Dear Sir Edwin -

I have been away
in the country since
~~that~~ night when I
had the pleasure of
such interesting conversation
with you, & on my
return last night,
was most delighted
to find you had
sent me the most
interesting document

of which you told
 me so much. I cannot
 tell you how I value
 its possession - & its
 being your gift - &
 enriched with pencil
 notes of your own -
 makes it doubly
 precious to me.

Thank you again -

Believe me
 Very truly
 Yours
