Dear Mrs. Williams:

Please express to the Alumnae Association mine and Mrs. Powell's sincere appreciation for the beautiful corsages you sent us for the banquet. Dr. Powell also wished to be included. He enjoyed his boutonier very much.

It was very thoughtful and generous in you to have remembered us in such a lovely way.

We all appreciated the loyal support of the alumnae in helping us to make a successful occasion of our celebration. It is nice to think that all of us had a part in it.

Very sincerely,

Annie P. Hopper
