

The Campus Canopy

FIFTY - SIX STUDENTS MAKE DEAN'S LIST AT VSC FOR WINTER QUARTER

Delta Theta Elects Officers For 59 - 60 Pam Paulk Chosen Chapter President

Delta Theta Chapter of Alpha Delta Pi recently elected and installed a new slate of officers for the coming year 59-60. The incoming officers are as follows: Pam Paulk, president; Jo Segraves, vice president; Elaine Studstill, recording secretary; Marilyn Hughes, corresponding secretary; Chandler Christian, Treasurer; Marie Smith, membership chairman; Patricia Luke, assistant membership chairman; Joy Collier, house chairman; Ann Hattaway, chaplain; Becca McGraw, guard; Gayle Luke, registrar; and Penny Williams, reporter-historian. Jo Segraves and Ann Hattaway are the newly elected Panhellenis representatives.

Delta Theta chapter is also proud to announce that Jo Segraves was elected president of the W. R. H. C., and Sandra Pattillo was elected activities chairman.

The AATT's are sponsoring an "Ugly Man" contest on campus and they urge every club on campus to cooperate and support this project. The money from the contest will be given to the cripple children's fund.

The fee for entering a candidate in the contest is \$1.00. Please give your dollar to either Jo Segraves or Penny Williams, along with the contestants name.

Mr. James E. Martin of V S C Physics Department Lectures On Cosmic Rays

Business Club Holds Meeting

The Business Club met Tuesday, February 24 at the House-in-the-Woods at 7:30.

After a brief business session, the guest speaker was introduced by Silas Pittman, president.

Mr. H. T. Amon, Executive Manager of the Lowndes County and Valdosta Chamber of Commerce, spoke to us about the industries of the surrounding area. He brought out a review of the past years and presented plans for the immediate and future plans.

After refreshments were served, the meeting was adjourned.

**Notice
Be Sure
To Vote
In Coming
Election For
SGA, Class
Officers**

To be perfectly honest about it, what we want most in a new car is us.

If your head is in the clouds, look down now and then, you may be walking in the mud.

The study of cosmic rays was the subject of the second VSC Science Seminar program, which was held on the evening of March 26, 1959 at the North Campus.

Mr. James E. Martin of the Physics Department presented an interesting and informative discussion of the source and properties of the mysterious invaders from outer space, the cosmic rays.

The next Science Seminar program will be on April 9, 1959 at 8:00 P.M. in room 102 at the North Campus. At that time, the speaker will be Dr. Harvey R. Russell of the Public Relations Department of the American Cyanamid Co. in New York City. Dr. Russell has achieved national recognition in the promotion of scientific careers among students in the secondary schools.

The boy walked unresistingly up to his father. "Dad, here is my report card," he said, "and here also is an old one of yours that I found in the attic."

Announcement Made By Dr. Durrenburger

Valdosta, Ga., March 30, 1959

—Fifty-six students at Valdosta State College have been named to the Dean's List according to an announcement by Dr. J. A. Durrenburger, academic dean.

In order to be included on the Dean's List, junior college students are required to have a 2.3 average (out of a possible 3.0, which is an "A" average), and seniors college students must have a 2.5 average for the preceding quarter.

Those named for the winter quarter, and their home towns, include:

Seniors: Miriam Loretta Barnes, Americus; Melba Williams eBssinger, Moultrie; Jeanne Marilyn Cardinale, Valdosta; William Allen Carter, Lake Park; John Robert Coleman, Valdosta; Glenda Jay Ellis, Cordele; James W. Maxwell, Valdosta; Kathryn Spell Moore, Morven; Gordon Lamar Teffeteller, Lake Park; Darlene Sproull Wallace, Valdosta.

Juniors: Juanice Forte, Adel; Eveline (Palsy) Langford, Waycross; James Oren Lewis, Jr., Nashville; Myrtle N. Lofton, Coolidge; Martha Weisman McKey, Valdosta; Glenda Faye Mays, Cordele; Joseph McMurray Patterson, Columbus; Murdine W. Pridmore, Quitman; Doyle L. Wetherington, Valdosta.

Sophomores: Vindetta Manning Anderson, Funston; Robert Lamar Baker, Lenox; Charlotte Ruth Chapman, Albany; Chandler Scott Christian, Valdosta; Charlotte Anne Coppage, Valdosta; Frances Gale Dean, Pearson; Philip Edward Dillard, Thomasville; Dillard Dewey Easley, Adel; Max Harwell Harris, Nashville; Sandra Jean Jones, Albany; Frances Gayle Luke, Valdosta; Paul Joseph McCollum, Thomasville; Lovette Gentry McLeod, Lake Park; Fred Lamar Pearson, Sparks; Marie Converse Smith, Valdosta; Carolyn Lucy Thrift, Cobbtown;

Freshmen: Mary Janice Brantley, Quitman; Margaret Fleming Cook, Thomasville; Peggy Idella Crew, Cairo; Richard Arden DeLoach, Valdosta; Sandra Elizabeth Ford, Valdosta; Carolyn Elizabeth Garner, Thomasville; Beverly Ann Greene, Valdosta; Mamie Laura Herring, Lake Park; Mary Sandra Holland, Hartsfield; Michael Nevins Laslie, Attapulugus; Sandra Elizabeth Massey, Columbus; Donald Edwin Pritchett, Valdosta; Lucy Bedell Proctor, Woodbine; Betty Ruth Purvis, Alapaha; Tommy Joseph Thomas, Valdosta; Willie Daughtrey Watson, Lakeland; Earl G. Weldon, Jr., Habira; Walter McConnell Whitehead, Valdosta.

Special students: Alton Miller Johnson, Jr., Valdosta; Volker G. E. Sellin, Ulm, Germany; Martha Nalley Stansell, Quitman.

Professor: "Does the question embarrass you?"
Student: "Not at all, Sir. It is quite clear. But, the answer does."

Priscilla Busby Elected YWCA President Installation Ceremony Performed Mar. 30

Dot Harrell Elected Prexy of Alpha Xi Delta Sorority For Coming School Year

The Alpha Xi Delta sorority held election of new officers February 5th. Those elected were: President, Dot Harrell; Vice President, Laura Nell Bowen; Treasurer, Charlotte Chapman; Recording Secretary and Marshall, Sonia Sutton; Corresponding Secretary and Chaplain, Linda Gail Key; Membership chairman, Rena Hanahan; Journal Correspondent and Historian, Connie Jones. These new officers took office March 5.

Recent activities of the Alpha Xi's included a spend-the-night party on March 27, in the home of Angela Smith, and a cake sale March 28.

Of interest to all dormitory girls! The Alpha Xi Delta sorority sells refreshments during the break on every Wednesday and Sunday night.

Gamma Mu Sponsors Dr. J. Ralph Thaxton In "Ugly Man" Contest At VSC

Winter quarter proved to be a very successful one to Gamma Mu Chapter of Kappa Delta, in that she was rated first, scholastically, among the three sororities on campus.

For the "Ugly Man" contest that Alpha Delta Pi is sponsoring, Gamma Mu has chosen Dr. J. Ralph Thaxton for her candidate. Gamma Mu urges everyone to vote for the candidate of your choice.

At the last few meetings, Gamma Mu has discussed the plans of remodeling the Kappa Delta rooms in Converse Hall and hope to carry these plans through in the near future.

Fund-raising projects have also been discussed to make money for the remodeling of the rooms.

Among those in Gamma Mu who have received honors recently are Leslie Brown and Mary Slade, who were elected secretary-treasurer respectively.

Candle lighting and white dresses were part of the installation services of the Y.W.C.A. on March 30, 1959. The private dining room of the college was beautifully decorated as the Y.W.C.A. joined together for the event.

After the evening meal, Miss Mary Jo Norman, retiring president from Norman Par, took charge of the service. Mrs. A. W. Quillian, Ashley Hall House Councilor installed each officer as they took oath and lit their candle.

Incoming officers for the year of 1959 and 1960 are: President, Priscilla Busby, Moultrie; Vice-President, Leslie Brown, Griffin; Assistant Vice-President, Carolyn Thrift, Cobbtown; Secretary, Faye

Howell, Iron City; Treasurer, Beverly Turner, Richland; Membership Chairman, Pat Tolar, Jakin; Music Chairman, Latrelle Reynolds, Sylvester; Publicity Chairman, Betty Lou Roebuck, St. Simons Island; Social Chairman, Carol Hart, Quitman; Ways and Means Chairman, Gayle Dean, Pearson; Chaplain, Saralyn Drinkwater, Bainbridge.

Much gratitude is extended to the outgoing officers for the work and progress they have done in the past year. Together with Miss Thera Hambrick the Y.W.C.A. hopes to again make such progress. Guest of Honor for the evening was Mrs. Wisenbaker, Dean of Women.

Travels of Marco Poboy

by Gene W. Deal

Most of us have at one time or another heard of the noted 13th century traveler, Marco Polo. Few of us, however, have heard of his predecessor, Marco PoBoy.

Marco PoBoy, as a child, had a vision in which appeared magnificent white buildings and dingy yellow people. This was odd, because Marco PoBoy had only seen magnificent white people and dingy yellow buildings. No one had even heard of yellow people and thought he was crazy, so they forced him to leave his native Italy.

He tried to go west, but came to a large lake bearing the sign, "Reserved for Christopher Columbus." Then he turned north, but ran into a land of zombies where everyone spoke with a cock-eyed accent and tried to serve him something called crumpets, but he couldn't stand the wine they served with them.

Heading south he crossed a small lake in the middle of the earth. Here was a land of eternal night, peopled with dark little midgets who, upon seeing him, slapped their lips together and said, "White meat!"

Traveling eastward at a high rate of speed Marco PoBoy soon came to Big Daddy, the center of Rugland. Here he bumped into a crazy tentmaker who went around spouting poetry about bread and wine and moving fingers and other nonsensical subjects until he was sent off into the wilderness with his girlfriend and a chaperone.

Afraid of running into those cunning black runts if he returned to the west, he continued on eastward, and the first thing he knew he was in the middle of Indian territory. Stalking around he spied a gigantic white marble teepee, which the great shaman Gandy said was the Tag of His Hall, which is a crazy name for a teepee.

Riding out through the Khyber Pass while he still had his scalp, Marco PoBoy passed this series of signs: "Ah - Canna' - Stan' - Tidbits - Burma Shave!" By the "Tidbits" sign he saw Salvador Dali's Llama, a surrealist figure having six arms.

At last he came to the city of Peeking, so named because so many Toms lived there. Confusion reigned supreme in this city. They called him Confusion because, though he was the wisest man in the world, he talked so much that he confused everybody else.

Inquiring as to what country he was in, Marco PoBoy learned that it was Camay, the Land of Beautiful Women. In fact, the women were so beautiful that a great wall had been built to keep men of other nations out.

One of the mightiest of Camay's warriors, Genghis Ean, tried to conquer the world, but he was stopped by his brother, Genghis Kan't. Another ruler of Camay, Mao The Tongue, also had a famous brother. His brother, Dao, worked on a banana boat.

At the time Marco PoBoy was there, the Island People, led by Tonto and Horrible, invaded Camay. He was amazed at the ease with which Camay's trained tigers, bossed by Clear Chin-up, were able to swat down the wasps which the Island People sent to paralyze Camay with their venom. Marco PoBoy was chased northward by one of the wasps into a salt pit, but he didn't like the climate there so he went back south to Camay.

This time he discovered the fragrant spices of Camay, and was so fascinated by them that he bought a pack of cigarettes and took some of the spices back to Italy with him. Of course the laws of his native land only permitted him to marry Ginger, but he kept her sisters Pepper and Nutmeg as servants.

And thus Marco PoBoy brought to a close his many glorious years of searching the face of the earth for peace of mind—which his wife and sisters-in-law gave him for the rest of his days until he died from constant exposure to such a spicy atmosphere.

Mr. Cottingham Accepts Position With Furman University

Mr. Walter Cottingham, athletic director at Valdosta State College, has resigned his position here to accept a new position as assistant professor in the Physical Education Department at Furman University in Greenville, S. C.

The primary reason for Cottingham's resignation was because his new position will place him nearer Camp Pinnacle at Hendersonville, N. C. He has been a senior staff member there for several years, and he is to be the program director at the summer camp this year.

Coach Cottingham, who is 39 years old and was born at Greenville, S. C., came to Valdosta in 1947 where he was director of Physical Education at Emory Junior College, which is now the

North Campus of Valdosta State. He served at Emory Junior from 1947 to 1953 when the college closed. Cottingham, previous to the closing of Emory Junior, had worked on a part-time basis at V.S.C., beginning in 1950, teaching men's physical education classes.

The athletic director at V.S.C. took over full time in 1953 and began intercollegiate basketball and baseball in 1954. Coach Cottingham, hampered by weak teams, failed to produce a winner.

This year he was relieved of the coaching duties as Gary Colson took over as the baseball and basketball coach. Cottingham was elevated to the position of athletic director and head of the physical education department in the men's

Letter To The Editor

Dear Editor,

I wish to commend you for the appearance of the last issue of the paper. To me it represented the epitome of what the Campus Canopy should appear as. I am very interested in our campus newspaper, and I would like to see more issues of the last's ones caliber.

Editor, if I may, I would like to present some advice which I think would improve the quality of the paper. First, fill all vacancies on the staff and discard those who are not working, have a definite deadline for all articles and enforce it, encourage people other than those on the staff to contribute, give some sort of citation for the best story of the year.

Your problems won't be solved in the first issue, and I doubt if you will fill three pages, but after the student sees a lot of blank space eyeing him, he will respond to the occasion.

Dillard your sport page really looked good and try to see if we can't have more of Po Boy and his adventures, also try to revive the Campus Poll and add some book reviews.

There is a lot of literary talent on the campus, why not contact some of the English professors and see if the Canopy can't use some of the better freshman themes also check with the Creative Writing Class. Let's begin to utilize some of our resources on the campus. After all it is the students paper.

Sincerely yours,
Pilas Dogood

group.

In his new job at Furman, Cottingham will teach theory courses, activities courses and direct intramural activities.

Athletic director Cottingham graduated from Emory University in 1940 where he received a Bachelor of Art degree. Cottingham entered the Army in January, 1942. He graduated from OCS school at Fort Benning, received a commission, and became the leader of a tank company. He was discharged from the Army with the rank of a first lieutenant

Math-Science Newsletter

Ensign Lester Haymons, last year's editor of the Campus Canopy, writes from San Francisco that he is assigned to the U. S. S. Oriskany, a carrier which was commissioned on March 7. His primary job is assistant signal officer but he has some collateral duties of which Operations Administrative Assistant is the one he likes best.

The officers of the Thomasville High School Scope Club asked permission to visit the science classrooms some Saturday morning at our convenience. They were invited to come during High School Senior Weekend and approximately twenty members spent the morning of March 7 with us. Mr. Mason Morrow, their faculty advisor, accompanied the group. He explained that membership in the Scope Club is based upon both scholarship and interest. Their other trip for the year is to be a visit to the Science Fair at Florida State University.

Mr. Wayne Faircloth, V.S.C.

alumnus from Whigham, Georgia was selected as Teacher of the Year in 1958. This year he is doing graduate work at the University of North Carolina on a scholarship from the National Science Foundation and hopes to receive his masters degree this summer. He is taking Advanced General Botany, Advanced General Zoology, Physical Chemistry and a course in Science Instructional Methods. The fifty teachers in this program at Chapel Hill represent fourteen states. Wayne says that the only other person from Georgia is another V.S.C. graduate.

Mr. James E. Martin is to be a judge in the physics section of the State Science Fair to be held at the University of Georgia on April 16.

Miss Nancy Southwell, who is doing graduate work in mathematics at Emory University, is a candidate for a master's degree in August.

DILLARD ENSLEY

AS I SEE IT

Well baseball season has officially started, and a first hand analysis shows that it will be another "free for all" struggle in the National loop.

Fred Harvey says it will chiefly be a three way battle between Milwaukee, Pittsburg, and San Francisco, and he believes the Dodgers will make a strong bid for first division and may even be a dark horse in the race. The Cubs, Cards, and Phillies will also contribute to the battle with their occasional sensational streaks.

Oh, you may talk of Ernie Banks, and McDougald of the Yanks, and the fancy duns who never lose their poise. But when it comes to guts, there's just no ifs or buts, He's way ahead of all the other boys. In L. A.'s smoggy clime, where I spend my useless time watching Duke and Don and Mamie Gilliam's Jim, of all that Dodger team, the bravest man I've seen is our regimental shortstop, Donald Zim! For it's "Zim! Zim! Zim! You limping lump of shortstop, Donald Zim! Catch 'em on your pug-nosed face, throw 'em out from any place, you limping lump of shortstop, Donald Zim!" — with apologies to Coach Rudyard Kipling.

Baseball quips: Rocky Colovito once thru a baseball over centerfield fence in Indianapolis — standing at homeplate . . . he also heaved a ball 435 feet at San Diego . . . Ryne Duren hit a man in the on-deck circle while pitching at Phoenix . . . Jackie Jensen was an All-American back at Cal. . . Babe Ruth actually weighed 258 pounds when he stroked 60 homers, but he was listed as 230 . . . Stan Musial gets lower in his crouch each year . . . Giant players believe Cepeda is faster than Mays . . . Ted Williams spat when he poled his 400 HR . . . Frank Thomas once studied for the priesthood . . . Ty Cobb says Bill Mazeroski is a sure pick to make Hall of Fame . . . Albie Pearson is actually shorter than 5' 5" and weighs 133 pounds . . . Banks has 20/13 vision . . . he also high-jumped 6' at Booker T. Washington High School . . . Casey Stengel went to the plate while playing for the Dodgers, lifted his hat and a sparrow flew out . . . the Dodgers dished out \$880,000 in bonuses last year . . . Dave Nicholson, \$110,000 bonus king of Orioles, finished the '58 season at Dublin in the Georgia Florida league.

in December, 1945.

After his discharge he entered the graduate school of the University of North Carolina, here he received his Master degree in Physical Education in August, 1947.

Mr. Cottingham is married to the former Dale Parrish Grier, and they have five children, Mike, Mary Lynne, Walter, John, and Nancy.

The Canopy Staff joins the many other well wishers in wishing Coach Cottingham a most successful future in his new position at Furman.

Sig Eps Defeat TKE's 26-14

Sig Eps opened their intramural softball season with a 26-14 win over the Teke's behind the pitching of Johnny McIntyre.

Buck Ethredge and James Davis both members of the starting nine for the VSC Rebels are batting .143 and .333 respectively.

Bobby Coleman, Sig Ep president suffered a broken collar bone in the recent Sig Ep-TKE softball game. We wish you a speedy recovery Bobby.

Something Of Value

By Lamar Pearson

The baseball season is in full swing at Valdosta State College with the printing of this issue. Thus far the Rebels have been at home, entertaining the Piedmont Lions and Mercer University.

It has made a wonderful impression to see the number of students that have turned out for the Rebel home games so far. Attendance, such as this, always inspires the athletes to do their best, and you can be assured that a lot of good baseball is in store for the V.S.C. fans.

The team this year possesses more balance than any previous Rebel squad. There is a tremendous amount of talent on the squad and it is just a matter of time until the Rebs find the combination and reach their potential. For perhaps the first time in the school's history of intercollegiate sports the pitching is strong, there is depth behind the plate, and the infield and outfield positions are filled with capable performers.

A few costly blunders made at the right time and a strange quietness of the Rebel bats cost the team the two game series with Piedmont. However, many sparkling defensive performances were turned in, and the fans saw a hustling, aggressive group of athletes perform for their Alma Mater.

This year we have a new coach at the throttle, he is none other than Gary Colson. He has the Rebels steamed up and has instilled in them a fervent desire to win and he has instilled in the players, the confidence that they need to produce on the diamond. True it is that he has found the going rough, so far, but the picture wasn't always pretty with the basketball team; yet he brought the Rebels a winner. The Rebel machine is a potent one, there is competition for most of the positions, and every athlete is having to produce to retain his position.

Athletics at Valdosta State are losing an important personality, with the resigning of Athletic director Walter Cottingham. Coach Cottingham has accepted a position on Furman University's Physical Education faculty and will assume his new position in September.

Athletes new and old, as well as students, will never forget Mr. Cottingham. He has been Coach, teacher, and friend. We will remember him as the originator of intercollegiate sports at V.S.C. Taking a handful of men, and always hampered by insufficient material, he directed the fortunes of Valdosta State's Athletic teams from 1954-1958.

Students will always remember him in assembly programs for his announcements of coming games, his requests to support the Rebs, and they will never forget his enthusiastic "Let's go Rebels" yell. Coach never produced the winning combination, but he instilled something in his athletes and the people that he came in contact with, that will last long after their athletic days are over.

The ideal of sportsmanship, the attributes of character, a desire to win, and most of all clean speech and clean living. Coach was the epitome of all of these ideals and he inspired his athletes to try to achieve them always.

A person just couldn't stay around the coach and fail to have profited from the contact with him. Some of the results he has strived for have been a long time coming, but students of years gone by are today thanking him for the influence he has had on their lives.

Those who have played on his team and those who have been in his classes know him as a true christian gentleman. Mr. Cottingham influence will be felt for a long time and you can rest assured that his interest in V.S.C.'s students will never wane.

Good thing I've a wife to nag me, or I wouldn't have got out of my old working clothes in time to meet our Rosie's new date — a nice kid in beat-up shoes, sloppy sweater, and baggy jeans.

There's a mighty big difference between good, sound reasons and reasons that sound good.

It may be surprising to find that heights may be attained merely by remaining on the level.

Our wives insist they're as much entitled to coffee breaks as office girls are. "Trouble is," one of them complains, "we'd have to make it ourselves."

Rebels Lose Two Games To Piedmont; Faulkner Leads VSC In Hitting Department

Sig Eps Holds Chapter Hayride; Sponsor Numerous Activities

On Saturday, March 28, the Sig Ep brothers held a combination hay ride and weiner roast. We wish to publicly thank the Sheriff's department of Lowndes County for helping us make it a success. On the way back to town our truck broke down, and the Sheriff Department came to our rescue by loaning us the Junior Deputy bus, so that we were able to continue our party.

The House-in-the-Woods was the setting for our Spring Rush Party. A nice crowd attended, and an enjoyable time was had by all. Some of the new pledges to Sigma Epsilon Colony are: Buck Ethridge, Doug Parrish, and Johnny McIntyre, all members of the Rebels basketball team; Albert Schroer, Jim Anderson, Alton Allen, Harlmon Brooks, Jimmy Arnold, and Ben Force. We are all glad to have these boys join our ranks.

The Sig Eps were proud of their brother Buck Ethridge, who was awarded the trophy for getting the most rebounds during the past basketball season. Buck also made the all GIAC Conference Team, and landed a second team berth on

the GIAC Tournament Team. I know all are looking forward to seeing Buck operate on the hardwood again next year. We are also represented by three of our brothers on the Varsity Baseball team. These are: Buck Ethridge, pitcher-outfielder; James David, first baseman; and Willard Griffis, Utility infielder. Mike LaHood also a Sig Ep is manager of the team. One of the projects of the Sig Eps is the selling of concessions at all home games. The Sig Eps are supporting the Rebels how about you?

All the brothers were pleased to learn of the recent engagement of their Sweetheart, Pam Paulk to Jim Nichols, a resident of Valdosta and who now attends the University of Georgia. Congratulations from your brothers Pam.

We would also like to thank both the A A and AATT Sororities for their kind gestures towards us. The A's have graciously extended us an invitation to attend a dessert party to be held later in the month, and we are more than happy to accept. The AATT have presented us with a beautiful bible engraved with the Sig Ep crest. Girls, we sincerely thank you.

Bob Hannelly, Ph.D., breezed in to say good-bye. "Off to Florida," he announced, "to get some of all the hot sun I went to Canada to get away from last summer."

R Somewhat or other, as we get older, work seems a lot less fun and fun seems a lot more work.

The Rebels dropped their first two games to the Piedmont squad to the tune of 4-2 and 8-4. The typical Rebel tradition of having a rough go in the early inning proved to be the deciding factor in both tilts as the home boys had to battle out of the mire.

Wet grounds, which were filled with bogs and puddles, kept the Rebs from taking pre-game batting exercises, and this factor was quite evident as the team could only muster five hits.

In the second meeting, the boys came through with a total of nine safeties, but to no avail as the Piedmont squad took advantage of eleven hits and five Rebels miscues for a 8-4 victory.

In the first game the home nine gave up an unearned run and put hurler Mike Hampton in the hole to begin with. However, Hampton scattered nine hits well over the seven inning contest, and the problem was the inability to get him any runs.

Shortstop Hansel Faulkner led the Rebel attack in the opener by picking up two base raps in three journeys to the plate.

Two unearned runs in the second game gave Rebel pitcher Buck Ethridge a disadvantage and the five errors committed put the pinch on even more. And even though the Rebels smashed out nine hits in the contest, most scoring efforts were wiped by poor timing and errors in judgement on behalf of the base runners.

The hitting attack was led by Hansel Faulkner as he rapped a single, a triple, scored two runs, and walked twice. Also, Tommy Thomas collected two singles and drew a pass in the ninth inning rally.

Team morale is pretty high, and the players give their best efforts in every outing. They all feel that the breaks will come their way, and pretty soon at that.
