G. S. W. C. Seniors To Present Ali Baba

Who is Ali Baba and His Forty Thieves? The senior girls at the Georgia State Woman's College will introduce you to them on Monday evening without charge at 8:30 o'clock on the green in front of Converse Hall.

The story will be told in a pictorial way of how Ali Baba overheard the thieves opening the door of their cavern by use of the magic words "Open Sesame." Then he did the same in their absence and appropriated as much of their wealth as he could carry.

Cassin, his brother, who married the wealthy widow, entered the cave later, but having forgotten the magic word was presently found by the robbers and killed.

They made an attempt to slay Ali Baba, but were defeated by the slave, Morgiana, who poured boiling oil in the jars in which the robbers were hidden.

The love theme in the story of Ali Baba's son and the slave girl, Morgiana, is one of the most appealing in all narrative.

The pantomime which will be done to appropriate and descriptive music supplemented by an Eastern story teller was arranged by Louise Van Voorhis Armstrong, and was originally produced by the Junior League of Chicago. Since that time, numerous performances have been given over the U. S.

Miss Louise Sawyer, who is directing the production, says that the play provides an evening of delightful entertainment. Miss Alberdena Wall and Mrs. Frances B. Pardee will play the musical accompaniments.

Mrs. Harry Pence will be the Arabian story teller for the performance on Monday evening. Miss Elsie Quarterman, of Valdosta, will be Ali Baba, and Miss Mary Elaine Flanagan, of Waycross, Ali Baba's wife.

VALDOSTA, Ga.—The annual field day of the Georgia State Woman's College was held on the college athletic field Wednesday afternoon under the direction of Miss Leonora Ivey, head of the physical education department, and Miss Elizabeth McRae, her assistant. The events of the afternoon began with a grand march of the Phi Kappa and Phi Lambda Athletic Associations. The lines of girls, dressed in trim white gym suits and wearing their association ties of purple and red, circled the field and made interesting formations which ended in a closed group of Lambdas at one end of the field and the Kappas at the other. Groups of college girls gave "The Hatter," a folly dance. The freshman mimetics followed, and included such exercises as swimming, paddling, bowling, see-saw and archery. Two other folk dances, done by the entire group, were "Strasak" and "Comin' Through the Rye."

The following events were contested by the students: Low hurdles, basket ball throw, running broad jump, stilt race, running high jump, soccer ball kick, basket ball goal shooting, shuttle relay, 60-yard dash, archery, sack relay and chariot race. SONG

I am in love with mirth—
Each passing day
Brings gladness more than
sorrow,
And bright hopes for the
morrow;
The joy that melts the grey
Of earth.

I am in love with song,
And music's measure—
The mourning dove's soft
sobbin',
The fanfare of the robin
Singing for pleasure
All day long.

I am in love with life,
The little things—
Roses and laughter
And the moments after
When the silence sings
After strife.
—Buford Williford.

TO GOD

God, if you want my soul
At last when I come to die,
You'll have to look in the rainbow,
In the depths of the sea and the
sky.

You'll have to look in the city,
Where the crowds of people
pass,
In the orchard where milk-white
blossoms
Fall on the velvet grass.

But, God, I'll tell you a secret
In case you need the rest—
You'll find it hidden within the
heart
Of him who knows me best.
—Buford Williford.

RHYTHMS

I hear them drifting downward,
Faint and distance-dim,
Through the vistas of tomorrow
Through a purity of sorrow—
Loveliness I cannot borrow—
Songs that are to be.

Poignant strains—celestial an-
thems—
Music of the spheres—
And my heart is vainly calling
For that melody enthralling
That is falling, falling, falling,
Earthward through the years.

Oh, for tongue with music gifted!
Oh, for words to tell
Of the beauty of that vision;
Tell the delicate precision
Of its rhapsody Elysian—
Far beyond our ken.
—Elsie Quarterman.

TO SPRING

Oh, Spring,
You are too beautiful—
Delicate mist of fragile green
Pricked out by flashes of flame
Or yellow or lavender or blue—
Rapturous songs and smell of
fresh grasses—
Ecstasy too great to bear!
Oh Spring, by heart is breaking!

You are too beautiful!
Long shadows on smooth lawns—
Tender twilight, starlit hours—
Memories woven with the spring.
Poignant—ravishing—
Heartache of ecstasy!
You are too beautiful,
Spring.
—Elsie Quarterman.

Miss Williford also had the added honor of making the greatest number of contributions during the current year.

Miss Emeliza Swain, of Rome, won the essay prize for "Appreciation" published in the March issue.

Misses Doris Zittrouer, of Savannah, Annie S. Brandon, of Norman Park, and Carolyn Bullard, of Nashville, members of the mailing department, won the award for the best work done by staff members.

SEVENTY-TWO STUDENTS FINISH AT HIGH SCHOOL EXERCISES HERE

Hundreds of persons took advantage of all available seating accommodations and standing room at the Valdosta high school auditorium last evening when 72 young men and women finished their courses of study at the institution and received diplomas or certificates.

It was the largest crowd to ever witness a high school graduation in this city. Scores of persons who could not procure seats or standing room in the auditorium stood at the windows on the outside and watched the exercises.

The graduates, the young ladies in pink and white evening dresses and carrying bouquets, and the young men attired in white suits, marched up on to the stage and took their seats. When all the graduates were seated the stage presented a large "V. H. S."

Preliminary to launching into his main address, Dr. A. G. Cleveland, commencement speaker, related a number of interesting little humorous incidents which occurred at the school during the years in which the graduating class were students.

He said in part to the graduating class:

"Seniors, you are at the dawn of a new day in your lives. Yonder in the east the golden god of this day is gracefully lifting his head above the horizon, kissing away nocturnal dews from radiant faces of the grasses and flowers and trees, gladdening all these beauties of nature. At the beginning of this day you can see a thousand challenges appealing to your aspirations. As you lift the latch of the gate which opens into the new world before you, you behold some pathways leading in different directions.

"Here one leads downward toward the valley . . . into a madened stream which beats against the rocks, a cataclysm—doom. None of you will follow this.

"Another leads to the landing place of great airships where some of you will find passage for your ambitions into the upper realm of ethereal heights. You will rise as if on wings to the dizzy heights above and from this great altitude you will look down upon the world below. . . . I caution you that you feel not contempt for your less fortunate fellows who reach not up to these high achievements.

"Another leads to a mountain—the mountain of hope. Some of you will take this one, but I caution you to go well prepared for there are many dangers.

"Work is the very foundation of the universe. Work is the main purpose of your creation, the primary object for which you should live.

"There is a challenge to you from education. You should pursue further the education which you have only begun.

"You have an opportunity to improve educational conditions in your state. Georgia needs your help badly in this way."

"Dr. Cleveland counselled the graduates to work for international peace, pointing out the horror and ruin of war.

He urged them to adhere to the great principles of religion. Concluding he said: "I wish for you all the success in the world. God bless you, I love you."

Miss Doris Young, valedictorian of the class, said in part: "There is a feeling of both triumph and sadness in our hearts tonight: triumph because in the eyes of the world this graduation is our first real achievement. Sadness because some of us did not realize the full worth of our high school careers."

She spoke of education and its value to society, commenting on some of the things learned in high school. Continuing, she declared: "But, of what good is history to us if it does not teach us to avoid the horror and the waste and the cruelty of war? Why study science if it does not make us better able to adjust ourselves to our physical world?"

"If our class carries what they have learned with them and use it to solve their problems, then our high school work may indeed be called a success!"

"The election of Congressman Mobley, a man still in his twenties, should be an inspiration to us. Youth is no longer a bar or handicap, but rather an asset. Let us make the most of such opportunities and fit ourselves for meeting state, national, and international problems. These problems are for us to solve. If we fail, future generations will not even have the chance we have had."

Frank Powell, Jr., delivered the salutatory; Miss Broun Hutchinson gave the class history; Lloyd Smith delivered an oration on the depression and showed how it afforded opportunity to young men and women; Robert Stump, Jr., introduced Dr. Cleveland; Hon. C. L. Smith of the board of education presented the diplomas; Rev. J. J. Cornish delivered the invocation and pronounced the benediction.

The following received diplomas or certificates:

There has been quite a bit of friendly rivalry between the freshman and sophomore classes of late. The cause for the competition is the gray hat left behind by our president, Dr. R. H. Powell, when he left for service during the World War. The class holding the hat from the previous year hides it on the nineteenth of October. Since it may be searched for only on the nineteenth of the month, if it is not found by the opposing class on this day, the search will be discontinued until the following month. Should the searchers find the hat, they in turn hide it and the contest continues until the evening of February 19. The class holding the hat then is to be entertained by the losers.

There was much excitement on the campus of the Georgia State Woman's College Friday when the freshmen came forth with the celebrated hat, which was said to have been found behind the gymnasium. As a reward for their diligent search, which lasted from 6 a. m. to 2 p. m., the freshmen are looking forward to a big entertainment from the sophomores.

The class in possession of the hat on the 19th of March is given a party by the other class.

Miss Arnold Weds Mr. C. L. Duncan

Jan. 11, 1932

Marked by beauty and simplicity was the wedding of Miss Gladys Margaret Arnold, daughter of Mr. and Mrs. Joseph D. Arnold, of this city, to Charles L. Duncan, of Sheffield, Ala., which was solemnized Thursday evening at St. John's Episcopal Church, Dec. 31, at 5 o'clock in the presence of relatives and immediate friends of the family.

The Rev. William Jeffrey Alfriend, rector of St. John's Church, performed the ceremony.

The church was artistically arranged with garlands of Southern smilax and the altar vases were filled with snapdragons and fern.

A beautiful musical program was rendered by Miss Elizabeth Martin, of Selma, Ala., at the organ, and Miss Rosslyn Kennedy, soloist. Miss Kennedy sang sweetly "At Dawning" by Cadman. Soft music was played during the ceremony.

The bridal party entered to the strains of the wedding march from Lohengrin. The first to enter were the bridesmaids and groomsmen, Miss Evelyn Cross, of Moultrie, Ga., entering with Maeheu Duncan, of Sheffield, Ala.; Miss Mattilu Doss, of Valdosta, Ga., with Marion Bostain of Tallahassee and Miss Frances Knutson, of Valdosta, with Roy Long, of Nashville, Tenn.

The bridesmaids were dressed in fall shades, fashioned alike of flat crepe, cut on bias with cowl collar and puff sleeves with accessories to match. Each carried an arm bouquet of roses and chrysanthemums.

Miss Irene Arnold, maid of honor, entered alone, preceding the bridesmaids. Her gown was of Spanish tile crepe cut on becoming lines with cowl collar and puff sleeves and accessories to match. She carried an arm bouquet of roses and chrysanthemums.

Mrs. Joseph B. Bryson, of Birmingham, Ala., matron of honor, preceded the little flower girls. Her gown was of russet flat crepe cut on bias lines with beaded half cape sleeves with accessories to match. Her bouquet was of roses and chrysanthemums.

Little Misses Jean Thompson, of Tallahassee, and Betty Jo Bryson, of Birmingham, preceded the bride, strewing rose petals in her path. They were dressed in dainty yellow satin frocks.

The bride entered on the arm of her father, by whom she was given in marriage. She was lovely in a gown of ivory satin and lace, her veil becomingly arranged in cap shape. Her bouquet was of bride's roses, lilies of the valley and fern.

The bride and her father were met at the chancel steps by the groom and his best man, W. R. Battle, of Boaz, Ala., where the betrothal ceremony took place. The impressive marriage vows were taken at the altar and the bridal party left the church to the strains of Mendelssohn's Wedding March.

An informal reception was held at the home of Mr. and Mrs. Joseph D. Arnold, the bride's parents.

The bride's cake centered the dining room table, which was overlaid with a lovely lace cloth.

Immediately following the reception the bride donned her going-away gown of green fashioned on tailored lines, with accessories to match. They left for a trip to Northern Alabama and Tennessee. They will make their home in Double Springs, Ala.

Mrs. Duncan received her high school education in Valdosta, Ga., and later attended the University of Alabama, where she received her degrees. She now holds a responsible position in the science department of the high school in Double Springs.
