Last Tuesday night Miss Penny Williams the Miss VSC for the year 1960 gave me an exclusive interview for use in my column. When I finally got her calmed down enough to speak she told me this when I asked her how she felt on being chosen as Miss VSC 1960, "I'm so excited I could die."

When I asked her what it felt like being a beauty queen what she said was something I was not able to translate. She felt what really won for her was her dress.

Her mother made it. This led me to ask her mother, Mrs. Ralph Williams, what it felt like to have a beauty queen in the family. She replied, "It feels wonderful."

And so a very, very elated girl went home to bed with wonderful dreams dancing in her head. That is if she slept any at all. The other finalists should be congratulated as well as all contestants. They all did a fine job.

If you remember after the Calendar Girl Contest, I wrote in my column that the Independents had run away with that contest. Well, being a fraternity man, I was at once besieged the next morning by a group of sorority girls for putting that in even if it was so.

But turn about is fair play. Therefore I have to say that the sorority girls ran away with the top prizes in the Miss VSC Pageant. And they did at that!

PENNY WILLIAMS IS CROWNED "MISS VSC" 1960: Gloria Reagan, Joy Kennedy, first runner-up, "Miss VSC", Molly Coleman, second runner-up, and Barbara George.

Penny Williams Crowned Miss VSC

By Ann Powell

The crowning of Miss Penny Williams as Miss VSC brought to a climax the 1960 Miss VSC contest. Miss Williams succeeds the 1959 Miss VSC Mary Shadburn.

The sixteen contestants in the contest sponsored by Pi Kappa Phi fraternity were judged on the basis of charm, poise, and talent.

Five semi-finalists were chosen and from these the first and second runner-ups were named as well as Miss VSC. First runner-up was Joy Kennedy and second was Molly Coleman. Other finalists were Barbara George and Gloria Reagan.

The other contestants were: Vonnie Williams, Robin New, Sue Wright, Elizabeth Brooks, Toni Steele, Carole Lee, Marilyn

Hughes, Margaret Davis, Barbara Jean Walker, Joyce Ann Thomas, and Fay Fussell.

To display her talent Miss Williams performed a classical ballet. Joy Kennedy did an interpretative dance as a French maid, Fifi. Molly Coleman gave a reading from JOHN BROWN'S BODY. Barbara George pantomimed Eartha Kitt's "Monotonus" and Gloria Reagan played "To Love Again" from the Eddie Duchin Story on the piano.

Snow-covered pines, snowmen, and icicles helped carry out the "Winter Wonderland" theme and Miss Kay Domingos set the mood by singing the theme song "Winter Wonderland" to open the program. Ray Mercer of WGOV was Master of Ceremonies and Mrs.

Dorothy Carter directed the program.

During intermission the audience was entertained by Hansel O'Steen, Charles Corbett, Ted Barfield and Ernie Cortez and the Crecaendos.

Judges for the contest were Captain Albright, USAF; Mr. Jake Hayes, O. I.; and Mrs. Cunningham of the Quitman speech department.

Commenting on being chosen Miss VSC, Miss Williams said, "I'm so thrilled! I've never won anything before in my life. I'm so happy! She said of her sponsor, Tau Kappa Epsilon Fraternity, "I couldn't have had a better sponsor; they're all mine and I love every one of them."

QUESTION

By Septhen W. Sevits

On November 21, 1959 there was a dance in the Student Center and only a few people attended. The largest group were not college students, but high school students coming over after the game.

It seems that weekend activities or rather the lack of them follows a definite pattern which is: THERE ARE NO REAL WEEKEND ACTIVITIES BECAUSE THE STUDENTS GO HOME AND BECAUSE THE STUDENTS GO HOME THERE ARE NO WEEKEND ACTIVITIES.

Jim Broxton, President of the SGA, is proposing a student commission to investigate the prevailing lack of spirit which the students of this institution display.

The participation of students who remain on campus is at a low ebb also. The girls seem to evaporate about 7:30 p. m. and leave the boys to watch television or visit the legion or some other illustrious institution of the same sort.

The students who remain on weekends are usually here by necessity rather than choice since the weekends are relegated to the position of an ordeal rather than a vacation. How many times I have heard, "Boy will I be glad when Monday comes around and there is something for me to do". In my freshman year I attended college in Pennsylvania which was about the same size as VSC. There were between 25-75 students on campus on weekends and we had a ball. There was always something going on there. We always have 25 to 75 on this campus during weekends, but there is one essential thing lacking here. Bluntly it is the spirit of cooperation and consideration.

Here the average person thinks that if he can participate with his or her won little group that is enough. This is not the right attitude to take when there are other people concerned.

The reason why we never have a social event that is a success is because everyone takes the stand that the other fellow should do it. At the magnificent concert last Monday night, there were less than a dozen students in attendance. Surely everyone didn't have a sick aunt or an exam on the next day.

It is my sincerest belief that if everyone who could, would put a little effort into the spirit of group cooperation this school could be the "hottest" institution in the South. Weekend moonlight hikes, hot dog roasts, informal parties all cost time and effort on the part of the students but wouldn't they be fun? If the students take the first step, the faculty would be more than willing to lend a helping hand in any possible, (this offer came directly from a faculty member).

How many times have you heard that, "I'm going home and do nothing because it's too boring around here"? This attitude of not participating seems to point out that the students concerned are just too immature to be in college and away from home. They have to be constantly entertained rather than foraging for themselves. The next time that you sit around on a dull weekend remember it is your own fault just as well as everyone else's.

"The ability of being able to invent ones' own diversion is a characteristic found only in the mature mind."

MUSICAL NOTES

ATTENTION music lovers - - more members are needed in order that we have a Band. Say, where is our spirit - - don't you want to have a band? Come on out and join, or the band will be discontinued after this quarter.

Maggie called WGOV and has the latest on the top ten hits of the week. They are:

- "Don't You Know" by Della Reese.
- "Mack the Knife" by Bobby Darin.
- "Mr. Blue" by The Fleetwoods.
- "Deck of Cards" by Wink Martindale.
- "Primrose Lane" by Jerry Wallis.
- "Put Your Head on My Shoulder" by Paul Anka.
- "Seven Little Girls in the Back Seat" by Paul Evans and Pearl Curls.
- "Unforgettable" by Guy Mitchell.
- "So Many Ways" by Brook Bennett.

Characters of "Angel Street" take a well-deserved curtain call. They are (l to r) Gabriel Saliba, Nancy Raines, Jerome Clegg, Marilu NeSmith, George Hubert, JoAnn Rabun, and John Massey.

Sock And Buskin's 'Angel Street' Is A Tremendous Success

Those who were fortunate enough to see "Angel Street" on Nov. 18 and 19, can say that they were well entertained. Each member of the cast did an excellent job in developing his or her character, ignoring the fact that some of the parts were extremely difficult to portray.

The costumes typified life in London in 1880, and the story concerned the solving of a fifteen-year old murder. Mr. Manningham, played by Jerome Clegg, had killed old Miss Barlow in order to obtain her jewels. Being unable to locate the je-

wels on the night of the murder, he married Mrs. Manningham, played by Marilu NeSmith, acquired the dead Miss Barlow's house and continued his search for the jewels. Thinking that his wife might know too much, he tried to drive her to insanity by making her think that she was experiencing lapses of memory.

The whole plot was foiled by the detective, Rough, played by George Hubert. Other members of the cast were, Nancy Raines as a maid, Nancy; Jo Anne Rabun as the housekeeper, Elizabeth; and Gabriel Saliba and John Mas-

sey as Policemen. Suspense reigned throughout the play, with George Hubert and Nancy Raines supplying excellent comedy relief."

The attendance at both performances was very good. Credit should go to Miss Louise A. Sawyer, the Director, who can tell you the problems involved in the preparation of such a production. Those who missed "Angel Street" missed one of the best amateur performances that I have ever seen.

The Latest Word

After a few days of vacation, are you ready to settle back down to classes and ready to face the "fateful" finals? In only about two more weeks another quarter of your college life will be past - ain't that great? Hope all those folks who found their name on the "black" list are off and tops in their classes!

It seems that Greek Week was a great success on the VSC campus this year! Even though there was a great deal of competition in some of the events and someone had to lose, everyone had fun and it seemed to promote a much closer relationship between the fraternal organizations.

At the "Kick-Off" on Friday afternoon the candidates for the Greek God and Goddess were introduced and voted on. These were as follows: for Goddess, Penny Williams, Alpha Delta; Martha Sue Bragg, Kappa Delta; Jean Hooks, Alpha Xi Delta; Virginia Lamb, Kappa Delta; Louise Wight, Kappa Delta; God, Tommy Sessions, Sigma Epsilon; Tony Corso, Pi Kappa; Bernie Brown, Tau Kappa; John Jackson, Pi Kappa; and Ken Farrell, Pi Kappa.

After supper Friday night a competitive song fest was held in the gym, with each fraternity and sorority competing. Coming on top in the fraternity group was Tau Kappa Epsilon, and in the sorority division the Alpha Delta Pi group captured the honors. During the informal dance later that night the fraternities entertained the group with skits. Top place was gained by TKE.

Greek spirit ran high on Saturday afternoon when the organizations vied in the Olympics. The organizations competed in various events while the fraternities held various events. The girls from Alpha Xi Delta won the blue ribbon for the afternoon in the sorority competition, while Sigma Epsilon captured the same in the men's division.

The climax and end of the week came on Saturday night with a formal dance held in the gym. Beautiful decorations of red, white, and blue, the couples enjoyed dancing to the music of Al Fisher and his band. During the night awards were given to the winners of the various events and the Greek God and Goddess were announced. The applause was tremendous as the names of Tommy Sessions, Sigma Phi Epsilon, and Virginia Lamb, Kappa Delta, were called and crowned the Greek God and Goddess of 1959.

The sisters in Alpha Xi Delta would like to thank their pledges who took part in the Olympics week-end during Greek Week. Those participating were Paula Judy Whorton, Martha Harlan, Janice Postell, Patricia Herndon, Beverly Bridges, Gloria Morgan, and Pat Hunter. The pledges of Alpha Xi are sponsoring a campaign to support the

VSC band, and are also selling sandwiches in the dorms on Sunday nights.

On Saturday night, November 20, the Tau Kappa Epsilon Fraternity held an informal party on the banks of the Withlacoochee River. Hot-dogs were served to the thirty guests who were present. The fall pledge class was in charge of the event. Chaperones were Mrs. Gertrude Odom and Mr. and Mrs. John Nossick.

The members of Kappa Delta Sorority were very pleasantly surprised on Thursday evening, Nov. 19, when the pledges served the sisters a buffet supper. After the meal was finished the group enjoyed singing. Another surprise then came when the president of the pledge class, Martha Sue Bragg, presented from the entire pledge class of the chapter, Sandra Massey, a beautiful pair of silver candlesticks to be used in the room.

VSC Glee Club To Present Concert

The VSC Glee Club will present its annual Christmas Concert on Tuesday evening, December 8, at 8:00 o'clock in Pound Hall Auditorium on North Campus.

Indications are that the program this year will be one of the finest yet presented by the Glee Club. Designed to carry out the Yuletide message, the program consists of a variety of Christmas choruses and traditional carols. Stage decorations and lighting effects planned by members of the Glee Club will assist further in proclaiming the warm message of Christmas.

There is no admission charge to the program. Students and faculty are cordially invited to attend.

Dr. Durrenburger Liaison Officer

The Danforth Foundation, an educational foundation located in St. Louis, Missouri, invites applications for the ninth class (1960) of Danforth Graduate Fellows from college senior men and recent graduates who are preparing themselves for a career of college teaching, and are planning to enter graduate school in September, 1960, for their first year of graduate study. The Foundation welcomes applicants from the areas of Natural and Biological Sciences, Social Sciences, Hu-

A basket for a needy family was given by the girls of Alpha Delta Pi for Thanksgiving. The ADPI's are also planning a good time for December 4, at which time they will hold a slumber party at the Lakes. The party will be given for the pledges by the sisters.

Sunday evening, November 22, the brothers and sponsors of TKE were entertained by Mr. and Mrs. C. L. Worley at their home on North Street here in Valdosta. The chapter sweetheart, Penny Williams, assisted Mrs. Worley in serving refreshments from a beautifully decorated table. There were about 25 callers between 5:00 and 6:00.

Congratulations go out from the members of Alpha Delta Pi to the girls who were listed in Who's Who. These were Gail Luke and Jo Seagraves.

manities and all fields of specialization to be found in the undergraduate college.

President J. R. Thaxton has named Dr. J. A. Durrenberger as the Liaison Officer to nominate to the Danforth Foundation two or not to exceed three candidates for these 1960 fellowships. These appointments are fundamentally "a relationship of encouragement" throughout the years of graduate study, carrying a promise of financial aid within prescribed conditions as there may be need.

The maximum annual grant for single Fellows is \$1500 plus tuition and fees charge to all graduate students; for married Fellows, \$2000 plus tuition and fees charged to all graduate students with an additional stipend of \$500 for each child. Students with or without financial need are invited to apply.

A Danforth Fellow is allowed to carry other scholarship appointments, such as Rhodes, Fulbright, Woodrow Wilson, Marshall, etc., concurrently with his Danforth Fellowship, and applicants for these appointments are cordially invited to apply at the same time for a Danforth Fellowship.

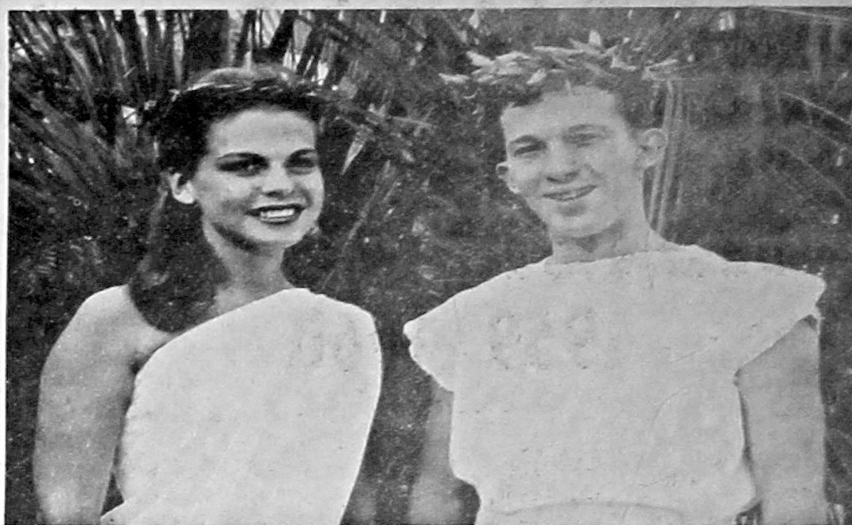

If a man received the Danforth Appointment, together with a Rhodes Scholarship, Fulbright Scholarship, or Woodrow Wilson Fellowship, he becomes a Danforth Fellow without stipend, until these other relationships are completed.

All Danforth Fellows will participate in the annual Danforth Foundation Conference on Teaching, to be held at Camp Minnawana in Michigan next Sept., 1960.

The qualifications of the candidates as listed in the announcement from the Foundation are: men of outstanding academic ability, personality congenial to the classroom, and integrity and character, including serious inquiry within the Christian tradition.

All applications, including the recommendations, must be completed by January 31, 1960. Any student wishing further information should get in touch with our Liaison officer.

GREEK WEEK GOD AND GODDESS

Virginia Lamb And Tommy Sessions

Very Interesting People Of The Week

By Sandra Pattillo

This week the two very interesting people are the Greek God and Goddess chosen to reign over the recent GREEK WEEK, Virginia Lamb and Tommy Sessions.

Tommy is a junior from Valdosta. He is the president of his fraternity, Sigma Phi Epsilon, Vice President of the Circle K Club, Treasurer of the junior class, and Secretary of the I. F. C. His major is Accounting and his hobbies are hunting, and fishing. He also enjoys skiing, basketball and football.

He must be some man, because

it was heard that Jeannie told him that she never knew what to expect because one day she was going with a boy, the next day a girl and the next day a god. The girl part was in the skit his fraternity did during Greek Week.

Virginia is from Thomasville, and is an Elementary Education major. She is a sophomore, Vice President of Kappa Delta Sorority, Panhellenic Representative, Calendar Girl for TKE, Sweetheart of Sigma Phi Epsilon, and one of the Calendar girls to appear on the VSC Calendar.

Virginia enjoys sewing, cooking and all kinds of sports.

English Club Meets Alpha Chi

The English Club had a very enjoyable time at their recent luncheon meeting. This was the first such meeting the group had and they plan to continue.

The meeting was held at the Private Dining Room of the college Cafeteria. Present in addition to the members were Mrs. John Odum, faculty advisor to the group and Miss Wister Jean Cook a member of the VSC English Department.

A very interesting program was presented by Jerome Clegg, who read some of the more favorite and well known speeches from a number of Shakespeare's plays as well as some of his sonnets.

The officers for the year of 1959-1960 are: Laura Nell Bowen, president; Gene Deal, vice-president; Gail Parrish, secretary; and Juanice Forte, treasurer. They were installed at this meeting after which a reception was given honoring the new members.

The surest way to get a job done is give it to a busy man. He'll have his secretary do it.

You don't have to lie awake nights to succeed. Just stay awake days.

REBELS DEFEAT NORMAN PARK 76-71

Valdosta State College Basketball Schedule 1959 1960

By Lamar Pearson - Sports Editor

The Rebels really let the local fans down a lot Thursday, Nov. 12, when they barely managed to defeat Norman Park Junior College 76-71. Last year the Rebels ran up a score of 100 points, and last year's team didn't have half the potential that this year's team has.

Buck Ethridge pumped twenty-two points through the basket and collected twenty rebounds. Doug Parrish racked up twenty points. There were the only players worthy of mention, and they weren't up to par.

The Rebs looked sluggish, like they weren't in shape to play and missed far too many field goals and foul shots. They threw the ball away and the fast break couldn't be utilized because they didn't seem to get down the court fast enough. They did, however, display that fighting Rebel Spirit.

Potentially the Rebels are really strong. They have a lot of talent, and they only need a little spark to ignite it. I hope that spark comes along soon, because if it doesn't, it's going to be a long winter!

Dorm Downs TKE To Become Champs

On November 19 the powerful dorm team ended all hopes that Tau Kappa Epsilon might have had in regards to an Intramural Football Championship. Jim Bailey snared a Weyman Vickers pass in the first quarter, and that was it as far as scoring was concerned.

The Dorm has had a big, powerful, and well-organized squad this year, and they have played some very fine football. In fact, all the teams that have participated this year in Intramural Sports have had some great moments on the gridiron. But it's hats-off to the Dorm lads who

are our new champions.

As far as Teke was concerned in the season's finale, they played a great game considering they were outweighed by several pounds, and they couldn't get sustained drive underway.

TKE Defeats Town

During the past week Tau Kappa Epsilon fraternity defeated the Town team twice by forfeitures. The scores were 6-0.

Several times this year the Town has failed to have enough men present to field a team. We are hoping that the town boys will have a much better representation in the Intramural basketball season.

Math-Science Club Meets

The Math Science Club held their first meeting of the year in October. Very few of the club members attended this meeting. The professors and the few members that did attend were confronted with the problem of deciding if the club should be discontinued. A questionnaire was formed by Dr. Nevins and the math science majors were asked to fill it out. The questionnaire reflected the interest of the students in the club and it has been continued.

The meeting of November eleventh, consisted of electing three new officers and organizing committees for the next meeting. The officers elected were: treasurer, Moody McDuffie; secretary, Hugh McIntyre; reporter, Felton Thrift.

The next meeting will be held December the ninth. We are looking forward to a successful year with the club.

The majority of people enjoy hard work--if it is done by somebody else.
