

(Story) <sup>bought</sup> Larry Roberts - Studebaker -  
strapped car to look cool -  
decided to return car to  
dealer, put bumper back  
on, had to get going about  
35) Larry laughing, pushing  
by car behind Marvin,  
(don't care, Larry)

Back off, let him go down  
hill, told him he would back  
off, pulled down in drum  
bumper falls off, hits brakes,  
other guy hit brakes, ~~stuck~~  
bumper under wheel, slide,  
danger car, squealing  
(car disassembles -  
inside)

"(book)  
"Slings curves" at  
school yard - in thing-  
clockwise only  
(work all day Sat for 4 dollar  
for gas

impressing each other  
smokers (tough people)  
at back in circle

---

See Marvin smoking  
girl talk, pull down lanes,  
two path road, nothing to do,  
park around curve I smoke,  
cigarette smelled like mushrooms,  
lit filter end -

Throw parts into wood - discard (get off road to avoid patrol)

State Patrol sitting there -

tells on Savoy - interest -

Patrol leaves

hit so hard, left impression of fan  
on radiator

always spinning Larry, car spinning backwards, hits  
 bank - car went dead, no jumper cables, older boy  
 kept for power & on the farm - argument - go to house for  
 chain ~~to~~ ~~the~~ ~~car~~ ~~to~~ ~~the~~ ~~car~~ ~~to~~ ~~the~~ ~~car~~ ~~to~~ ~~the~~ ~~car~~  
 about slings curves in front of nigger house - boy says other  
 do it also - "don't want to catch y'all at it." (end)

~~Larry~~ always speeding - felt they knew the feel  
 of the car, sensed it, in curve taking Larry to see Ellen,  
 in car coming at them, driving fast, quiet, loud sounds  
 of cars -

cut down - Mercury 48 - Woody - (Wood body)  
 station wagon, no doors, sister said would kill her son,  
 weight less, eat tires changing gears -  
 going duck hunting at pond - always speeding - freezing -  
 30 mph dirt road - Renty fish pond road, tail high  
 lights on ground, poor vision - fire built by fox hunters -  
 made own rules, put out with mound (Duke) of  
 dirt, fun, fun fun - no brakes, saw mound, gears  
 down to stop, cut to right, left front tire caught  
 it, ditcher pulled .2 ft. deep, wound up in ditch  
 & ditch spelt in water, in ditch, (30 mph) (30 mph  
 standard spud) went on hunting - wheels air borne - left  
 car - bent fender only - water mud on wind shield & all -  
 mud starting at him - walked back to Howell - took tractor  
 to pull out -

Careful char - Sev - got into nothing -

~~at there parts broke exploded~~  
 made parts work - Boys loved cars better than girls

# "Stinging Currier"

passing houses in front of  
Tomlinson - 70 mph - smells  
Ser, Marvin, meets Oldsmobile  
Rear wheels go off in side of  
ditch, rest side of currier  
Almost lost it - <sup>(center crushing top)</sup>  
sideways - never speeder  
terrified but quiet, must be  
courageous, prove themselves  
steering wheel is chrome blur -  
frozen passenger, trees a  
blur - turning wheel, dirt flying  
mail box - rear end of car  
up of - maneuvered around  
them but not mail box -  
rear end slapped mail box -  
looked in rear view mirror -  
(Anxiously) seeing everything -  
mail box spanning on post -  
out in field, back in ditch -  
road, stopped, car idling -  
wheels & dirt in wheel Over

← boys terrified - always afraid  
someone saw, worried about  
mail box, not lives - set  
mail box back up - dent in car -  
punctured road at Tomlinson  
lots of people all over porch - nobody  
knew anything after all that  
anguish -

cut down - Mercury 48 - Woody - (Wood body)  
 station wagon, no doors, sister said would kill her son,  
 weightless, eat tires changing gears -  
 going duck hunting at pond - always speeding - freezing -  
 50 mph dirt road - Renty fish pond road, tail high  
 lights on ground, poor vision - fire built by fox hunters -  
 made own rules, put out with mound (Duke) of  
 dirt, fun, fun fun, no brakes, saw mound, gears  
 down to stop, cut to right, left a front tire caught  
 it, ditcher pulled 2 ft. deep, wound up in both  
 ditch spots in water, in ditch, (70 mph) (50 mph  
 standard speed) went on hunting - wheels air borne - left  
 car - bent fender only - water mud on windshield & all -  
 mud sticking at him - walked back to Howell - took tractor  
 to pull out -

careful char - Lew - got into nothing -  
 made parts work -

Robert Davis wreck - Went to Statenville - riding around -  
crusing - ride in cut down - no gave slush tires - dirt road  
old Davis house - only - ~~narrow~~ running fast - Thereby cut down  
left from wheel blow - Sevard fought - watching other person -  
should have been in there, responsible for self -  
all over road tore down only good fence (man  
who had good fence, other too poor) got tractor  
I got car off fence (no brakes) tighten the fence  
(car down, no brakes)

falling out of barn - damaged pipes

"Mersey!"

Seva wouldn't (ever) let thamm rev up Anything  
"it's knocking" - Sevard decide to rest, screaming  
rod knocking, remember, slaps hood, embarrassment  
boy starts running, lunge head, under pear trees  
picks up pear & throw it at boy  
Mother yelling about boys "Don't hit with pear"
