Dean Pete Donaldson  
Abraham Baldwin College  
Tifton, Georgia

Dear Dean Donaldson:

Dr. Reade has asked me to write you that the date of the program by Hugh Hodgeson and the Roth Quartet has been changed from Wednesday, January 31, to Tuesday, January 30.

His invitation still holds good, and he would appreciate your letting him know in advance about how many people he may expect in your party.

Sincerely yours,

Secretary to the President

My dear Sir:

May I again thank you for not yet having written me that glowing letter which you promised to write some weeks ago.

By way of heaping the well known fire on your curly locks, I take pleasure in inviting you, your family, your colleagues, your glee club, and anybody else you know, -- to be with us on Wednesday evening, January 31, preferably not later than eight o'clock, --- to hear the Roth String Quartet (tops) --- together with Hugh Hodgeson, and perhaps Minna Hecker. There will be no charge of any sort, --- provided I receive your promised letter not later than Saturday morning, January 13!

The enclosed photograph of Dr. George Gink should be published in your year book, or at least posted on the A-B-C bull board.

Sincerely yours,

FRR/ar

Dear Pete:

Thanks very much for not writing me that  
promised letter about the Russian singers.

With all good wishes, and hoping to hear  
from you before very long, I am,

Hon. J. Pete Donaldson  
Dean, Abraham Baldwin Agricultural College  
Tifton  
Georgia

Dear Sir:

At the urgent request of our registrar, I am writing to urge that you, your wife, your children, and your household pets, if any, come down to our college on Saturday morning next, and participate in the May Day festivities. We also hope that the Ginks can accompany you.

Please try to arrive not later than ten A.M., for I shall probably call on you to make some announcements for us at the time of the formal opening of our new swimming pool, and you should have half an hour or so to memorize your lines.

May I suggest that you show this letter to Professor King and, if he even so much as hesitates, call me on the 'phone so that I can bully him into letting you off for the day.

You understand, of course, that to have you with us twice in the same week may be more than we can stand, but we are willing to take the chance.

Sincerely,

President

Dear Dr. Gink:

Although, since our conversation in Atlanta, your letter of April 12 needs no answer, I am dropping you a line to remind you that the Georgia Glee Club, with Mr. Hodgson and Miss Hecker, are giving a concert here on next Sunday afternoon at 4:30. As there will be no charge for this concert, I hope that a goodly number of representatives from A.B.A.C. will attend it.

On May 7, we are having our regular May Day exercises, and are also opening our new swimming pool. Be sure to come down and bring others with you for that occasion also. It, too, is free, -- and includes lunch!

Sincerely,

President

ABRAHAM BALDWIN AGRICULTURAL COLLEGE

April 12, 1938.

President Frank Reid,  
Georgia State Womans College,  
Valdosta, Ga.

Dear Frank:

This year, under the direction of "Dean Pete", we have an outstanding group of golden throated songsters.

We have a period open between April 24th and May 7th, with the exception of May 3rd, during which we would like to give your girls a treat.

Knowing that your possible surplus will be approximately seventy-one (.71) cents, we are offering you an evening of high class entertainment practically free of charge. Our boys will feel amply rewarded if you will give them supper with your girls on the night of the performance.

The "Cow College" is not trying to bring culture to your already erudite group but will bring a program that I am sure they will enjoy. If you could offer us one night we will certainly appreciate it.

Yours sincerely,

*Geo. H. King*
