Blessed Day to All!

We welcome our newest member
he lives at 323 - 13th Ave.

called "Cairngorm"? Well, That's

SHELDON HAIGHT, born 22ix49
East, Apt. 6, Seattle, WA
author of The Unicorn,
Sheldon!

"As an agless soulbeing, my entire existence is one of becoming, ultimately becoming one with the Divine. Magick is the channeling of the Life-Force by means of one's Will. Therefore, each of us is involved intimately in magick. In my present incarnation as a human male, I am learning my connectedness with all of Life..... Although most of my learnings in Wicca have come from books, I was initiated into a local eclectic group in 1984 on Beltaine Eve.. That group has since splintered due to disorganization. I have thus opened my home for a twice-a-month meeting of a Magickal Study Group, which continues to ebb and flow. Yet, I find that I need a deeper contact and more specific participation in the Craft. I need the continuity that the Rowan Tree offers - the togetherness of family, the pathways of structure and knowledge, and the flexibility of its flow. I see the Mysteries of Lothloriën offering me better discipline, deeper knowledge, and a greater ability to become at one with my universe...." Blessed Be, Sheldon! Your earnest efforts and love are welcome here!

"Well, we are now 21 Members strong. There are no more outstanding applications, so at present, there will be no more Members coming in to The Rowan Tree until 1986, as there is not enough time for someone to get an application & work through the necessary process prior to the Equinox cut-off date. Welcome to all 1985 'enlistees'! Hope you survive the hard work..." - Paul

Also, Paul asked me to pass along to all Members, that if you need more one-to-one time with Margie or Paul, all you have to do is ask. If you have need, you must express it. Thanks.

The Rowan Tree received a box of books from Courtney Willis about 6 weeks ago.. The titles have not been released to me yet, as I get them, they will be passed along. (David has been busy re-organizing the Library - no easy task - so, patience please, & send David Blessed energy & thanks.) So, THANKS COURTNEY, for your gifts of written wisdom, maybe some folks could stop by & see them for themselves! Such gifts of time & money are so precious to us. Sorry for the delay of appreciation, Courtney.

From Larry Anderson: "I took Paul's July Herbal Magick Week. I never knew how wonderful it could be to get so involved with each herb. To feel their energies & know each one is different, but yet all are one with the Mother..."

Larry will be beginning a new way of life soon, and is quite excited about it. Beginning August 1st, his new mailing address will be: Larry Anderson c/o P.O. Box 8814, Mpls., MN 55408. Blessed Be!

This will be the last Newsletter until all the news/information can be compiled from the Camp-Out & Lammass Picnic...

Have a Most Blessed Lammass!
