Look to this day . . .

. . . for it is the most important time of your life. It is a day of search and discovery. The past was of great significance, and you must live up to what has been left, but you are the future. What you do with your college life will live on. Your potential is unlimited. "Look well therefore to this day."

The staff of the 1962 Pine Cone presents a record of this day.

Alma Mater

'Mong the stately pines of Georgia
Glorious to the view,
Stands our noble Alma Mater
Basking 'neath the blue.

Alma Mater, thee we honor
Praises never fail,
For thy face shall never perish,
Red and Black—all hail!

Alma Mater's sons and daughters
We will ever be,
Always to thy heart returning
Dear old V. S. C.

ACTIVITIES

Student Government Association

The Student Government Association exists on this campus primarily as a social activities co-ordinator and a voice through which the students speak their opinions. It also makes and enforces laws governing student conduct on campus school activities. All laws are made by the SGA Council with the consent of the school administration and in accordance with the SGA Constitution.

lives. Not only does the Baptist Student Union remind the student of his responsibilities and objective in life; it also provides inspiration, information, and fellowship which create the spiritual climate essential for Christian growth while in college.

The Rampaging Rebels

For the second year in a row, the charges of Coach Colson captured the GIAC championship, having a perfect 12-0 record. The team was the most successful in the school's history. The Rebel's overall record was 17 wins against only 2 losses. An overall team effort, rather than individual stars, was the major factor in the Rebel's success.
