POPE'S CHAPEL UNITED METHODIST CHURCH

The Methodist Society, which was later organized into Pope's Chapel Church, was first organized in August 1786 by Thomas Humphries at the home of James Marks located in what is now Elbert County about 1½ miles Northeast of Old Baker's Ferry on Broad River. When Elbert County was formed in 1790 from Wilkes County, it left most of the church members in Wilkes County, so the church was relocated into Wilkes County, south about 2 miles from Broad River, on property owned by John Landrum adjoining his homeplace on the east side of Baker's Ferry Road. It was in this location that it received its name, in honor of Rev. Henry Pope, who provided most of the timber used in the building. Bishop Francis Asbury delivered the Dedication Sermon there in 1805. In 1852 the church was again relocated about 2 miles south to its present location. In 1871 Trustees of the church were Benjamin W. Fortson, M. T. Cash, Augustus A. Neal, and James W. Boyd. A second structure was erected in 1897 in which two stained glass windows were installed as a memorial to Benjamin Winn Fortson and his wife Hannah Rebecca Ogilvie by their children. The Dedication Sermon was delivered by Lundye Harris in 1898. This building was severely damaged by a windstorm and a third building, presently in use, was erected in 1957.
