

Dearest mama,  
I was so glad to get  
yours and Cha Lee's letters, they  
do me lots of good, wish they  
could come oftener. I have been  
awfully busy studying for that  
English Exam and being rushed  
around giving doesn't it, but  
the Props are rushing me to a  
cool calm finish. Tell Ida Lee  
if I was right now and knew  
nothing about the newspaper's  
I would be a prop for they have  
been much nicer to me than  
the others. They had the cutest  
party the other night I don't  
say. I am certainly having  
a good time. These girls are all  
so lovely, such a difference  
from my former times. We  
have so many privileges but  
I am scared as a not to do  
anything for fear I'll be snatched

up about it. The girls laugh  
at me lots for being so  
timid in that line. I ask  
so many questions about things  
till they think I am a perfect  
green horn. I'm happy just the  
same.

Miss Hopkins let Lorraine  
come out Thursday afternoon  
to see me. Marion Barnett  
yesterday afternoon and F.  
Wells last night. Harriet  
she been nice and she was  
so willing to consent about  
the automobile but said she  
would have to ask Dr. F.  
he first said no, that  
he had turned down a  
girl last year, then he

said leave it with Miss H. so  
she said, well I see no reason  
why it 'wa'nt be perfectly all-  
right so I immediately thanked  
them + asked Miss Hopkins  
to go to-morrow after noon. Look  
what Mr. Akers said, isn't he  
a sight? Thank you for the  
permission a whole lot, wish  
you all could enjoy the machine  
with me.

I saw Mrs. Hunt, Susan  
& Emma to-day, she asked  
about all of you all, and  
has invited me to supper real  
soon. I recognized them, but  
none of them knew me.

I haven't been in Atlanta  
since I came, I have been too  
busy. Expect to go to-morrow in  
the Stokard. Dayton some  
class! I don't go, unless I can  
ride in in my auto!!! I am  
going to take Kate Richardson  
& Mary Crosswell from Greenville  
by the way, Mary has been

you can't afford a single  
room I know, so there  
it is. I'll very probably  
have to go on third floor  
now for a double room.

I do I remember  
Annie Waddell, will she  
teach here now in the  
Academy & she said she  
would like to room  
with me, I think she is  
lovely too, It certainly is  
a hard proposition and  
I am distressed over it.  
It would have never done  
though for me to have  
stayed with the girl I was

with Docit I have lots of  
trouble. The girls have room  
mats and are all satis-  
fied, so there it goes.  
Please write me if I  
must not know with  
Mary. I am crazy about  
her! Look her & Kate  
Richardson and Miss  
Lewis to ride yesterday.  
Miss Hopkins couldnt go.  
We had a dandy ride  
but had a puncture  
three miles from home  
on the way home.  
We took a street car  
and got here as the

supper bell was ringing. That  
car is some beauty, + a perfect  
cradle when you ride in  
it.

Hal sent me a beautiful  
D.C. table cover to-day. By  
the way, can you send any  
of my penants + pictures.  
I don't want the pictures to  
get broken, but my room  
is the only one not filled  
up almost. I want them  
so bad.

Well, don't worry, I won't  
buye Mr. A. car. The little  
negro is a good one.

I will be mighty glad to  
get the money though. I am  
not broke. I have some per-  
fectly good black kid gloves,  
so won't buy any yet.

Well grand mother + the nicks  
as soon as I get to a place where  
I don't have to write so much  
business I'll write to them. Hope  
they can be soon.

Have have you been  
never have you said whether  
you had been well or not.  
Hope you have.

Bless you mother for your  
prayers, if it wasn't for  
you I don't know what  
I would do. I miss you  
all so, but hasn't been  
what you would call  
home sick.

Must stop and dress  
for supper.  
With a whole heart  
full of love.

Well I da see not to  
wait for me to write  
to her. I enjoyed her  
sweet letter, and  
sure feel sorry for  
her.

I am at present  
writing me the dictionary  
reason that will  
help me any. I am  
in a bad fix am  
I not. Thats alright

Dr. Armstrong told me I  
passed nicely in English

Good-bye-

Your ever devoted

Poss.

P.A. What are you trying your  
self down on now being

I am getting along all -

right.

D. H.

Tuesday.

Dearest maama, was delighted when  
your letter came yesterday, I got  
six letters and a card yesterday  
and all the girls looked at me  
in amazement. One was from  
Mr. A. Maama, and he wants  
another date while I am in  
Atlanta and I can't afford to  
give him two out of four,  
for M. W. Marion + Laurell  
have all asked me to let  
them know when I am coming  
in, so what must I do? How  
I need you all, I'll never  
be able to think I wish  
grandmother would ship  
me her quick wit for it is  
sadly needed and would

be greatly appreciated.  
I passed my exam!!  
aren't you proud of me? I  
am. I am Junior English  
Junior Latin and French  
German, Soph. Bible. of course  
I am irregular & am not  
classified as a junior but  
still I'm proud of my junior  
studies

I asked Mr Bachman  
what the extra charge in voice  
would be for your lessons  
for a month, and he  
said \$17.00. Mr Johnson  
said he thought it  
would pay but really  
now it will take up  
time & I don't feel like

I ought to ask it of you, you are  
doing enough already. I can tell  
him I haven't time.

About Mary Crosswell, you  
see everybody has a room-mate  
and there is the dearest sweetest  
girl next door to me, but she  
has a room-mate + I can't  
do much studying there in a  
room. I would rather room  
with her than most anybody,  
she is Julia Muzum from  
Escalosa, Alabama. She is a  
Prof. though. Mary and I had  
already discussed this and not  
decided when your letter came  
and I hardly know how I am  
going to get out of it. She is  
lovely though ma'am, and of  
course you all know best per-  
haps but since I am not  
going to be able to get anybody  
I must take her, or else stay  
in this single room and  
that is \$25.00 extra which  
I didn't know at all. Now

begging me to room with  
her, and much to my  
surprise and horror I  
was looking over the catalog  
and found that single  
rooms were twenty  
five dollars more, I can  
give me living in such  
extravagance I didn't  
know it at all when  
I moved in, so don't  
you think I had  
better get out immediately  
I am crazy about a  
single room and know  
I would do better work,

but Mary is a senior  
and has to study &  
she will have a sleep  
as I hope I can room  
with her, but she will  
be on third floor. Write  
me what you think about  
it, please & write as  
soon as you can

I don't know whether  
I flunked in English  
or not. Kinder believe I  
did, every body say it  
won't be any disgrace if  
I did, or if you all  
won't be ashamed of me

either, I wait worry over it  
They wouldn't accept Dr. B's  
certificate but made me send  
one to Mr. Henry, it came yesterday  
but I don't know whether I  
can get in or not yet with  
out no more space. I have  
had a three troubles all my  
own. — Mr. Johnson said I  
had a beautiful voice, but  
that I stood badly and  
breathed badly, but he says  
he thinks I am going to be  
a good student and is  
very anxious to give me 4  
lessons a week. I don't know  
whether that will be extra  
or not, am going to see Prof  
Dobson about it to-morrow  
must I take or not? I am  
in German O. had to take  
that with voice, have no  
French, and Soph Bible con.  
flicts with Junior English if  
I passed, so I will have

To take some other Bible  
rather than the life of  
Christ, and I had so  
much rather take that.

I am Junior Latin - that's  
all I can tell you yet, for  
I am still unsettled.

I will sure have  
to do some tall walking  
to keep up with 'The Sea'  
rep. The show is well  
thought of here. Lots of  
girls have told me that  
Dr. J. read out in  
Chapell her letter and  
talk about her endowment  
fund - Martha Merrill's

sister is here visiting. I  
like her fine. I met  
Sara Book the other  
day.

I believe you asked me  
who was mad it was Luke  
Lover, Dr. Wright took  
me where he took me to  
the depot that Mr F. was  
mad with me, and said  
Mr. F. said that he  
knew his age was against  
him, but that he found  
out the man, I turned  
him down for, was older  
than him. See Mr.

Akers stayed at Johnson Hotel  
& so does Mr. Faxon. I had a  
car from Dr. Wright saying  
he had made it alright with  
Mr. Faxon. I just told Dr.  
Wright how it was as he  
explained.

I must stop and  
get ready for 5:30 supper.  
The fare here is grand.  
We had fried chicken for  
dinner today + real fried  
potato chips for breakfast +  
desert every day. Oh! I am  
crazy about Agnes Scott and  
am so thankful to be here  
mother dear and am going  
to try to make good. Please  
send me permission to see  
Mr. Akers Lawrence, Union - H. W.  
Lawrence. Love to all,  
With some love
