Syrupmaker Football

WELCOME TO WEST THOMAS STADIUM and the home of the Syrupmakers! The Athletic Department at Cairo High School hopes that you will share with us in the tremendous enthusiasm that our 1999 football team, band and cheerleaders generate during this exciting time of the year. These groups of students have been working extremely hard to make us all proud to be Syrupmakers. Thanks to their efforts and yours, our community support in Cairo ranks second to none.

Many of you have helped build this rich tradition that our current group of students are striving to live up to. It is because of the tradition and expectations within the community that when people think of Cairo, they think of excellence. This "commitment to excellence" is felt throughout our entire school and is certainly evident on Friday nights in the fall.

We appreciate your continued support of and involvement in Cairo High School and its many different activities. There is not a better place to be than West Thomas Stadium when the lights are on, the band is playing, the cheerleaders are yelling, and the 'Makers are on the field. Thanks for sharing in the Syrupmaker experience with us. You won't regret it!

Go Makers!

GRADY COUNTY BOARD OF EDUCATION

Front: Vice-Chairman Mary C. Henderson, Chairman Tyler Maxwell
Back: James H. (Jimmy) Douglas, Billy Bundrick, Fred Collins, Superintendent Michael Hickerson

Dear Parents, Students and Guests,

Welcome to Cairo High School and Grady County School System. On behalf of the Grady County Board of Education and myself, we hope that your visit with us is a pleasant one and that you will return often. We are extremely proud of our parents, students, administration, faculty and staff for the many hours of hard work expended in order to insure that the events of this evening will be a success. While education is the primary goal of our schools, we know that extracurricular activities such as these are a meaningful part of the overall learning experience of our students. Your continued support and pride in our students is appreciated.

Best wishes in this school year!

Sincerely,

Michael C. Hickerson
Superintendent

Head Coach **MIKE HODGES**

Mike Hodges, a native of Warrenton, Georgia, graduated from Warren County High School in 1967. While in high school he lettered in football, basketball, baseball and track. Mike started at tight end and was All-State in 1965 and 1966. His team was South Georgia Champions in 1964 and State Champions in 1965 and 1966.

After spending seven years at Georgia Southern University as assistant head coach and offensive line coach, Mike took over the head coaching job at Cairo High School in 1997. Before his stint at Georgia Southern, Hodges served as the head football coach and athletic director at Thomasville High School (1984-90), West Rome High School (1979-84), and Miller Co. High School (1978-79), winning State Championships at Thomasville (Class AAA, 1988) and West Rome High School (Class AA, 1982 and 1983) with perfect 15-0 records in each of those three seasons. Mike started his coaching career at Commerce High School (1971-78) as an assistant football coach and head baseball coach.

A graduate of Emory University (1971), Hodges is a four-time Georgia High School Coach of the Year. The Georgia native has served as president of the Georgia Athletic Coaches Association and as a Board of Directors member from 1981-1989. He has coached in three North/South All-Star games, serving as the head coach for the North in the 1984 All-Star game. He has also coached in two Georgia/Florida All-Star games, serving as offensive coordinator in 1989. While at Georgia Southern, his team won a Division I AA National Title in 1990 and a Southern Conference Championship 1993. Hodges coached three All-Americans and five All-Conference linemen at Georgia Southern. Coach Hodges owns an impressive record (138-32-3) (80%) over fourteen years as a head coach.

He just completed his 28th season with a 9-5 record and lost in the AAA state semifinals. Coach Hodges is married to the former Deloris Boyette of Reidsville and they have a son Clay, 13.

South Georgia has come to expect the best from Cairo High School's band, and new Band Director Johnny Folsom says that is what he expects as well. Bringing twenty-five years of experience from Alabama, Folsom promises that fans will be treated to the best of the rich "Syrupmaker Band" traditions, as well as some new touches from the 220-plus-member marching unit.

The CHS drumline was the first group to begin rehearsing for the new season. They worked with Jodi Dunwoody of Pensacola and Cairo native and FSU student Charles Darus. Later, former Cairo student Paul Kelley also assisted the group. The drum line reported on July 19th, and they are working on an unusually entertaining feature section of the show. "The crowd is really going to like their showmanship in the solo," said Director Folsom, "it is just one of those fun pieces that the students enjoy performing."

One of the new ideas this year was a leadership session for the band's section leaders and officers held on July 20. The student leaders and band director staff spent the morning developing goals for the coming year and discussing effective ways to reach those objectives. As an extension of this session, the leaders traveled to Troy State University to attend a drum and bugle corps clinic and show.

The following week, the Cairo majorettes held their annual camp. Helping the girls develop their routines this year was Auburn University majorette Gia Mount.

Head majorette is Kelley Smith, daughter of Mr. and Mrs. Marcus Smith. Kelley is a senior clarinetist and a band officer.

Majorette co-captain is Ryan Weeks. She is the daughter of Allan and Barbara Weeks. Ryan is also a senior clarinetist and an officer in the CHS Band.

The eighty freshmen band members reported July 28-30 for their training sessions. The rookies were introduced to the music and instructed in the basics of marching during their three-day camp.

The full 220-member band reported August 2 for their eight-day training session. Students spent the camp learning the music and drill that will be put on the field for this fall's shows.

Featured in this year's show will be the Latin opener Aztec Fire, John Williams' famed *Swing, Swing, Swing*, and the famous Spanish favorite *Malaguena*. The Syrupmaker Band will close with the beloved *Battle Hymn* finale.

The band will be directed on the field by senior flutist Lynley Holt. She is the daughter of Steve and Linda Holt. Lynley is also a band officer.

Natalie Johnson was elected to serve as the band's captain for the 1999-2000 season. Also selected to officer positions were: Joni Smith, Jessica Barrett, Ashley Best, Daniel Stanley, Heath Renfro, Darrell McFadden, Jeremy Connell, Lance Gainous, Gayla Prince, Robbie Dollar, and Darian Magee.

Assisting with the directing duties at Cairo High are Roland Ventura, new director for Shiver/Washington/Cairo, Patrick Ballew, Washington Middle School director, and Whigham Director Cheryl Parisi.

"We are blessed with a terrific band staff," said director Folsom. "It is good to work with such a professional team of directors."

Also, serving as the band's unofficial secretary is Folsom's wife Betty Ann. "We really couldn't make it without her," said Folsom. "She has really kept things organized."

Who would have ever guessed at that try-out in 7th grade that we'd come this far together? Now dubbed as the four "Washington originals," the two "Shiver brothers," and our one-and-only "Whigham-mite" we enter our last year together. It's been six short years of squad arguments, joyous wins, and gut-wrenching losses. We've all been angry at times and said things we didn't mean, but when it came down to the wire, we pulled it together and were there when one of us needed encouragement, someone to share a smile with, or just an ear to listen. Not only have we formed a bond never to be broken, we've found friends for a lifetime and a second family.

◆ "LIBRARY SPOTLIGHT"

NEW BOOKS:

TWENTIES GIRL by Sophie Kinsella. Entreated by the bossy ghost of her great-aunt to track down a missing necklace, Lara Lington finds her search challenged by her floun-

dering start-up business, her best friend's defection, and her unfaithful boyfriend. By the best-selling author of the

"Shopaholic" series.

OMEN by Christie Golden. Exiled from his colleagues and

traveling with his son to learn his nephew Jacen's non-Jedi approaches to the Force, Grand Master Luke leaves the Jedi Order vulnerable to its unstable members and an increasingly anti-Jedi government, a situation that is further complicated by a Knight's rare ability and a Sith plot.

THE APOSTLE by Brad Thor. When a media titan's daughter is kidnapped in Afghanistan and offered in exchange for the freedom of a top Al Qaeda operative, Navy SEAL turned covert Homeland Security operative Scott Harvath undertakes a dangerous mission to free the terrorist from a Kabul prison, only to discover that things are not what they seem.

develop responsible habits

When parents think of their children's habits, they usually think about the things that drive them crazy. But habits can be positive, too.

Habits are automatic actions that take no conscious thought. For example, you probably don't have to think about what you do first thing in the morning. Brushing your teeth and taking a shower are habits you've developed over the years.

On the first of the month, you've probably developed the habit of paying bills. If you wait longer than a day or two, you'll probably feel something nagging at you to get his job finished.

As parents, one of the most important responsibilities is to help our kids develop positive habits. Here are some suggestions.

- Don't try everything at once. Remember the year you made 15 New Year's resolutions? By February, you had given up on most of them. Your kids are the same. Choose only a few habits for your kids to develop.

- Make sure your kids are involved. After all, you are trying to change their habits. Talk with them about what you're trying to do. Let them know that positive habits can make their lives easier and more pleasant.

- Allow 21 days. Experts have discovered that if you repeat an action every day for 21 days, it will become a part of your subconscious mind.

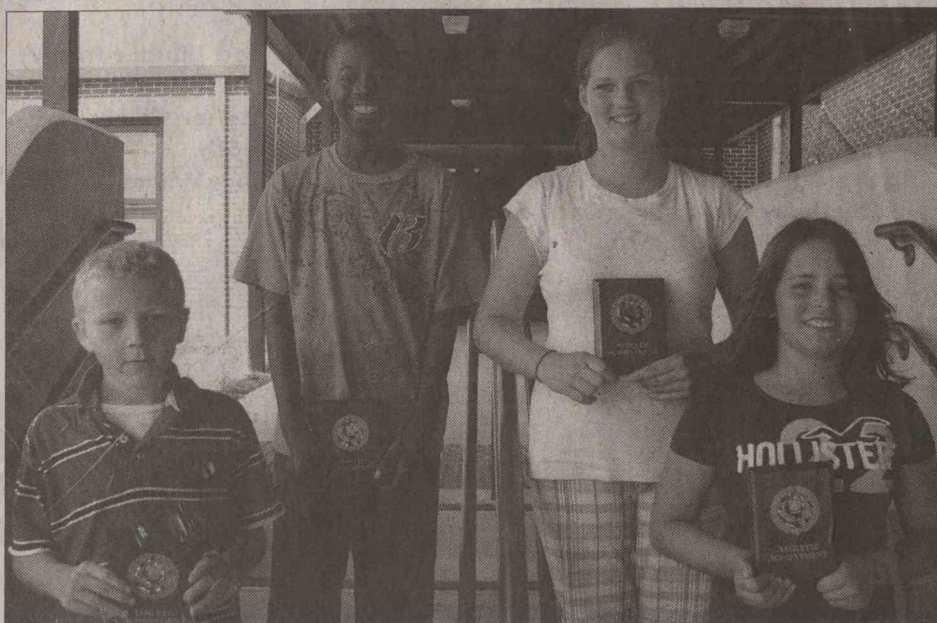

So for the next 21 days, make sure your kids act on their new habit. After that, they'll find they're doing it automatically.

Syrupmakers host passing league this week

Michael Best
Sports Writer

Football will be back in the air this week as Cairo High School hosts its second annual Georgia-Florida Passing League. The event will take place this Thursday, July 23, at 9 a.m. at CHS.

"Everyone enjoyed last year's camp. It's not a competition, it's more of a practice day and gives coaches a chance to do some things in game-like situations," said CHS assistant coach Tommy York.

Four teams from Georgia are scheduled to attend including Cairo, Thomasville, Thomas County Central and Bainbridge. So far, two teams from Florida have committed

to attend, Wakulla and East Gadsden High School. Cairo is hoping to get two more teams from Florida in time for the event.

Each Georgia school is scheduled to throw against each Florida school in 40 minute segments. "The good thing about the passing camp is, it gives you the opportunity to put the ball where ever you want and treat it like game situations," said Cairo head coach Tom Fallaw. This will be a great opportunity for Cairo's new signal caller, senior Brian Walker. "Giving Brian a chance to see some coverages and just throwing the ball will be good for him," added Fallaw.

T'ville Bombers pick up wins

Michael Best
Sports Writer

The Thomasville Bombers defeated the Tallahassee Legends 3-0 last Wednesday night. Cairo's Jeremy Jones picked up the

win on the mound, pitching a complete game shutout and striking out six for the Bombers. Mitchell Herring was 2-for-3 with an RBI, and Tyler Wooten added an RBI, as well. Ruben Rodriguez had two hits and scored a run for the Bombers.

The Bombers, now 6-11, also picked up two wins last week over Jacksonville, 8-7 and 4-2 in eight innings.

Crawford's Cheer Corner held exhibition here

Submitted by
Kathaleena Edward Monds

Cheerleading is not only a sport, but a ministry for Mrs. LaToya Crawford-Williams, founder of Crawford's Cheer Corner in Thomasville, Ga. On July 13-17, 2009, several energetic girls between the ages of 6-14 participated in the Cheerleading for Christ Camp held in Cairo, Ga., at the Roddenbery Memorial Library.

The cheer exhibition was held on Friday, July 17, 2009, at the Cairo High School gymnasium. Family members and spectators joined to

support the group of performers at an event that was both sports-like and spiritual. Seven young ladies cheered, danced and tumbled to Gospel music, chants and cheers about J-E-S-U-S.

According to one parent, "The program was a holistic way to engage young ladies during the summer in a mind-body-spirit activity," said Mr. John Monds, father of one of the participants, Halima Monds. Other participants were Krislen Antoine, Jasmine Freeman, Mya Hardwick, Brandaisia Peter-

Syrupmaid softball boosters to hold yard sale

Michael Best
Sports Writer

The CHS Softball Booster Club will be holding a big fundraising yard sale on Saturday, Aug. 1, starting at 7 a.m. on the front lawn at Cairo High School. Spots are available at \$15 each for anyone interested in coming to sell their own items.

Anyone interested in donating items to the softball team or in purchasing a spot, please contact Amy Hagan 229-762-4643 or Becky Bracewell at 229-377-7677.

Cairo High School has also announced that softball tryouts and practices will begin Monday, Aug. 27, at 4:30 p.m. at the CHS softball field; all players must have a current physical before participating.

Football tickets go on sale Monday

All Cairo High School football fans can begin to anticipate the upcoming season with ticket sales beginning July 27.

All reserved seating ticket holders must have their season tickets purchased before Friday, August 14. Tickets not picked up by this date will be available for sale on Monday, Aug. 17, on a first-come basis.

General admission tickets for the upcoming season will be \$8; student price is \$6.

the regular summer schedule will end this weekend at home in Thomasville's Varnedoe Stadium.

The Bombers will take on the Tallahassee Legends at 6 p.m. at home Wednesday, July 22.

On Friday, July 24 at 6

p.m., and Saturday, July 25 at 1 p.m. and 3 p.m., the Bombers will play the World of Baseball of Jacksonville, Fla.

On Sunday, July 26 at 4 p.m., the Bombers wrap up the regular season with their final game at Varnedoe Sta-

dium in a nonconference contest against the St. Augustine Saints.

Last week due to rain, the Bombers played eight straight games. They won five of the eight.

FROM THE BOOSTER CLUB

Hello Syrupmaker Fans:

The members of the Cairo High Boosters Club would like to express our sincere appreciation to the many people who have supported all our athletic programs in the past. The major function of the Booster Club is to assist in the support of all our athletic activities. Our goal is to provide all the young people of Grady County a chance to participate in athletic events.

Our fund raising projects during the year include Mule Day concessions stand, football program advertisements, Booster Board Advertisements, membership drive, hats, tee-shirts, cushions, and game ball ticket sales.

A strong athletic program keeps our youth active and provides an opportunity for community involvement. You can be an essential part of that involvement by becoming a member of the Booster Club. Simply contact one of our Booster Club officers and become a part of a winning tradition.

Sincerely,

Bobby Gwaltney, *President*

Syrupmaker Pride—It Lives, It Grows!

W

ELCOME TO WEST THOMAS STADIUM and the Home of the Syrupmakers! Each September the new school year begins and brings a tremendous enthusiasm for Syrupmaker football on Friday nights. The 1996 football team, band and cheerleaders have been preparing for months for this special time of year. These groups of students have a strong commitment to uphold the tradition and pride of being a Syrupmaker

Many of you have helped build the tremendous pride our present Syrupmakers strive to emulate. The success these groups have had is because Grady County and its citizens expect and support excellence from their sons and daughters. Believe me when I say, it is very important for our youngsters to make this community proud of their performances.

Cairo High School has earned admiration and respect across the state for being a special place that produces special results. What makes our program different? I truly believe our faculty and student body are dedicated to a team concept. Togetherness is a very important ingredient of Syrupmaker success. You can certainly feel the bond that exists with our entire student body and community each Friday night. It is hard to put a finger on the bond that Syrupmaker football builds, the link that is joined on a practice field or in a stadium withstands years and distances, success and failure, good fortune and bad, that endures and renews and is one of the game's deepest mysteries and truest blessings. But it is there. Laughter built it. And pain. Sweat and blood and sacrifice. Hope that turned slowly into respect and then into a deep and abiding trust. It was nurtured by victory. It was tested by defeat. It conquers time and space. It lives!

There is absolutely nothing that makes me prouder than to witness our team and cheerleaders run onto West Thomas Field as the Pride of Dixie Band plays "Cairo Boys", our fight song.

Folks, it doesn't get any better than that! Welcome to Syrup Country—if you're not a 'Maker, you soon will be because you can't escape the mystique of spirit of Syrupmaker Pride. Syrupmaker Pride—It Lives, It Grows!

Yours in sports

Introducing

R. Louie Chastain, ChFC Chartered Financial Consultant

When was the last time you reviewed your estate, economic and insurance affairs?

Most of us are busy maintaining a lifestyle ... we don't take the time to properly plan for tomorrow.

That's why we use the Integrated Planning Service. It's a simple, yet effective method to help people identify their financial priorities and stay on the right track.

Could Integrated Planning Service help you? Take twenty minutes ... I'll show you the type of work I do and you can decide. No fees or obligation, of course.

Football Camp 1996

This is the first year in the last nine years of ABAC camps that we were in pads before we went off to camp. This was beneficial because we were accustomed to hitting and most of the soreness was gone, therefore, we were able to get in more scrimmage time than in previous years.

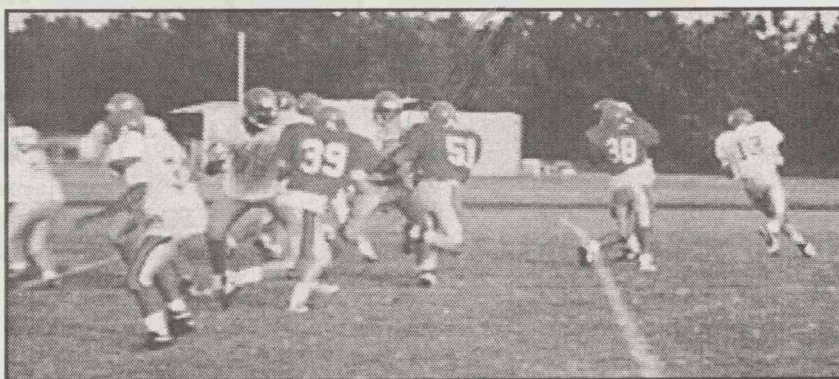

The Seniors, along with the Juniors, did a great job in leadership and in setting the example of good work ethics.

A typical camp day begins with a 6:00 a.m. run for those players who did not meet the summer requirement of 21 workouts. The rest of the team arose at 7:15 a.m. for breakfast. The first morning practice started at

8:45 a.m. and lasted until 11:15 a.m. and consisted of basic fundamentals, group work, team period and scrimmage.

Lunch was served at 12:00 noon and the players got a rest period until the next practice which began at 2:00 p.m. At this time we worked on all phases of the kicking game plus our passing game with quarterbacks and receivers against linebackers and defensive backs. The offensive & defensive lines worked on their basic fundamentals in group work during this time. This practice ended at 4:00 p.m.

Supper was served at 5:00 p.m. The next practice began at 6:30 p.m. This practice consisted of all our kicking game and a two-hour scrimmage of at

least 60 plays. Conditioning was worked on during this practice, so this practice usually lasted until 9:30 p.m.

Lights in the dorm had to be out at 10:30 p.m. Our day had ended!

The football coaches are really proud of the thirteen freshmen who went to camp this year because these athletes refused to believe all the "horror" stories about football camp. Through character & determination they proved to themselves and to their older teammates that they had the pride and determination to be a Syrupmaker!

DEADLINE TO JOIN IS SEPT. 24

Ranks of the alumni band begin to swell

Darrell Mudra
Staff Writer

Former Syrupmaker band members dusted off their instruments and gathered Tuesday afternoon in the lobby of the CHS band building for its first official group photo of the newly forming alumni band.

There has been "lots of buzz" about the alumni band according to its chief organizers, former band members Martha Hester Prince, Wanda Powe Fowler, and Connie Godwin Rykard.

Band members of yesteryear have been coming out in force in support of forming an alumni band, and thus far, about a hundred former CHS Syrupmaker band members have registered to join. "The 1990's decade has had the most response, according to former band member Martha Hester Prince. "We really need 60's, 70's and 80's, and would love to have some charter members of the 1946 band," she says.

Prince, and fellow Syrupmaker band alumni Rykard and Fowler are leading the charge to organize the band and publicize its formation.

And for its debut, the CHS alumni band is planning to join the 2010-11 Syrupmaker band on the field during the half time show, Oct. 8 at West Thomas Stadium. "The alumni band will be called onto the field by decades and fill in among the CHS Band to play the time honored "Battle Hymn," Prince explains. "The alumni Drum Majors will be directing and the alumni majorettes will be twirling. For the alumni

this will definitely be a 'blast from the past,'" she says.

To cap the event, former CHS band directors, Sandy Campbell, Jack Willis and Joe David, along with current director Johnny Folsom will join the band on the field.

"If everyone who was ever in the band participated, we would fill up West Thomas Stadium!" Prince commented. "We would love to have the football field from end zone to end zone full. We want this to be just a good time, reconnecting with fellow band members, reliving the past, and honoring traditions. If this comes together and the interest is there, we would love to play at community events and possibly make this an annual event."

In preparation for the Oct. 8 performance, the alumni band will practice with the CHS Band at their traditional "Whiteshoe" practice on Thursday night. "We will meet prior to the game in the CHS lunchroom for a get together and anyone unable to make the "Whiteshoe" practice will get instructions there," reports Prince.

Alumni band members are not required to play if they are not comfortable sporting an instrument. But every former band member is encouraged to participate. And for those who wish to dust their horns off and play, sheet music will be made available.

"We encourage anyone who hasn't played in a while to come up to the band room and join in a band class. We have plenty of current band members who would love to help us oldies," Prince says.

MEMBERS OF THE SYRUPMAKER ALUMNI BAND, First row, l-r: 1-Martha McDonald Fowler ('67-'68), Head Majorette; Tilda Shepherd Brim ('80), Feature Twirler; Vicky Hagan Ezell ('89), Head Majorette; and Kathryn Prince ('09), Majorette. Second row, l-r: Martha Hester Prince ('84); Mary Hester Chason ('86), Bruce Lowe ('81-'82), Drum Major; Linda Drew Johnson ('80); Jeff Lovett ('80), Drum Major; and Lynda Miller Bell ('77). Third row, l-r: Kermit Gilliard ('85), Dan Broome ('79), Keith Lacey ('80), Johnny Moore ('79), Connie Godwin Rykard ('83), Susan Miller Chastain ('70), Dana Bullington Pritchett ('85), Toni Creech Gainous ('78), Wanda Powe Fowler ('75) Band Booster President.

The band boosters have been kicking around the idea of forming an alumni band for many years, according to CHS band director Johnny Folsom. He says in the past no one was willing to step forth and take a leadership role.

Now, band organizers are encouraged that the Syrup-

maker spirit and tradition can continue to live on in its former members.

"We wanted the chance to share that experience with our kids and for other alumni band members to share in the long standing traditions of the band one more time," says Prince. "We wanted to remind the kids

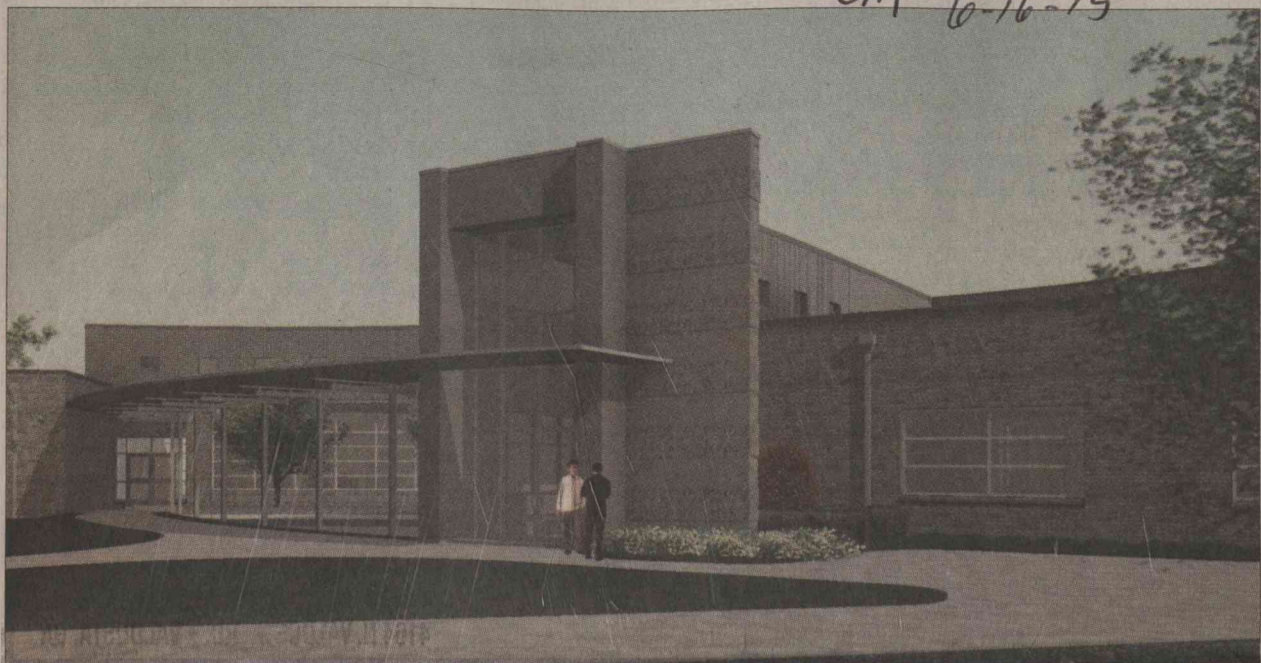

today and the community how important the CHS band has always been to Cairo."

Anyone who was ever been a member of the CHS band is eligible to join the alumni band. "If you were ever a part of the band: We want you!" Prince added.

To become a member of

the CHS alumni band, call the band room at 229-377-3006 or send a request via email to syrupmakeralumni-band@hotmail.com. Alumni band organizers would like all those interested in joining the band to sign up by September 24.

ARCHITECTURAL rendering of the new Cairo High School College and Career Academy to be built next year.

Revised plan brings new facility in line with budget projections

Randolph H. Wind
Editor & Publisher

After months of negotiations and revisions, Grady County School System officials say architects have designed a new Cairo High School College and Career Academy building that meets the needs of students and fits within the system's budget for the project.

College and Career Academy CEO Todd Gainous updated members of the Grady County Board of Education on the project at their regularly scheduled meeting Tuesday night.

Through the months of planning, the school system has reduced the size of the new structure and has also decided to renovate the entire vocational building on the CHS campus rather than just portions of it.

The new facility will house health care science, engineering-drafting & design, and the new mechatronics program.

Also in the plans for the new building is a 90-seat auditorium, which Gainous says will be useful for dual enrollment classes, classes that have a common guest speaker, and can also be opened to use by community groups.

The new building will be built on the site of the current band practice field at the south end of the campus.

According to Gainous, architects with Buckley and Associates will present the revised plans to the Georgia Department of Education today and once approved by the DOE, state fire marshal and board of education the project could go out for bid in mid-January 2016 and construction could begin in early March 2016.

"I've applied for eight state grants we hope to receive the following year and if they are awarded we

would have \$647,500 to assist us with equipment purchases. We are working with a \$135,000 grant from the governor's office now on the mechatronics program," CEO Gainous said.

According to Gainous, the renovation of the vocational center is projected to take 240 work days and the new building will be completed within 420 work days.

The new college and career academy is to be built with a \$3 million grant from the state combined with \$1.5 million in proceeds from the Education Special Purpose Local Option Sales Tax. The school system also plans to use \$1.5 from the current ESPLOST, which expires at the end of the month, for the renovation of the vocational center. As it is now envisioned, that renovation will take approximately \$500,000 more in money from the new ESPLOST to cover the projected costs.

The original plan was to renovate the welding, construction and automotive labs, but Superintendent-elect Dr. Kermit Gilliard said, "It didn't make sense to me to renovate half the building so we are proposing rehabbing the whole building including the roof and HVAC system, which increases the project to just over \$2 million."

The renovation project will also include enlarging the welding lab to 15 booths, upgrading the auto labs, and enlarging the family and consumer science kitchen areas from five to seven. An ag multi-use lab will also be added in

the vocational center for the wildlife and forest management program.

The vocational center was originally built in 1974, according to CEO Gainous, and the renovation will bring the structure up to present code. A new wheelchair ramp will be built and wheelchair lifts to provide access to sunken labs will be installed.

In other facilities related business Tuesday, the school board members also heard an update on the Southside Elementary School project from architect Ray Finger.

Finger reported that value engineering was being wrapped up on the Southside auditorium project and a construction contract with Barber Contracting Company of Moultrie was under review by legal counsel and would be brought back to the board next month for final approval.

Barber's original bid to renovate the historic auditorium was \$1,751,453. The project will be paid for with sales tax proceeds.

Finger also updated the board members on the Southside A,B,C project which is a three-building project to replace the wings of the original main building and create a new administrative building facing Fourth Avenue S.E.

"We have been spending time with Superintendent (Lee) Bailey and Principal (Janet) Walden to make sure everyone was happy with the layout that we have proposed and that it meets state guidelines," Finger said.

Superintendent-elect Gilliard also updated the board on a new Cairo High School sign project that includes an electronic component. The existing sign has to be removed to make room for a new band practice field. Based on project costs, a portion of the sign can be paid for out of the grant for the new college and career academy, but additional money will be needed.

A final design has not been approved but Dr. Gilliard said up to \$20,000 more would be needed for the sign over and above the grant.

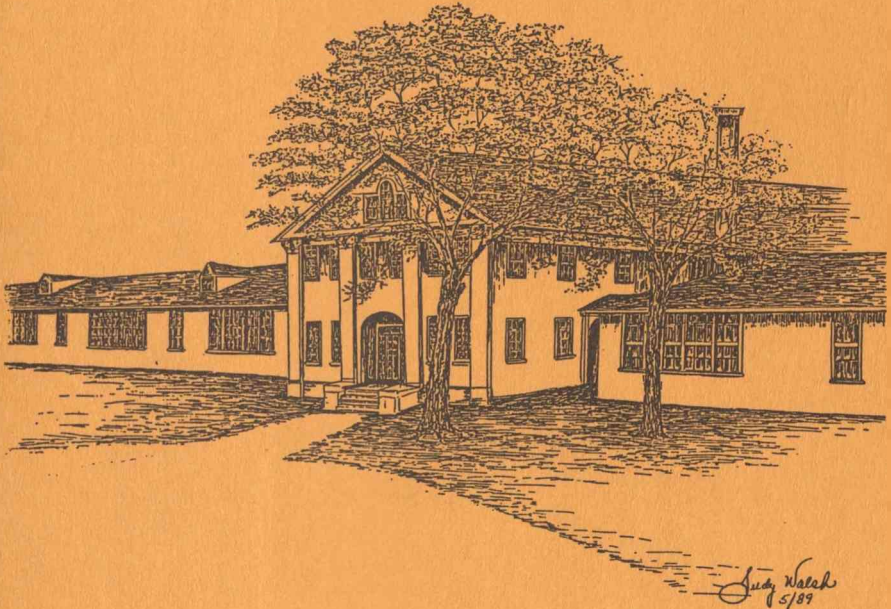

Superintendent Lee M. Bailey made a recommendation to add a supplemental expenditure not to exceed \$20,000 to the 2015-2016 budget for the new sign and it was approved unanimously.

The board also approved Bailey's recommendation to accept the bid of Parker Heating and Air for \$78,157.70 for replace of the HVAC system at the Southside Elementary School Media Center/Cafeteria facility.

Tuesday night the school board also accepted the lone bid of \$46,317.27 from Bainbridge Roofing for a new roof on the Roddenbery Music Building and \$7,873.36 for a new roof on one of the Crossroads Alternative School buildings. Bids were solicited from Valdosta Roofing, Deep South Builders, Tuggle Roofing and South Ga. Roofers, according to Facilities Director Jerry Cox, but none submitted bids.

Carl Raymond Harrell

Robert Lee Norman

John David Pelham

Jacob Arthur Reddick

SAM CAIN, JR.

Lieutenant, B-25 Bomber Pilot, U.S. Army Air Corp. He received his wings early in 1944. After considerable special training, Lt. Cain went overseas in September 1944. He completed 10 or more missions as a B-25 bomber pilot - his were dive-bombing missions, usually, and they make parachuting to safety less likely. He had been in the Mediterranean area, based on Corsica, only a few months when he was reported missing in action in the Italian area November 11, 1944. On April 20, 1945, his family was officially notified that he was killed in action November 14, 1944.

CARL HARRELL

Private First Class, Gunner in Air Corp. Pfc. Harrell was missing in action from May 1942 until May 1943 when he was officially reported to be a Prisoner of War in the Phillipines. He had been in the hands of the Japanese since fall of Corregidor in May 1942. He was drowned while a Prisoner of War when the Japanese prison ship was sunk by submarine action off Chinese coast on October 24, 1944. He had been in service since September 1939. He was declared dead June 1945.

JOHN PELHAM

Second Lieutenant. He completed training March 12, 1944 at Douglas Army Air Field, Douglas, Arizona as twin engine pilot. He received silver pilot's wings and commission. Later he took considerable advanced training in western states and became assigned to aerial photo reconnaissance duties. Lt. Pelham went overseas in Pacific. He died of injuries received in plane crash on Biak Island in the Pacific on May 25, 1945.

R. L. NORMAN

Lieutenant, Army Air Force. He signed in as Cadet in August 1942. On February 16, 1943 he received commission as Second Lieutenant Pilot. He could fly P-47 or P-51. In September 1943 he was sent overseas; reported to Eighth Air Force in England. In February 1944 he was promoted to First Lieutenant. He was shot down over France April 24, 1944. A Frenchman was first one to hit his plane. He must have died instantly. The Frenchman got in touch with his wife (Wilma Eubanks Norman) and he arranged for R. L. to be buried in Catholic Cemetery in France. After the war, he was moved to cemetery on coast of France. He shot down 4 or 5 German planes. He lacked 5 hours before coming home on rotation.

JACOB REDDICK

Flight Officer, Glider Pilot, U. S. Army Airborne Unit. He volunteered for service and then volunteered for assignment to an airborne outfit. He received his commission as Flight Officer at Lubbock, Texas. Later, he received advanced training at Louisville, Kentucky, and Maxton, North Carolina. He went overseas to North Africa in February 1944. Afterward, he saw further service in Italy and joined invasion of southern France shortly after it began. After liberation of France he joined in drive to liberate the Low Countries. He was reported missing in action over Holland on September 14, 1944. Official notice of death was received by his family on September 11, 1945 listing date of death as September 14, 1944. Jacob was found buried in a civilian cemetery in Holland. It was in 1947 that he was brought back to Cairo. He received the Purple Heart.

The Day Is Done

The day is done and the darkness
Falls from the wings of Night,
As a feather is wafted downward
From an eagle in his flight...

And the night shall be filled with music,
And the cares, that infest the day
Shall fold their tents, like the Arabs,
And as silently steal away.

I am proud that I was able to get a college degree! (With the help of family and loved ones.) I attended Sue Bennett Junior College, London, Kentucky, graduated and taught school (1941-42 term) in Ochlocknee, GA. In July 1942, I began work as a Civilian for the U. S. Quartermaster Supply Depot, Jeffersonville, Indiana. I returned to Grady County in 1946 and taught two terms at Union School. In 1948 I began teaching in Morven, GA. In 1951, I went to Valdosta State College and got my B.S. Degree, taught school in Dixie, GA in 1953-54 term. I joined the Quitman school faculty, Quitman, GA in 1954 and taught until 1970, took a year's leave of absence, went to Valdosta State College and earned my Masters Degree. I resumed teaching (Math) in Quitman, GA in 1971 and remained there until I retired in 1978.

I continue to live on the farm in Brooks County and love every minute of it.

I so appreciate My Family and My American Heritage

CLASS SONG (Written to tune of "Trees")

Now graduation day is here
But our hearts are sad and drear
We face a life of bitter toil
Or either one that has no moil.

"Tis hard to bid our friends adieu
But we will gain true friends anew
But then, why dread what is to be
We still will sail on life's spur sea.

Adieu, my friends, adieu, adieu
Always our hearts will be for you.

COME THOU ALMIGHTY KING

I.

Come thou almighty King Help us thy name to sing, Help us to praise
 Father all glorious O'er all victorious Come and reign over us Ancient
 of days!

II.

Come thou Incarnate Word Gird on thy mighty sword Our prayer attend;
 Come, and thy people bless And give thy word success Spirit of holiness
 On us descend!

III.

Come, Holy Comforter Thy sacred witness bear In this glad hour
 Thou who almighty art Now rule in every heart And ne'er from us depart
 Spirit of power!

IV.

To the great One and Three Eternal praises be Hence, evermore
 His sovereign majesty May we in glory see And to eternity
 Love and adore!

TAKE MY LIFE

I.

Take my life and let it be Consecrated, Lord, to thee;
 Take my moments and my days; Let them flow in ceaseless praise;
 Take my hands, and let them move At the impulse of thy love;
 Take my feet, and let them be Swift and beautiful for thee.

II.

Take my voice, and let me sing, Always, only, for my King
 Take my lips, and let them be Filled with messages from thee;
 Take my silver and my gold. Not a mite would I withhold
 Take my intellect, and use Every power as thou shalt choose.

III.

Take my will, and make it thine; It shall be no longer mine,
 Take my heart, it is thine own; It shall be thy royal throne.
 Take my love; my Lord, I pour At thy feet its treasure-store.
 Take myself, and I will be Ever, only, all for thee.

CLASS OF 1939

We Are Survivors

It is said there are three stages of man (1) Youth (2) Middle (3) You haven't changed a bit. But change is the name of the game - consider:

We were before T.V., before polio shots, frozen food, Xerox, contact lenses, frisbees and the "Pill". We were before credit cards, split atoms, laser beams.

In our time, closets were for clothes, not for coming out of. Bunnies were small rabbits and Rabbits were not Volkswagons. We thought a deep cleavage was something a butcher did. Designer Jeans were scheming girls named Jean or Jeanne and having a meaningful relationship meant getting along with your cousin. We thought fast food was something you ate during Lent and Outer Space was the balcony at the picture show.

In our time you could buy something for a nickel or a dime in a 5 and 10¢ store. For a nickel you could make a phone call, buy a newspaper, or buy enough stamps to mail a letter and a postcard.

We hit the scene when cigarette smoking was fashionable. Grass was mowed. Coke was something you drank and pot was something you cooked in.

If anyone in those days asked us to explain CIA, NATO, UFO, SAT's, JFK, ERA, or IUD, we would have said alphabet soup. We were before Alaska and Hawaii were states. Before men wore long hair and earrings, and women wore tuxedos.

We were before day care centers, jet planes, helicopters and interstate highways. "Made in Japan" meant junk, and the term "making out" referred to how you did in your exams.

We were not before the difference between the sexes was discovered but we were before pre-marital sex (it says here) and sex changes. Anyway we got married first and then lived together. How quaint can you be. We also were the last generation that was so dumb as to think you needed a husband to have a baby.

"It was the best of times: it was the worst of times", wrote Charles Dickens in "A Tale of Two Cities". But we made do with what we had and some how or another...

WE SURVIVED!

Dear Mr. Folsom and Staff and Band Members:

Congratulations on being selected to play at the Southeastern United States Concert Band Clinic at Troy University. This is an outstanding accomplishment and is certainly worthy of celebration. I understand the selection was made through a blind audition, and bands were not chosen by school size or location. What an honor to be one of only four high school bands selected from across the Southeastern United States! This recognition coupled with your other exemplary accomplishments, clearly shows our band's relentless commitment to the pursuit of excellence.

The Grady County Board of Education and I commend both band members and staff for the extraordinary job you are doing. Everyone in our community has tremendous respect and admiration for our band program, and we extend fondest congratulations on this wonderful accomplishment. We know you will do an exceptional job of representing Cairo High School and the Grady County School System.

January 11, 2008

Congratulations to our Cairo High School Syrupmaker Band for being chosen to perform at the Southeastern United States Concert Band Clinic at Troy University on February 1, 2008. We are extremely proud of our band program and are honored that our Syrupmaker Band will be able to perform at this prestigious event. We are excited to be returning after last being invited in 1996.

Cairo High has long been known for its rich band tradition. Our Syrupmaker Band consistently receives superior ratings at band festivals and is known throughout Georgia for its quality achievements. We know that the teamwork and work ethics learned in our band carry over to our students' adult lives, as they become our future leaders of tomorrow. Today, over 70 of the finest young people in the world will perform. The entire Cairo community is extremely proud of our Syrupmaker Band, and "with pride they give their best."

Again, congratulations to our Director, Mr. Johnny Folsom and our Associate Director, Mr. Michael Thomas, and the members of our Syrupmaker Band for this distinct honor and privilege to perform at the Southeastern United States Concert Band Clinic.

Sincerely,

Tim Helms

March: The Lion's GateRalph Ford

March: The Lion's Gate is the first movement of composer Ralph Ford's new *Suite: Sea to Sky*, which was commissioned by the West Vancouver Youth Band on the occasion of the band's 75th anniversary. This movement depicts the start of the journey on the famous Highway 99 that is known as the "Sea-to-Sky" Highway. The journey begins at sea level in Vancouver by traveling across the Lion's Gate Bridge, and ends at over 7000 feet at Whistler peak in the mountains of the north shore.

The Witch and the SaintSteven Reineke

The Witch and the Saint is a programmatic tone poem for symphonic band. The opening depicts the birth of twin sisters born in 1588 in Ellwangen, Germany. In those times, the birth of twins was considered a bad omen. The thematic material representing both sisters is introduced along with a medieval, Gregorian chant. Sibylla, who led a horrible life and her gift was looked down upon, is introduced in the music first. Many townspeople considered her to be a witch. The theme of the other sister, Helena, is heard next. Helena was sent away to a convent as a child and is revered as a saint because of her visions.

Eventually Sibylla is imprisoned and Helena returns to save her sister. As they are trying to escape, the sisters are captured once again, and for fear of being burned at the stake, the saint, Helena, drinks poison. She dies in her sister's arms and Sibylla, the witch, rides off in sorrow.

The Liberty BellJohn Philip Sousa

Dr. John M. Long, Guest Conductor

On Independence Day, 1892, John Philip Sousa was reading a newspaper item concerning a ceremony which was to take place in Philadelphia that day at the Liberty Bell. The item was inspiration enough, and on an envelope which he had in his possession, Mr. Sousa scrawled down the notes for the march which became known as *Liberty Bell*.

Flight of the BumblebeeN. Rimsky-Korsakov

Amy Amaro, Solo Flautist

Flight of the Bumblebee is a famous orchestral interlude written by Nikolai Rimsky-Korsakov for his opera *The Tale of Tsar Saltan*, composed in 1899-1900. The piece closes Act III, Tableau 1, right after the magic Swan-Bird gives Prince Gvidon Saltanovich (the Tsar's son) instructions on how to change into an insect so that he can fly away to visit his father (who does not know that he is alive).

Chinese Folk RhapsodyRichard Brown

Michael Thomas, Associate Director

Chinese Folk Rhapsody is based on several folk dance melodies of the Yao nationality, a Chinese minority people who live in the Guangxi Province of south-central China. The vast majority of Chinese melodies, including these, are based on some kind of pentatonic (5 note) scale.

The traditions then of oriental music go back thousands of years, its origins rooted in Taoist beliefs. The five notes in the pentatonic scale originally corresponded to the five elements: earth, metal, wood, fire, and water.

America the BraveSteven Melillo

The piece begins with a haunting retelling of *The Battle Hymn*. It moves quickly to a dramatic impact, then into *America the Beautiful*. Several American folk melodies are skillfully woven into the work as the piece builds to a dramatic conclusion.

JOHN L. FOLSOM, JR., in his thirty-fourth year of teaching, has spent twenty-five years as a successful band director in Alabama, first at Geneva (8 years) and then at TR Miller, Brewton (17 years). Folsom is in his ninth year with the prestigious Cairo High School Band in Georgia. Over the years Folsom's bands have won numerous awards both on the field and on the concert stage. The Syrupmaker Band has performed as the featured halftime band in exhibition at Troy University football games in 2002 and in 2003, and most recently this past year, 2007, at the Troy/Louisiana Monroe game. Folsom's bands have also performed in exhibition performances at the 2000 Notre Dame-Navy football game in Orlando, at the 1995 Sugar Bowl, the 1998 Auburn-Virginia football game, the 1997 Troy State-Eastern Kentucky game, the 1989 Auburn-Pacific game, and the 1985 Livingston State Sesquicentennial Homecoming game. On the stage they have performed at the 1987 Tri-States Band Festival at Florida State University, at the 1989 Southeastern United States Band Clinic at Troy State University, and at the 1998 Alabama Music Educators Conference at Auburn University. Folsom is a member of the Georgia Music Educators Association and is the current chairman for District 2. He is also a past president of the Alabama Bandmasters Association. Troy State University's music faculty selected Mr. Folsom as its 1996 Alumnus of the Year. He has judged numerous marching and concert festivals in Alabama, Georgia, Florida, and South Carolina. Johnny and his wife Betty Ann have two married daughters, both of whom were band members and majorettes at Auburn University.

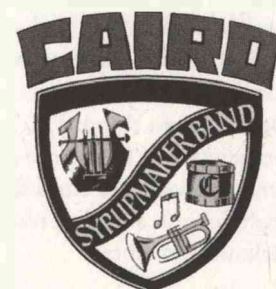

MICHAEL THOMAS is the associate director of bands at Cairo High School. Michael Thomas is proud to be one of Troy University's instrumental graduates. Upon graduation, Mr. Thomas was employed by the Troy City Schools. He was the director of bands for Charles Henderson Middle School for three years and then served as director at Charles Henderson High School for the next twenty years. Beginning in this same time period, Mr. Thomas has served as a loyal soldier/musician in the Alabama National Guard. Taking the oath of service in 1971 as an E-1 percussionist, he has held many responsibilities within the 151st Alabama National Guard Band. Mr. Thomas has completed thirty-five years of military service and currently serves as First Sergeant Thomas with the Alabama National Guard Band. Mr. Thomas is honored to have numerous superior ratings and achievement awards presented to both his school and military bands. He is a past member of the Alabama Bandmasters Association Board and a past board member for the Southeastern United States Concert Band Clinic. Mr. Thomas is now proudly serving in his fifth year as Associate Director of Bands at Cairo High School. He is married to Teresa Tate Thomas and they have three wonderful children, Mitchell, 13, Jeremy, 9 and Tessa Michelle, almost 3.

PATRICK BALLEW has served as director of the Washington Middle School Bands (Cairo, Georgia) for the past thirteen years. He holds degrees in Music Education (1994) and Educational Leadership (2005) from Valdosta State University (Valdosta, Georgia). Patrick is married to the former Laura Lynn Bryant of Whigham, Georgia.

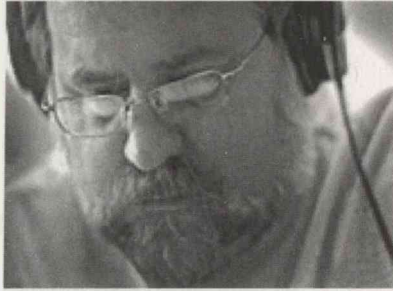

BRAD MOORE has served as the director of the Whigham School Bands (Whigham, Georgia) for the past five years. He received his Bachelor of Music Degree from Valdosta State University (Valdosta, Georgia) in 2003. Brad is married to the former JoAnn Blaylock of Cairo, Georgia. The couple resides in Bainbridge, along with their daughter Natalie.

ERIKKA EDWARDS is a native of Lakeland, Florida, and serves as Cairo, Georgia's, elementary music teacher. She is a 2006 graduate of Florida Agricultural and Mechanical University, where she earned her Bachelor of Science Degree in Music Education, and is currently pursuing a Master of Music Degree in Music Therapy at Florida State University. Miss Edwards also assists with the Cairo High School Marching Band.

AMY AMARO is a native of Dothan, Ala. She is currently in her second year at Shiver School in Cairo, Ga., where she teaches elementary music and middle school band. She received a Bachelor's Degree in Instrumental Music Education and is currently working on her Master's Degree, both from Troy University. As an undergraduate, she studied under the direction of Carol Franks, was the recipient of the Sound of the South Alumni Scholarship and the John M. Long Scholastic Award, participated in an honors recital, and was a member of Sigma Alpha Iota Music Fraternity for Women. Amy currently lives in Cairo, Ga., with her husband, Justin.

RALPH FORD

Ralph Ford is Director of Bands and Associate Professor of Music at Troy University. A native of Panama City, Florida, he has served on the

university faculty in numerous areas of expertise since 1986, working mainly as the assistant director, arranger and theory instructor. Since 2001, Mr. Ford has been the conductor of the Troy Symphony Band and Chamber Winds, Jazz Ensemble I, as well as the director of the nationally renowned "Sound of the South" Marching Band. He is the Chairman of the Board of the Southeastern United States High School and Middle School Concert Band Clinic and Honor Bands, a member of the Board of Directors for the National Band Association's Hall of Fame of Distinguished Conductors, director of the "Sound of the South" Summer Music Camp and Directors Clinic, chapter sponsor for the Kappa Kappa Psi Honorary Band Fraternity, and is active on several university-wide committees. His compositions and arrangements for band have been commissioned and performed by middle school, high school and collegiate bands worldwide. His music has been premiered at such prestigious events as the Midwest International Band and Orchestra Convention, the American Bandmasters Convention, the Music Educators National Conference. Mr. Ford's music is published exclusively by Belwin, a division of Alfred Publications (formerly Warner Brothers Publications) where he serves as staff composer/arranger with over 130 publications for concert band, orchestra, jazz ensemble, and marching band currently available worldwide. In addition, he creates special arrangements and compositions for the Troy band program. He works consistently in the United States and Canada as a composer, arranger, conductor, clinician, technology consultant and adjudicator. In April, 2004, Mr. Ford received the Outstanding Artist Award from the Troy University Chapter of The Honor Society of Phi Kappa Phi.

Outside of the field of education, Ralph has composed, recorded, and produced music, jingles and 3D graphic designs for radio, television, and video productions. He has won numerous "Addies" as well as recognition and awards from various agencies and international associations for his creative work in the media field. Ralph is a member of Phi Beta Mu, Music Educators National Conference, the National Band Association, the Troy Rotary Club, Phi Mu Alpha, Kappa Kappa Psi, Tau Beta Sigma, Sigma Alpha Iota and Delta Chi, among others. He is married to Amanda Ford, the band director at Charles Henderson High School, and they reside in Troy with their daughters, Melanie and Abby.

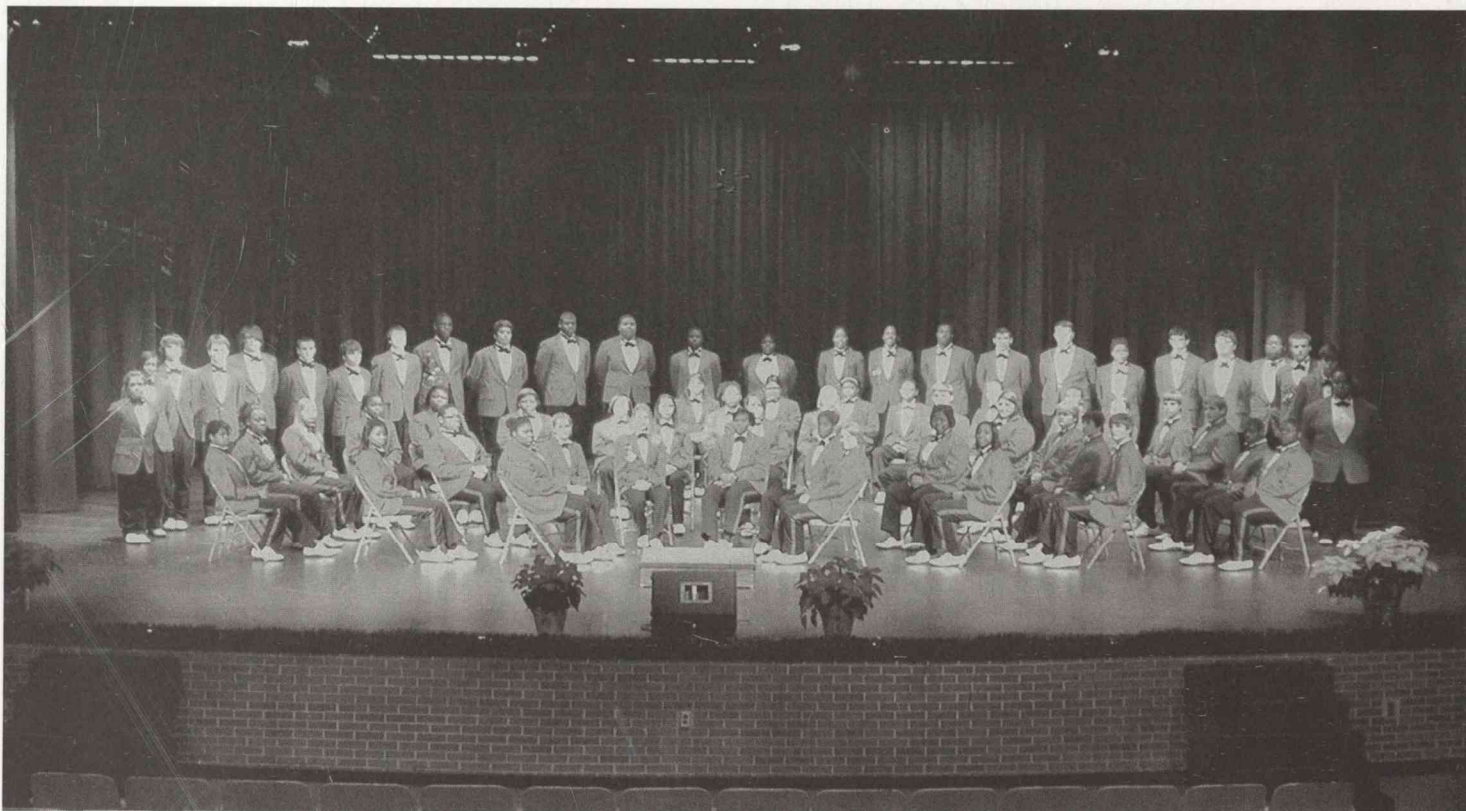

DR. JOHN M. LONG

Dr. John M. Long is dean of the School of Fine Arts, Director of Bands and Distinguished Professor of Music Emeritus at Troy University. He is past president of the prestigious American Bandmasters Association and is active as a guest conductor, speaker, clinician and

adjudicator throughout the United States, Europe, Canada and Mexico.

In 1977, he was elected to the Alabama Bandmasters Hall of Fame and was the first active bandmaster to be elected. He received the National Kappa Kappa Psi Distinguished Service to Music Award in 1979. In 1984, Dr. Long was selected as the Outstanding Music Educator of the year by the Alabama Music Educators Association; the first person to be so honored, and he was also selected for "Who's Who in America." In February 1996, he was inducted into the National Band Association's Hall of Fame of Distinguished Band conductors, which is the highest honor that can be bestowed on an American bandmaster. In December 1998, he was awarded the Sudler Gold Medal of Honor, which is the highest honor given by the Sousa Foundation. In the same year the Blue-Gray Association dedicated the nationally televised football game to him for 42 years of service as halftime director. In 2000, he received the Academy of Winds and Percussion Arts Award (AWAPA) from the National Band Association. In 2003, he was given the Governors' Award by the Alabama Council of the Arts for his contributions to band music. He is the only band director ever given this award. In 2005, Dr. Long was honored by the Alabama Music Educators Association with the organization's annual Barbara Odom Leadership Service Award. In the same year, he was honored with the AI G. Wright Award, a national award of distinction presented by the Women Band Directors International for exceptional support toward women in the band movement.

Troy University has two buildings named for Dr. Long, and in 1998, the Troy University Board of Trustees re-named the School of Music the "John M. Long School of Music."

The Cairo High School Symphony Band

THE CAIRO HIGH SCHOOL SYMPHONY BAND is a non-auditioned ensemble made up of primarily eleventh and twelfth grade musicians. The group consistently performs a grade V/VI program of literature at the GMEA Large Group Performance Evaluations (Band Festival) each year, and has a long tradition of superior ratings on the concert stage. It is one of three grade appropriate concert bands that comprise the 220 member Syrupmaker Marching Band. Cairo High School is located in Cairo in rural southwest Georgia. The 1250 student high school serves all of Grady County.

While under Mr. Folsom's direction, the Syrupmaker Marching Band has performed in exhibition at the 2000 Notre Dame/Navy football game in Orlando, and exhibitions at Troy University football games in 2002, 2003, and most recently this past year, 2007, at the Troy/Louisiana Monroe game.

The Roddenbery Company, established in the late 1800s, processed and sold cane syrup. Syrup was such a vital part of the community that the high school adopted Syrupmakers as their mascot.

Cairo and Grady county have a unique pride in their band program that reaches back to the beginnings of the band under the legendary Major William T. Verran. Julian Roddenbery brought the well-respected Verran, who later became the first inductee into the Georgia Band Directors' Hall of Fame, to Cairo in order to establish a school band program in 1946.

The Cairo Band performed at the Southeastern States Concert Band Clinic once before in 1996 under the direction of longtime director Joe David.
