Georgia - At the request of George Woodruff I have made a resurvey of six tracts of Land adjoining each other, originally granted to Sir Patrick Houston situated in Glynn County on a branch of Green Creek (a branch of Turtle River) known by the name of Turkey Swamp and after an accurate Admeasurement I found the whole to contain 2232 acres & has such shape & marks natural & artificial as are particularly specified in the annexed plan - Certified this 6 July 1803
