

## Home Ec. Club Hears Authorities On Ec. As Vocation

The Home Economics Club met jointly Thursday evening at the House in the Woods with the American Association of University Women in order to sponsor the Vocational Guidance Program on Home Economics. Miss Drew, sponsor of the Home Economics Club, was chairman of this Vocational Program.

There were six speakers on the program. These speakers gave important points on the Home Economist in Home Demonstration Work. Research, Retailing and buying, Institutional Management, Nutritionist in Public Welfare and Teaching and Business.

Mrs. Rogers, Lowndes County Home Demonstration Agent, explained how interesting and varied the work in this phase of the field of home economics is. She exclaimed that no two days in a year of work as a home demonstration agent were ever the same. Miss Willie Mae Hightower, buyer for Varnedoe, told of the compensations other than money that one gets out of a job as buyer or retailer. Mrs. Jones spoke of the wide field open to Home Economist with a talent and liking of research. She emphasized how necessary it was for one to be greatly interested in research to succeed with it as a vocation. Lt. Hughes, Wac officer in charge of Cadet Mess at Moody Field, threw some light on Institutional Management and the Home Economist in the Armed Forces. "Nutritionist are much needed in Public Welfare" was stressed by Miss Gregory, new Director of the Lowndes County Department of Public Welfare. Last on program was Miss Drew, who gave to the club and those interested in home economics as a vocation, a few comments on this vocation as a teacher and a business woman.

The group enjoyed refreshments after the discussion on vocations was held. Peggy Ford was chairman of the committee that was in charge of the refreshments.

## G.S.W.C. Holds Memorial Services for Franklin D. Roosevelt Friday Morning

On Friday morning, April 13, at 11 o'clock, members of the faculty and student body of the college, paused, in their various activities, to pay tribute to the only man beloved and trusted enough to become President of the United States four times in succession, only to die in the third month of his fourth term, Franklin Delano Roosevelt. This tribute was in the form of a brief memorial service in the school auditorium.

Dr. Frank R. Reade, president of the college, opened the service with these words, "Yesterday, at Warm Springs our President died. In the spring of his and our victory, Franklin Delano Roosevelt, President of the United States,

has, himself, become a war casualty."

At the end of his comment the vesper choir chanted the Lord's Prayer, and a moment of silent prayer, in which the entire student body and faculty took part, gave the occasion a solemnity never so strongly felt before.

In a verbal prayer, Mr. Clifton J. White, Art and Music professor and an instrumental figure in the influence of the Y.W.C.A., on campus, expressed the inspoken sentiments of all present when he said, "Bless and send down gifts from Heaven, upon the President and all persons in authority."

The service was closed with a benediction.

## E.C.A. to Sponsor Student Service Fund On Campus

The World Student Service Fund, which is sponsored in this school by the E. C. A., will soon begin its campaign for money. This project, active in the last World War, is to aid young people of all nations in completing their education, even though they have become impoverished by war. During the last war, students of G. S. W. C. responded generously to this effort, and it is hoped that when the campaign begins the student body will be squarely behind it. Details of the W. S. S. F. campaign will be published in a later issue.

## Norman Becomes President of English Club

On Tuesday, April 10, at a call meeting in Senior Hall Parlor, the English Club elected, by unanimous vote, Ann Norman as President. Miss Norman, a transfer from Norman Junior College at Norman Park, came to G.S.W.C. at the beginning of her Junior year. Since then she has been active as S. G. A. monitor, Junior House Council Member, and member of the Vesper Choir. A major in English, Miss Norman has participated in Club activities during her entire stay at G. S. W. C. She will assume her duties at the May meeting of the Club when new members will also be extended a welcome.

The graduation of Catherine Garbutt has made the election of a new president imperative. Miss Garbutt has served as President for one year.

## Philharmonic Club Elects Jones Pres.

Bobby Jones, Freshman from Valdosta, was elected president of the Philharmonic Club and Betty Rentz, Columbus Sophomore was chosen Secretary-Treasurer at the meeting held March 27, in the auditorium. These new officers will assume the responsibilities of Carolyn Mann and Glynn Hill who are graduating.

In addition to the elections, a program of music was given by several members of the club. Three of Mr. Aubrey's voice students sang. They were: Lillian Perdue, Ruth Reynolds, and Nickie Williams. Gladys Thames, Emily Pryor, and Carolyn Mann, students of Miss Warren, gave selections on the piano.

Plans were also discussed concerning an artist who will come to G. S. W. C. as a project of the club. Complete details will be given later.

## Math-Science Club Suspends Program Hear Nation News

At their regular monthly meeting on Thursday, April 12, 1945, members of the Math-Science Club expected a program of entertainment, to be given by the Chemistry Division of the Club. Instead, all attention was turned to the direction of the national news, the death of the President. The club listened as comments on the greatness of Mr. Roosevelt as a man and as a leader were made by Attorney-General Biddle, Thomas E. Dewey, and Major La Guardia of New York, on news broadcasts occurring at this time.

## Seniors Honored By Dance Festival In Drexel Park

A dance festival, given in honor of the graduating classes, will be given in the amphitheatre in Drexel Park, June 2 at 5 o'clock. Using the theme "Dance Periods of Our Nation" the program will open with a dance of the Revolutionary Period. Dances of 1860 and the "Gay Nineties" will be featured, and the festival will close with a suite of dances representing the United Nations.

The various dance classes and the Dance Club all under the direction of Miss Lucy Lampkin will participate in these dances. Through the combined efforts of the glee club under the direction of Mr. Raimonde Aubrey, the Choral Reading Group under the direction of Miss Louise Sawyer, and the Physical Education Department headed by Miss Leonora Ivey, a colorful program has been planned.

Miss Lampkin has designed several of the costumes to be worn in the festival and the authentic period costume will be worn in all the dances.

This is the first time that a program of this type has been presented since the cessation of the annual May Day Festivals in 1942.

More complete details for the festival will be disclosed at a later date.

## Bentley To Be Next President of Home Ec. Club

At a call meeting last week, a nominating committee presented the club nominations for officers for the Home Economics Club for the next school year.

Ethel Bentley was elected president of the club to succeed Rachel Cunningham. Ethel, a Home Economics major, is a SGA monitor, former member of YWCA Cabinet, and a member of the International Relations Club.

The members elected Margie Massey vice-president. Margie is an active member of the Fine Arts Club, having recently been elected as President of the Fine Arts Club.

Mary Tharpe was elected Secretary, Joyce Hill, Treasurer, and Libby Rose, Historian.

The old officers other than the one mentioned are Kathleen Hall, Vice-President; Virginia Sumner, Secretary; Catherine Green, Treasurer; and Mary Crum, Historian.

The new officers will be installed at the next regular club meeting at which time the Seniors of the Club will be honored.

## Social C Gives In For Sta

On Wednesday, April 12, at 8:00, in the House, the Social Committee is giving an informal open house, to which the entire student body is invited.

The occasion is an open, informal discussion on the simple rules of etiquette for everyday living. The students will take part in a discussion and present their ideas and views, and Miss Louise Sawyer, Head of the Speech Department here will be there to clear up any questions on the subject.

The Social Committee, for several weeks, has been working on the project of new upholstery and drapes for the House in the Woods, and they hope these new additions will be up in time for the tea.

## Broadmindedness Comes From Hobbies, Points Out Butler

By DOROTHY BUTLER

Now I understand why the G. S. W. C. girls are so very broad-minded (if you please). They have hobbies that make them that way. There are so many various one I couldn't possibly name them. I have about one hundred different ones which came from only a few of the girls.

Have you ever heard of collecting perfume bottles for a hobby? HELEN McCORD did and has been saving them ever since. CATHERINE PHILLIPS collects beautiful stationery, which must be the secret to her list of boy friends. She also enjoys keeping her scrapbook up to the minute.

MARY THARPE and JEAN LAND have an interesting hobby called "collecting signs" and if you would like to know just what they mean just take a look at their room. Really, they have signs that look like they come from anywhere and everywhere.

ALTHEA TYRE has fun collecting foreign money and souvenirs, which must be the result of some ONE interesting overseas. LUCILE SLADE says very frankly that her hobby is "men." Must be O. K. 'cause she seems to be doing all right.

MRS. SHRIVALLE says that she makes her little granddaughter new dresses as a hobby. Aren't grandmothers wonderful???

BETTY McPHERSON has only one hobby right now and that is "WRITING HARRY" . . . the

lucky guy! When I went into a room in Ashley and asked what was her hobby she vaguely replied, "breaking rules right now." Now you guess who! I hope she chooses another hobby soon.

ANICE CASEY collects dolls of all kinds! She has one from France and some from Poland. She also has quite a collection of caps which she took away from some poor fellows, I suppose.

ODESSA GRIFFIN has pin-ups for a hobby. She doesn't have time for anything else she said. (I wonder what she means by that.)

Really, the girls don't have time for hobbies much now . . . so let's call us "learning how to have hobbies at G.S.W.C." But of course, ELSIE MOORE always takes time out for her tap dancing and singing which are her most important hobbies.

This might do to put in the "believe it or not" column!! ALICE JANE DANCER collects pictures of dogs which she loves very much. By the way, you should hear some of her favorite poems about dogs. RUTH REYNOLDS says her hobby is being happy and singing. Sounds all right, but what about blue Monday??

Hobbies, hobbies, hobbies, don't tell me there's nothing to do on G.S.W.C. Campus. Just ask anyone what their hobby is, they will finally tell you but don't be impatient!

## DANCE

With the SENIOR CLASS

Saturday Nite

8:30

## G. S. W. C. HAIR FADS

By JEAN WILLIS

If you suddenly discover that some of your friends have disappeared, and strangers have taken their place . . . don't be alarmed . . . just rub your eyes and take another look . . . it's really your friends who have just had their hair cut. The latest fad seems to be to have your hair cut, either willingly or otherwise.

Bangs are quite popular now, in lots of girls wearing their hair at varying lengths over their eyes. Some bangs are curly, but the majority are extremely straight.

Some girls don't stop with cutting bangs, but have it short all the way around. The ones who cut their own, as a rule, have fairly even; but those who are taken into hair-cutting sessions should have to be held down to have cut, usually come out with a slight upward curve on one side and a downward curve on the other.

Long bobs are still a favorite, (wish mine would grow!) It is worn straight and long,

wavy and long, or plaited. It is especially becoming to the taller girls.

If it weren't for those trusty kerchiefs we girls just couldn't get along. They come in handy when you wake up at the five-minute bell and don't have time to comb your hair; when you have just shampooed your hair or rolled it up in vain hopes that it will be still curly by the time your date arrives, or on those rainy days when your hair has a distressing tendency to drool.

Kerchiefs are fixed in several ways, some quite ingenious. There is the ever popular peasant style which is easiest, the turban style which has variations and a "what-hamacallit" style, which is cute as pie. (But it's a mystery to me how you tie the thing).

Fads may come and fads may go, but G. S. W. C. girls are always right up front with the latest.

Some classic examples of "bangs" are displayed by Lucile Slade and Joy Roland.

## Historical Background of Proposed New Chapel Reviewed by Cabinet Member

The need for a chapel on campus has long been felt by the students enrolled at G. S. W. C. Three years ago on Easter Sunday, the little chapel upstairs in Ashley hall was dedicated, but it was soon apparent that it was inadequate in capacity. At this time was conceived the idea of building, with funds raised by the students themselves, a chapel on campus—a separate structure which in its entirety would furnish a place for devotion and worship.

In 1943, the Y. W. C. A. began raising money to go into this building fund. At first, pledges were made by each student, but this method proved undesirable, so was abandoned. However, personal donations have continued to come in, along with proceeds from dances sponsored for this purpose, until the Chapel Fund has now reached a total of \$1,236.40.

In an effort to give all students an opportunity to make a personal contribution, a special Vesper service has been planned for Thursday night, April 19. It will be held at sunset on the golf course. Effie Powell will speak, Edith Collins will be in charge of the program, and the newly-organized Vesper Choir will sing.

The architects drawing of the proposed chapel has been completed and is now in the Publicity Office. Everyone who has seen it will agree that the day the chapel is complete, not only will a dream be fulfilled; but a beautiful building will be added to the campus—one that will always be dear to the hearts of the girls at G. S. W. C.

## CANOPY and CLUB REPORTERS

Deadline for news stories or any publicity your club wishes is Wednesday noon unless meeting or occasion to be covered is on Wednesday or Thursday. In this case, Thursday noon becomes the dead line.

## GATHERED GOSSIP

By KATHLEEN GRANTHAM

A NEW arrival and a new (known) love affair! MISS MARGARET JOHNSON hailing from good old Florence, South Carolina and Lt. THEYX STUART hailing from old Athens town.

OPEN FEUD! between Peggy Ralford and Elaine Young over a certain man named Jerry. Man shortage, huh?

How these town boys do get around. Nell Blanton and Foozy were seen dating Rachel Cunningham and Tarver.

NOT ONE BUT TWO! That's always better. Rose Hall rated two corsages for Easter, then the sweet lil' lady had one left over for last Sunday.

P. S. How 'bout lending one to "poor" June Sears who didn't receive one . . . just THREE.

With open eyes everyone is following the romance of Alice Jane Dancer and Grady, her 16 year old. These young 'uns do go around.

Yeah! and 'tis rumored around that Kirsten and Stafford have their eyes on two fifteen year olds too . . . bout their speed though.

Lewis Holder has been "spreeing" around with Annice Jean NeSmith. Where are the Lts. A. J.? (Wouldn't we all like to know).

Bea Williams and Ida Maude had a grand time at the cadet dance last Friday night. They left with two men on their lists. Glynn Hill was also benefited from the dance (indirectly).

Who's the owner of that long green car that Ruby Burgamy has been riding around in? The seniors seem to have everything in the bag.

Red Heads! That seems to be the main dish of G. S. W. C. That Southern lamb . . . DOZIER has been flowered with sweet written words from Kessler! (You remember that miniature giant with the baby face, but the devil's eye!) Does that start sparks shooting???. Let's ask Martin, Annis Jean, and Ann Norman.

That dashing BLANTON "creature" has aroused attention once more! Especially PETE LEE'S as she rushed to the window to see him streak by with Ann Norman Sunday afternoon.

Changing the subject to pictures . . . have you seen the one that "Tip" sent Carolyn Sanderlin? hmmm

Flash Bulletin: Henry Jack finally called Stony after she lost a few pounds worrying about it. (Not that she minds though).

## Sketching The Seniors . . . . .

By JEAN LAND

CATHERINE GARBUTT and HELEN ALLEN

Catherine Garbutt who is a Humanities Divisional Major also, but with an English emphasis likes to collect poems and quotations from books she reads. Also she likes to collect pictures of Art Works from magazines.

All kinds of clothes are suitable to Catherine Garbutt but she doesn't like them too dressy. Pastels are her favorite colors but special ones are yellow and green. Low heels are also a favorite.

Semi-classical songs such as Claire de Lune and all of Gerswien's songs are favorites in the musical line.

Waffles with whipped cream are very good, Catherine says, and are her favorite food as well as steaks with French fried potatoes and strawberry shortcake.

Catherine's idea of the "ideal man" includes certain characteristics such as a good dancer, lots of personality that you can have fun with but he doesn't have to be good looking, just lots of sense.

Deep movies that make you think and cry are a special favorite and Bette Davis and Katherine Hepburn are preferred in such roles.

Catherine likes to read fiction but she says she doesn't have time for it now. This is readily understood when you look at her list of extra curricular activities which include; President of English Club, Extra-curricular Activities Committee Chairman, Secretary of Y. Cabinet, Chairman of Artist Series Committee, Member of Fine Arts Club and Executive Committee of S.G.A.

Catherine likes to sew and often makes some of her clothes.

People who "Apple Polish" and show partiality are "pet hates" of Catherine.

This summer Catherine plans to go visit her favorite sister in Baton Rouge, Louisiana and take a business course. After completing this she wants to get something permanent with the Standard Oil Company and with such varied interests and talents, she should have a successful career.

Helen Allen who is a Divisional Humanities Major with a History emphasis has a main interest or hobby, music.

Music of any kind is a favorite of Helen's. Classical favorites include the Warsaw Concerto and Beethoven's Fifth Symphony. All of Fred Waring's music is a favorite too, because most of his are semi-classical. Popular music must be sweet and lovely and Helen likes Tommy Dorsey and Johnny Mercer.

Since she is so interested in music, Helen's ideal man must be interested in music and must be able to talk intelligently about the subject. Also he must be a sportsman, not too handsome but manly looking. She dislikes men from the North that talk about the South and make fun of it and she says she loves to argue with them about it. Helen also adds that she hasn't met this ideal man yet but she hopes to someday.

Helen is a great sport enthusiast and especially likes tennis. This explains why she likes all types of sport clothes. Pastels, all shades are her favorite colors with blue, green and yellow as special favorites.

Quite unusual in her food tastes Helen doesn't like any kind of sea food except salmon and perch. Her tastes run to every day foods and she "doesn't like fried chicken much." It's alright she says yet is no special favorite but strawberry shortcake is. Helen doesn't like restaurants unless they are real nice ones.

Helen likes movies but she hates to see a movie after she's read the book that the picture was made from. Pictures like Song of Russia and Casablanca are her favorites as well as the stars, Bob Hope, Jack Benny and Spencer Tracy.

Helen was the Editor of the Student Government Association Handbook and also a member of the Y. Cabinet.

A pet peeve of Helen's is people who pout and girls who graduate from college and are not prepared for any job but said she guessed she was one of those girls, because she was planning on taking a business course and getting a job. Whatever she decides to do, Helen is sure to make a success of it so here's our best wishes to you.

## Martin Cooperation for Education in Future

Universities are reopening in the liberated lands. The 689 year-old University of Paris opened to more than 3,000 students in January in a city that has become the "tuberculosis capital of the world." The University of Caen went up in flames on July 7, 1944, but its students immediately organized a Mutual self-help in a city where 40,000 are homeless. The University of Belgrade has reopened for wounded students and for badly needed doctors and technicians. The looted University of Pisa is operating again. The University of Cracow will reopen shortly. One half of Poland's 125,000 pre-war teachers are dead. The 143 colleges and universities in China (most of them in temporary locations, badly housed and poorly equipped) enroll 73,000 students, (1 in 65,000 in the population, as to 1 in 150 in the United States.

The World Student Service Fund, whose campaign on campus is to open soon, exists to keep those students alive, feed clothe, and house them, help restore them to health and sanity, and help them resume their studies in freed universities.

Down through the ages students and scholars have helped and supported each other, because theirs is a common cause . . . that of keeping a means of learning open in their respective countries. Through these ages also students have been recognized and respected by their countries. This is a double reason for giving support to the Extra-Curricular Activities committee in their forthcoming campaign.

## Tarver Speculates on Our "Front Tooth"

They're up and at the post now . . . ready for the race for Prexy of S. G. A. Monday morning will see the opening of the polls and by night GSWC will have a new president of the Student Government Association.

The speed-up program is really allowing students a field day for S. G. A. elections. It's getting to be we have a change in student leadership every other quarter about as regularly as we have fried eggs for Saturday breakfast. After the war is over maybe things will change . . . we could have scrambled eggs.

Of course, we all realize it's really necessary to have a "Big Wheel" . . . that is if we want to keep student government rolling.

It's like having a cavity in a tooth . . . if our teeth are going to continue to be permanently ours . . . we've got to have the cavity filled. If we don't have the cavity filled, sooner or later the tooth will have to be pulled. Then . . . one pull can lead to another . . .

This comparison of S. G. A. and dentistry may be prophylactic in significance to some but it may enamel others to see the light. We all know we can't "keep smiling" if our biggest front tooth is gone. Well, the cavity left by the coming graduation of the present S. G. A. prexy now is ready to be filled . . . and we have two good candidates from which to pick a filler for the cavity.

Having two possibilities to replace the opening makes it possible for everyone to make a choice. It not only makes it possible but imperative that every student in school go to the polls Monday morning and cast her vote for her choice. Everyone should vote. Besides . . . you'll have good cents if you vote.

Next year, S. G. A. will need more dental work but we all know that temporary fillings are fine . . . as long as we keep putting the min. Here's hoping THIS whole tooth will never have to be pulled.

## NOTICE TO STUDENTS

According to Student Government regulations there is a fine of twenty-five cents for failure to vote in any election. Keep this in mind Monday!!!

# Schedule for Summer School Has Been Released to Students

In arranging for the Summer Quarter an effort has been made to meet the demands of an accelerated war program so that students can get as much of a good college education as possible before going into military service or into defense industries.

This quarter is open to both men and women and is divided into two terms of approximately five and one-half weeks each. The terms are from June 12, through July 17, and July 17 through August 21. A student may enroll for either or both sessions. Special attention will be given to freshman courses so that June high school graduates can enter college the summer rather than wait until September.

Teachers and students with high academic records may carry a maximum of two courses—10 quarter hours or 6 2/3 semester hours each term. Other students will carry three courses, 15 quarter hours or 10 semester hours distributed through the entire quarter.

Students who wish to do so may register for one course only. This work counts as "residence" credit toward a degree, or may be transferred to any other college or to any State Department of Education.

Costs have been reduced to the lowest possible figure commensurate with the high quality service rendered. Rooms, board, laundry, and academic fees, \$118.00 for the entire quarter or \$64.00 for either term. Non-boarding students will be charged with the academic fee only, which is \$25 for the quarter, or \$16.00 for either term.

The lighted swimming pool, tennis courts, golf course, the House in the woods, and other recreational facilities will be open and available to all students. A competent recreation director will assist with these activities.

The State Department of Education has just announced plans to have a "workshop" on campus this summer, which will open on July 18 and continue through August 21.

This project will be sponsored jointly by the University of Georgia, G. S. W. C., and Lowndes County School System. It will afford an opportunity for all teachers of the surrounding territory to obtain either graduate or undergraduate college credit for studying whatever problems most concern them.

The bulletin is being released this week. Any student desiring may get one in Dr. Durrenberger's office.

All courses in the following list except P. E. and Secretarial Work will carry credit of five quarter hours or three and one-third semester hours. Courses: Art 140, Public School Art, Biology 110, Human Biology, Biology 390, General Bacteriology, Chemistry 330, Inorganic Preparations. Prerequisite: Chemistry 201, Chemistry 200. General Inorganic Chemistry, Chemistry (advanced in accordance to need of pupil), Education 110. Introduction to Education, Education 365. Educational Psychology, Education 375. Elementary Curriculum and Methods, Education 405. Reading Guidance for Young People and Children. Education 410. Visual Aids in Education, Education 422: High School Curriculum and Methods, English 100; Freshman English, English 250-251. Survey Course in World Literature, English 315: Literary England English 361, The Short Story, History 101: Western civilization, History 420, Early History of the United States, Math 105, Functional Mathematics, Mathematics; (advanced, if there is sufficient demand), Music 230: Survey of Music, Music; Piano and Voice (Private lessons in piano, voice, and violin will be available as during the regular sessions), Physical Education 231: Swimming and water safety, Physical Education 332: Life Saving and Water, Physical Science 110: Survey Course, Secretarial Course 100: Typing, Secretarial Course 110-111: Shorthand, Social Science 111: Survey Course in the Social Sciences, Social Science 210, Contemporary Georgia, Sociology 310: Rural Sociology, Sociology 410: Marriage and the Family.

Teachers and students with high academic records may carry a maximum of two courses—10 quarter hours or 6 2/3 semester hours each term. Other students will carry three courses, 15 quarter hours or 10 semester hours distributed through the entire quarter.

## Girls Entertain Patients at Moody

On Wednesday night the eight girls in Social Case Work Theory Class and Mrs. Talbert, Sociology professor, were hostesses at a party for patients at the Base Hospital at Moody Field.

The girls that went to the party were Jean Rowe, Annette Massey, Maire Henderson, Martha Chastain, Ida Maude McKinnon, Kathleen Hall, Peggy Pressley, and Glynn Hill.

During the evening the girls played games, sang songs, and talked to the boys, in the meantime observing the efficiency of the Red Cross staff in recreational work in hospitals.

## 'The Corn Is Green' Presented by Miss Louise Sawyer

Miss Louise Sawyer, head of the Speech Department, read the play THE CORN IS GREEN for the audience at assembly on Wed., April 4. Portraying the several characters in the play Miss Sawyer presented the story of Morgan, whose mining environment threatened to ruin his chances of getting a fuller education through efforts of his ambitious school teacher.

Miss Sawyer was introduced by Dr. Harold S. Gulliver as "Our First Lady of Drama."

"South of the Border with Disney" a technicolor film was shown at assembly on April 11. This film showed the travels of Walt Disney and his staff through Central and South America.

## Red Cross Drive Successful On G.S.W.C. Campus

The Sociology Club held its monthly meeting in the House in the Woods on April 2. A very interesting and enlightening lecture was given on the Red Cross and its duties by Mr. Allen, the Field Director of the Red Cross from Moody Field. Plans were made for the dance this Saturday night sponsored by the Sociology Club.

The Sociology Club wishes to thank the faculty and the student body for their fine cooperation that made the annual Red Cross drive a big success. The amount collected on this campus was \$248.07.

## Social Calendar . . .

- Saturday, April 14—Dance—8:30-10:30 P. M.
- Sunday, April 15—Vespers 10:15—Annette Manley
- Monday, April 16—Valdosta Club—8:00 P. M.—Y Cabinet—7:00 P. M.
- Tuesday, April 17—Sock and Buskin Club—8:00 P. M., Glee Club—4:10-5:40 P. M., Sports Council—5:00 P. M.
- Wednesday, April 18—Chapel—10:30 A. M.
- Thursday, April 19—Honor Societies—7:30 P. M., Glee Club—4:10-5:30 P. M., Vespers—7:15 P. M.

## Easter Parade Proves "Amusing and Confusing" To Canopy Reporter

By ANNE SHIPP

"It's a bird, no it's a basket, no it's a hat!" Truly the hats in the Easter Parade proved both "amoozin and confusing."

Among the most attractive of the head gear worn by the few that were here on Easter morning were those ranging from Betty June Thompson's beautiful, huge and so very becoming hat of black straw down to Ann King's tiny diamond of black with a wisp of veil and a bunch of dainty pink flowers.

"Speedy" Rowe's hat was one of the most outstanding and she really got envious looks. Hers was a lovely blue lace straw that she wore on the back of her head.

Alice Jane Dancer came out in a black straw beanie that had a stiff veil on which American Beauty flowers were hitched.

Several girls had becoming and dainty hats of veil that had been gathered on to a piece of felt with little bows mixed in among the veil. Two were Edith Jones and Betty McPherson.

"Ritchie" Mayo had a cute sophisticated black straw that was worn over one eye with a short veil with fuschia dots.

Clemmie Lane sported a hat

that certainly was chic—white with orchid roses on one side.

Millie Wisdom looked as if she were wearing a corsage on her nice looking head. Up close you saw that it was a hat (?) S-o-o pretty . . .

Glenn Hill's white felt cloche was very stunning and very stylish.

Cathy Phillips had a brown hat (with matching bag) of gabardine—looked smart with her suit but so small you looked twice before you saw it.

Mutt Carter, another one of those "Big" hat fiends. Lovely hat, Mutt.

Our town girls' heads were adorned nicely too.

Margaret Jones had on a sharp number but to describe the shape is impossible but on her it looked good.

Ann McGowan had on the cutest little white hat. It was a charming contrast with her black hair.

Bobby Jones had on (or supposedly had on) a "half hat" of sky blue lacy straw with thing a duds hanging on each side—

These are just a few of the many gals who were "the grandest lady in the Easter Parade."

## Freshman Class Buys Bed For Refugee Child

As one of their projects for the year, the freshmen have endowed fifty dollars so that a refugee child may have a bed for the next year.

These children go to the sanctuaries or colonies in England at the request of the Lord Mayor of the child's home town, the Government in Exile of the child's native country, the British Women's Voluntary Services, or other recognized welfare organizations.

The colonies are large estates in the English countryside that have been turned over to the British Government for the duration, to be used as homes for these refugee children. This spring a colony was established on the Island of Malta for the children of that often bombed isle. Recently two colonies have been opened in France and one in Italy.

The staff of doctors, teachers, nurses, and house workers all serve without pay, other than their board and lodging.

This project was carried out by a Freshman class sponsored dance and by personal contributions on the part of the freshmen.

## I. R. C. Plans Swimming Party For Last Meeting

At the April meeting International Relations members planned the final of the year, to be held in the form of a swimming and steak supper at Van's. Each dollar spent on the party, the club will contribute an equal amount to the Red Cross.

Miss Mildred Price, faculty sponsor briefly discussed Parliamentary, after which Harriett Arrington, Program Chairman, conducted a quiz on international and historical affairs. This was the final quiz in the traditional annual competition for the club prize. The winner, who holds the highest total quiz score, will be announced at the May meeting.

Following this program, refreshments were served by Simmone Bassett and Dorothy Davis.

**VALDOSTA COCA-COLA BOTTLING WORKS, INC.**

You naturally hear Coca-Cola called by its friendly abbreviation "Coke". Such means the quality product of The Coca-Cola Company.

# Sidelights from Sports Field

By CORINNE DELLINGER

Flash!!! If some day you should go down to the pool and find it half empty you'll know Compton, Cunningham, and Wolff have been down there. Cunningham and Mary Agnes will have splashed their half out and Compton will probably have swallowed the other half.

ATTENTION ALL SWIMMING ENTHUSIASTS!!! "As soon as we can make the swimming pool about three times as large as it is at the present time Johnny Weismuller has promised to pay us a visit. But at present he would only have to take about two strokes to go from one end to the other," quoting Cunningham. For more information on this subject see the dark-haired lady with the lanky arms.

HENRIETTA TARVER WILL GIVE DIVING LESSON TO ANYONE WHO IS WILLING TO PAY 75c AN HOUR FOR HER VALUABLE TIME. IS SHE KIDDING???

Did you see the excitement on the softball diamond one night last week. "Horse" created quite a stir when she leaned over a little too far to catch a ball. Embarrassed, "Horse"???

What's keeping so many Freshmen away from softball these evenings. Don't tell me no one ever taught them how to play. Both teams could use some more players out there.

If the weather man ever makes up his mind about that ever changing subject we might have quite a few people out for swimming on Wednesdays and Saturdays. I know there are lots of "frogs" and "fish" around here if they'd just show their faces so they could be "hooked" by Mary Agnes and Rachel. Those two might have some interesting "bait" on the line. The only way to find out it is to "bite."

LATEST BULLETIN!!! The Kappas are trying awfully hard to win the plaque this quarter and if a few more Lambdas don't get interested enough to stop them they might succeed.

# SPORTS

## Speculations On Past, Future Hikes

One of these lovely moonlight nights, we're going to have another hike. It is really fun to walk along under the stars singing old favorites or maybe just gossiping a little.

After a few miles walk, Dekle and Cunningham have usually though up quite a few ghost stories to thrill the gullible and entertain the interested. There is always more singing around the fire and no one ever knows what Carson and "Fiend" are going to bring out of their bag of tricks next. It might be a silly little game you haven't played in years but which usually turns out to be lots of fun or it might just be some mighty good food.

If you haven't been on one of the Sports Club hikes you'll probably find that you missed out on a lot of fun and if you have been before you certainly won't want to miss the next one.

## Kappas Walk Off With First Softball Game of Season

The Kappas really walked on the Lambdas Wednesday evening in softball to the tune of 15-6. That Red team was certainly on the beam and got in some beautiful plays.

The Kappas were first up and started the game off with a bang, to the satisfaction of a cheering crowd. They gathered in two runs in the first inning, to go unscathed in the second and then punched across three more to lead 5-0 in the first half of the third.

But the Lambdas were getting warmed up and came across with their one good batting spree of the game to bring the score up to 5-4 at the end of the third.

During the next two innings the Kappas added four more runs to their score to make it 9-4 at the end of the fifth.

In a desperate effort the Lambdas added two more runs in the sixth but the Kappas still led by a wide margin.

The next inning was scoreless and should have been the last but both teams agreed to play two more innings and in the last two rounds the Kappas batted across six more runs for a final score of 15-6.

That Red team was really showing its colors Wednesday night with everyone playing good ball, but Newton, Chase, Townsend and Caroline Carter played an ex-

ceptionally good game. A time it seemed the Lambdas rally 'round and get some, but Newton snagged a few beautiful flies to put a stop to the once.

Baldwin did all right for Lambdas at left shortstop, made some nice catches.

The line-up for the two teams was as follows:

- Lambdas
- Catcher Compton
- Pitcher Hinton
- 1st Base Grantham
- 2nd Base Downs
- 3rd Base Sanderlin
- Left S. S. Baldwin
- Rt. S. S. Armstrong
- Left Field Tabor
- CF Virginia Carter
- RF Dellinger
- Subs: Lambda—Bowen and Kappa—Hurn and Sims
- Umpire: Helen Davis
- Base Umpires: Carson and R

## Sports Club Offers Tennis Instruction

Plans are being set up to offer you tennis fiends a chance to get a few extra pointers on strokes and rules of the game if you're interested.

Bea Williams and Tug Wilkin are the very able tennis coaches this quarter and there can be little doubt in anyone's mind that they are capable of helping anyone who wants to be helped.

A tentative time has been set for Wednesday afternoons from 4:15-5:15. The only conflict would be the course in lifeguarding and if enough are interested more plans will be worked out.

So if you have a little trouble with that back-hand of yours or you don't exactly know how to score a game of tennis just let Bea or Tug know about it and they'll help you out.

See Bea Williams or Tug Wilkin as soon as possible and tell them you are interested in this and they'll let you know more about it.

## Fine Arts Welcome Twelve Members

Twelve students have successfully passed the examinations given as try-outs for membership to the Fine Arts Club. These try-outs were held in the Art Studio at 4:00 on April 4.

The new members are: Grace Hiers, Peggy Ford, Hilda Crum, Jean Willis, Colleen Geiger, Bertha Drexel, Mary B. Brooks, Ann Whittle, Peggy Wood, Mary Crum, Margaret Jones, and Isabel McLeod.

At a meeting on April 9, these girls were welcomed into the club by Margie Massey, president. The Constitution and purpose of the club were read and explained at this time and the following committees were appointed.

Virginia Snow, Jean Willis, and Bertha Drexel, to amend a section of the Constitution.

Ann Whittle and Peggy Wood as Co-chairman of the Art Committee.

Peggy Ford as chairman of the Rental Art Collection and Robbelee Pattilla as club reporter.

As an added feature of the program the members of the club drew sketches of each other.
