Valdosta State  
is for  
individuals.

Don't disturb me.  
I am thinking about why I am here.

In a world of "me", "you" is one of the most important words.

There are many different types of people in the world, all with their own looks, dress, and mannerisms. But when you strip away all the frivolous differences you will find that all people are basically the same, guided by the same emotions, desires, and prejudices. VSC is no different than any other place in the world; we too are made up of many different types of people.

Here at VSC, as elsewhere, no two people are alike, yet no two people are totally different.

Each individual has his own method of expressing himself to others. Some use dance, others song and still others just what they say or the expression on their faces. And of course photographers have a method all their own?!

I pride myself on being myself  
Do not fault me for that but admire me instead  
I am unique, different, set apart from others  
I am black, I am white, I am man, I am woman  
but above all else, I am what I am.  
Before we can know others we must know ourselves.  
Who am I? What do I want? Why am I here?  
These are the questions we must answer for ourselves.  
Come out from hiding and be yourself.

**HAPPINESS**

Happiness is the greatest  
possibility in nature.  
It can grow in any soil,  
live under any conditions,  
It defies environment.  
It comes from within; it is  
the revelation of the  
depths of the inner life as  
light and heat proclaim  
the sun from which they  
radiate. Happiness  
consists not of having,  
but of being; not of  
possessing, but of  
enjoying. A martyr at the  
stake may have happiness  
that a king on his throne  
might envy. Man is the  
creator of his own  
happiness; it is the aroma  
of a life lived in harmony  
with high ideals.  
For what a man has, he  
may be dependent on  
others; what he  
with him alone.  
Happiness is  
not in the  
the idea.  
It is the  
a heart as  
itself.

# Individual Faculty Members

Professor Barker was born in Brooklyn, New York, but grew up in Birmingham, Alabama where he was a police officer for seven years. He is married and has two sons (Ages nine and six). While a police officer in Birmingham Professor Barker received 12 Letters of Commendation and won The Kiwanis "Safe City Award" for the capture of two robbers in the act. Barker attended Jefferson State Junior College, and Samford University while he was a police officer. After graduating Cum Laude from Samford, Barker was awarded a Doctoral Fellowship in Sociology at Mississippi State University. Barker is currently A.B.D. at Mississippi State and is presently writing his Doctoral Dissertation. Professor Barker is a member of the American Society of Criminology and The National Council on Crime and Delinquency and four honor societies (Alpha Kappa Delta, Delta Tau Kappa, Phi Alpha Theta, and Pi Gamma Mu). He also has published one book and three articles on police corruption and presented papers at the last three meetings of The American Society of Criminology. In addition to Professor Barker's scholarly pursuits he is an avid (bordering on obsession) fisherman. He and his nine year old son can be found any Friday or Saturday at Brown's Pond in search of the "Hang" Bass.

Thomas Barker — Sociology Criminal Justice

I am an assistant professor of Biology and am also a registered nurse. I moved to Valdosta in August, 1963, from Johnstown, Pennsylvania. I became the first woman in Valdosta to be elected to the Valdosta City Council, having been elected in February 1972, and reelected in 1974. I was honored by fellow council members by being named Mayor Pro-tem of Valdosta. A strong concern for environmental problems has prompted me to be the prime mover for a tree protective ordinance which is now being tested in the courts.

With my husband, H. Bernard Bechtel, I am a member of the National Wildlife Federation, the Audubon Society, Jacksonville Zoological Society and Philadelphia Zoological Society. My husband and I have a pronounced interest in herpetology, the study of reptiles and amphibians, which is evidenced in two outlets: photography of reptiles and amphibians and capture breeding of snakes with particular emphasis on the study of mutants.

Elizabeth R. Bechtel Biology

I am a Member of the Department of Special Education, and Director of the Children's Service Center and Teaching Clinic. I became interested in exceptional children in 1966 on my first visit to Central State Hospital while I was a student at Mercer University.

I am on the advisory board of The Pointer, a periodical for teachers and parents of handicapped children, and have been a member of the Executive Committee of the state Council for Exceptional Children for the past four years.

I am married to the former Peggy Cook of Pearson, Georgia, who is presently completing her studies in Special Education at VSC.

I was Assistant Editor of the school paper as an undergraduate and was a member of a very active Student Government, being a Senior Class representative.

I play tennis, golf, and bike a lot. My favorite place is the long beautiful beaches at Destin, Florida.

One of the most influential people in my life has been Senator Bobby Kennedy.

I feel that the key to support for exceptional children is public education.

My favorite magazines are Exceptional Children, Time, and Sports Illustrated.

My favorite book of all those I have read is Psychoanalysis, by Sigmund Freud.

The most difficult thing for me to handle as a professor is a student who does not care about a course that he is taking, a course that involves learning skills and techniques to be used when working with a child who is handicapped. Even though 95% of my students are really excited about their field, I am very concerned when even one student appears to be disinterested. When a student takes me for a course, I want this course to be the very best course that he has ever taken or ever will take at VSC. I take my job very seriously.

Ronald E. Childs Special Ed

When the searching photographic eye of "Pine Cone" found me, I was on the phone talking about fire, title and business, three milestone developments in man's evolution. My conversation was not all that profound, of course, because it had to do only with the contractor who is putting a fireplace into my study.

But deciding on getting a fireplace was a kind of milestone for me. I have enjoyed being here and talking with students about things important to their lives and mine. The new construction more or less cements my intention to bide here yet a while if it be possible. And perhaps to toast a few marshmallows between preparations for next day's discussions!

A.T. Criscolo — Business Administration  
Economics

Topeka, Kansas was my place of birth and where I attended grammar and high school. I graduated from Kansas State University with a degree in Physical Education. My main interest with the degree program was in dance.

After teaching several years in Kansas, I married and had two daughters. My husband was in the sales field so we moved a great deal ending up in Texas. I returned to teaching in secondary schools while living in Texas where my job included directing a forty-five girl dance drill team which performed for half time shows at the football games. These girls performed at the Cotton Bowl in Dallas at one time for the Dallas Cowboys.

My arrival in Valdosta came after finishing my degree, a Master's in Counseling and Guidance at North Texas State University, and doing some job jumping in higher education to gain the experience I needed.

Valdosta State College attracted me for I saw an opportunity to work directly with students in their development during post adolescent years.

I live in a house with a cocker spaniel named Mikah, who was given to me by a student. He takes up a great deal of my time.

My hobbies include sewing, cooking, bridge and I like to work outside in the yard. I was a runner-up in the Valdosta Times Recipe Contest.

Sara J. Fickertt — Associate Dean  
Student Affairs

My hobbies are traveling, eating, and making new acquaintances. My travels have taken me throughout the States, to Europe, Russia, and the Far East. What has impressed me most is how people of different nationalities and backgrounds are so much alike. It's not been difficult to communicate. My hands and facial expressions speak many languages with those we want to understand. Everyone is interested in good food and drink. Not many speak of politics or controversial subjects. Most people take pride in showing their best of whatever interests you. "Southern" hospitality can be found anywhere south of the North Pole.

Maxine Gillespie — Library

I lived in Panama two years, in Europe five years, in Japan four years as well as living all over the United States. From my experience I can say that Valdosta is a great town but has some of the worst roads that I have ever seen.

In addition to nursing, I also teach Red Cross swimming every year at the college pool. My hobbies include bridge and bowling.

I have a white alley cat Jelly because he wobbles around the belly. I drive a 1964 Sprite sports car which I love.

Phyllis Gilson — Nursing

In addition to teaching at VSC I am also Minister of music at the Lee Street Baptist Church. I have been music director of "Drumbeats in Georgia" at Jekyll Island and have appeared in recitals and oratorio performances through the South. My wife Carolyn is also a singer and a teacher. I also have two children, Julie Ann, 15, and Joseph, 13. My hobbies include writing, athletics, and horseback riding. I have been teaching at VSC since 1968. My goals in teaching are to expose my students to the joys of good music and to equip them with the necessary tools that will enable them to make a significant contribution to music education and to themselves.

Joe Haas Music

At VSC I teach art-education and sculpture. When I am not teaching I work on my own wood carving and sculpting at school, at home, or in my studio at the Pigeon Loft Gallery.

During the summer vacation I migrate northward to my Ohio farm, located back in the woods at the end of a road to nowhere. Usually I go east for a week to visit museums and art galleries, and to see the wonders of the cities. During Christmas I head for Key West to enjoy the surf and water and visit my daughter and family.

Recently I purchased some white sand dunes, trees and flowers on the ocean south of Tallahassee. Now I am designing a cabana which I will pre-fab in Valdosta and then assemble on the site next summer. After that — more vacations and weekends down that-a-way, and art.

W. Martin Art

What? — Me? — in the PINE CONE? Wow! Golly!  
GEE WHIZ!

What to write? Let's see — degrees (B.A., M.A.,  
Ph. D.)? hobbies (stamp collecting, tropical fish,  
railroads)? courses taught (Southern history, Civil  
War-Reconstruction, black history)? How about  
the rewards of teaching at VSC for eight years  
(friends on the faculty, interested students,  
classes that go well, visits and letters from former  
students)? What about the frustrations of eight  
years at VSC (students who are not interested, not  
enough time to do a good job of teaching and  
research)?

Eight years at VSC! — tempus fugit. Tests to make  
up. Papers to grade. Lectures to prepare.  
Hopefully some time to read and write. Meetings  
to attend. Hectic existence. Oh well! — Here  
comes a student to be advised . . .

Richard M. McMurry

My life has been a series of extraordinary achievements. As a freshman at Washington and Lee University I broke all records for academic performance (never before or since has a student there failed every course including P.E.). As a soldier, I again distinguished myself (I became the only enlisted man in the entire history of the U.S. Army not to be given a reenlistment talk). My feats as a manufacturing plant manager are still being talked about in business circles as nothing short of phenomenal (I took a perfectly successful operation and within four years had driven it into the ground).

However, the crowning achievement of my life, the goal for which these other events had served to prepare me, came when, upon completing graduate school, I faced the prospect of unemployment and abject poverty.

Fortunately, VSC saved me from unemployment.

Valdosta was particularly appealing to me because I have always had a fear of strangers, and I had heard that there were no strangers in Valdosta. I was also afraid that if I remained in the North, someday soon some damn Klansman was going to burn a cross on my lawn, and I had heard that there were no Klansmen in Valdosta.

Teaching at VSC has been fun. Never before have I encountered so many whose views are so different from mine, and exposing students to "truth" is a very pleasurable activity. The only frustrating thing is the knowledge that not every student can have the opportunity to learn the lessons of tolerance and humility at the feet of the world's greatest political scientist.

Richard Seager Political Science

I am a native Georgian, educated at the universities in Georgia, Michigan, and Maryland.

I taught medical chemistry at the University of Georgia and organic chemistry at Louisiana State University in Baton Rouge before joining the U.S.

Public Health Service in the late forties.

My assignment in the Public Health Service involved searches for more effective insecticides to control mosquitoes and flies and other insects known to leave human diseases. Later, I was transferred to a toxicological laboratory in Wenatchee, Washington to study the effects of spray chemicals on humans.

In 1953 I joined Mead Johnson and Company in Dansville as director of research in the chemistry of medicinal products. In this capacity I travelled throughout the far East, particularly in Japan, in search of Asiatic drugs which could be brought to the United States for development and sold in the Western Hemisphere. I later returned to Japan for two academic quarters to teach chemistry at Daito Bunka University.

Three years ago I moved to Valdosta and have been teaching chemistry at VSC since that time.

W.T. Sumerford

At the request of the Pine Cone staff, I have agreed to write something about myself for this page. Unfortunately, I have come to realize in the process of attempting to describe myself that I have little or no real knowledge about my subject. I certainly am not being excessively modest when I say that I cannot find anything about myself that is especially noteworthy. Nor can I find anything especially bad. However, I certainly would not say that I had no character at all. I possess neither the exuberance and optimism of youth nor the wisdom and resignation of old age, which means, I suppose that I am the classic example of one who is middle-aged.

I have interests, of course. I occasionally dabble in oil painting, though not with the competence I desire. I enjoy the other arts, though not finding the delight of discovery they once offered. I am a romanticist in the nineteenth-century sense of the term, who, like Wordsworth in his later years, finds change somewhat disturbing. I am an expatriot, who will never return to the southwest of his youth.

If I were to summarize myself, my attitude toward life, at this point in time, I could not do better than the following:

Life is a game that must be played:  
This truth at least, good friends, we know;  
So live and laugh, nor be dismayed  
As one by one the phantoms go.

# Lady Blazers Volleyball

Fall quarter of 1974 marked the entrance of Valdosta State into the competitive world of Intercollegiate Women's Volleyball. Ten coeds, coached by Dr. Nancy Scott, represented Valdosta State against such teams as Columbus College, West Georgia College, Shorter College, and Auburn.

Members of the team included; Connie Powell, Sheila Powell, Rita Yarbough, Robin Chamberlin, Denise Keener, Sarah Ready, Susan Wheeler, and Patty Goldston, Judy Burkhalter, and Debbie Lanier.

# Women's Volleyball

The 1974 Women's Intramural Volleyball program was highlighted as usual by highly competitive and spirited matches. When the regular season was finished, Phi Mu won the title in the sorority league and the GDI's won in the independent league. The Phi Mu's took the overall title by defeating the GDI's in the championship match.

"How many faculty  
why  
Isn't mac going to take 'em  
That would be nice  
No lie  
How do you want them . . . full length  
Where's Bob  
He's not here  
What am I looking for . . . What am I looking for  
How am I ever supposed to find anything around  
He does look a little funny doesn't he  
We could use this picture for blackmail  
Why don't you let her draw the lines  
She's quite capable  
Melinda I have a problem  
Another one  
Make a list  
I did  
Make another one  
Put it on the wall you can't lose it on the wall  
Answer the phone  
How does it work  
Push the button  
This one  
I can do 20 pages but not 180  
Anybody know how many people on the team  
Where is Bob  
He still isn't here  
We need a radio  
What team  
Tennis team  
If I knew I'd tell Melinda where to go  
But I still need more pictures  
Doesn't everbody  
This dictionary does not have Leukemia  
Thank God it's saved but it does have  
hookworm.  
I need more pictures  
I know I know  
Where is Bob  
Not here that's for sure

# WHO'S WHO

Janet Perkins received the President's Freshman Scholar award and the Freshman Music Award as a freshman at V.S.C.. She has been an active member of Sigma Alpha Chi, Alpha Chi, Cardinal Key, Omicron Delta Kappa, Sigma Alpha Iota, and Phi Kappa Phi honor societies. She served as treasurer of Alpha Chi, and was also a member of the V.S.C. Concert Band and the V.S.C. Brass Ensemble. Miss Perkins served as treasurer and later as president for the Music Educators National Conference, and served as president for Sigma Alpha Iota. Janet also received the Senior Music Award in 1975.

Janet is the daughter of Mr. & Mrs. G. Wallace Perkins of Bradenton, Florida.

JANET PERKINS

Bobby Moretz was a member of Omicron Delta Kappa honor society and president of Pi Kappa Phi fraternity. Bobby was also a member of the President's Cabinet (SGA), the College Union Board, Traffic Court, the Executive Council of Arts & Sciences, the IFC, and the Student Affairs committee. In addition he was chairman of the board of residence hall governors and recipient of the Pi Kappa Phi scholarship award. Bobby also was player-coach of the Wheatstraws intramural team.

Bobby is the son of Dr. and Mrs. W.H. Moretz of Augusta, Georgia.

BOBBY MORETZ

**MARY JANE BENDER**

Mary Jane Bender received the President's Freshman Scholar award during her freshman year at VSC. She was an active member in Omicron Delta Kappa, Alpha Chi, and Sigma Alpha Chi. She was a member of the VSC Flames and the VSC Band. Mary Jane was the Sigma Alpha Iota historian as well as being the Secretary for Cardinal Key and Vice President of the Art Students League. She was also a Commander in Angel Flight.

Mary Jane is the daughter of Mr. and Mrs. Robert R. Bender of Bradenton, Florida.

**TOM MANNING**

Tom Manning is a senior in the VSC School of Business Administration.

An active member of Sigma Alpha Epsilon Fraternity, he served as President of his pledge class and was named "Pledge of the Year" in 1974.

Summer and Fall, he served as Pledge Trainer and Scholarship Chairman for the fraternity. Manning represented the VSC chapter at the SAE's national leadership school in August, 1974.

Tom served as governor of Patterson Hall during his junior year and was also chairman of the Residence Hall Governor's Board.

He has been a dean's list student and has served on the SGA's President's Cabinet.

Tom is the son of Mr. and Mrs. J.C. Manning of Brunswick, Georgia.

Jo-Ann Cowan, daughter of Mr. and Mrs. Joe Cowan of Fitzgerald, has been involved at VSC since she first entered. She is a member of Zeta Tau Alpha and was named most outstanding pledge during her freshman year. She was President of Panhellenic during her senior year as well as being nominated as most outstanding Panhellenic Lady. Jo-Ann has also be a cheerleader for three years, a sponsor for Delta Chi and Tau Kappa Epsilon Fraternities, and been involved in BSU.

Including to all of these she was also on the Specator Staff, a member of the President's Cabinet, on the SGA, and statistician for VSC Blazer Baseball team.

### JO-ANN COWAN

John Gordon Ricketson is a senior majoring in biology. He has been involved in the Interfraternity Council since 1971, a member of Sigma Alpha Epsilon Fraternity, of which he was Secretary in 1972 and President in 1974, and a member of Sigma Alpha Chi and Omicron Delta Kappa.

John has held many offices in the years he has been at VSC. Included in these are President of Interfraternity Council, Pledge Class President in 1971, Pledge Trainer in 1971, and Chairman of Rush and Rush Book Editor in 1974. John was also a member of the 1974 homecoming committee.

John is the son of Mr. and Mrs. William W. Ricketson of Blakely, Georgia.

### JOHN RICKETSON

**RAYMOND DERRY CROSBY**

Derry Crosby was a senior at VSC majoring in chemistry. He is a member of Omicron Delta Kappa, Sigma Alpha Epsilon fraternity, and is a lab assistant in the Chemistry department. Derry was also President of the SGA.

Derry received an associate of science degree in pre-med from Middle Georgia College in 1973.

Derry is the son of Mr. and Mrs. R.C. Crosby of Adel.

**SHELIA DIANE MURPHY**

Shelia Diane Murphy is the daughter of Mr. and Mrs. Roy M. Rainey of Waycross.

She is a nursing major and has been active in the VSC chapter of the Student Nurses Association of Georgia.

Shelia is a member of Sigma Alpha Chi and Alpha Chi scholastic honoraries.

"In my three and one-half years at VSC I have been fortunate to have completed both an undergraduate and graduate education, not simply fulfill degree requirements. In addition to my academic work, I have participated in various VSC music organizations, as well as the community Recorder Consort. In my work here, and for my eventual professional goal, I have maintained a deep concern and interest in family life and marriage. At present I am a member of National and Regional Councils on Family Life, as well as, serving on Committees within those organizations. I plan to complete doctoral level education in the area of marriage and family living at Florida State University. I want to teach at the college level, and eventually develop, or work with, some form of clinical practice in marriage and family counseling."

Mike is the son of Mr. and Mrs. Harold Miller of Danville, Illinois.

---

### MIKE MILLER

"I have learned about my world and the people that share it with me. My education at VSC has been greatly supplemented by rich relationships with thinking, feeling individuals. I have received various honors at VSC, but the greatest honor of all has been to share experience with other people who were growing with me.

"VSC has given me the keys to what I want from the future in the form of BA and MS degrees. I hope to enter the PHD program at FSU in preparation for a career in college teaching."

---

### ROBERT PULLEN

**BUD MCLEOD**

Bud McLeod is a junior majoring in accounting. He is a member of Sigma Alpha Chi and Alpha Chi. He holds many offices including President of Omicron Delta Kappa, President of Sigma Alpha Chi and Vice-President of the VSC Student Government Association. In 1974 he won the Mac Award. He is also a member of Sigma Alpha Epsilon.

Bud is the son of Mr. and Mrs. H.W. McLeod of Iron City.

**DONALD EUGENE WHITMAN**

Don Whitman, son of Mrs. Charles Lewis Whitman of Albany, received his bachelor of business administration degree in two and a half years.

While at VSC Don was a member of Delta Chi fraternity, and held the office of treasurer. He was also the vice president of the SGA.

Don is a member of Omicron Delta Kappa and Phi Theta Kappa.

"In my freshman year, I became a member of Alpha Lambda Delta and was named a Freshman Scholar. The next year, I joined Sigma Alpha Chi and Alpha Chi and received the Junior College Marga Award. This year, I was asked to join Phi Kappa Phi and Cardinal Key. I was also a consistent Dean's List student, a member of the Math Education Club, and a member of Alpha Xi Delta, in which I served as parliamentarian and scholarship chairman."

**KATHY KEMPH GRAY**

Donald Carl Wade is the son of Mr. and Mrs. Carlton M. Wade of Orlando, Florida.

Don is the co-chairman of the VSC College Union Board and President of the VSC Chess Club. He is also a chemistry lab assistant under Dr. Duvall. He is also a member of Alpha Chi and has appeared in VSC theatre productions.

Don was a hospital corpsman in the U.S. Navy from 1967-1971. He received a two-year degree from Middle Georgia College, where he was an active member in Phi Theta Kappa, the chess club, and the veterans club.

**DON WADE**

**WONNIE OVERBY**

Edwana M. Overby is the daughter of Mrs. Doris Overby of Valdosta. Wonnie, as she is called, is a senator in the SGA, a member of the Presidents' cabinet, and a member of Alpha Xi Delta, in which she served as a freshman off-campus representative. She is also a member of Sigma Alpha Chi and President of Cardial Key. Wonnie is also a member of Omicron Delta Kappa.

**MARTY LE FILES**

Julian Martin LeFiles, Jr. is the son of Mr. Julian M. LeFiles of Valdosta.

Marty is a member of Phi Eta Sigma, Sigma Alpha Chi, Alpha Chi and Omicron Delta Kappa honor societies. He is President of Kappa Alpha fraternity and a Senator of the SGA. Marty was pitcher for the VSC baseball team for three years.

Kay Barfield Freeman is an active member of Phi Beta Lambda, a national fraternity for men and women in business. She has also served as business manager for the Spectator and is a member of the Valdosta Junior Women's Club.

Kay transferred from Wesleyan College in 1971 after helping form an intercollegiate athletics program and being named to "The Most Outstanding College Athletes in America."

Kay is the daughter of Mr. and Mrs. H.M. Parfield of Hahira.

**KAY FREEMAN**

"At the end of my freshman year, I joined Sigma Alpha Chi Honor Society. I have been a member of Sigma Alpha Chi for the past three years and have served in the capacity of secretary and president during that time.

I became a member of Alpha Chi Honor Society during my junior year and served as the vice-president last year. In addition I was recently initiated into Cardinal Key.

I was also a member of the Math Education Club, a consistent Dean's list student for the past four years, and the recipient of the 1974-1975 Senior College Marga Award."

**PAMELA REVIS**

**DAVID JOHNSON**

David Lewis Johnson is the son of Rev. and Mrs. Tasker D. Johnson of Gray. David is a senior majoring in finance. He is manager of Valdosta State's campus radio station and he serves as chairman of the Student Judicial Committee of the SGA. David usually spends up to 18 hours a day at WVVS-FM.

# PANHELLENIC COUNCIL

Panhellenic Council coordinates all the sorority activities on campus. Panhellenic's purpose is to promote a spirit of friendship and cooperation between sororities and to work for the betterment of Valdosta State College in general.

Seated left to right: Judy Seymour — Vice-President, Lila Gamage — President, Rhonda Hefner — Secretary, Debra York — Public Relations, Barbara Welling — Treasurer.

Standing: Vickie Bruton, Polly Pabor, Kay Uliano, Rene Smith, Anne Lester, Cathy Cartwright, Lynnette Herring, Kathy Byrd, Toni Robertson, Mrs. Sara Fickertt, Barbara Toning.

# INTERFRATERNITY COUNCIL

The purpose of the Interfraternity Council is to act as a sounding board for the different fraternities on campus. It also plans Fall rush and Greek Week activities as well as coordinating fraternity participation at beach trip. The IFC also sponsors competition among the fraternities to determine which one collects the most money for the annual leukemia drive.

Officers and members of the IFC are: Walter Peacock: President, Bob Hendrix: Vice President, Ray Chancey: Secretary, Joey Sheppard: Treasurer, Charles McKendree, Nicky Tampas, Bob Hagan, Brad Clarke, Wes Murphy, Bobby Moretz, John Ricketson, Tom Banks, Ken Cavanaugh, Mike Desvervine, Mr. Ken Ferrell: Advisor

### ELTAKAPPADELTA KAPPADELTA KAPPADELTA DELTAKAPPADELTA KAPPADELTA KAPPADELTA DELTAKAPPA

In Kappa Delta we are forever on our way, passing each day in search of friends and fun. Extending our hand our to touch those not yet known to us. Life is an endless voyage of new faces and a world of constant encounters, but with Kappa Delta . . . everything is homeward bound.

Sometimes we feel the touch of alone, solitude fills the air but turn to catch our sisters smile, together again. Although there are times to spend by ourselves, there is much to experience mutually. We care to learn from those we know and give of ourselves in return. For knowledge is those we really know and the experiences we encounter. With Kappa Delta you have a bond of warm and friendly sisterly love.

Zeta Tau Alpha sisters and pledges enjoyed numerous activities this year including the Court of Themis Ball, a party for the Blazer basketball team, Halloween and christmas parties, and parents' weekend. Some of the sisters were honored with such titles as TKE Calendar girls, homecoming court, Greek Goddess, Who's Who, and ODK. The girls also sponsored several philanthropic projects involving the LARC center.

HIDELATCHIDELTACHIDELTACHIDELTACHI CHIDELATCHIDELTACHIDELTACHIDELTACHICHIDELATCHIDELT

1974-75 has proven to be a most successful year for Delta Chi. We were ranked number one in Intramural Sports and won both the overall Basketball and Volleyball Championships. In other campus activities we held several of the top SGA and IFC positions and had brothers honored for their academic excellence by being tapped into many of the honor societies. Our year was highlighted when one of our sponsors, Sue Link, was crowned as this year's Homecoming Queen. Delta Chi is a fraternity of men, bound together by brotherhood and striving to achieve a high level of excellence in all that they do.

## Valdosta State College

AKAPPAALPHSKAPPAALPHA ALPHAKAPPAALPHAKAPPAALPHSKAPPAALPHA ALPHAKAPPAALPHAKAPPA

Kappa Alpha was founded at Washington and Lee College on December 21, 1865. KA represents almost every college in the southeast and is now spreading throughout the country. Delta Rho Chapter of the Kappa Alpha Order was founded at Valdosta State College campus on November 19, 1971.

With General Robert E. Lee as their spiritual founder, the KA's celebrate their annual Old South week every spring. Reliving the Old South, Kappa Alpha takes great pride in holding the Old South Ball.

In the few short years that Kappa Alpha has been on the VSC campus, it has formed one of the strongest bonds of brotherhood. KA distinguishes themselves in all areas of the college life from the faculty, administration, SGA Comptroller, IFC Vice-President, Yearbook Editor, SGA Senators, Greek God, to all areas of intramural sports, campus honor societies and clubs.

Pi Kappa Phi was founded December 10, 1904, at the College of Charleston. Because of our southern founding, there is a Pi Kap chapter on almost every major college and university in the southeast. Our chapter here at Valdosta State is one of the oldest social fraternities on the campus. Beta Tau Chapter was founded on January 17, 1959.

Pi Kap brothers have attempted to distinguish themselves in all areas of campus life. This year one of our brothers is serving as SGA President and one as Senior Representative. Another brother is also serving as the Inter-Fraternity Council President. Each year our chapter sponsors the "Miss VSC Contest." The winner of this contest goes on to compete in the "Miss Georgia Pageant." Pi Kappa Phi is also very active in sports. This year Pi Kap won the Softball Championship.

1974-75 marked an important year in the history of Zeta Nu Chapter of Tau Kappa Epsilon. The year was highlighted by the acquisition of a chapter house, located at 103 West Moore Street. Other highlights include winning of the Greek Olympics and the overall Greek Week championships. TKE also won the VSC College Bowl and represented VSC at the Southeastern College Bowl at Berry College in Rome, Georgia. The Calendar Girl contest and the Spring Frolics rounded out a successful year for Tau Kappa Epsilon.
