VSC Enrollment Still Up

colleges across the state are having problems attracting new students but VSC appears still to be one of the best educational institutions in Georgia as well as the South, the climate and environment, and the physical beauty of the campus. According to Mr. Clark one of the most influential factors in attracting prospective students are the students of VSC and their friendly attitudes. The Admissions Office has had their recruitment program in use for approximately four years and they are continually employing various, new techniques in an effort to give prospective students the feeling that VSC is the school for them.

A Board of Regents survey of the thirty-one institutions in the University System of Georgia shows that VSC is one of the eight schools showing an increase in the number of applicants compared to the number received last year at this time. The present trend leans noticeably toward increased enrollment in four year institutions. Only one of Georgia's junior colleges shows an increase in applicants.

Denny Clark, of the Admissions Office, attributes the increase in applications to VSC to various factors: the academic respect VSC has accumulated as one of the best educational institutions in Georgia as well as the South, the climate and environment, and the physical beauty of the campus. According to Mr. Clark one of the most influential factors in attracting prospective students are the students of VSC and their friendly attitudes. The Admissions Office has had their recruitment program in use for approximately four years and they are continually employing various, new techniques in an effort to give prospective students the feeling that VSC is the school for them.

If any students have interested friends visiting, the admissions office will be at their disposal if they can offer any assistance or information. Mr. Gene Burton of the Comptroller's Office anticipates no changes in fees for the '74-'75 academic term other than a one dollar increase in the activities fee to cover women's intercollegiate sports. No other changes have been requested by VSC in the budget they submitted to the Board of Regents.

Mr. Burton stated that VSC is financially the "best managed institution in the University System." Much of this financial stability can be attributed to the "healthy financial state of the VSC auxiliary enterprise out lets, said Mr. Burton. If a little competition were introduced among the existing monopolies held by the bookstore and dining hall, the system would be more efficient and stable. Maybe students wouldn't have to pay such exorbitant prices for books and supplies. Perhaps the Business Administration Department could undertake such a project, and see if all those theories taught in Economics 200 work.

Sawyer Dedicated

A portrait of Louise Sawyer was unveiled during last week's performance of "One Flew Over the Cuckoo's Nest." Mrs. Beth McRae uncovers the painting while Dr. William Gabard looks on. The painting was done by Mr. Russell McRae, VSC Art professor.

VSC To Graduate Over 600 On June 1

Valdosta State College's spring graduation ceremonies are scheduled for 8:30 am on Saturday, June 1. To be held in front of the Dining Hall, the early hour will help avoid being out during the hot part of the day.

degrees will each be presented to 92 students. Some 57 graduates will receive the Bachelor of Science degree. The BS in Nursing has 42 recipients while the Bachelor of Fine Arts degree goes to 32 graduates. The BS in Administration (2 years), Bachelor of Music, Master of Arts, Master of Science, Master of Business Administration, and the Education Specialists Degree.

Principle speakers for the exercises are Dr. Henry King Stanford, President of the University of Miami in Miami, Fla., and Dr. Stephen McMahon, President of North Florida Junior College. Col. Wren Christie will be the Grand Marshall for the ceremonies. Diplomas will be presented by VSC President S. Walter Martin with assistance from Bill Moore, registrar.

Over 600 degrees are to be conferred this spring. Two students Elizabeth Dixon and Patsy S. Stone, will graduate Summa Cum Laude. Marsha Smith, Miriam Proveaux, Frank B. Walker, and Joseph S. Bodenhamer will receive Magna Cum Laude. The honor of Cum Laude will be bestowed upon 11 graduates. They are Keith A. Cowne, Ann Morrow, Robert Pullen, Jr., Robert Smith, Samuel J. Smith, Catherine Kilpatrick, Mary Lott, Sybele Oldaker, and Deborah Hardegree.

This May Stump You

The hugh camphor stump (ex-camphor tree) will no longer be around for people to wonder why it was cut. An underground tank will take the place of the giant tree stump. Rumor has it that another tree near Converse that will fall shortly. This time so the painters can do a better job.

VSC Wages Going Up

compliance with the federal laws effecting minimum wages, the following changes in VSC Employment Policies Payroll procedures are effective as of May 1, 1974. VSC falls within the occupation classification of an institution of Higher Learning and is therefore required to pay 85% of the minimum wage. We will, however, implement the base rate of \$1.70 per hour which will be required as of May 1, 1975 rather than \$1.625 per hour which is minimum required by law May 1, 1974.

changes effecting student employees are outlined. Effective May 1, 1974, minimum wage of all student employees at Valdosta State College will be \$1.70 per hour. Student who received increment raises to May 1, 1974 will receive their hourly wage proportionately. (For example: \$1.68 will be raised to \$1.78, 1.76 to \$1.86, etc.) Under the new law, student employees must be paid full time and allowed to work only 20 hours in any work week at the \$1.70 rate except that in a week which a full-day school day occurs at which time student may exceed the twenty hour limitation by 4 hours per holiday. The student's time sheet must show that a school holiday occurred in any week in which student exceeds twenty hours.

These wage changes apply to students working under the CWSF program or the Student Assistant program. Any questions concerning wage change should be directed to Mr. Jerry Bishop, Student Office, Powell

Mike Chason and Dr. Wayne Faircloth tapping for ODK.

ODK Taps First Coeds

The VSC Chapter of Omicron Delta Kappa Honor Society tapped sixteen students and faculty last Tuesday. This tapping marks the first time that coeds have been taken into the prestigious society.

Coeds tapped by ODK included two juniors and six seniors. They are Sharon Smith, from Darien; Judith Birch, of Macon; Judith Brooks, from Caconton; Rebecca Willis, of Moultrie,

Ann Zerblis, of Newman; and Edwanna Overby from Valdosta. The two juniors tapped are Diane Langley, from Doerun; and Janet Perkins, from Bradenton, Fla.

Senior men tapped include Clint Nicely, from Lyndhurst, Va.; Wesley King, from Doerun; Edward Jones, from Quitman. Juniors are John Ricketson, of Blakley; Donald Whitman, of Albany; Matthew Moye, from Lumpkin; Derry Crosby, from Adel; and John Glisson, a sophomore from Albany. Dr. Lamar Pearson, head of graduate studies, was also tapped.

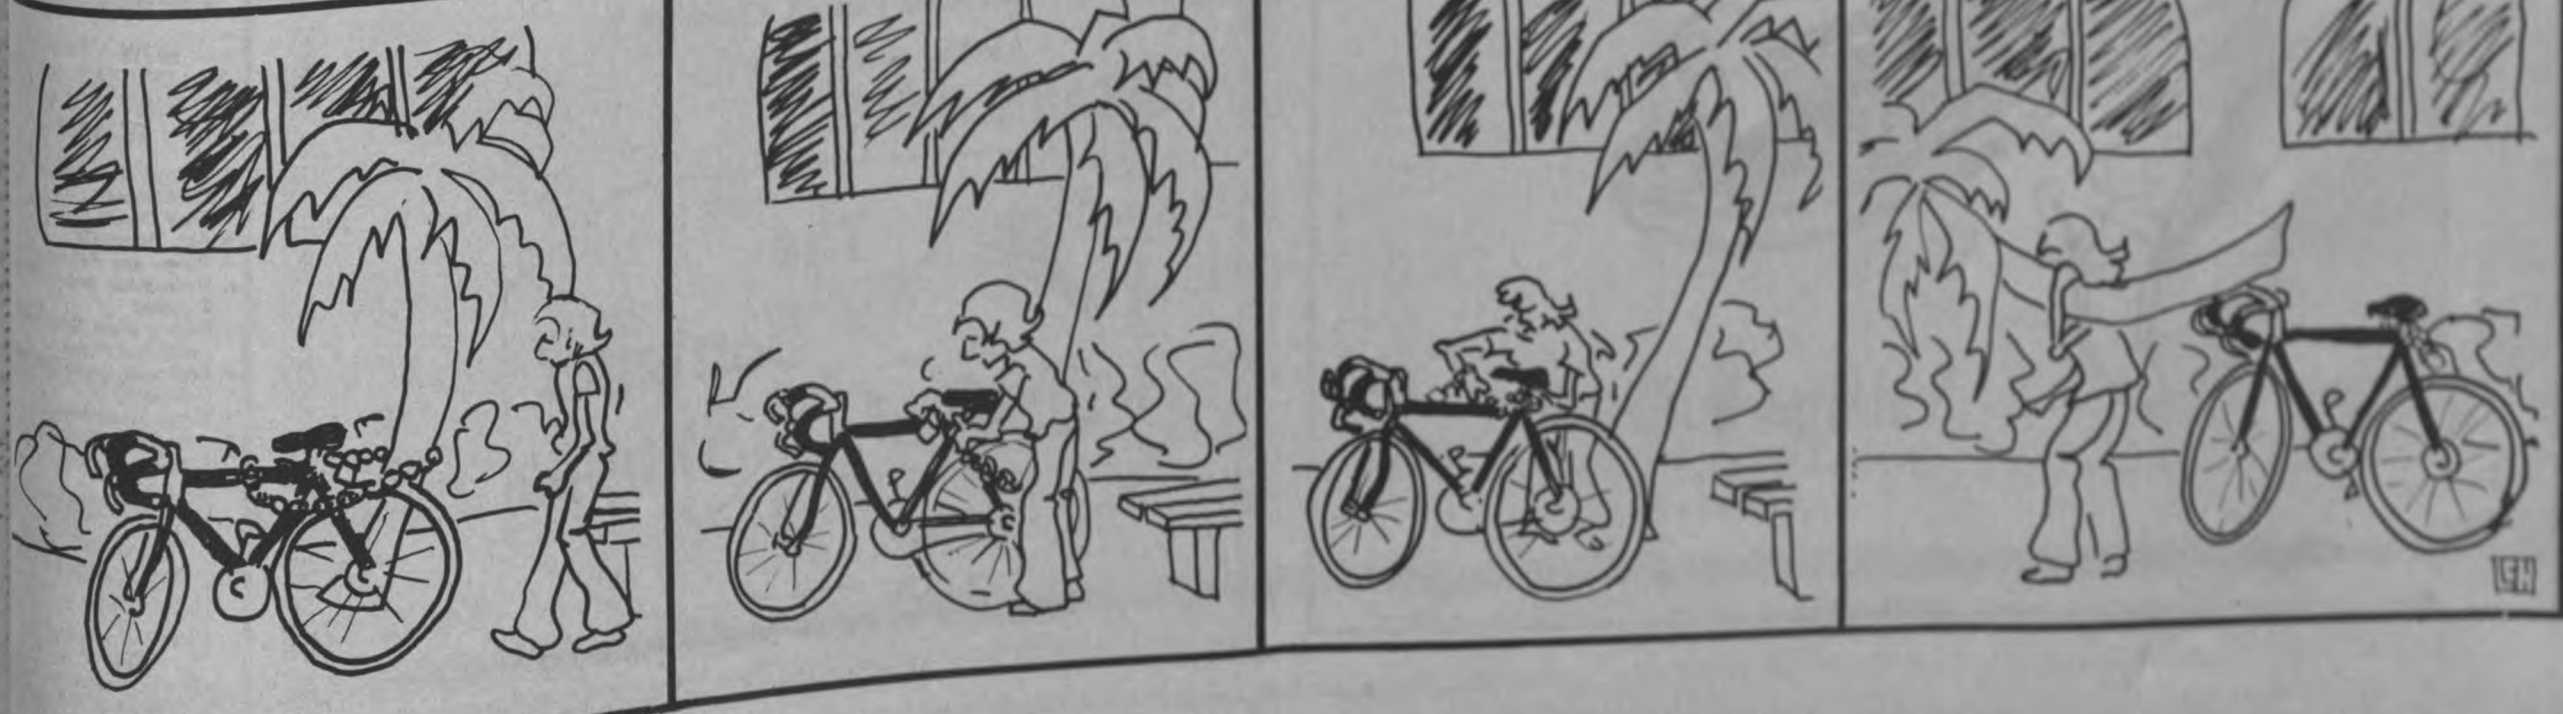

Outside of graduating with academic honors, tapping into ODK is the highest distinction one can receive. The new members bring the honor society's membership to 53 students and faculty members.

Blazers to Play In NCAA

by Billy Tyler Valdosta State, turned down an NAIA District 25 bid and accepted a more lucrative bid to the NCAA College Division Tournament in Lakeland, Fla.

Friday May 24 will include Rollins College (18-18), Eckerd College (28-10) and Florida Southern (23-13), which has won the national championship two out of the last three years.

The games are to be played at Marshon Field, the spring training site for the Detroit Tigers. The Blazers open on Friday at 12:00 when they will face Rollins. It is rumored that either lefty Bill Petty (10-1), 1.999 E.R.A. or righthander Steve McDiffitt (5-0) 2.50 E.R.A. will start. The Tournament is double elimination. The winner of the tourney will advance to the national finals to be held in Jacksonville, Illinois in early June.

Lucy Stewart Music Scholarship Auditions To Begin Next Week

Lucy Martin Stewart

memory of Lucy Martin Stewart, daughter of VSC College Relations Director Dluker G. Stewart and Nelle M. Stewart," said O'Neal.

"The recipient must be a legal resident of Georgia and a graduate of Georgia's secondary schools. The scholarship provides full tuition for one academic year for a vocal music major, and the final selection is made on promise as a performer."

"Applicants are to sing three selections—one in English, one in German or French, and one of their own choosing, according to O'Neal.

"It is not necessary but it would be helpful if the applicant would provide his own accompanist," he said.

Those who plan to apply may contact Dr. O'Neal at the VSC music department for a specific audition time within the May 31 schedule.

"We feel privileged to be able to offer this scholarship in memory of such a fine young lady," O'Neal said. "The many individual contributions that have poured in testify to the love and admiration in which this talented young lady was held throughout Georgia, Florida, and Alabama."

"This scholarship was established at Valdosta State College in 1973 to honor the

noted for singing with the Valdosta High School Marchin' Cats Band, of which she was the drum major, but she also appeared widely on radio and television, in supper clubs and musicals. At the time of her death, she was embarking on a professional career in music.

Amoco Management

Patchogue Plymouth, a Division of Amoco Fibers Inc, will have a representative on campus Thursday May 23, 1974, to interview for management trainee positions with their company. A BBA degree is required. Students interested in an interview should sign up in the Placement Office, Powell Hall.

NOTICE

Due to illness of the editor and several of the staff members this week, the paper will not have an editorial page this week.

If you have written a letter to the editor, look for it in next week's Spectator.

Vegas Re-Visited

The "bouncer" at last week's Las Vegas Night in the Snack Bar takes a break from her strenuous chores. VSC's first Las Vegas Night was an overwhelming success as some 500 students and faculty took part in the festivities.

Baha'i Faith Anniversary Tomorrow

On May 23, the Baha'is of Valdosta will join Baha'is around the world in observing the Declaration of the Bab and the 130th Anniversary of the birth of the Baha'i Faith.

On May 23, 1844 in Shiraz, Iran (then Persia) a young man, known as the Bab (Gate), announced His Mission as a Prophet of God and as heralding the beginning of a new universal cycle and a new age for mankind. He also asserted that the coming of a greater Prophet from God was at hand and Whose coming would fulfill the prophecies of all the great religions.

Because of His teaching, the Bab and His followers were persecuted by the Muslim clergy. These persecutions persisted during His imprisonment and banishment and culminated in His public martyrdom in 1850 at Tabriz, Iran. Some 20,000 of His followers were also martyred during the early history of the Faith.

The Promised One foretold by the Bab, Baha'is believe is Baha'u'llah, Founder of the Baha'i Faith. Baha'u'llah's name means "Glory of God."

Since 1844, the Baha'i Faith has spread to over 300 countries and territories. Baha'is believe that all religions come from the same Divine Source and that all are a progressive unfolding of God's Word for man. Baha'u'llah, they believe, is the latest but not the last of

God's Messengers and that His teachings are the Divine remedy for the problems of this age.

May 23rd is also the Birthday of Abdu'l-Baha, the eldest son of Baha'u'llah. He was born on May 23, 1844, the day the Baha'i Faith began. He sared persecution, exile, and imprisonment with His Prophet-Father. He was appointed by Baha'u'llah as the Center of the Covenant. After His release from prison in 1908, He visited Europe and the United States. He died in 1921.

On Mt. Carmel in the Holy Land is a golden dome shrine which overlooks the Bay of Haifa. Within this edifice are the holy remains of the Bab, The Holy Center of the Baha'i Faith is also located on Mt. Carmel.

Summer Orientation: Bigger & Better

For the second straight year, freshman orientation will be held during the summer quarter. In coming freshman or transfer students will have an opportunity to become acquainted with VSC on four different two-day sessions in June, July, and August.

The program, College Insight, is designed specifically for the new student at VSC. It will afford a chance to meet other students both new and old, faculty and administration, and to set up a schedule for fall quarter.

The Office of Student Development will offer special testing to give a new student a better idea about

himself for his interests. The orientation program includes informative sessions on testing, academics, housing, fees, registration, etc. Currently enrolled students will lead small groups of freshman in general sessions and campus tours to give them information about the campus and about college life from the student point of view. New students will also learn about activities, organizations, clubs, honor societies, Greek systems, and dorm life.

The program coordinator is Maggie Roberts, in Student Development. Anyone having questions or needing detailed information about College Insight should contact Ms. Roberts in Powell Hall.

Summer School At VSC May Be For You

Why would you want to spend your summer at VSC, for heaven's sake, when you've had your untanned nose to the academic grindstone for the last nine months already?

"It's quieter on campus," the sophomore coed replied. "It's much more peaceful and much less hectic than the rest of the year. You can really get 'into' school in the summer."

"The atmosphere is much better. And there's lots more parties."

More parties in the summer? "Sure. There's less planned things to do because there are only half as many students and most of them are public school teachers back working on their master's. So since there are less of us, we have to work harder to have a good time. So there are more parties. See?"

"Well okay, I think so. But tell me, do you come to summer school because the grading is easier, too?"

"It all depends. You can get a rough course or any easy course. Just like the rest

of the year. I don't think it's any easier." "From what I've heard from the Union Board, they'll still have President Martin's annual watermelon cutting and the student-faculty softball games."

"I also heard that since there are only 5-day a week meal tickets, the Snack Bar is going to have special Saturday evening treats followed by and she lowered her voice to a whisper, "Bingo!" She giggled uproariously at the anticipated silliness of the thought.

She soon calmed down, though, and after one last chuckle, continued. "There are also going to be a bunch of free movies like 'The Great Race' and 'On a Clear Day You Can See Forever' (she hummed the tune so I'd remember) and coffeehouses and crafts workshops and ping pong and chess tournaments and... oh yes, the pool will stay open all summer, too, thank goodness."

Anything else? "From what I hear, there will be at least two dances. One of them is gonna be absolutely super-funky with a twelve piece soul band called Leroy Lord and the Dukes. I can't wait for that." "Hey thanks. Where are you rushing off to?" "Library. Don't want to go into summer on probation. That'd ruin everything."

Editors and Managers Chosen For 74'75

In a recent Communications Board meeting, editors and managers for VSC communications outlets were chosen.

David Johnson, currently Manager of WVVS-FM, was appointed radio station manager for another year. Bill Johnson was approved as the Program Director—a spot has held since the creation of WVVS.

Next year's Pine Cone Editor will be Melinda Chorn. She has worked for the Pine Cone this past year.

Mara McRae was appointed Editor of the campus literary magazine "One the One". A member of both the Spectator staff and the

literary magazine board, McRae will fill the spot vacated by this year's editor, Judy Potter.

Clint Nicely was appointed to edit the Student Handbook for the second year. He is presently Spectator editor.

The Board appointed Wesley Cox as editor of the Spectator for the '74-75 term. Cox has previously worked as a staff writer for the student newspaper. The Managing Editor will be Bill Burson. Burson has served in that capacity since last May.

Joey Sheppard, a Spectator staff writer, will assume the duties of Sports Editor. An Associate Editor will be named at a later date.

From left Danielle, J.P. and Annadene Fraley; Ann and Dick Albin. The Kentucky performers appeared here Saturday at VSC's first folk festival.

Dick and Ann Albin try to explain the do's and don'ts of building a dulcimer to some eager VSC'ers. The dulcimer workshop held here last week proved quite successful, and one question which kept arising was "When can we do it again?"

Sociology Announces Search For A Graduate Assistant

The Department of Sociology and Anthropology (including Criminal Justice) at Valdosta State College is

searching for a Graduate Assistant for the 1974-75 school year. This assistantship carries a stipend of \$1800 for one year. Applicants will be required to assist professors with the conducting of workshop sessions, discussion sessions, test sessions, grading, keeping attendance, occasional lecturing in the absence of a professor.

Consequently, an applicant must meet the following criteria:

1. The applicant must have a 3.2 GPA in all graduate and undergraduate work attempted.
2. The applicant must be a

graduate student at Valdosta State College.

In order to assist with occasional lecturing in the absence of a professor the applicant must have an undergraduate major in Sociology, or Criminal Justice with appropriate undergraduate courses in Anthropology.

Valdosta State College is an Equal Employment Affirmative Action

employer, women and minorities are encouraged to apply.

Applications should be addressed to Dr. Curtis, Coordinator of the Graduate Program, Department of Sociology and Anthropology (Including Criminal Justice) no later than July 1, 1974.

Racial Minorities Are Not Only Ones To Suffer

It's not just racial minorities that suffer from prejudice. The short, the fat and the unattractive also are victimized both in school and on the job. One doctor who treats obese patients claims he would never hire one because "they're not good workers," and a college official admitted he didn't

like to accept fat students because they would have trouble climbing the hills on campus. In one study, the May SCIENCE DIGEST reports that a research team found most people believe that attractive individuals have better jobs, marriages and all the desirable social traits.

"Preservation-Act One" was the first in a two part series of albums by The Kinks. Now comes "Preservation-Two" in the same vein but twice as much.

with the good sound, making the whole thing hang together very well. A special merit album for Wet Willie.

Another Capricorn group by the name of White Witch is especially popular in these parts because of their former performances at our city auditorium as the "Tropics".

Your ears may be getting full of "Rebel, Rebel" which is the single out by David Bowie but you may get tired of the album quickly.

ETCETERA

The next issue of Platten will unfortunately be the last. Since no new music is expected in the next couple of weeks, Platten will turn toward the actions of VSC's radio station, WVVS for a view on the events coming up in the summer quarter.

Doc Watson—Bluegrass Great

Spectators watch in wonder as one VSC art student demonstrates the potter's wheel.

Coney Grove Festival To Feature Doc Watson And Craftsman's Fair

Onlookers crowd around to watch as a potter moulds clay on his whirling wheel while nearby, a group of women deftly place tiny stitches in a brightly colored patchwork quilt.

Sound like fun? Well, that's the scene June 7, 8, and 9, at Coney Grove Bluegrass Festival and Craftsman's Fair, Coney Grove is a leisurely old time festival in an open-air setting.

This year's musical lineup is headed by recent Grammy Award winners Doc and Merle Watson. Considered among the top bluegrass guitarists, the Watsons are internationally famous for

their performances of bluegrass and mountain music. Sharing the stage is the bluegrass group the Lewis Family from Lincoln, Georgia.

Located seven miles from Cordele off U.S. Highway 280 near Lake Blackshear, the Coney Grove spread over a beautiful Georgia pecan grove and gently into shady woods.

Tickets are available on a daily basis or for the weekend. For more information, write Coney Grove, Box 891, Georgia 31015.

KA's Help Boy's Ranch

Last week the KA's had the pleasure of eating dinner and entertaining the boys at the Georgia Sheriff's Boys Ranch. After the meal and the touring of the campus, Tex Ham, Jamie Pitts, Bill Ange, and Buck Herd played and sang several types of songs.

On Wednesday from 6:00 to 6:00 the KA's will be hosting a social of the Xi Delta sorority. The house, the gardens, and course eat some back cooking.

From Revolution To Responsibility In One Decade

The trend in colleges has suddenly changed from revolutionary and radical interests to conformity with law and responsibility.

Throughout the late sixties and early seventies of this century there was a certain attitude amongst many collegians and young adults which placed a major emphasis upon protest against war, government policies and cultural standards.

Perhaps one of the most reasonable explanations for such serenity on campus is the common attitude of the masses. The people have become more and more tolerant. Extreme racism and sexism is no longer prevalent as it was a decade ago.

Delta Chi Gets New Brothers and Sisters

The Valdosta State Chapter of Delta Chi fraternity held their White Carnation Formal this past weekend. The activities began Thursday with a softball game between the Brothers and pledges and the Sponsors and Chi Delphia.

Recently initiated into the Bond were Ray Chauncey, Ken Cooper, Guy Cox and Earl Denham. Our newest pledges are Jimmy Taylor and Judd Daniels.

frustrating agony of aimless
revolt. Wisdom and
intelligence have
checkmated the forceful
and violent tactics of the
past.
Perhaps one of the most
reasonable explanations for
such serenity on campuses is
the common attitude of the
masses. The masses or the
majority of people have
become more and more
tolerant. Extreme racism and
sexism is no longer prevalent
as it was a decade ago.
Long-haired males are no
longer harrassed so much as
they were a few years ago.
Females are able to dress
casually without being looked
upon as unladylike. Black
people are not discriminated
against on a wide scale basis
anymore.
Opinions have become
respected although not
always agreeable. Gradual
changes now have enough
room to develop as long as
they are reasonable. Political
scandals are finally being
exposed. The student of
today has become aware of
many complexities which are
involved in political and
social organization, therefore
resulting in a "new trend" of
progress rather than
destruction.

Softball Review

Sheppard
the softball season starts down the home stretch,
teams seem to be top contenders for the overall
crown.
the Independent League the Romans seem to have
division first place spot wrapped-up. The Wesley
Union (Wesley 2) team has been delted two
times at the hands of the Romans, and one from
the Bluegrass League. Since the Independent League is not
a round-robin, the Romans will not have to meet
any other team in regular season play.
Fraternity League has turned into a hotly
contested race for the top position by TKE and Delta
Chi who met last Wednesday in an all important game.
Chi came into the game with only one loss, a
6-3 drop to the Tekes. TKE hit the field with
a 6-3 win in a must win game to stay in the race for the
crown.
Tkes jumped to an early lead on a 3 run homer
by Larry Maffitt in the bottom of the first. The Chi's
Machine seemed unable to get anything going
the Tkes played good defensive ball with some
standing plays by Johnny Haddad, Jeff Bransford,
Larry Maffitt.
Chris Klubal distinguished himself in left field for
Chi's making several beautiful catches that were
completely unreachable.
Chi's did rally in the fourth on a Gordy Gruhl
hit, but this rally was short lived.
The final outcome was TKE 6-Delta Chi 1. The
Tkes has left both teams with identical
records, and though the Chi's two losses were to the
Tkes at press time a playoff (best of two out of
three) was in the works.
The intramural scene, volley ball has gotten
under way, and the intramural tennis matches will take
place this Saturday at the college courts starting at 9
Today is the last day to enter tennis rosters.
Tennis must be in this evening by 6.
Intramural Swim Meet will be held on Monday,
Tuesday, and Wednesday evenings next week. The
swims are scheduled to begin at 7:30 PM. All events
are listed on the intramural bulletin board in the
Building.

KD's Take Softball Title For 2nd Year

Meredith Hamby
Alpha Delta Sorority
successfully defended their
title by edging the
76'er's by a 9-5 score.
Wednesday the two best
hitting teams in the league
got together in what was
thought to be quite a slugfest.
No one was disappointed
when the dust had cleared
and the KD's were one step
closer to the championship
as they slipped by the M&M's
17-12.
This dramatic victory set
the stage for the
championship game with the
BSL. The BSL came into the
game riding an eight game
winning streak which
included a 4-3 victory over

CONEY GROVE

A close play in last week's all-important contest between TKE and Delta Chi.

the KD's earlier in the season.
The BSL was led throughout
the season by a tight defense
and the hard throwing of
Earlie Mitchell. The KD's
depended mainly on their
heavy hitting attack and the
superb pitching of their "old
veteran" Kathy Pipkin.
The KD's scored first in the
first inning to take a 1-0 lead
and increased their lead to
2-0 until the fourth inning.
The BSL knotted the score
2-2 on some timely hitting
and excellent base running.
The game remained tied until
the bottom of the sixth when
the KD's scored twice on
Meredith's Hamby's double.
The score stood 4-2 in favor
of the KD's when the BSL
came to bat in the top of the
seventh the last inning. After
one out the next three batters
got hits and closed the gap to
4-3. Pipkin then got the next
batter to ground out before
retiring the next batter on a
pop up, thus giving the KD's
a dramatic 4-3 victory over
the BSL, and their second
straight softball
championship.

TO THE CITIZENS OF THE EIGHTH SENATORIAL DISTRICT

Much time and thought has been spent in making the decision to seek the Senate seat that is being vacated by Bobby Rowan.

I feel very strongly that we need continued cooperation and understanding of responsible urban and rural citizens to obtain mutual success. Your Senator should not draw county lines, but should represent the entire district. When elected, I intend to do this.

I have a farm background, 25 years of business and professional experience that reaches out into the entire Eighth District, and more important, three children who look forward to their future here.

It will always be my intention to recognize the contributions by, and importance of all people, regardless of occupation or address, and represent each of you well.

Please check my record and give me consideration before making early commitment of your valuable vote.

I sincerely appreciate the encouragement and support I have already received from many interested citizens of Berrien, Coffee, Cook and Lowndes counties.

I look forward to having the honor of serving you.
I solicit your advice and support.

Sincerely,
Dr. Loyce W. Turner

A Look At Georgia's Governor's Race

by Archie Culbreth

Of the twelve candidates seeking the Democratic nomination on August 13, 1974, six of these stand out as the major candidates. They are as follows: George Busbee, David Gambrell, Lester Maddox, Bobby Rowan, George T. Smith, and Bert Lance. This article will try to present to you, the students of VSC, these candidates' backgrounds, pledges, and stands on the issues. Busbee, Gambrell, and Lance will be looked at this week and Maddox, Rowan, and Smith will be observed in next week's edition. This is merely a service of this newspaper to you, the students, who on the most part are eligible to vote and should realize what the candidates are standing for, before going to the polls.

On March 2, 1974, George Busbee announced his candidacy for Governor to an overflow crowd at the Downtown in Albany. Representative Busbee was born August 7, 1927 in Vienna, Georgia. He attended Abraham Baldwin Agricultural College, Duke University, and the University of Georgia, receiving a degree in business and a degree in law. He served in the U.S. Navy during World War II then moved to Alabama, Ga. to practice law in 1951. The former Mary Beth Talbot is his wife and they have four children.

Busbee was elected to the House of Representatives in 1957 and has served there for the past 16 years. Starting in 1963, George Busbee has continuously pushed for vocational education funding. In 1970, it was discovered that doctors, druggists, and hospitals were being overpaid for their services from the Medicaid program. Busbee was appointed chairman of the Medicaid Abuse Committee and has investigated and corrected many of these abuses. In 1966, he was appointed Administration Floor Leader and in 1967 because of the majority Leader of the House of Representatives, where he has been reelected to that position for three terms. He now serves as Chairman of the Rules Committee of the House, a member of the Appropriations Committee, and is a member of the Fiscal Affairs Committee, which handles transfers and appropriations when the house is not in session.

As a candidate for Governor, George Busbee has pledged no new state taxes for the next four years. He introduced a bill in the 1974 legislative session requiring full disclosure of personal campaign finances by all candidates. On the average, education in Georgia is a year behind children in other states. Busbee is committed to

correct that situation. To put higher education within the economic reach of all Georgians, Busbee said, "There should be a college within commuting distance of every student in Georgia." When asked about crime, Busbee replied, "I think punishment is a deterrent to crime, and I have always supported stiff penalties for criminals. At the same time, I am a strong believer in equal justice under the law. Poverty should not deny a man his right to legal representation."

On the subject of Consumer Rights Busbee believes, "Consumers have almost no protection against the companies they must depend on... We need to strengthen the consumer safeguards against big business power..." Busbee also pledges to encourage industry to locate throughout Georgia, and not just in the major cities. While in Valdosta last Tuesday, Busbee pledged to give Georgians, "a dollars worth of government for a dollars worth of taxes."

Former U.S. Senator David Gambrell was born in Atlanta, educated in public schools of Atlanta and Fulton County, graduated from Davidson College in 1949, and Harvard Law School in 1952 with honors. He is married to the former Luk Flanders of Swainsboro and they have children. Mr. Gambrell heads up his own law firm in Atlanta where he began practicing in 1951. He was the youngest person ever elected President of both Atlanta and Georgia Bar Associations. Also he served as Trustee and General Counsel of the Atlanta Civic Commission. He is an elder and Sunday School teacher of the First Presbyterian Church of Atlanta and Vice President of the Georgia YMCA. Senator Gambrell served in the Senate for nearly two years as a member of the Senate Committee on Banking, Housing and Urban Affairs, and the Select Committee on Small Business. He successfully sponsored reforms in Federal Welfare System and was author of legislation passed by the Senate to promote rural development. While in the Senate, Gambrell also took an active role in fighting inflation and against Federal deficit spending.

In announcing his campaign for Governor, David Gambrell stressed his stands on property tax relief, strict law enforcement, clean politics, and development of Georgia's opportunities. In October 1973, in a speech before the Kwainis Club in Columbus, Ga., Gambrell explained how the \$2,000 Homestead Exemption, established in 1937, had been effectively repealed by inflation and at

that time he urged that Constitutional Homestead Tax Exemptions be increased so as to reestablish the property tax relief intended for homeowners by the original Exemption Tax. Gambrell in a speech before the Butts County Chamber of Commerce in December, 1973 stated, "Rampant crime is no longer limited to our ghettos and central cities. Our law enforcement should be so strict, and punishment should be so certain and severe, that these vicious marauders will go out of their way to avoid coming into Georgia." In 1971, Gambrell actively supported and voted in the U.S. Senate for the Federal Campaign and Elections Practices Act. During each of his two years in the U.S. Senate, Gambrell openly published his personal financial status and has pledged to do so again this year, as well as each year he is in the Governor's office.

Other pledges by Gambrell include: completion of the Georgia Interstate Highway system; for further development of Georgia's natural resources; for an increased emphasis on vocational training and for a state-wide kindergarten program. Gambrell has pledged himself to honest, truthful and efficient government responsive to the average citizen. And he said, "The next Governor of Georgia will have to deliver on his promises—not just talk about them."

Bert Lance is also seeking the Democratic nomination for Governor. Mr. Lance was born in Gainesville, Ga., in 1931 and grew up in Towns County Georgia. He attended the University of Georgia and Emory University. Lance served as Director of the State Highway Department from 1970 until 1973. He is President of Calhoun National Bank in Calhoun,

Ga. Mrs. Lance is the former LaBelle David of Calhoun and the Lance's have four children and one daughter-in-law. Bert Lance is a member of the Board of Trustees of the Georgia State University a Trustee of Teinhardt College, on the Committee of One Hundred at Emory University, as well as, on the Board of Counselors at Oxford College at Emory. He is past director of Region One of the American Cancer Society.

Lance states that when elected Governor he will open offices throughout the state, where he may be contacted by any citizen that needs him. He stresses the fact that he is not a politician and only wishes to serve the state of Georgia for a four year term then return to his business. Lance states, "I have no quarrel with personal wealth which has been gained honestly by hard work, but I am determined that hard

working men and women—both young and old—who really get things done, who pay the bills and taxes and go unthanked in their daily lives—are going to have an equal say both in my campaign and my administration." Lance says that the people of Georgia will make up his campaign platform instead of political manipulation. Therefore, he has established a toll free number, 1-800-282-0086 in which any Georgian may call and tell Bert Lance what you would do if you were Governor.

The views and opinions expressed in this article are by no means the views and opinions of this reporter, this newspaper or this college. This has been presented to you, the students of VSC, as a continuing effort on the part of this newspaper to inform each and everyone of you of the candidates and their stands. Next week, in

our last publication we will try to present the other three major candidates for the

Democratic nomination: George T. Smith, Bobby Rowan, and Lester Maddox.
