New Dormitory Under Construction

May 29, 1937

14 82

Includes Auditorium And Recreation Room

BUILDING WILL BE COMPLETED
BY JANUARY, 1937

The new \$60,000 dormitory will be completed and ready for occupancy at the opening of the second quarter of school on January 4th. The foundation is laid and work will begin immediately on erecting the side walls. Mr. W. A. Edwards, of the firm of Edwards & Sayward, architects, was in Valdosta the last week of July and expressed his pleasure at the progress of the work.

The dormitory is to be a two story structure of white stucco with red tile roof and will be located just north of Ashley Hall in line with the two existing dormitories. The north end of the building on the first and second floors will be given over to bed rooms and will provide quarters for about fifty to sixty girls. The south end of the first floor will contain a reception room, a room for over-night guests, an alumnae reception room and a lounging room for day students. The remaining space on the first floor will be made into a recreation room to be used for the class dances, for games and for parties. The entire south half of the second floor will be devoted to the new auditorium. The auditorium, which will have a seating capacity of five hundred, will have a completely equipped stage for performance.

CLEO MANSFIELD WILL PAINT MORGAN PORTRAIT

Cleo Mansfield, of the class of 1927, has been commissioned to do a portrait of J. P. Morgan, New York capitalist. Miss Mansfield specialized in art while at G. S. W. C., studying under Miss Frances Ruth Carpenter, who, at the time, predicted a brilliant future for her.

Miss Mansfield, who is now Mrs. Albert Carlson of Baltimore, was before her marriage connected with the Atlanta Constitution and Atlanta Georgian, during which time she attracted wide attention by her pen portraits of Atlanta debutantes.

During the past year, she painted a series of portraits of American ambassadors' wives and the commission to paint J. P. Morgan, renowned as an art collector, is regarded by her former college friends as high tribute to her genius.

Sociology Department Offers New Courses in Pre-Social Service

The Georgia State Woman's College is the first unit in the University System to offer training in social service work. The new curriculum will become a regular offering of the college, beginning with the fall quarter of this year.

"The new attitude toward social security, resulting from the activities of the New Deal, has given tremendous impetus to the demand for trained social workers," said Dr. Reade. Formerly people thought of social workers only in connection with the tenement sections of large cities. Today, with the new conception of this field of service, there has opened up a wonderful vocational opportunity for women, and one that is highly remunerative."

The course of study is designed primarily for students who expect eventually to enter a graduate school of Social Work; however, the training is sufficiently comprehensive to enable students immediately to enter upon social work in rural and small town communities in less responsible positions.

Dr. Elinor Nims Brink will join the faculty to assist Dr. Durrenberger in conducting the new social service courses. Dr. Brink holds an A.B. degree from

STUDENT SELF-HELP

There are a few N. Y. A. and College student self-help positions which have not yet been filled.

Students who wish to earn part of their college expenses should apply at once in writing to the Registrar.

Faculty Members Are Now Widely Scattered

TEACH — STUDY — TRAVEL

Faculty members of the Georgia State Woman's College have been widely scattered this summer. Some have taught in various schools and universities, others have been taking special courses and others have been enjoying well deserved vacations.

They will be back in Valdosta in ample time for the opening of the college term in September.

The teachers have been engaged as follows during the summer months:

Miss Clara Bancroft, teacher of voice, is at 973 Wilson Ave., Columbus, Ohio. "Most of my time," she writes, "has been spent on the sand pile with my niece's adorable little red-headed three year old boy, Bruce."

Miss Janie Bush, professor of Latin, is at Barnesville, Georgia. She has recently completed a survey course Horace, Ovid, and Livy which will be offered in the fall.

Miss Matilda Callaway, professor of Home Economics, is at Vassar College, Poughkeepsie, N. Y., attending their Institute of Euthenics. She writes: "Getting some good information, taking five classes a day, a lecture course in the afternoon and some arts and crafts in the evening when it is not too hot to hammer on copper."

Miss Frances Ruth Carpenter, professor of Art, taught in the South Georgia Teachers College until July 18. She is now at Elberton, Georgia. The college plans to buy a kiln this summer, and Miss Carpenter will direct some work in the ceramic arts during next year. Professor Harry Vaughan, of the Georgia Tech Ceramics department, will come down in the fall in an advisory capacity, and will show movies relating to the ceramic arts.

Dr. Reade Announces Plans for Next Year

Plans for the new year have been announced by Dr. Reade, following approval of the 1936-37 budget by the Board of Regents. With only one exception, all of last year's faculty will return in September. Professor James Stokes, who has been doing graduate work at the University of Chicago for the past year, has been appointed head of the department of biology at G. S. C. W. in Milledgeville. He will be succeeded by Miss Beatrice Nevins, Ph.D. Wisconsin, who has been teaching at Milledgeville. There will be two additions to the administrative and teaching staff. Dr. Elinor Nims Brink will come to the college from the Florida State College for Women at Tallahassee to assist Dr. Durrenberger in conducting the new courses in social service training, and Miss Thyra Perry will be in charge of the Placement and Publicity Bureau.

Mrs. Eva Shriville will join the dormitory staff.

Sound-Movie Machine Purchased By College

Teaching with a moving picture machine will be an innovation at G. S. W. C. this year. The college has just purchased a large model Victor machine with complete sound equipment to be used in supplementing lectures and class room work in history, the physical sciences, and fine arts. New reels and entertaining films of a cultural value (and maybe an occasional Wild West or Tarzan) will be shown in the student assembly hour each week. The films will be provided by the University System library.

COLLEGIATE PRESS ASSOCIATION

FRESHMEN AND ALUMNAE

Through the columns of this, the first summer issue of the *Campus Canopy*, the Georgia State Womans College extends a cordial welcome to the young ladies of the freshman class of 1936-37. And to her alumnae, wherever they may be, the college sends affectionate greetings.

The object of this extra edition of the college paper is to let our prospective freshmen know something of what they may expect on their arrival; and to keep our alumnae in touch with what is going on at their Alma Mater.

In the past few years there have been a good many changes, both in the physical plant and in the curriculum; and yet the college itself is an enduring thing. Sand roads are replaced by concrete, but on the campus; new teachers teach new courses, but in the same class rooms; the student body changes completely every four years, but the same institution ties the various groups together with bonds which are fashioned from the spirit that exists here.

The college looks forward with pleasure to the new girls who will enter in September,—the upperclassmen who will return,—and to the alumnae who, from time to time, will come back to see us.

REGENT S. H. MORGAN

In the passing of Regent S. H. Morgan, of Guyton, Georgia, the Georgia State Womans College laments his loss. His devotion to the cause of education and his loyal service to this unit and to all the units of the University System will perpetuate the memory of a great and good man. Regent Morgan was 73 years of age and had served as a member of the Board of Regents for several years.

Appointed to fill Mr. Morgan's place is Mr. Ormond Hunter, a member of a prominent family and an outstanding citizen of Savannah. Mr. Hunter holds the Ph.B. degree from Yale University, and the Ll.B. from the University of Georgia.

mitory staff in September as dietitian, replacing Miss Martha McElmurray, who has a position with the Michael Reese Hospital in Chicago. Mrs. Shriville has had a number of years of experience in college and hospital dietetics and is at present on the staff of the Piedmont Hospital in Atlanta.

In addition to the offering of courses in social service training, the curriculum has been expanded to include Spanish in the department of modern languages, and a course in bacteriology.

The new budget provides for a number of special projects for 1936-37, including a health project to be under the direction of Dr. Farbar, and a physical education project to include tennis, swimming, golf and horseback riding. Two new tennis courts are now under construction and will be ready by the opening of school. The budget also includes the sum necessary to insure the participation by the college in an Artist Series which is to be sponsored next year by the City of Valdosta.

More convenient parking space is being arranged for students at the north end of West Hall.

SOCIOLOGY DEPARTMENT

OFFERS NEW COURSES IN PRE-SOCIAL SERVICE

(Continued from Page One)

Vassar College and a Ph.D. from the University of Chicago. In addition, she has studied at the Psychological Center, Paris, France, under Dr. Otto Rank, and at Columbia University. Dr. Brink has had wide teaching experience and comes to the college directly from the Florida State College for Women at Tallahassee, where she has been for the past five years. She is the wife of Dr. Fritz A. Brink, District Health Commissioner of the Georgia State Health Department, at Blackshear.

Although the social service curriculum is of the senior college level, the sequence really begins in the sophomore year with fundamental courses in Economics and Political Science. In the senior college division, the program has been expanded to include courses in the Field of Social Work, Problems of Child Welfare, Social Pathology, Social Legislation and Theories of Social Reform, and Social Case Work.

Rosalie Chauncey has returned from Fredericksburg, Va., where she took a special art course.

FACULTY MEMBERS ARE NOW WIDELY SCATTERED

(Continued from Page One)

Miss Marjorie Carter, assistant professor of women, is at Camp Glenrock, Loudon, Virginia, where she has been a seller for a number of years.

Miss Evelyn Deariso, librarian, has been visiting in Asheville, N. C.

Dr. Joseph Durrenberger, professor of sociology, taught for six weeks in the summer school at the University of Georgia.

Dr. Marian E. Farbar, collector, is at 5464 Woodland Avenue, Chicago. She has been taking some courses in Chicago, and at the University of Illinois, with special attention to blindness, posture silhouettes, and arch corrections, all of which were helpful in her work at the college.

Miss Gertrude Gilmer, professor of English, is at 110 21st Avenue, Nashville, Tennessee. She is doing research and graduate study at Peabody College.

Dr. Harold Gulliver, professor of English, has returned to Valdosta, and is teaching for six weeks in the summer school at the University of Georgia.

Miss Annie P. Hopper, dean of women, is at the Bellerich, 15th and Spruce, Philadelphia. During the summer she has visited relatives in Mississippi and Texas. She plans to return to the college the latter part of August.

Dr. Lena J. Hawks, Dean of Instruction, is at the Terrace Hotel, Lake Junaluska, N. C., with her mother. Earlier in the summer they visited in Greenboro.

Miss Leonora Ivey, professor of Physical Education, is teaching archery at Louisiana State University, Baton Rouge, and taking some advanced dancing courses.

Miss Elizabeth McRee, instructor in Physical Education, is at present visiting friends in Washington.

Miss Lillian Patterson, assistant librarian, is spending the summer at her home in Cordele.

Dr. Earl W. Phelan, professor of Chemistry, is spending the summer in Valdosta, and is working on a moving picture project for next year.

Miss Mildred Price, professor of history, is at the University of Michigan, Ann Arbor, where she is doing graduate work on an International Relationship Scholarship.

Dr. Harold Punke, professor of Education, is at International House, Chicago. He is taking some special courses in philosophy at the University of Chicago.

Miss Louise Sawyer, professor of Speech, is at her home in Monmouth, Illinois. She taught for six weeks in the summer school at the University of Georgia.

Miss Sapelo Treanor is at the University of North Carolina, Chapel Hill, where she is continuing her work towards the Ph.D.

Miss Gladys Warren, professor of Music, is at 854 Kearney Avenue, Arlington, N. J. She is studying in New York, but finds time to hear all of the various concerts.

PLACEMENT BUREAU

An important addition to the services of the college will be the establishment of a Placement Bureau which will begin operation this fall. The Bureau is to be a service agency to cooperate with the students and employers and will be operated by the college without charge to either. While the college does not guarantee positions to students, it will make every effort to see that they are placed in positions suitable to their training and aptitude. The Placement Bureau and the Publicity department will be under the direction of Miss Thyrza Perry. Miss Perry is a graduate of Oglethorpe University and was connected with the University System for several years as secretary to former Chancellor Weltner.

MISS GILMER

Students and alumnae of G. S. W. C. are interested to learn that Miss Gertrude Gilmer, Professor of English, has had several poems published in a recent edition of the Galleon Press, the American States Anthology of Poetry. Miss Gilmer's poetry is descriptive of the deep South and Valdosta and vicinity is easily recognizable in her work. Versecraft and other poetry publications have included work of Miss Gilmer's.

She is the author of the widely acclaimed "Check-List of Southern Publications Prior to 1861," and is a member of the American Penwoman's League.

NEW DORMITORY NOW UNDER CONSTRUCTION

(Continued from Page One)

ances. The new dormitory rooms will have new equipment throughout. With the opening of the additional rooms, all rooms will be made into two girl rooms. There will be no three girl rooms.

Of the Spanish Mission type of architecture, so admirably suited to the climate and the setting of pine trees and palms which cover the campus, the building is of the same general design as the present building for which the trustees of the college in 1929 were awarded Honorable Mention by the Southern Architectural and Arts Exposition. It is a part of the \$837,000 building program undertaken by the Regents of the University System with funds granted by the PWA and supplemented by the State. The program includes new buildings—most of them dormitories—at twelve of the units in the University System: Cochran, Americus, Carrollton, Dahlonga, Statesboro, Milledgeville, Forsyth, Tifton, Douglas, Georgia Tech, the University of Georgia and Valdosta.

WEDDINGS

Sometime, somewhere or other, somebody went to a lot of trouble to dig up statistics to show that a college education tended to lessen a woman's opportunities for marriage. We just laughed and laughed, because we knew that G. S. W. C. girls could hold on to their feminine charm in spite of their higher education. All summer we've been reading in the papers about trailing southern smilax and tall white tapers burning while G. S. W. C. girls received that Mrs. degree. Wedding bells have been ringing for:

Miss Laura Lee Allen, of Climax, and Carl C. Thompson, River Junction, Fla. The marriage was solemnized May 31 in Havana, Fla.

Julia Katherine Bowden and James Othel Bass, of Miami, Fla. The wedding took place in Fitzgerald during July.

Bessie Young and W. A. Dubberly, Jr., of Lakeview. The marriage was solemnized at Chicamauga, June 19. Mr. Dubberly is superintendent of schools at Lakeview. After spending the summer in Wisconsin the couple will return to Lakeview.

Jeanette Barbara Sims, of Covington, and James Thomas Ramsey, the marriage having been solemnized at Covington on July 10th. Mr. and Mrs. Ramsey will make their home in Milledgeville.

Myrtice Johnson, of Vidalia and Maurice Woodrow Weatherly, of Baxley, Ga., the marriage having been solemnized in Marietta June 14th.

Martha Elizabeth Taylor, of Bainbridge, and James Monroe Pace, of Plant City, Fla., and Valdosta, the marriage being solemnized June 21 at Bainbridge.

Bill Jones, of Ludowici, and Dr. Omer Seckinger Gross, of Glennville and Vidalia, on July 12th in Alma. They will make their home in Vidalia.

Bettye Freeman and Jack Lovett, of Valdosta. The marriage was solemnized in Valdosta on July 14th.

Judy Cochran and Peyton Lawson, on July 11th, at Camilla. The couple will make their home at Valdosta.

Claryce Paulk of Ocilla, and J. W. Fountain of Fitzgerald and Sheridan, Wyoming, on July 12th, in Sheridan. Mr. Fountain is in the pharmacy business in Sheridan, Wyoming.

Sara Davis of Moultrie and Edward A. Newman of Coffeyville, Kansas, on Friday, July 3. Mr. Newman is a lawyer and the couple will make their home in Topeka, Kansas.

Grace Mitchell of Pineview and M. O. Drake of Hazlehurst on Sunday, June 7, at Baxley. Mr. Drake is connected with his father in the automobile and transfer business in Hazlehurst.

Alys Dawn Cullens and Frank C. Parker, on June 6, at Waycross. The couple will reside in Waycross.

Nina Way Holliman and Walter M. Bird. The marriage was performed in June at the Old Midway Church, in Liberty County, by Dr. Andrew R. Bird, of Washington, D. C., father of the groom. Mrs. Bird has been living in Washington, where she has been employed by the government as an artist. Mr. Bird is studying for the ministry. The couple will return to Washington for the present.

Sara Williams, of Valdosta and Charles Halbert Threlkeld, of Jacksonville, Fla., on June 11th, in Jacksonville. Mr. Threlkeld, a native of Louisville, Ky., is now connected with the Jacksonville Paper Co.

Kathryn Taylor of Valdosta and Sam H. James, June 6th, Valdosta. Mr. James is connected with the Georgia Public Utilities at Augusta.

Madee Watson of Lakeland and John E. Vann, Jr., of Waycross, on June 5th, at Blackshear. Mr. Vann is a member

of the firm of Howell & Vann, of Waycross.

Frances Knutson of Valdosta and J. H. Juell of Superior, Wisconsin. Mr. and Mrs. Juell will make their home in Superior.

Jon Corn and Fred William Schroer, Jr., June 25th, in Valdosta. The bride and groom are both of Valdosta and will continue to make their home here.

Virginia Carswell and Robert Bates, June 13th at Waycross. Mr. Bates is connected with the Georgia Public Utilities at Waycross, where the couple will reside.

Pauline Ryon of Hinesville and Edward Wilby Martin of Lake City, Fla., at Ridgeland, S. C., in June.

Elizabeth Patterson Smith and Daniel Wesley Redd of Thomasville, June 30th, at Thomasville.

Myrtle Freeman and Watson Bodbee Sunday, July 5th, at Dover. The couple will reside in Savannah.

Frances Taylor of Georgiana and William R. Glass of Camden, Ala. Mr. Glass is connected with the Alabama State Highway department.

Charlotte Walton of Ellijay and Wycliffe Gaskins of Nashville, on July 14th. Mr. Gaskins is in business with his father in Nashville.

ALUMNAE NEWS

The Valdosta G. S. W. C. alumnae were entertained at the college on Friday afternoon, July 30th. All alumnae, whether or not affiliated with the organization, were invited to be present. Dr. Reade made a short talk in which he outlined some of his plans for the college. He stressed the importance of alumnae in building a greater college. He made a plea for more active cooperation on the part of local and state groups. Dr. Earl Phelan showed three films to demonstrate the new Victor talking picture machine which has just been purchased for use at the college. Later in the afternoon the guests assembled in the board room for refreshments.

The *Campus Canopy* is anxious to carry a column of alumnae news in each issue. Please send in any news about yourself or your former classmates to the Editor of the *Canopy*. Let's have a lively column of alumnae news.

* * *

Iva Chandler is studying this summer at Columbia University. She is assisting the Dean of Women at the Georgia State College for Women.

* * *

Jessie Catledge Langdale is studying this summer at the University of North Carolina, where she is taking an active part in the Carolina Playmakers organization. Margaret Langdale has a government position in Washington, D. C.
