Mr. G. J. Cohan  
Office of the Consulting Engineer  
24 Ivy Street, S. E.  
Atlanta, Georgia

Dear Mr. Cohan:

We had a heavy rain several days ago, and two rather bad leaks developed in our Senior Hall; so I wrote to Mr. Leathers, telling him about the leaks, and suggesting that he bring a workman or two along with him when he meets you here.

As you had told me that you would give me several days' notice, I told Mr. Leathers that I would advise him, -- but it occurs to me that you should have the information about the leaks in case you want Leathers to come down a day or two ahead of you.

I shall appreciate it if you will advise Mr. Leathers as to what you want him to do. Also, please be sure to let me know when to expect you, as I have one or two matters of importance which I want to talk over with you.

With all good wishes, I am

Sincerely yours,

FRR/w

Mr. Milton Leathers  
C/o L. M. Leathers' Sons  
Athens, Georgia

Dear Mr. Leathers:

I am glad to know that you have been awarded the contract to repair the roof of our administration building, and I hope that this work can be begun at an early date.

I hope that you and Mr. Cohan can come down to Valdosta in the near future, as there are a number of matters which we ought to discuss before your repair work is actually begun.

When I was a teacher at Georgia Tech, I cared very little for a gentleman by the name of Leathers, -- on account of his distinguished football ability. That, however, was a long time ago, and I look forward to our renewed association under more friendly auspices!

With all good wishes, I am

Sincerely yours,

Dear Mr. Roberts:

I do hope that you can get around to making the doors for our Administration Building some time soon. What we are now using for doors are falling completely to pieces.
