Church History

Riverhill Missionary Baptist Church

1873 - 1988

Many years ago, there were some Christian believers who had a desire to come together and Worship the Lord. There was not a Church close by so they chose a spot of ground and began worshipping under a “Brush Harbor”, located on the west side of James Road near River Street. Presently known as St. Augustine Road. In the year of 1873, a Church was built on the same side of the road in the same location. Rev. Robert Troupe assumed leadership of the organization, which was given the name “River Hill Missionary Baptist Church” by Sister Amy Wilson who became Mother of the Church. As time passed, the membership grew. Alazon Church was built on the east side of James Road. The cornerstone was laid during the administration of Rev. T.H. Williams, it was broken and replaced in July 1968. In 1966 after 75 came into existence, Mr. J.D. McKey gave the Church two acres of land and much more at his expense.

After an Agreement was made with the members, the Church along with the “Little Old Schoolhouse” was moved to its present location.

Many improvements have been made, new leadership, new members, and beautiful new extensions. We thank God with humbleness in our hearts that we celebrate this 115th anniversary.

Over the past century the members of River Hill Baptist Church have labored in the sunshine and rain, motivated by a steadfast faith, such as in Jesus Words “Upon this Rock I will build my Church and the gates of hell shall not prevail against it.” We Praise the Lord for what he has done through his servants.
