1. Announce that the Council on Staff Affairs is arranging a series of events from Tuesday, November 17, 2009 to Friday, November 20, 2009 to signify VSU's appreciation of its classified staff. All faculty are encouraged to show their appreciation for staff during this period.

2. Consideration of a registration policy that allows a student to use their preference to register (based on the number of earned hours) for a limited number of credits (e.g., 15 or 16). Students wishing to register for more than the limit could do so during the second week of registration or during in the drop-add period. Provisions could be created to address programs with special circumstances. The main goal would be to limit "course shopping and gaming" in which students register for classes they do not intend to take. *Remand to Educational Policies Committee for review and encourage the EPC to consult with the Deans Council and the Department Heads Council. In reviewing this policy, the EPC should also continue its discussion of limiting the number of withdrawals a student may exercise without penalty.*
