# Carmichael To Travel to Middle East

The Rev. Richard R. Carmichael, pastor of the Ventura Assembly of God church, 1113 E. Main street, will leave Ventura by plane Friday for New York where he will embark on the S. S. United States for England and the first leg of a journey that will carry him throughout the Middle East.

**He will accompany his brother, George Carmichael, who is field secretary for the Assemblies of God Missionary work in the Middle East.**

Arrangements have been completed to purchase an automobile in England in which they will motor to Egypt. Their route will carry them through France,

**RICHARD CARMICHAEL**

West Germany, Switzerland, Italy, Yugoslavia, Macedonia, Greece, Turkey, Syria, Lebanon, Israel, Egypt, Hashemite Jordan Kingdom, Iraq and Iran.

Reverend Carmichael will be speaking at a number of conferences in these countries and will spend 18 days as guest conference speaker in six different conferences in Egypt.

The local congregation, of which Reverend Carmichael is the minister, has extended to him an indefinite period of time but he thinks he will be able to complete the trip within three months.

Mrs. Adele Carmichael, who is an ordained minister, will lead the congregation in the pastor's absence.

Reverend Carmichael states that several of the local pastors have arranged for him to address their congregations upon his return.

## VENTURA CHURCH TO SHOW SLIDES OF HOLY LAND

Colored slides of the Shepherd's Field and Bethlehem and its vicinity, taken by the Rev. Richard Carmichael on his recent tour of the Holy Land, will be shown Sunday night at the Assembly of God church, Main and Ann streets, Ventura.

Carmichael was fortunate in having the natives pose in his scenes. It is not an easy thing in the Oriental countries to persuade the people to cooperate in the matter of picture taking. It is a common thing for the natives to object strenuously to a camera. They will even drive their animals out of range. This is not altogether because of hatred for one of the Occident, but because of fear. It is the outcome of the philosophy of the "evil eye" according to Carmichael.

The public is invited to see these "on the spot" slides of the birthplace of Jesus. The service is at 7:30 p.m.
