Greetings from the Chairman

Dr. Willie Houseal
Chairman

Greetings,

On behalf of the Pinevale High School Alumni Association Incorporated, I am honored to greet and welcome all alumni classes from 1957-1972 to our 12th combined reunion. As we come together for this event, we will reflect on the past, enjoy the present, and look forward to the future.

Since our last class reunion in 2019, we have experienced a world-wide pandemic, the *coronavirus* (COVID-19). Over a million lives were lost during this time. Most of us were affected. But God saw fit to sustain us. He provided an avenue for us to return to our Pinevale roots. And for that, we are humbled and grateful.

As we take time from our busy schedules to attend this combined class reunion, let us remember the unique history and legacy we share. These commonalities helped shape our lives and enabled us to emerge as productive citizens in our society.

A big thank you to the Pinevale High School educators and support staff who challenged us to always do our best. They also encouraged us to be proud of the heritage we possess. And to all who are here today, this reunion would not be a success without you. We pray for a safe return to your destination. Finally, continue to put God first and remain true to our Alma Mater.

Please enjoy the reunion and thanks again for your participation.

Best regards,

Dr. Willie Houseal, Chairman
Pinevale High School Alumni Association, Inc.

Greetings from the Co-Chairman

Dear Tigers, Tigrettes, and Friends,

First, I welcome with thanksgiving, all participants to our 12th Pinevale High School Alumni Association, Inc. Reunion. You have made this a success with your physical appearance and finances.

Secondly, I hope everyone have three days of random acts of kindness, rejoicing in meeting old friends, and establishing new relationships.

Thirdly, let's not forget the Pinevale High School experience which started with Dasher High School's Tigers and Tigrettes where our parents, family members, and friends attended. We transitioned from Magnolia Elementary, South Street Elementary, Lomax Jr. High to Pinevale High School.

Finally, thank you Pinevale Elementary Maceo Horne Jr. Learning Center, and Valdosta High School Wildcats for your support and continue to carry the legacy of Pinevale. Please keep the Pinevale High School Alumni Association, Inc. current.

With love from the Pinevale tree, namely the 1962 branch,

Lift Every Voice and Sing

*Lift every voice and sing,
'Til earth and heaven ring,
Ring with the harmonies of Liberty;
Let our rejoicing rise
High as the listening skies,
Let it resound loud as the rolling sea.
Sing a song full of the faith
that the dark past has taught us,
Sing a song full of the hope
that the present has brought us;
Facing the rising sun of our new day begun,
let us march on 'til victory is won.*

The Great Beginning

The first black high school in the city of Valdosta was Magnolia High School. The principal was Professor, Pastor Cyrus G. Wiley. The next principal was Professor/Pastor James L. Lomax. Magnolia later became an elementary school on the Westside of the city. The principals were Mr. Bell, Mr. C. C. Hall and Mr. Binford.

Magnolia Elementary

South Street Elementary was located on the Southside of the city, under the leadership of Professor Alfred Kincey.

Dasher High / Lomax Jr. High School

In 1929 the doors opened to the famous Dasher High School, the new and only black high school in the city under the leadership of Professor James. L. Lomax.

In 1956 the unity of Magnolia and South Street Elementary Schools became one, the powerful J.L. Lomax, Jr. High School along with it's well known principal, Mr. J.L. Lomax

The Great Pinevale High School

The doors opened to Pinevale High School with Mr. C.C. Hall as principal. Pinevale High School was known through out the State of Georgia for its achievements in academics, sports, band and chorus. The Pinevale campus housed 9th graders from Valdosta High School for a short period, then became the Pinevale Learning Center. The Pinevale Learning Center moved to the Southeast Campus and was named the Maceo Horne Learning Center.

The Legacy Continues

*The new Pinevale Elementary School
opened its doors with great vision in the
