# ... TO A WAVE

Our answer to the problems plaguing our world, nuclear holocaust, drug addiction, apathy, crime and countless others, is to rely on youth- Not a time of life but a state of mind. The youth that is a quality of imagination, a courage beyond assertiveness, an insatiable curiosity, a love and appreciation of the simple and the beautiful, the appetite for adventure, the risker with an entrepreneurial spirit, this is the youth of which I speak. Our planet is changing rapidly; technology is advancing everyday, morals and codes of conduct are undergoing transitions and substitutions. These obstacles and challenges will not be met, by absolutes of theory, dogma or slogan. Far too many of the world's people assume the attitude that one man has little effect upon the world's ills. Here, at this university, we are being taught that many of the world's great thoughts, actions and movements have resulted from the thoughts, writings, preaching or actions of a single man or woman. Mohandas Gandhi, Jesus Christ, Martin Luther

---

“ ... he sends forth a small ripple of hope ... ”

---

King, Joan of Arc, Alexander Graham Bell, and millions of courageous and bold men and women have improved the lives of all of us. “Each time 1 person acts to assist one less fortunate than he, or stands up for an ideal, or calls out against injustice he sends forth a small ripple of hope, and crossing each other from a million varied and different centers of energy and daring, those ripples build a current that can sweep down the mightiest walls of oppression and resistance.” May each of us at this center of higher learning, VSC, use these years to nurture that spirit of youth, to gain in wisdom and experience and to act now when and where we are able as well as to prepare for future action so that we may join the ripples and create the caring body of humanity which will raise the level of life for all men.

Melanie Millican with the help of Robert Kennedy and a Friend

## GROWING WITH THE TIMES

In 1913 Converse Hall was the very first building which established the South Georgia State Normal College for young ladies. Very few of us realize when we look around at Valdosta State College, it was once a small womans school called Georgia State Womans College. The entire campus consisted of only five buildings, those being Powell Hall, West Hall, Reade Hall, the Cafeteria, and the Old Gym. If one takes time to observe closely, one might notice the stone inscription of LIBRARY above the door of Powell Hall. Our wonderful cafeteria was once the campus church, Reade Hall once housed all the students on campus and West Hall was the location of all the classrooms. The gym of yesteryear is what we respectfully call the "Old Gym". Now the events of the old gym have been moved on the P.E. Complex. Pound Hall on North Campus was another school in itself.

Today one can find six new dorms — Brown, Georgia, Hopper, Langdale, Lowndes, and Patterson and there are two buildings that contain on campus apartments, Converse and Ashley. Classes are now held in Nevins, the Education Center, and the P.E. Complex (the New Gym, which is 2½ times the size of the old gym). VSC also has a spacious library for students. This campus has grown considerably and will keep on growing with the times.

These are just some of the "Unknown Faces" of VSC. They do the jobs that help make the college run as smoothly possible. They run the computers for everyday affairs as well as during registration. They type the letters, keep the college records organized and together, they answer the phones and take endless excuses from "sick" students for the teachers, they process the obscan sheets during registration and deliver the schedules for the upcoming quarter. They take our money to pay for the fees and send the money through the Comptrollers Office. Even on the most difficult days, they do their best to greet us with cheerful voices and smiles on their faces.

## THE UNKNOWN FACES

## VSC SPIRIT

They stomp, romp, chant, and cheer — the SPIRIT LEADERS of VSC. They lead the players onward through the sweat and tears, joys and victories, heartaches and pain. They lead the fans in rhythmic chants and cheers and keep the spirit going no matter what. Without these faithful ones, the word spirit would have no beginning, middle or end.

No one can really understand the dedication it takes to be a cheerleader. The long hours of practice, the pain from stretched muscles and strained vocal cords. The tedious hours on the road late at night. Our cheerleaders are the number one spirit leaders.

VSC isn't all work and no play as Kim and Kathryn show.

## Student Life means Students!

People make up Valdosta State College, and the VSC campus is a home for all kinds. From the prominent Management Information Systems (MIS) major to the very dedicated English major, all kinds of people come to the VSC campus to live and learn. Academics may have taken first place with the state in 1985, but many students were too busy growing up to notice. Life was new and wonderful when many of us appeared as freshmen but as the years went by, graduation came with mixed feelings. Valdosta State College became our "home away from home". VSC tried to educate us, attempted to feed us, and gave us a bed to sleep in at night. Who could have asked for more?

Steffey Coirini shows Blazer colors and spirit with balloons at the Homecoming game.

## Blazer Spirit Runs High at Homecoming

"Blazing a trail through the wild, wild, west," was the theme of VSC's Homecoming 1984, and was carried out through a week long Homecoming campaign. Many activities, including a Western Wear Dress Day, a wild west movie, "Blazing Saddles," and a wild west prime rib night raised the spirits of Blazer fans and prepared them for the weekend celebration. On Friday, the cafeteria came through with a Bar-B-Que dinner, to be followed by a bonfire and pep rally at the Fine Arts Building. Later that night, IFC sponsored a band called, "Heart to Heart," which was enjoyed by many. Saturday was the focus of Homecoming, with a parade, and of course, the Homecoming game. Halftime at the Homecoming game was highlighted by the crowning of the Homecoming queen — Lynn Hathaway — who was crowned on her 21st birthday. In keeping with the Blazer tradition, it rained during the game, but Blazer fans cheered enthusiastically until the end. Nevertheless, the Blazers lost a tough game against the Mississippi St. Choctaws, 10-3.

# CHOCTAW STEW

Dressing-up is one of the best parts about Halloween night. This gentleman portrays his original costume.

## A Wave of Spirits . . .

Halloween night was celebrated with a wave of "spirits" as October 31 descended upon VSC campus. Students donned their most gorgeous, ghoulish, or grubby costumes and hit the streets for local treating. Several parties were held to keep the "kids" off the street, but that didn't stop a few who passed through the dorms with their bags full.

Halloween night, celebrated for centuries, has come to be known as a night of happy witches, clown faces, and even your best loved super heroes. Students at VSC keep the spirit going by dressing up and being the kids we actually once were. Though you never know who might be behind the mask you meet, Halloween night is always a night to remember at VSC.

## Valentine's Day ! A Special Day !

Special in the hearts of most Valdosta State College students is the day of February 14, Valentine's Day. This special day was selected out of the whole year to let friends, relatives, and acquaintances know that they are thought about and loved. Sending cards, letters, and even tuck-ins to those special friends, acquaintances or admirers just seemed to make everybody's day special. CUB sponsored a special event called the Valentine tuck-ins. The tuck-ins have become an annual event and are looked forward to with anticipation by students. The tuck-in included a story, a refreshment, and of course your own special tuck-in - a nice end to a wonderful Valentine's Day. Roses decked the girls' dorm lobbies, and boyfriends' cars and belongings spilled over with messages of love or friendship. Valentine's Day was a great success for most students, and many felt the day should come more often than once a year.

Heidi Hutchison and Robert Mallard celebrate Valentine's Day in a very special way.

Melanie Millican and Laura Lee accompany President Bailey at the annual Christmas Tree Lighting.

## Baileys Show Christmas Spirit

The traditional Christmas Tree Lighting brightened the end of '84 for many VSC students. The last event of the year marked a rather sad occasion for students, faculty, and friends, but proved to be a time of good cheer. Mrs. Bailey showed her Christmas spirit as she opened her home to all of Valdosta State College. Punch and refreshments were served while VSC's brass band and choir provided the entertainment. The festive tree was decorated by members of the Delta Chi fraternity. A jolly Santa was on the scene, assisted by helpful Kappa Alpha elves.

Rainy days or Mondays - Public Safety always managed to get through to twenty minute parkers in fifteen minute parking.

## Rainy days and Mondays . . .

A familiar combination in the life of a VSC student. Students can be heard complaining about the rain throughout the campus, although most have learned to just grin and bear it. The rain always seemed to come when you least wanted it to. Some students got caught in down pours on the way to their classes while the smart ones took refuge in the cafeteria, or on the steps of Powell Hall, or in their dorm rooms. There were two things that VSC students could always count on during any rain storm; the mailman never forgetting to bring your mail and Public Safety always showing just in time to give you a ticket.

On his way out of the dorm for the night Phil stops by the water fountain for a quick pose.

## The Sanctuary from VSC - Dorm Rooms

One of the primary forms of existence at VSC takes place in the dorm. Composed of two desks, two beds, two closets, and possibly a sink (depending upon which dorm your housed in). The dorm room is the primary sanctuary of several hundred VSC students. Each room, of course, is also supplied with a room mate, of which you either learn to hate or love, and each room mate is different, never made-to-order. Getting along with people is definitely one lesson taught in the dorm building.

Resident Assistance (RA) are placed appropriately on every floor of every building. These students have been specially trained to handle room mate squabbles, listen to broken-heart stories, regulate noise, and recite all and every handbook rule. Such dedication is far beyond the call of duty, but what would we do without them to get us up for fire drills?

Dorm Life is only one of the special times many students have at VSC. Many of us complained and fussed about the accommodations, but where was a better place to make a friend- forever, and find someone to talk to at 2:00 a.m. Life at VSC definitely wouldn't have been the same without dorms.

Karesa Bass and Michelle Bennett wait to see their advisors during advising week. This is the first step of the registration period.

## Computerized Registration!

The year of 84/85 brought quite a few changes to VSC, one of the most up-to-date changes being registration. Done completely by computer, registration became a whole new experience for many Valdosta State College students. Known as Herman to his fellow workers and cohorts, more elaborate names by students unable to get classes, the small computer was programmed to read red registration forms. Once the complex computer had done its thing the readings were then passed over to the main computer. The main computer then let students know what classes they had, that they didn't know their social security number, that they had forgotten to fill in all their circles properly, and for those lucky enough, that they get to go through drop/add.

Drop/add itself was an experience. Going to the head of the department to verify you could take the class. Once again filling in the registration form and getting it signed. Then waiting for hours while some unknown force, known only as "the computer", decided your life's course. For many of us registration was just a wave of frustrations, but every new program works out its worst kinks. Students such as Mary Futch learned to live with the small inconveniences and decided, "Computerized registration will be much more efficient after I graduate."

Students celebrate birthdays once a year in the cafeteria with the cake from their month.

## VSC Food Services Makes Additions

The three main basic needs of a human being, we all learned at VSC, are food, clothing, and shelter. This could be disputed among contemporaries for days, but here at VSC every student would have to agree that food is a primary need for life. The administration knowing this, provided all students with a dining hall, namely the VSC food services, known to most students as the cafeteria. Life wouldn't be quite the experience it is without the cafeteria.

The addition of the potato bar, the big rave in all food services these days, brightened the menu up. Of course, what needed brightening up? Who could have denied themselves the great "more casserole", or the "chef's choice"? Other improvements were made through with the addition of the yogurt pump and the mint candies no student could pass up. The speciality of rib eye and shrimp night will not be forgotten in the hearts of many students, and the salads we all survived on will always be remembered.

Here Tom Deluca entertains students with a practical joke during his comedy act.

## What is the C.U.B.?

That is a good question, though the answer at VSC is very clear. CUB or the College Union Boards purpose is to select and promote activities on their campus. During '84-'85, the CUB carried their purpose through with flying colors. Tuesday Tunes, which was started during winter quarter, brought in outside talent from all over the nation. These entertainers for the spectators who made it over to Hopper Hall every Tuesday night, such talent as Barbara Bailey Hutchison, Barry Drake, and Robert Starling entertained students at VSC. Another entertainer at VSC was Tom Deluca, who not only hypnotized the audience with his comedy but all so literally hypnotized some volunteers from the audience.

Val Williams, director of the CUB, stressed that "The CUB is comprised entirely of students except for myself. The students choose what activities will take place on campus, and the CUB provides opportunities for these involved to develop life skills." Many of the activities which VSC students participated in were the Trivia Tournament; the Billards Tournament; and the Scrabble Tournament. They were all developed for the students by the College Union Board. Val added that all students were invited to attend meetings and if you missed out in '84-'85, '85-'86 is just the beginning.

# LITTLE RIVER BAND . . .

# PERFORMANCE

Laurie Wilkes studied thought in the production *Son of Radio* shows the extent to which the students dramatize their parts.

## Theatre Plays Make The Headlines

A special activity, which has aroused a wave of applause, is the Theatre Productions of Valdosta State College. The theatre productions of VSC have become a favorite everywhere. The group has gone on tour to several parts of Georgia and North Florida. Students in communication arts have already performed in Warner Robbins, Lake City, Waycross, Lakeland, and several more cities. No major tours have been developed, but their popularity is becoming far reaching and over-nighters are in the making. The theatre productions performers have been in high gear since the beginning of this year. They completed more than fifty shows and have performed to more than 10,000 people. Students in the Communications Department are required to take the sixteen hours required of them while doing shows, though any student can audition and participate in the plays.

Eight major shows are held at the college every academic year. Students are not paid, and all money made by the organization goes back into the budget for upcoming shows. Shows this year have included such favorites as *Charlotte's Web*, *The Son of Radio*, *Cabaret*, and *Butterflies are Free*. Directors of the plays were Dr. Charles Wheeler, Dr. Joel Boatright, Jackie Wheeler, Mr. John Rudy.

NIGHT LIFE!

Mia shows how jeans and jean jacket could look dressy and fresh!

## Fashion '85 is FRESH!

What were the students of VSC wearing in 1985? Casual wear would be a good guess. The student of '85 mixed accessories with comfortable wear and got some of the best looks. These looks appeared as FRESH also.

Denim made a big comeback with jeans, jean jackets, skirts, and big baggy denim purses. Denim was usually matched with the cotton button-downs in all the favorite pastel colors. Belts, scarfs, and big casual jackets and sweaters were added for a look that couldn't be beat.

Females found more "tea-length" dresses and silks were used for most styles for a very dressy look. The guys found button-downs with silk or knit ties a real "can't miss look" with girls at parties.

The summer heat made the visor a real necessary accessory, and shorts ranged from short-short to knee-length. Ankle pants also made the Georgia heat both fashionable and bearable.

Krista Kinert models her great summer tan for onlookers.

## Bathing Beauties of VSC

One of the first major events of the year was a bathing suit contest sponsored by the College Union Board. The contest allowed all students, girls and guys, to show off their great tans developed over the summer break, as well as their great bodies. Students from all over the campus descended upon the pool area to view the dream tans that they would have one day. Students were judged on beauty, poise, and tans.

The winners were Krista Kinert for the girls and Greg Hovey for the boys. The event caused several ripples down many students' spines and marked the dawn of fall for fall quarter.

Camille Bently, Mistress of Ceremonies, embraces her friend the new Miss VSC, Sherri Wortham.

## Sherri Wortham new Miss VSC

The 33rd annual Miss VSC Pageant consisted of nineteen very beautiful, very talented, young ladies of Valdosta State College. Unfortunately, only one winner could be chosen for the prize of a full years tuition, and a chance to compete in the upcoming Miss Georgia Pageant.

The ladies competed in several areas. First an interview was conducted to test their wits. Next the girls were required to present their poise by modeling swimsuits and evening gowns. Finally, the ladies dazzled the audience with their many talents. Judges were brought in from outside for nondiscriminatory purposes and competition was fierce at all levels. However, the winners were chosen and Sherri Wortham was crowned Miss VSC and won the swimsuit award. Laura Lee was first runner-up and Laurie McAnnaly was chosen second runner-up.

Crowned Miss Black VSC, Danita Holmes, stands center of first runner-up, Sabrina King, and second runner-up, Charlene Mundy.

## New Miss Black VSC Crowned

In April of 1985 Danita Holmes was crowned Miss Black VSC. The pageant, sponsored by Alpha Theta Chapter of Zeta Phi Beta, was divided into five parts. The ladies competed in a Casual Wear Presentation, a Swim Wear Presentation, a Talent Presentation, an Evening Gown Presentation, and an Intellectual Encounter Presentation for the finalist. Miss Holmes dramatization of a real mother edged her onto the throne of Miss Black VSC.

Entertainment was provided between each presentation by Sonya Barnes, Audrea Ferrell, Karen Heck, Michael Robey, and Henry Williams and several more VSC students.

Participants were Danita Holmes, Sabrina King, Gloria Middlebrooks, Charlene Mundy, and Katrina Virgil. Sabrina King was first runner-up and Charlene Mundy was second runner-up.

Donating blood was not a bad experience for most students as Liz Tilden shows with her bright smile.

## VSC gets the chance to give

Every quarter VSC students are asked to give blood to Red Cross. The student Government Association (SGA) sponsored a blood drive on the campus once a quarter to help the Red Cross meet its quota for this area. The Red Cross is located in either the cafeteria or in Georgia Hall. This is very convenient for students and faculty members.

Competition was held between organizations for the most pints donated. This motivates students to contribute their time and blood to the Red Cross. Students volunteered to help the nurses with setting up and disassembling the equipment. Nurses and attendants were considerate and helpful even to the "nervous patients".

Krista catches all eyes at the Greek Week bathing suit event.

## Greek Week a Main Event

A main event of every year is Greek Week. Sororities and Fraternities put on their symbols and colors and show their pride in their affiliation. The campus is the competition ring and all organizations are out to prove who is best at everything.

This year as in the past sixteen years Delta Chi took the titles as Greek Week winners for the gentlemen. Phi Mu came out on top for the ladies events. Events included bicycle races, swim events, tug-of-war, egg toss, and many more complicated competitions. The bathing suit event was won by Krista Connert. The Greek God was Chris Jarrett and the Greek Goddess of '85 was Dana Yow.

Phi Beta Sigma steps during the Greek presentation steppin' during Black Awareness Week.

## Black Awareness Week

The Black Student League had a celebration of its own for the National Observance of Black History Month. February 24 through March 2 marked a Black Awareness Week for Valdosta State College. A series of activities throughout week celebrated the event.

"The purpose (of Black Awareness Week) is to let the public know the contributions that blacks have made in American society and throughout the world. This gives the opportunity to learn more about blacks," stated Carlton Relaford, president of BSI.

Sunday brought in the week with a Gospel Choir Concert. Speakers Kenneth Emmanuel and Carol Gerdes both spoke on "Let us extend our minds to brighter horizons . . . yet dedicate our hearts to the priorities at hand." A fashion show on Friday and a traditional step routine show on Saturday ended the week in style.

What is "Beach Trip"? Fun, friends, and memories for most Valdosta State College students.

## Panama City . . . or Bust

The last weekend in April the campus was evacuated as VSC students headed for fun in the sun. Panama City, Ft. Lauderdale, and Ft. Walton beaches were all invaded as Spring Break was officially recognized by the campus students. Temperatures of 80 degrees and cool nights of 60 degrees offered what was the best beach weekend yet!

Most students had started on their tans by the end of March, just for the beach trip. New bathing suits, clothes, and drinking substances were all bought and carried down by the car loads, and hotels at the beaches were all filled up by the party load. Fun in the sun was the main purpose and it was Panama City or Bust for the student with the heavy Spring class load.

Many students took breaks in the afternoon by the college pool.

## Suffering from Seasonal Disorders?

A disorder is described in the Webster Dictionary as "an upset of normal function." These disorders ranged from class to a night after Papa Joe's. The infirmaries only anecdote was often just a small vacation which many students often never returned from. However, those who did often found the VSC campus afforded some recreation other than "hitting-the-books".

Frisbee, football, and baseball games could always be seen on front campus in front of West Hall. Langdale, Hopper, and Patterson "beaches" gave everyone a chance to lay out in the sun. The college also took on a new and successful project of renting bikes out to those who really did want to get away. The Valdosta State College campus could be found to have had your cure from the "Blah's", the "kooties", or the Seasonal disorders we all suffered from.

*Graduating seniors await their degrees at the '85 Spring Graduation.*

## *The Goal Achieved at VSC!*

*For most students attending Valdosta State College the ultimate goal is graduation. Accumulating all the required courses and hours to meet that long-awaited degree is the goal all students attempt to achieve. Therefore, setting a day aside to recognize these achievements seems fitting for graduating seniors.*

*Graduation is a time when professors, family, and friends can all come together in pomp and ceremony to celebrate the day. This day is the reason for Valdosta State College students. A well strived for goal has been achieved and they deserve full recognition for achieving those goals. This day is an end of a college career for many, but the beginning of a new life for most.*

President Reagan walked away with the 1984 election with 49 states.

## World Events

While students were spending their days in classes or studying, the world was changing at an extreme pace in medicine, politics, and international crisis. Many of these changes affected VCS students directly and some not at all, but all of the changes touched people our age somewhere.

In medicine Bill Schroeder became the first artificial heart recipient in the world. Conquering several malfunctions of his body, a heart attack, and a depression. Bill lives today due to extensive technology. Baby Fae the recipient of a baboon heart was not so lucky. She fought and fought for her life until her fateful day more than twenty days after her birth. These medical breakthroughs could lead to whole new types of medical fields.

In politics Ronald Reagan won a reelection beating his opponent Walter Mondale and the first woman vice presidential candidate, Geraldine Ferraro in a landslide victory. Women came out strong in this election and a major victory for women was won.

Internationally changes were more extreme; Ethiopian people were starving due to a year long drought their cries were heard everywhere. All countries responded, unfortunately, many not fast enough for the thousands already dead or dying. In Beirut Americans were being kidnapped and at last count seven had been taken with no response from the U.S.

On the lighter side Princess Diana produced a second son for the royal palace throne in October 1984. This fairy tale family seems to be growing rapidly with the years. In America another fairy tale of sorts was taking place. Billy Joel, famous rock singer, and Christi Brinkley, famous model, tied the knot on the New York harbor to live Happily ever after in their future years.

Not Pictured: Ray Andrews, Coordinator of Veterans' Affairs.

# STUDENT GOVERNMENT ASSOCIATION

The purpose of the Student Government Association is to represent, lead, and unify the student body of Valdosta State College, to give the students an active voice in the government of VSC. This governance is prompted by working for innovative, desirable changes.

The officers for 1985 were: David Cuffie, President; Steve Ramsay, Vice President; Cile Griffen, Secretary; and Brooks Blich, Comptroller.

Some of the accomplishments of the SGA in 1985 were mail distribution on Saturdays, more lighting in the darker areas of campus, and peanut butter and jelly

on the salad bar in the cafeteria. The SGA is always there for the students and their best interest.

# SPECTATOR

The campus newspaper, *The Spectator*, offers VSC students practical experience in many fields of newspaper work. Students write a majority of the stories which appear in the paper, they take pictures and develop them, and they layout the paper.

In fact, many Tuesdays during the year, find the editors and staff working well into the night to meet the weekly deadline.

Perhaps the highlight of the year, especially for the staff, is the finale for the year, *The Speckled Tater*. This issue, which satirizes the paper itself and life at VSC, allows the staff to try their hand at creative writing.

# C.U.B. COLLEGE UNION BOARD

The College Union Board is an arm of the SGA with the expressed purpose of providing entertainment for the college community. They are responsible for the selection, planning and production of the majority of student programs, sponsors and nearly 100 events yearly.

In the past year they sponsored the trivia contests and the treasure hunts, in which the winners were awarded prizes. They also sponsored the Valentine Tuck-ins, the concerts, Tuesday Tunes, and the ever popular weekly films.

The CUB is composed of students plus a student chairman, Ted Williams; Co-chairman, Steve Ramsay, and Secretary, Dolly Wight. They also have six outstanding committees. Any student can become a member of the board after attending three consecutive meetings. The Board is directly responsible to the Program Director, Val Williams and the Director of Student Activities Buddy Bumgarner.

# BAPTIST STUDENT UNION

Student Ministries is the term to describe all that Southern Baptist do or will do in a ministry to the academic community. Baptist Student Union, the name of the Baptist Student Organization on campus, is one primary aspect of Student Ministries.

BSU is a meeting ground for all students at VSC. Everyone is invited to become a part. Opportunities for service and growth through the BSU are limited by only ones willingness to become personally involved.

This organization is outstanding and a great asset to Valdosta State College.

WVVS attempts to provide the campus and community listeners with a diversity of music. Although the greatest percentage of the music programmed is Rock/Pop, 91FM also programs Jazz, Soul, Comedy, New Wave, Country, Christian and more.

Besides the music WVVS reaches the students and community in a number of ways: Through Public Service Announcements; Concert Information; Interviews; National, State Campus News; and Community Events. WVVS is also in touch with the campus and community through involvement with various administration committees. Within the industry, WVVS is a member of the Radio Advertising Bureau and Georgia Association of Broadcasters.

# AMBASSADORS

The VSC Ambassadors is one of the most active groups of campus. Ambassadors can expect to spend about 10 hours per week in volunteer activities. Therefore, persons applying for the Ambassadors should be sure that they will be able to devote the required time expected of the Ambassadors and keep up their academic load or their work with other organizations. Due to the fact that Ambassadors are sponsored by the VSC Alumni Association, Homecoming weekend is an especially busy time for the Ambassadors. Ambassadors are highly visible at the numerous events which take place at the president's home. The Ambassadors have also established a Speaker's Bureau to give community organizations and civic groups an opportunity to learn more about VSC and the Ambassador's organizations. The Ambassadors are also available to help out with selected community activities.

# JOYFULL MINISTRIES

Editor: Melanie Millican

Assistant Editor: Kathryn Palmer

The Milestones staff is a group of students who produce the yearbook for VSC. They work hard all year long to make deadlines, take pictures and many other jobs. The staff consists of an Editor, Associate Editor, Photography Editor, Darkroom Editor, four Section Editors, and staff members who help out where necessary. Each Editor must do his part to meet his deadlines or make layouts. There are hard times and good times throughout the season, but everything always works out. The entire staff helps each other to produce the best yearbook.

# SOCIETY OF INTERNATIONAL STUDENTS

Society of International Students is open to all students. This organization enables students to share and learn about various cultures.

# OMICRON DELTA KAPPA

# VSC-TV

# ARTS STUDENT LEAGUE

## ROTC Cont.

# AFROTC

The Air Force ROTC education program provides pre-professional preparation for future Air Force officers. It is designed to develop men and women who can apply their education to their initial active duty assignments as Air Force commissioned officers. In order to receive a commission, Air Force ROTC cadets must complete all requirements for a degree in accordance with university rules and regulations as well as completing certain courses specified by Air Force ROTC. Course in the program are normally taken for academic credit as part of a student's electives. The two major phases of the curriculum are the General Military Course and the Professional Officer Course.

# PHI MU ALPHA

Phi Mu Alpha is a professional music fraternity. The over all purpose is to encourage and actively promote the highest standards of creativity, performance, education and research music in America. Phi Mu Alpha also develops and encourages loyalty to the Alma Mater. They foster the mutal welfare and brotherhood of students of music. They develop the truest fraternal spirit among its members. Another purpose is to install in all people an awareness of music's important role in the enrichment of the human spirit.

Phi Mu Alpha initiated 17 members this quarter and now have 34 active members. This is the first time they have had a house and they are one out of two in the S.E. with a chapter house.

# SIGMA ALPHA IOTA

Sigma Alpha Iota is a Professional Music Fraternity for Women. Its members are Carol Carswell, Kim Wood, Pam Skiles, Della Cozart, Yvonne Thompson, Nancy Bennett, Julie Williamson, Lisa Kent, and Glynnis Attaway. The sweetheart is Buddy Bounds and the college advisor is Dr. Webster Teague. They are an academic fraternity with great ability to support music for America and internationally. Sigma Alpha Iota helps the music department with recitals, receptions, and festivals.

# MARCHING BAND

The Marching Band at VSC had a very successful year. As a matter of fact this is the second year VSC has even had a Marching Band. The band performs extremely well during games and other special events.

The Marching Band has an assortment of instruments, which each student plays quite well. The student body supports their marching band and hopes for a successful future.

# SYMPHONY BAND

The Valdosta State College Symphony Band is an organization open to all qualified persons. The VSC band plays numerous concerts during the year, the spring, the band takes its annual spring tour. All types of music are played, ranging from popular pieces to the finest in standard band literature.

# JAZZ EMSEMBLE

The VSC Jazz Ensemble is an exciting group of 18-20 student musicians that maintains an interesting schedule of on-campus concerts and off-campus appearances. Directed by Bob Greenhaw, the jazz ensemble has performed with such artists as Buddy Rich, Urbie Green, Maynard Ferguson, Ray McKinley, Shorty Rodgers, Jack Sheldon, Willie Thomas, Jamey Aebersold, and Nick Brignola.

In November, the group gave a jazz-pop variety show entitled "Anything Goes," which includes guests Ken Trimmins, Miss VSC Karen Heck, and Danceffects. The band performed at the GAJE Jazz Workshop, in Dec. In Jan. students attended the NAJE National Convention in Dallas. In Feb. the ensemble held a concert of Glenn Miller music.

The VSC Jazz Ensemble is part of the jazz studies program at VSC. Several styles of music are offered, including swing, be-bop, latin, West Coast, funk, and rock. "Bird" lives here at VSC!

S. Haughton

# BLAZER GIRLS

Blazer Girls are designed to help VSC recruit football players from high schools. They show them the campus and help them get familiar with VSC. Blazer Girls are certainly a needed bunch of girls for the football program. One must have a great personality and be able to talk easily with folks.

# PHILOSOPHY CLUB

Regular informal meetings are open to all interested students, regardless of major. Issues are discussed and examined critically, the topics to be chosen to students. Selected faculty are sometimes involved, providing an opportunity for solid dialogue between the two groups.

# BLACK STUDENT LEAGUE

The purpose of this organization is to unite the black students at VSC in an effort to solve the academic, cultural, and social problems black students face at most previously all-white institutions, and to encourage cultural and historical awareness, as well as a pride in blackness. "The BSL is an organization where, in order to receive from it, you must give to it - your problems, ideas, ambitions, etc.; the organization cannot be affective without effective members."

Carlton Relaford

# COLLEGE REPUBLICANS

The purpose of College Republicans is to encourage the students to become more involved in political process and learn more about government. They also learn responsibilities as citizens.

The organization stresses the right to vote and ordered 300 absent-t ballots strictly for VSC students. They encourage their members to become an active part in the republican party, and help them be educated about conservative philosophys and stands on issues.

They have 300 members and 1,000 chapters around the nation. Awards presented are: State Federal of College Republicans, best in state; Regan - Bush, Best work done during the campaign.

# INTERFRATERNITY COUNCIL

The Interfraternity Council at Valdosta State College consists of two delegates from each social fraternity. The council is a democratic, efficient, and understanding governing council to represent, lead and unify all fraternities upon any matter involving the fraternities interest. The IFC serves as a positive voice for the fraternity system in relations, both with the college and the communities. The IFC serves as the intermediary between the nine frats on campus: Delta Chi, Kappa Alpha Order, Sigma Alpha Epsilon, Pi Kappa Phi, Tau Kappa Epsilon, Theta Xi, Phi Beta Sigma, Kappa Alpha Psi, and Alpha Phi Alpha.

The year started out great when more than 300 young men went through Fall Rush. Soon after Theta Xi colonized and now are an active group on this campus.

The IFC sponsors all Greek parties such as the Toga Party, which is considered the largest in Valdosta history. IFC sponsors Greek Week and this is always fun and successful.

The officers are Mark Vosburg, President; Roger Musgrove, Vice President; Brad Sandback, Secretary; and Paul Steinmetz, Treasurer.

# PANHELLENIC

The word "Panhellenic" is derived from the Greek word meaning "all Greek." Panhellenic now does include all greeks: combining "NPC" and "NPCH", which is a big step for panhellenic.

By Panhellenic, we mean the governing body over all the sororities. Its actions evidence a splendid spirit of cooperation by both collegiate and alumnae members as all sororities work together. Panhellenic seeks to express the high ideas for which every individual sorority stands.

Two delegates from each of the 8 national sororities on VSC's campus compose the Panhellenic Council, which is the forum for discussion of issues facing Greek Women and the Sorority System.

The main project of Panhellenic is, of course, coordination of Rush.

# CARDINAL KEY

Cardinal Key National Honor Sorority is an organization for women students of at least junior standing in American colleges and universities who are leaders in the college community and who are deemed potential leaders in the future. The Sorority aims to honor these, inspire leadership in others, and utilize leadership capabilities in an active program of service to school, community, and country. This is a unique opportunity for the professional development of women in today's competitive world.

# ALPHA LAMBDA DELTA

Alpha Lambda Delta is a nationally recognized honor Society for Freshman. The purpose of the society is to encourage scholastic achievement among students in their first year at VSC. A student must carry a full load and have at least a 3.5 average to be eligible for membership. In addition, the students must rank in the top 20% of the freshman class. This year 60 students were initiated into the society. Alpha Lambda Delta officers are Susan Dalton, President; Cacilia Cannington, Vice-President; Kim Crosby, Secretary; Lori Herndon, Treasurer; Jonathon Scott, Editor; and Sarah Brunswick, Historian.

# PHI ALPHA THETA

The president of Phi Alpha Theta and Pi Gamma Mu is Ramona Blanton-Boyett.

Pi Gamma Mu is a social sciences honor society. They sponsored Dr. Arthur Link in October, who is the world expert on Woodrow Wilson. Their advisor is Dr. Gabard; vice-president, Vic Hartman; secretary and treasurer, Dr. Bekta.

Phi Alpha Theta is an International History Honor Society. They sponsor students at statewide and national conventions to read papers. The advisor is Dr. John Ricks and the officers are Vice-president, Steven Scarlett; Secretary, Barbara Manning; Treasurer, Joseph D. Sheppard Jr.; and Historian, Wesley Heidt.

# PI GAMMA MU

# FOOD SERVICES

On May 29th The VSC Food Services held their Annual Hawaiian Luau. During the month of May, a contest was held to name the cafe with the award being a Panasonic-Ambience stereo and cassette player. Steve Edwards' entry, "The Palms Dining Center", was selected as the new name. The Outstanding Student Employee awards were also distributed during that exciting evening.

The Food Services offer many fun opportunities for meal-plan Students Throughout the quarter they have prime rib night, shrimp night, "steal our dish night," finals survival dits and newly created was the Sunday buffet which was a big success.

Mike Floyd, the Director of the VSC cafeteria, has improved the atmosphere by adding new services. The baked potato bar along with a frozen yogurt machine was added to the cafeteria. The large salad bar is the biggest in the state of Georgia.

These along with many others are the reasons why the Palms Dining Center is the "Best in the State."

The VSC Blazers started the 1984-85 academic year off with a blaze of fire in their eyes. They defeated the first three teams with little trouble and then went on to win two more games during the season. One of the members who was the back-bone of the team was Senior linebacker Lenny Parker. He was selected for the first Team All-American in the Gulf South Conference for the second time. Lenny and Keith Moore (place kicker) received honorable mention from the associated press. Selected to the Gulf South Conference second team were Chuck Dunmon, Jessie Tuggle, Dallis Smith, and Tommy Massey.

The leaders in the following are: Rushing — Michael Williams; Passing — Mark Dace; Receiving — Kevin Gray; Punt and Kickoff returns — Derrick Harris; Interception — Keith Reddings; Punting — Terry Mallory; and the three top scores: Keith Moore, Clifton Montgomery, and Max Vickers.

The Blazers would like to thank the Students, Faculty, and Fans for their support during the season.

# FOOTBALLS BLAZING BLAZERS

# WINNERS IN VSC

Valdosta State College is a school of winners! Every group or organization accomplishes a goal that makes them stronger.

The Delta Chi Fraternity won the men's championship in All-BAC. The Alpha Delta Pi's are the winners of the women's All-BAC. The Blazers do an excellent job of playing football to keep our school number one. The Band, Cheerleaders, and Drill teams are the main supporters of the spirit at VSC. They keep the fans at games hollering, and at half time they put on an excellent show.

All of the clubs and organizations at VSC are tops! They are all number 1 because of their own selves and the support they offer VSC.

Delta Chi's are the winners of the All-BAC

VSC Band plays at Georgia Southern

Alpha Delta Pi's won the All-BAC

Coach Goodman watches the game seriously.

Andy gets his equipment okayed.

Cheerleaders show their spirit.

Majorette steps out in style.

# LADY BLAZERS STAND TALL

---

# KEEPING THE BLAZER SPIRIT

RAH! RAH! RAH!!!

Who has the most school spirit? Why of course, the Valdosta State College cheerleaders!! Oh, and do not forget the spirited VSC mascot (the Flame). The VSC cheerleader and the mascot kicked off each year with every ounce of spirit and enthusiasm they could possibly muster. That spirit continued throughout the year and never seemed to diminish. The students at VSC have the Blazer Spirit, too. The cheerleaders are the ones who give them this spirit though, they sure do deserve a round of applause. Keep that Blazer Spirit Burning!!

# LADY BLAZERS SHOOT FOR THE HOOP!

## The HIGHLIGHTS

The Lady Blazers compiled their best ever record in 83-84 which was 30-3.

They ranked third in the nation in scoring offensive, averaging 82.2ppg.

They were third in the nation in won-loss percentage (.909).

Their field goal percentage was third in nation at a very impressive .501.

Free throw percentage was .713 and tenth in the nation.

The Lady Blazers were 11th in nation in scoring Margin which was 15.7.

Janice Washington led the nation in field goal percentage which was .630. She was 2nd in scoring averaged at 23.4ppg.

Washington was a concensus choice on two All-American teams and was a member of the All-tournament team in the national finals.

# SHOOT FOR VICTORY

The Blazers improved their record of 10-17 last season to 13-12 this season. The leadership of head coach, James Dominey and Assistant coach, Bobby Tucker enabled the Blazers to bring up their record this season.

The Blazers are lead by: junior, Marlon Jones; sophomore, Leon Jones; junior, Dale Parker; sophomore, Walt Webb; junior, Jerome Lester. The top three rebounders are Leon Jones, Dale Parker and Walt Webb.

The Blazers average 70.1 points and 38.0 rebounds a game this season. The Blazers would like to send out a thank you to everyone for their support.

# B. A. C. FOOTBALL

Intramural football is a big success at Valdosta. The Director of this program is John Hansen, who also coaches tennis. Mac Hall and Bruce Begue are the BAC officials and did a fine job with the program.

Delta Chi's number one team came in first place and Delta Chi flyers came in second. Together they do very well in sports. Wesley ended up in third place and had a good season.

Intramural program of flag football is challenging for the guys and gets to be more fun every year.

# WOMEN'S INTRAMURAL FOOTBALL

Flag football is fairly successful to the girls who play. Phi Mu is first place and extremely proud. Second place honored Muldoon's who played with much skill. Alpha Delta Pi came in third, but they played quite well and had good sportsmanship. BAC flag football was enjoyed by the players and their supporting team.

# WHACK!!

The first half of the season the Blazers felt comfortable with their hitting game. They were ranked third in the nation and played Troy State, who were first, bringing themselves up to second place. The Blazers had a winning streak of ten games in a row! Finishing their regular season with a 42-18 record, they were invited to play post-season in Pennsylvania. They won the regional tournament and went to the World Series in Alabama. Chris Nixon had a record of 11 wins and pulled off one game at the World Series. Chris was named first team all American and so was right fielder Mike Jones, who hit quite well. The Blazers finished with a over all record of 47-21 and came in fourth in the nation. Yea team!

The men and women cross country teams have both done an excellent job this season. They are keeping on their toes and winning for VSC; the men with a 28-29 record and a ranking of 5th in the Gulf South Conference; and the women with a 13-8 record.

The men's team this year was the youngest and most inexperienced team we have ever had at VSC. Coach Whitesell hopes they "will improve with year rounding conditionally."

The men's team consisted of Cliff Williams (Fr.), Ron White (Jr.), Tommy Tucker (Soph.), Steve Connely (Soph.), and John Dodson (Soph.), and J.D. Bennett (Sr.).

Pam Johnstone was the best female runner VSC has ever had. She placed high in many events that she competed in.

# LADY BLAZER SOFTBALL

# BAC MEN'S SOFTBALL

Oyster Bay has taken the number one slot in intramural softball. Kappa Alpha Order came in second and Delta Chi Flyers placed third. All teams played with good sportsmanship and had a good season.

Coach Hansen is the director and his assistants are Bruce Begue and Mac Hall. They all did a good job assisting and directing for the season, which turned out quite smooth.

# B. A. C. WOMEN'S SOFTBALL

BAC for Women has been a success. Coach Hansen is the director and Bruce Begue and Mac Hall are his assistants. They did an excellent job with the season of softball.

Muldoons came in first place with much excitement. Phi Mu is second and had super attitudes. Alpha Delta Pi was third, but still had excellent sportsmanship.

Everyone was excited about softball games and the spectator participation was good.

# KEEP YOUR EYE ON THE BALL

Tennis at Valdosta State College offers more experience to the already experienced player. A good season was played, with some progress at the end of the season. The climax of the season was toward the end, but that did not stop our tennis players good attitude. The women's team came in third in the Conference and the men placed fourth.

The number one team leader for the girls is Jill Ferrell. She did an outstanding job as well as John Melville, the leader of the men's team.

# FREE TO BE . . . ME

In a place full of so many faces, it's nice to know — I'm free to be me. Whether I'm short or tall, plump or small, black or white, best of all: I'm gonna be me. I'm completely unique in all of my being because I'm free to be me . . .

Office of the President

June 4, 1985

On July 23, 1984, Janet Diane Connell of Nashville, Georgia, a VSC student, was killed in a tragic automobile accident. Her many friends were saddened by her loss and the loss to society of one whose potential was so very great.

Later in the academic year, the entire campus was saddened by the loss of three esteemed and devoted faculty members. Dr. Michael T. Troncalli, Associate Professor of Marketing and Economics, died unexpectedly on January 7, 1985, although he had been in ill health for sometime. Shortly thereafter, on January 17, Dr. William Morrow, also died unexpectedly. Dr. Clyde Connell, Professor Emeritus of Biology and long time Head of the Department, died May 22, 1985.

Each of these gentlemen was a splendid teacher who had endeared himself to scores of students throughout the years. The success of their former students and the affection and regard in which each of them were held are lasting memorials to them. Each of us who had the opportunity of working with them is a better human being because of having had that privilege.

Sincerely,

Hugh C. Bailey  
President
