and free throw percentage ... was captain of his junior college team ... expected to see a lot of playing time in the shooting forward spot this year.

Dominey's Comments

"Ron could fill a big need for us if he can consistently score from the outside. He is a pure shooter but needs a little more confidence in his game. Like all the newcomers, he needs a little time to make the adjustment."

 POSITION Guard
 HOMETOWN Dawson, Ga

Only returning player from last year's 16-10 team ... played in all 26 games and averaged 3.4 points ... a very good long range bomber on occasion last season ... game has improved and will definitely add quality depth to the back court this year ... needs to become more consistent on both ends of the court ... can make things happen with his quickness when he plays under control ... year of experience will make him a better player this year.

Dominey's Comments

"Mike will help us this season because he has been through the war one time already, and he knows what it takes to get on top of our conference. I expect him to be a much improved player this season."

THE PLAYERS

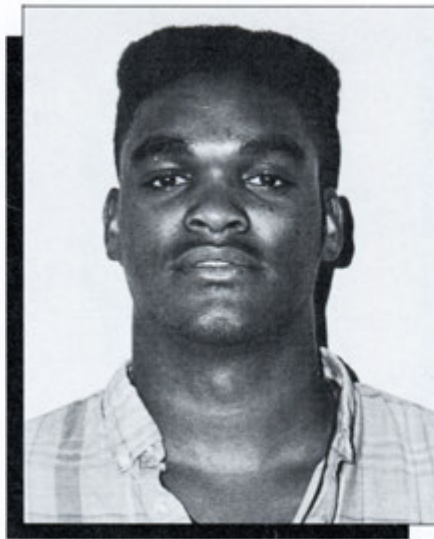

RONNIE GAINES 30

CLASS Freshman
 HEIGHT 6-4
 WEIGHT 180
 POSITION Forward
 HOMETOWN Bainbridge, Ga.

One of three freshmen recruits expected to make an immediate impact on this year's team ... an outstanding high school performer for Bainbridge High School which recorded a 25-2 worksheet last season ... a swing player who can handle the ball and also play inside ... averaged 17 points and 11 rebounds last year and was a four-year starter ... an all-region player for three years and a member of the South team in last summer's high school all-star game.

Dominey's Comments

"Ronnie is one of the most complete high school players ever to sign with Valdosta State. Along with having outstanding talent, he has all the intangibles that a winner possesses. He will be a great player in our league."

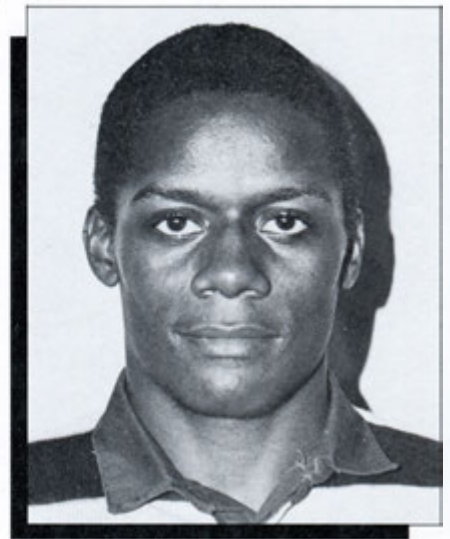

CHRIS JOHNSON 40

CLASS Junior
 HEIGHT 6-7
 WEIGHT 225
 POSITION Center
 HOMETOWN Charlotte, N.C.

Another junior college recruit who was a solid player for Brevard Community College the last two seasons ... averaged 10 points and 9 rebounds last year ... had a very good preseason and earned a starting job ... needs to work on his stamina and become accustomed to playing hard all the time ... has a good touch inside and works the boards very well ... his solid inside play will be vital to the team's success.

Dominey's Comments

"Chris can be a key to our season with his play inside. He has shown the ability to get the job done, but he must continue to work hard all the time. It's important that he keep his weight under control. If he does, his playing pace will improve."

DARYL GREEN 42

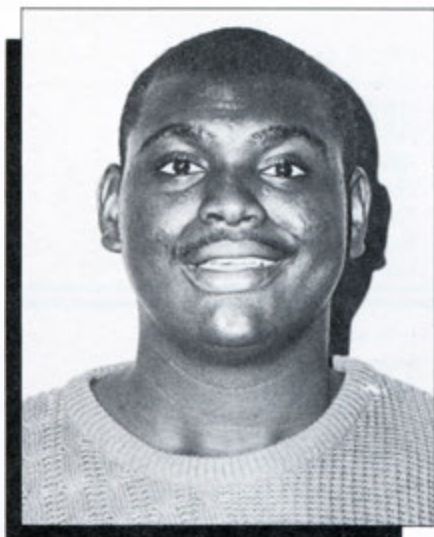

CLASS Freshman
 HEIGHT 6-7
 WEIGHT 200
 POSITION Forward
 HOMETOWN Bainbridge, Ga.

Another key freshman signee from Bainbridge High School ... averaged 14 points and 12 rebounds a game for that 25-2 team last season ... has greatly impressed the coaching staff with his quickness ... has played with great confidence in the preseason ... a 52 percent field goal shooter as a senior ... ranked as one of the top 30 players at the highly competitive B/C Basketball Camp last summer ... has a bright future.

Dominey's Comments

"Daryl has improved tremendously over the last two years, but I think his greatest improvement came in the preseason. He has really come on strong, and I think his physical potential is unlimited."

THE PLAYERS

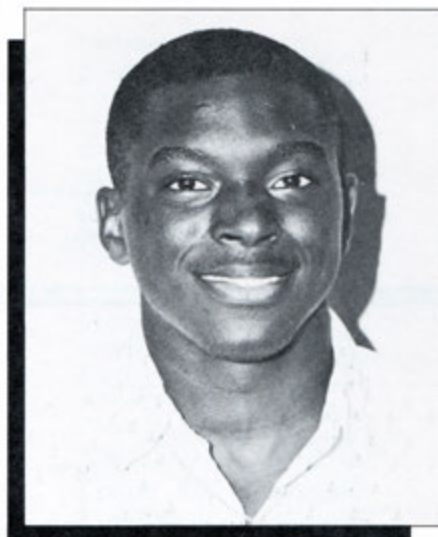

**TRAVIS
MACKEY 50**

CLASS Freshman
 HEIGHT 6-5
 WEIGHT 230
 POSITION Center
 HOMETOWN Camilla, Ga.

A walkon who played high school basketball at tradition rich Mitchell-Baker High School in Camilla ... good attitude and work habits led coaching staff to make him a part of 87-88 team ... makes other inside players work harder... extremely strong and aggressive ... could develop into a solid backup player in years to come.

Dominey's Comments

"Travis is the kind of person you like to have on your team. Right now he has limited ability, but he works hard and he is very important in our practice sessions. Every team needs players like him."

**LLOYD
CLARKE 12**

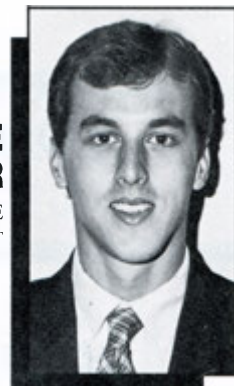

CLASS Freshman
 HEIGHT 6-1
 WEIGHT 180
 POSITION Guard
 HOMETOWN Gainesville, Fla.

The third freshman recruit and a player who was the leader of his high school team ... averaged 16 points, 5 rebounds, 4 assists and 3 steals a game at Eastside High School ... team's most valuable player as a junior and senior ... needs experience at the college level but seems to be a quick study ... plays with a great deal of confidence ... very coachable player.

Dominey's Comments

"One of our primary goals last recruiting season was to improve the level of athletic ability on our club and we definitely did that when we signed Lloyd. It's just a matter of time before he becomes a very good player."
