

April 19.

Dear Sir Edwin

I think the most
charming of you to
have thought of
giving me a present
& most of all a

copy of your own
work which I assure
you I feel much
honoured to receive
from the hands of
the author.

Thank you so

very much for this
particularly acceptable
token of your kind
feeling to me.

I hope you may
see you at our
wedding on the 24th

I should be so
pleased if you
could come.

Yrs. sincerely
Julia Peel
