Dear Madam

I have received,
with pride & pleasure, the
charming book wh: you
have done me the honour
to inscribe to me. I
have read enough of it
to perceive how full of
poise, sentiment, & fancy
the work is. I shall

peruse it at my first leisure
with much interest, & find,
I doubt not, great reason
to be proud of the distinc-
tion conferred on me by
the Anthracite. With
warm thanks

Yrs always sincerely
Edwin Arnold
