THE GEORGIA STATE WOMAN'S COLLEGE, VALDOSTA, GEORGIA SATURDAY FEBRUARY 22, 1941

NUMBER 16.

Kemp To Visit Here March 2 to 5

Dr. Henry W. Kemp, professor of Greek and Latin and head of the division of the humanities at Hendrix College, Conway, Arkansas, will visit the G. S. W. C. campus for two and one-half days beginning March 2, on a tour of South Carolina and Georgia colleges, sponsored by the Arts Program of the Association of American Colleges.

The tour will be the fifth which Dr. Kemp has made for the Association. Last year he visited colleges in North and South Carolina, Florida, and Georgia. He is returning to the south this season to visit those colleges which he could not include in his tour last year.

Delivers Lectures

At each college Dr. Kemp will deliver a lecture on "Attitudes Toward the Arts Then and Now". In addition to this, he will give supplementary talks on such subjects as "Aesthetics and the Democratic Way of Life" and "The Place of The Arts in a College Education". Dr. Kemp will also be available for individual conferences with students who may wish to confer with him on topics growing out of the talks.

Dr. Kemp received his AB, AM and Ph. D degrees from the University of Illinois. He has studied at the University of Chicago and has served as visiting professor of Latin at summer sessions of the University of Illinois and the University of Oklahoma. He has served in his present position at Hendrix since 1920.

Attention, Please!

Frances Williams, chairman of the Presidents' Council, announces that that group will meet on Wednesday evening at seven (7) o'clock in the auditorium.

Linda Summer, Editor of the Campus Canopy announces that the editorial staff of the paper will meet in the Canopy Office on Monday night at seven (7) o'clock.

Typical Saturday At G. S. W. C. Given In Excerpt From Diary

By Teeny Hopson

Excerpts from a diary set for the typical Saturday at G. S. W. C. as follows:

7:00—wake up . . . sleep, sleep, beautiful sleep . . . but no, I've got an 8:30 class . . . Saturdays ain't what they used to be . . . Well, old gal, grab a few more seconds of peace!

7:15—What agony . . . to have to get up when all I wanta' do is sleep . . . Looks like I'll have to get up . . .

7:30—Washed my hair last night . . . rolled it up a new way . . . It won't do . . . nothing will do . . . I'm sleepy . . .

7:50—Breakfast . . . talk . . . about who had a date with who last night . . . and why . . . grumbling about classes, tests . . . If I could just find one face that's cheerful . . . I did . . . (Teasley)!!!

8:15—Make up your bed little girl . . . sweep, dust . . . etc., etc. . . (I know this is interesting, also educational).

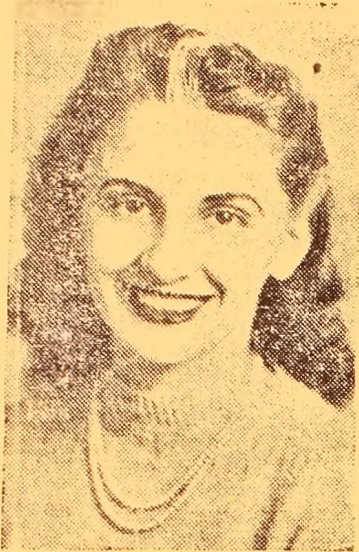

8:30—Drag to class, drool in the room . . . flop in the desk . . . "Death, where is thy sting?"

8:40-9:30—Faust, Poe, Irving . . .

'The Old Maid' With Crittenden, Wilkes To Be Presented On Tuesday Evening

At eight-thirty o'clock on Tuesday evening, February 25, the curtain goes up on "The Old Maid", the Sock and Buskin production of the year, co-starring Rachel Crittenden and Dorothy Wilkes in the leading roles. The performance will mark the end of almost two months of rehearsing by the cast, and work by the production staff in completing plans for the presentation.

The scene of the play is Old New York where a firmly entrenched society holds sway. The period,

RACHEL CRITTENDEN, who plays the role of Charlotte Lovell in "The Old Maid".

Ford Replaces West As Head Of Soph Council

Mary Jo Ford, Columbus, was elected as President of the Sophomore Council at the February 18 meeting in the House-in-the-Woods, to succeed Frances West, who has gone home because of illness. Gwendolyn Johnson was chosen to replace Miss Ford as a member of the steering committee.

At this meeting, the council resolved to inaugurate a series of devotional programs to be presented during Religious Emphasis Week, in the upper rotunda for Ashley hall residents. The devotionals begin at 10:45, and are ended with the singing of "Taps". (See FORD Page 4)

covered by five episodes spans from the 1830's to the 1850's. How firmly rooted in stiff, arid formalities of conduct was this society is indicated by the manner in which Charlotte Lovell's misstep was hidden in a world that was so compactly knit. But hidden it was, and this remarkable drama takes one behind the scenes to the innermost recesses of the hearts of two women. You will follow with rapt attention the subtle disclosure of the fate of Charlotte Lovell, as her true role of mother is assumed by her cousin, Delia Ralston, and the play sweeps to its ironic end. "The Old Maid", is unreservedly commended for its actable quality.

Charlotte Lovell, the Old Maid will be portrayed by Rachel Crittenden, and Delia, the calm cousin of Charlotte is played by Dorothy Wilkes. Bruce McHaffey, of Valdosta, will be Joe Ralston. Joe's brother, James, will be played by Harris Dukes, of Valdosta.

Tina, the daughter of Charlotte, as a child of five will be portrayed by little Nancy Griffin of Valdosta. Beth Whitaker will play the part of Tina as an older person.

Other members of the cast include Evelyn Woodward as Mrs. Mingott, aunt of Joe Ralston; Jane Williams as Dee, Delia's daughter; Mary Carol Allen as Nora, Delia's maid; Constance Threatte as Jennie; Rachel Williams as Bridget; Julia Frances as a servant; Billy Parmenter as Dr. Lanskill; and Willard Belote as Lanning Hasley.

Miss Louise Sawyer, head of the Speech Department is director of the play, and Miss Anna Richter is assistant director.

Two Dances Today Complete Sophs 'Swing Week-End'

Well, you heard Dave Middleton and his Florida Collegians last night at the Soph-Senior formal, so along with the rest of the campus you are ready to swing out this afternoon and tonight!

The tea dance begins on the stroke of four, and is supposed to end at six. But, who knows? AND there will be five no-breaks!

The Saturday night informal swingster lasts from 8:30 until 10:30, and can those Collegians swing out! Five no-breaks then, too!

Those of you who haven't bought your block tickets can get tickets at the door, or drop by Jean Saunders' room and get tickets for both dances. Only twenty-five cents, at that, for each dance. Cheap, we'd say, for four hours of jive with a real sho nuff' orchestra.

Saturday dances with an orchestra don't happen every week at GSWC, and dances with an extra-special band like Dave Middleton's are something you can't miss! Middleton and his Collegians are well-known throughout Florida for their distinctive style and excellent repertoire. They feature a male vocalist, who is pur-lenty good.

Freshmen, Sophomores, Juniors and Seniors, dig out a dress, grab some hose and bring your date to make history in the Rec Hall this afternoon at four, and tonight at 8:30.

Religion In Life Week Held By 'Y'

Mr. R. H. Edwin Espy, General Secretary of the Student Volunteer Movement will be the principal speaker on February 26 and 27 in conjunction with Religious Emphasis Week on campus.

"This year we are calling the Religious Emphasis Week our Religion in Life Week, and are planning to have it in two sessions", Carolyn Williams, president of the YWCA, stated this week. "The first section will be on 'Christianity in the World', and the second section on 'Christianity in our Personal Relations'."

Theme For Week

The theme of the week of February 26 will be "A World Christian Community", and that of the week in March, "Christian Students".

Miss Williams continued with: "The emphasis on Christianity in the world will more or less follow up Mr. Grant's lectures, and what he had to say about the world situation, giving a natural and logical trend for our thoughts from world relations to personal relations".

Mr. Espy has had considerable experience with groups of young people in other countries, as well as throughout the United States. GSWC is very fortunate in having Mr. Espy appear on campus, because he is in great demand, and speaks from a wide range of experience.

Chapel Program

Wednesday's chapel program will be sponsored by the YWCA, and it is hoped that Mr. Espy can arrange to arrive on campus by then to speak to the entire student body and faculty. If these plans are not made possible, another panel discussion will be held, similar to that of last week.

Mr. Espy will lead an open Forum discussion in the auditorium during Stagger period on Wednesday, February 26th. He will lecture on Wednesday evening, and

Nominations For Class Presidents Will Be Posted

"Nominations for class presidents are to be posted by Friday, February 28", stated Ann Parham, president of the Government Association today. "The following Friday, that is, March 7, will be election day".

In accordance with regulations of the Student Handbook, the petitions of nomination for presidents of next year's Sophomore, Junior, and Senior classes are to be signed by ten (only) people and submitted to the Executive Council of the college for approval.

Period Costumes From New York To Be Used In Play Tuesday

Clothes do make the man, but costumes make or go a long way toward making a play forceful and colorful. If such be the case, "The Old Maid" is destined to be a huge success.

Edith Allen, Carolyn Tuten and Elizabeth Koblenzer make up the committee for selecting the costumes. There are many changes throughout the play. The period in which the play takes place is one of the most picturesque and lovely stages of American life.

Dress rehearsals have already begun and will be continued until Tuesday night, the night of the play. Throughout the drama the costumes are chosen to suit the occasion . . . Frilly ones, dainty ones, and stiff brocades . . . but all add brilliancy to the setting and make the cast alluring.

The men's costumes consist of colored swallow-tailed coats and frill blouses. They carry out the dress styles of the 1850's. In Act III they are in full dress suits which show excellent taste.

Charlotte, the character being played by Rachel Crittenden, dazzles the audience by making five changes; Delia, who is our own Dorothy Wilkes, makes six changes; Mrs. Mingot, Evelyn Woodward, will wear three different costumes; while Tina (Beth Whitaker) and Dee (Jane Williams) add their share of brilliancy by changing costumes twice.

Satins, taffetas and lace make up the majority of fabrics chosen for the costumes. There are hats of the sweeping type, full of plumes and ornaments characteristic of the styles of the day.

Bulletin boards are covered with posters giving illustrative examples of dresses worn by the cast. These consist of children's dresses, wedding gowns, maids apparel, men's suits and other striking modes of the day.

Seems to be the talk of the campus . . . and it's well worth talking about! The costumes were ordered from a company in New York!

Religion In Life

For more than twenty years a specific period has been set aside at G. S. W. C. as Religious Emphasis or Religion in Life Week. At this time an outstanding speaker is brought to campus to discuss some phase of religion and contemporary life with the students.

Interdenominational in plan and broad in scope, the primary purpose of the movement is the development of an awareness on the part of the students as to the place spiritual growth holds in living well-rounded lives.

During the week an effort is made to reach the student as an individual. Personal conferences are arranged for those who desire them. In addition, through group discussions and open forums an opportunity is presented for students to express their own opinions and hear collectively the opinion of others on the same subjects.

Emphasis is placed on consideration of practical problems that are of vital interest today rather than on vague theoretical concepts. Contemporary issues take precedent over antiquated arguments. All in all a genuine effort is made to present speakers of importance discussing problems of both interest and consequence.

Although this movement fills a unique place on our college calendar there will be students who will remain unaware of its existence. It is apparent that any benefit derived from this program is going to depend on the enthusiasm, cooperation and initiative of the individual student.

This year's Religious Emphasis Week will begin next week. To keep this project as successful as it has been in the past, every student should plan to attend the meetings and contribute her share, if not of ideas, then of interest to the program.

Ideals Are Still High

Almost everyone seems to have forgotten that there are still ideals in the world. In an effort to be modern, people have buried their high ambitions and goals; they have turned instead to petty triumphs and following the mob.

In an attempt to be a good sport, young people lose perspective. Slowly they tear down their minds and their bodies until they cannot think at a high level, or act with the free athletic movements typical of the American heritage.

Naturally, it is up to the school to set ideals worthy of the best students, but it is up to the students themselves to uphold those ideals.

There are people who have faith in you, and believe that some day you are going to be a truly great person. There are little children who admire you and follow in your footsteps. It is your duty, to those who love and believe in you, to those who admire and follow you, and to you who must live with yourself, to promote the finest traits of your character.

G. S. W. C. has set ideals worthy of you, but are you worthy of those ideals?

How to Estrange a Man . . . Men as a rule, will look over a little make up in public, provided it gets results and is not conspicuously done or lavished on too freely. They will ignore the giggles and perhaps tolerate a little weight, but research shows that the sure-fire way to alienate people is to overdo any of these.

Other ways to insure empty space around you is to douse yourself with so much perfume that the

odor suffocates everyone around. And practically every face will turn away if you take out a messy vanity and go to work on that map with a grimy puff. Another sure way is to gnaw your nails. Even the nail-biters themselves don't like to see anyone else do this.

No. 1 objection . . . we bow our heads in shame for our insensitive sex . . . is hair-combing in public! One doesn't have to be squimished to feel annoyed at such goings-on.

If you didn't actually see them you would think some women had two mouths and only one ear. This type must be taken with a grain of salt . . . often chloroform would be better. A sure way for a man to make his way into the divorce courts is to forbid his wife to enjoy the luxury of a beauty parlor . . . perhaps there would also be less separating along this line if wives as well as young girls would frequent beauty clinics more often and fix-up a little.

The best way to estrange a man . . . then, has taken on a plural ending and becomes "The best ways to estrange a man". They are many and mighty easy to get a grip on poor unsuspecting victims. Best way to get around this is to stand back and get a load of yourself! . . . Are you satisfied with your ways? . . . Do you suit yourself? If not get to work and do something about it.

Goodness You're Early

With powdered nose I sit and rock
And read a book and watch the clock,
And pace the room and try to sew,
And listen for a step I know.
It's seven-thirty, then it's eight . . .
I tune the radio and wait
Until I hear the doornob turn
And don my proper unconcern.

Wise And Otherwise

By Frances Kennedy

Thought for a reckless driver: Step on it, big boy. Scrap iron is worth real money these days.

Having never been a so-called columnist before, I don't quite know what to say that you will read I hate to bring up spring this early, because then I would wear the subject out. Then when spring did finally come, I would have to talk about summer. Anyway, now that Hitler is ruining our conception of the tranquil English countryside, spring will be different this year.

And who can enjoy spring when she remembers the poor British. The poor British brings up the War Relief Swing Concert that the Sophomores sponsored. The auditorium could have held a few more people, y'know. Where were YOU?

Another bad thing about spring are term papers. A term paper to end all term papers is Hazel Brown's for Dr. Durrenberger's Marriage and the Family course. Good reading.

Poor Kitty! She slaved last Wednesday from one o'clock 'til ten on pink flamingos and swaying palms for the formal, and quitting time found her car gone! Anyway, Davis, the clubhouse looked like Hialeah . . . or how they say Hialeah looks.

Be mean was the only rule for Meany Day set aside by the University of Akron. In keeping with the ornery spirit of the day, the campus newspaper was printy in dirty brown ink. Let's hope GSWC doesn't adopt an idea like that.

Add Simile: As dead as the day after the formal. Ho! Hum!

Spicer Wins Interest Of Concert Goers

Earl Spicer, singer of ballads, captivated the GSWC concert goers with his informal stage manner, and friendly, unassuming personality. Never has a visiting artist so completely won the interest and good wishes of the School of the Pines as did Mr. Spicer in his Tuesday evening concert. Singing the old ballads, from Lord Randal, written about 1300, to the favorite American ballad, Old Zip Coon, Mr. Spicer brought the true spirit of the ballads to his audience. We laughed at the Farmer's Curst Wife, and smiled a little at Poor Barbara Allen. Mr. Spicer cleverly conducted a "Shakespeare Quiz" and then sang two of Shakespeare's ballads. Favorites with the audience were The Bashful Lover, and Low Bridge on the Erie Canal.

Earl Spicer is America's foremost ballad singer, and a well known baritone, who has won international fame as a concert and radio singer. He was accompanied at the piano by Merl Freeland, who does many of his arrangements.

The GSWC Glee Club entertained with an informal reception in the Ashley Hall Rotunda after the concert, so that students could meet and talk with the artists.

Exhibit Of Miniature Wax Figures Shown

A historical art exhibit of miniature wax figures was on display in the library of G. S. W. C. Sunday afternoon and Monday noon.

The showing contained more than forty half-size figures. It was brought to the college by Mr. Jack Warner. A native of Iowa, Mr. Warner was passing through Valdosta from his home in Memphis to show the exhibit at the University of Miami and other southern colleges.

Figures included all the presidents, dictators, and such famous persons as Henry Ford, Thomas Edison, and Booker T. Washington; and are shown dressed in costumes of their eras. Descriptive posters and information about each person made the exhibit interesting and educational.

The exhibit was open to the public.

Sophomore Senior Formal Last Evening Is Gala Affair

Heading the unique lead-out last night at the annual Sophomore-Senior formal at the Valdosta Country club, were Sara Catherine Martin, president of the Sophomore class, and date, Billy Evans; Margaret Burns, president of the Senior class, and date, Billy Burns. Second were Evelyn O'Neal, vice-president of the Sophomore class, and Ruth Morgan, vice-president of the Senior class, and their dates. A spotlight was focused on the couples in the lead-out.

Approximately 250, including students and their dates attended the swingster beginning at nine o'clock and continuing through two. The lead-out began at nine-thirty, and intermission was at eleven-thirty.

Dave Middleton and his ten-piece orchestra from the University of Florida, and a featured vocalist provided the music.

Receiving Line

Couples were met at the door by Sara Petty, president of the Freshman class, and Gwen Hendrick, president of the Junior class who directed them to the receiving line. The receiving line was composed of Sara Catherine Martin, Margaret Burns, and dates; Miss Annie P. Hopper, Miss Leonora Ivey, and Dr. and Mrs. Frank R. Reade.

Punch was served to the couples throughout the evening.

The clubhouse was decorated in a tropical motif. Pink flamingos, holding ribbons of various shades of pink lined the walls in front of swaying palm trees. The ceiling was veiled to give the illusion of the sky. The windows and walls were covered in blue giving the effect of the sea. A large illuminated sun was behind the orchestra.

Freshman Honor Society Plans Hobby Fair

The Freshman Honor Society, under guidance of President Thelma Sirmans of La Belle, Florida, and vice-president Jacqueline Smith, Waycross, plans a hobby fair to be held in May. Old hobby fans in school are asked to get their scrap books, stamp collections, embroidery and what nots into shape for exhibit when the members of the F. H. S. call on them.

The purpose of the Hobby Fair is to show what college students do in their spare time, and to interest other students in developing useful, interesting and educational hobbies that will prove lifelong friends and guardians against boredom.

This is the first time an exhibit of this nature has been shown at G. S. W. C. All students are asked to participate, and to come look, talk hobbies, and learn!

Serenaders Sing With Male Chorus

The Serenaders of the G. S. W. C. glee club go to Madison, Florida to sing in a special feature with James Dasher's male chorus Thursday, February 27th.

During the past year the Serenaders have sung in Waycross, Moultrie, and at Abraham Baldwin Agricultural College in Tifton. They have also sung before various local organizations. Last week they performed at the Ladies night of the Kiwanis Club. Vocalist of the serenading group are: Mary James Twitty, Louise Griffin, Corinne Smith, Susie McKee, Mildred Harris, Ruth Taylor, and Elise Gannon. Lois Christian is Accompanist.

Library Does Everything But Read For Students

By Louie Askew

The library on this Campus is progressive and far-reaching . . . it does everything but read for you . . . that is, the librarians . . . and they read a lot, in some instances, to save you time and energy . . . or did you know that? And besides reading, they go to other troubles . . . but read on and see!

Each week the librarians post the Ford Hour Program for the coming Sunday and provide copies of this program for those who want them. In addition, it places material "Where you can see it" on the program. They outline the most attractive features scheduled for the radio network by the day and hour of each week, and then display this outline on the library bulletin board. Material on some of the broadcasts is often found in the lobby or reading room. If you miss the good programs, its your own fault!

New Books

As far as New Books are concerned, you haven't a chance to miss them. Your up-to-date librarians keep notes about the new books in a folder at the circulatory desk, and ever place the jackets of the very latest rental books on the bulletin board for you to see . . . and want to read. The rental shelf with a display of bright pickets just beneath it is located at your convenience in the reading room on the north side, and for only three cents a day, you can enjoy the best-sellers people everywhere are reading. Wake-up . . . and read! The list of the best sellers "Every Week" including both fiction and non-fiction, is posted that very week . . . at your disposal.

Reference Questions

What some students fail to find out, even after four years of college, is that the librarians are only too willing to help you find answers for their reference questions . . . or even references and if you want to read a book and just can't decide on one they'll take time off from their many duties and help you choose it!

If biography is your concern, there is a file of biographical material on current authors kept in the librarians office—always open.

These are only a few things about our library . . . your library and mine. It's up to you to make it more yours by using it and its services more. It's always there, but where are you?

"THE OLD MAID"

WITH BRUCE MAC HAFFEY

The Fifth Column

'Tis Winter and the hot summer sun beats down upon my brow as I shiver in the unheated Canopy Office and peck away at the second best typewriter and make another attempt at writing a column. The phone just rang, as is its custom when one is engrossed in thought. They wanted a loaf of bread and a lime dope—such crust! Now to get down to business.

Seems as if the Sock and Buskin play is ready for release. We understand that old glamour boy Mc Haffey really enjoys his scenes wherein he wears doeskin trousers, blue velvet vest, and wine coat. And the costumes for the feminine element of the cast are really the thing! Hoop skirts and lacy frills galore. The Old Maid is a play you must not miss.

The Attendance Committee is working overtime these days what with the formals, the measles and flu all taking their toll of the class attenders.

Crepes Paper Cutters

Members of the decoration committee for the Soph-Senior formal, were working overtime in the upstairs rooms of the IITW and really did a good job of prettying up the local Country Club. And speaking of the Sophomores, did you attend the Swing Concert on Friday afternoon. It was for the British War Relief Society and was worth anybody's thin dime. Music was furnished by Dave Middleton's Florida Collegians. And then there's the tea dance this p. m., and the regular Saturday night dance, all with orchestras, decorations and such.

MacFie Rides Again

Louise MacFie, the Senior who is responsible for many a good laugh has carved another notch in her well worn gun stock! MacFie, who is always on deans list, and a member of Senior Honor Society, knows all the answers, and is always first to show her hand when a question is asked. If MacFie doesn't know the answer, she reasons it out mathematically or otherwise. Probably that is what she was doing when Dr.

MARTHA WILKES, shown above with one of the horses from G. S. W. C.'s stables, is one of the riding students who participated in the supper ride of last week. See story below.

Riding Students Ride To Country Club For Steaks

A girl sits at work in her room or chatting with her friends. Suddenly a thunder of hoofs rings out, gay voices are heard calling to each other, spurs and bits jingle merrily, and the wise observer calmly remarks, "There goes another riding class".

It has been the custom as soon as the willing but decidedly amateur rider has proved to the satisfaction of Miss Lowry and herself her ability to remain at least in close proximity to the saddle of a moving quadruped, to allow the fledgling horsebacker to take her steed out on the road. My, how the equestriennes do enjoy the cross-country rides on these crisp, cool days! They gallop, and gallop, and gallop!

Now Miss Lowry has added another attraction to her list of features: the steak fry! On one of these occasions the girls and Miss Lowry mount their trusty steeds and canter out to some prearranged spot. At the rendezvous other members of the P. E. department and some of the faculty are waiting with the steaks. Evidently the riders have to rely on the devout hope that those faculty members who prefer a car to a horse won't develop too much of an appetite and devour the supper before their arrival.

One of the riding classes enjoyed a supper ride this week. Jeanne Pryor, Martha Wilkes, Grace Lawson, and Miss Lowry rode the horses out to the Country Club. Misses Ivey, Carter, Teasley, and Motter, Dr. Phelan, and the steaks rode out to the Country Club in cars. The group enjoyed the nice juicy steaks after the ride and Dr. Phelan took some pictures.

Quoth one of the riders when asked her opinion of supper rides, "I think they're just wonderful! Hope we keep on having 'em!"

Mrs. Middlebrooks Taken By Death Last Friday

The girls of G. S. W. C. learned with regret of the death of Mrs. Mary T. Middlebrooks on Friday night, February fourteenth.

Following a major operation the first of the week she rallied and apparently seemed as well as could be expected, until Friday night when she grew suddenly worse and passed away.

Mrs. Middlebrooks was house mother in Senior Hall in 1938-39 and in Converse Hall in 1939-40. She had been at Milledgeville before coming to G. S. W. C. and returned there this year.

Funeral services were held Saturday afternoon in Milledgeville. Mrs. Middlebrooks was a member of the Methodist church. She is survived by one daughter, Miriam Middlebrooks, who is a teacher at Douglas, one sister and two brothers.

Frosh Council Groups Meet, Make Plans

At their last meeting the Personal Relations Group of the Freshman Council had a very interesting discussion on "God in Our Personal Relations".

On March 24, the next meeting of this group will be held at which time they will discuss "Men-Women Relations". They are in the meantime, doing some research on this topic.

On Sunday morning, March 2, the Personal Relations Group is going on a breakfast hike with their leader, Margaret Burns.

The Entertainment and Publicity Group had charge of the Birthday-Valentine Dinner Thursday evening, February 14.

At present this group is formulating plans for a party to be given for the entire Freshman class. They are studying new forms and ways of entertaining in order to make the party a success.

Julia Frances McCorkle was elected Chairman of the Program Committee of Freshman Council at the last meeting. Mary Kate Hunter, and Thelma Butler were appointed as steering committee. This group is sponsoring "Taps" for all those living in Converse.

College Youth Thinks U. S. Can't Stay Out Of War

By Student Opinion Survey

AUSTIN, Tex., Feb. 22--There is a growing sentiment among American college youth that the United States will not be able to stay out of the war.

This significant trend in current campus thought has been made possible through the recurring samplings of Student Opinion Surveys of America, of which the Canopy is a cooperating member, along with 150 other college newspapers.

Hand in hand with the opinion that it will be difficult to side step the European fight, there appears in the survey strong opposition to this problem: "Should American warships be allowed to convoy shipments of war supplies going to England?" While Congress debated this and other issues, 67 per cent of the college students were answering "no" to the above question, presented to them by a nation-wide staff of interviewers.

Repeated checks of national student opinion point out that since the war began nearly three out of every ten students have changed their minds about the ability of this country to avoid the conflict. Even at the end of 1940 there was still a substantial majority convinced we could stay out. But recent events, including the expansion of hostilities to the Mediterranean area, the approach of spring and with it the threatened invasion of England, and the success of the Roosevelt administration with the lease-lend bill, have apparently made the war seem closer. A majority now believes the U. S. will be involved.

This is the three-survey record kept by Student Opinion Surveys over a period of fourteen months: Believing we can stay out of war:

December 1939	68%
December 1940	63
NOW, February 1941	49

Other polls have revealed that the country as a whole has all along been less optimistic than campus youth. But this last check-up by Student Opinion Surveys seems to indicate that although students have been slow to assume an attitude of apprehension, they are now more in step with general public opinion.

In two sections of the country--New England and the West Central states--there are still majorities of students convinced that we can dodge the war, as this tabulation shows:

Can we stay out of war?		
New England	54%	46%
Middle Atlantic	46	54
East Central	47	53
West Central	58	42
South	48	52
Far West	46	54

Because President Ernest Hopkins feels the "White collar" aspect of higher education has been over-emphasized, Dartmouth college has a student workshop this semester.
