Happy Florida Greetings on this 4th of July!

Oh My! Get together with your "Family" and play by the river, & the changes really happen! I now live by myself (actually there's a young white Unicorn with a green horn, mane, and tail that lives here too, but he's being secretive and hasn't told me his name yet... any clues?). My little place can give me all the space I need to do all the upcoming writing and organizing for the Rowan Tree. Feel free to come visit, in person or in thought or astrally. I will be here in Florida until the first week in September. So, you now can have two addresses to write to me with:

C/O Restoration One		Mary (or Mahr) Maag
P.O. Box 7257		2321 Central Terrace
Fort Myers, FL 33911	or	Ft. Myers, FL 33901
(mail picked up 3 times		(mail retrieved daily)
a week)		

2 phones for messages: (813) 433-1993 or (813) 936-0986
Trudy is my land-

Since I have no direct phone, I hope to get lots of mail! lady
Oh, I almost forgot... when I arrive back in Minneapolis, my P.O. box there can again be used: P.O. Box 300111, Mpls., MN 55403-5111

Now, the reason for this composition: I'd like to submit a proposal for our voting time this Equinox. But the situation is a bit touchy, and I'd like it to pass, so, I'd like to please have assistance in engineering it to satisfy the whole of us.

As we have all heard, it has been determined that a Rowan Tree Member's individual overhead is \$7.50/month. My proposal is obviously concerning the Rowan Tree's financial solidity. Some thoughts first:

- should the proposal be only for one year?
- should a cost of living be considered in?
- should there be space made for those who really can't afford the basic charge? (it happens & its O.K. That's why we're in a group - not one of us can do what we need to accomplish alone.) And who determines this person(s)?
- a due date for the money to be received?
- a late fee?
- The Hermetic Principle - As above, so below... if our internal stuff and growth is good, then it should manifest on the material plane. And at the figure of \$7.50, that is only a quarter (25¢) a day... thus...

Mahr's Pentacle Proposal:

To help us manifest the Hermetic Principle by undertaking the discipline of submitting to the Rowan Tree, by the 20th of each month (initial date: 20 x 85ce), the monetary sum of \$8.00 for one year. The sum of \$10.50 thru '87, and \$13.00 thru '88. Via the decision of the Initiates, that two people, at most, can submit a smaller fee, if any, for a predetermined time, not being a whole year. When a payment is 10 days late or more, a late fee of 10% will be expected. Violation of this Article of the Rowan Tree for two consecutive months, tells us you can't care about your spiritual growth, and you will be asked to leave our company, until shown otherwise. That 50% of the \$8.00 minimum Rowan Tree nurturing monies go to our someday 40 acre land. 75% thru '87, and \$1.00 thru '88.

Whew! I hate this financial stuff as much as anyone...but it is a reality of this earth plane. Please respond to me personally on this matter within a month. I'll need time to pull all the responses together. So, please give me your thoughts, opinions, suggestions, etc. by 10 viii 85ce.

Thanks for your time! Blessed Beeeeeeeeeee...
