## THE CODE OF ACADEMIC COSTUME

An 1894 conference of representatives of leading American institutions adopted a uniform code of academic dress. The code was revised by the American Council on Education in 1932 and again in 1959.

Black gowns recommended for use have certain characteristics. The bachelor's degree gown has pointed sleeves, the master's degree oblong sleeves and the doctor's degree gown has bell-shaped sleeves. The bachelor or master gowns have no trimmings. The doctor's degree gown is faced down the front with black velvet with three bars of the same across the sleeves. The velvet may be the color distinction of the subject to which the degree pertains, agreeing in color with the edging of the hood.

For all academic purposes, including trimmings of doctor's gowns, edging of hoods and tassels of caps, colors associated with different subjects are: Agriculture, Maize; Arts, Letters, Humanities, White; Commerce, Accountancy, Business, Drab; Economics, Copper; Education, Light Blue; Fine Arts, Brown; Journalism, Crimson; Law, Purple; Library Science, Lemon; Music, Pink; Nursing, Apricot; Speech, Silver Gray; Philosophy, Dark Blue; Physical Education, Sage Green; Public Administration, Peacock Blue; Public Health, Salmon Pink; Science, Golden Yellow; Social Work, Citron; Theology, Scarlet.

The bachelor's degree hood length is three feet, the master's degree is three and one-half feet; and the doctor's degree is four feet. The hood for the latter has panels at the side. The hoods are lined with the official color or colors of the college or university which conferred the degree; more than one color is shown by the division of the field color.

The hood binding or edging is velvet or velveteen, in widths of two, three and five inches for the bachelor's, master's, and doctor's degrees, respectively. The color of the edging should be distinctive of the subject to which the degree pertains. The black academic cap is usually shaped like a mortar board. The tassel is black or the color appropriate to the subject to which the degree pertains. The only exception is the doctor's cap which may have its tassel of gold thread.

# Changing Of The Guard

The former offensive coach for the Georgia Bulldogs, Mike Cavan, has been named Associate Athletic Director and Head Football Coach for the Blazers. "I am extremely pleased that we were able to attract someone with the experience and reputation that Mike Cavan has," President Bailey said after a news conference earlier in the year.

Cavan, was an outstanding quarterback on three Georgia teams from 1968 to 1970. He lead the Bulldogs to the Southeastern Conference championship, and was named SEC sophomore of the year in 1968.

Cavan began coaching in 1973 at the University of Georgia as an Assistant coach to the freshman team. He has been a vital part of the success that the Bulldogs have had which includes four SEC championships, and a 1980 national championship team.

Along with Coach Cavan comes Rusty Russell and David McKnight, defensive coordinator, and offensive coordinator respectively.

# Lady Blazers

It was another great year for the Lady Blazers. As usual, they pounded their opponents one-by-one only to run into a few brick walls along the way. The year ended with a 21-6 win-loss record.

The Lady Blazers were led by all-conference Candace Fincher and Bridgett Moore. Miss Fincher, who averaged 19.6 points and 12 rebounds per game, was selected to the all-academic team where she averaged 17.4 points per game.

As the year closed, the team was subjected to senior losses. With such powers as Debbie Coto, Kajuonesa Cornelius, and Beverly Johnson leaving as the time-clock ran out on their eligibility to play, the team now looks at another probable rebuilding process.

# Tennis Team

The tennis team was very successful, making VSC history by winning the Gulf South Conference. Although the number 1, 2, and 3 seeds on the team did not win in the GSC tourney, they were quite successful during the year. The wins did come from number 4 seed Roger Musgrove, number 5 seed York Corter, and number 6 seed Eddie Rentz. Also, in the doubles department, the number 3 team, York Corter and Eddie Rentz won, bringing in the final points for the Blozer Netters.

The Lady Netters also had success as they finished the season as runners-up in the division. Next year's season looks even brighter as many of the top seeds will return, and recruiting looks good.

## Inter-Fraternity Council

The Inter-Fraternity Council is the governing body over all the campus' fraternities. Its female counterpart is the Panhellenic Council. The word "Panhellenic" is derived from the Greek word meaning "All Greek". The actions of both governing bodies evidence a splendid spirit of cooperation by both collegiate and alumni members as fraternities and sororities work together to express the high ideals for which each organization stands.

Miss VSC 1985

VSC has long been noted for its beautiful women, as was evidenced by the powerful showing of past and present students in the 1986 Miss Georgia Pageant. Five of the Top Ten finalists were either currently enrolled at VSC or a graduate of the institution. In fact, the newly crowned Miss Georgia, Marlessa Ball, is a VSC Alumna and a former Miss Valdosta State College.

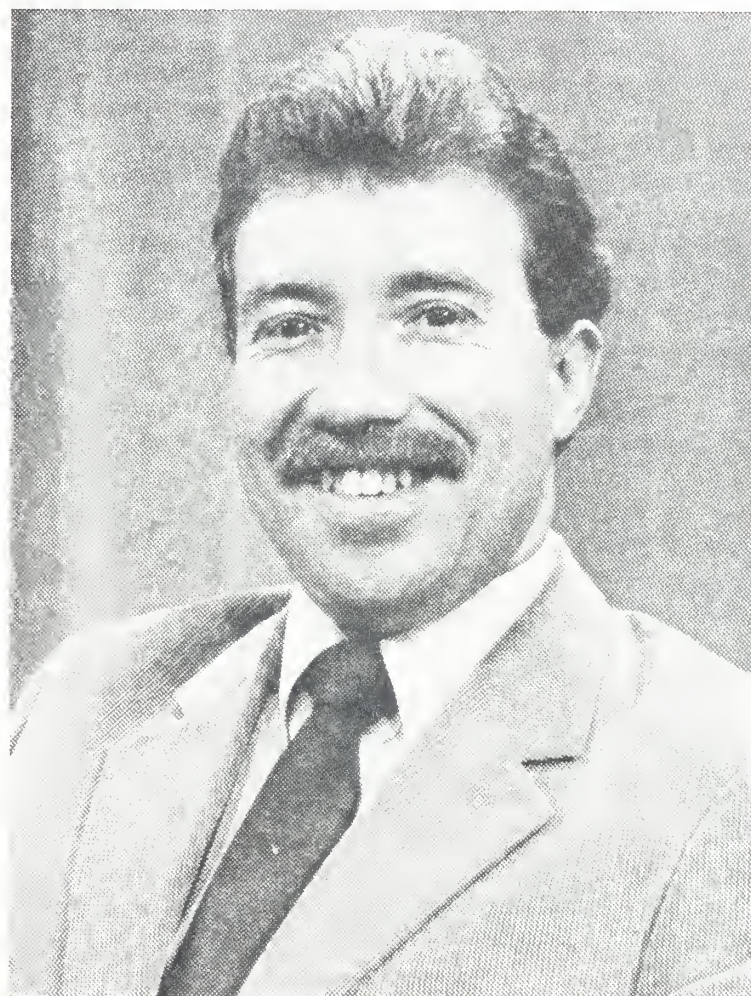

Each year the Beta Tau Chapter of Pi Kappa Phi Fraternity presents the Miss VSC Pageant, a franchised preliminary to the Miss Georgia and Miss America pageants. In the past 13 years, Miss VSC has eight times been in the Top Ten at Miss Georgia, with one First Runner-up and another Second Runner-up.
