**Presenter Series Season
2014-2015**

A Word from the Mayor...

VALDOSTA

A City Without Limits

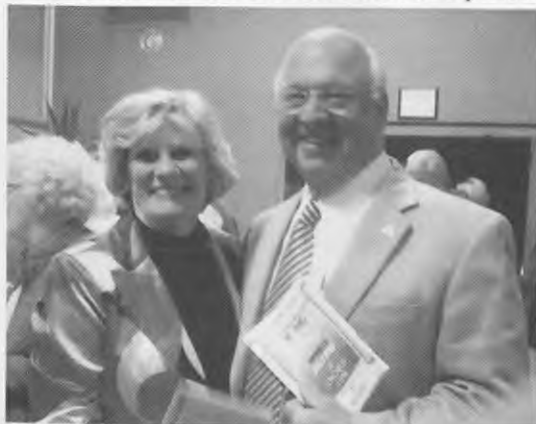

Dear Friends of the Arts:

On behalf of the City of Valdosta, it is my great pleasure to welcome you to the 2014-2015 Annette Howell Turner Center for the Arts Presenter Series.

The Presenter Series provides citizens in our city and the surrounding South Georgia and North Florida counties with quality entertainment for individuals of all ages. This year is no exception as patrons of the arts can expect to be captivated by VOCA PEOPLE, enthralled by JEKYLL & HYDE and thoroughly entertained by the spectacular musical performance of the MILLION DOLLAR QUARTET. The full-scale Broadway productions, prominent companies, and skilled performers from around the world await you and your family—and you can see them all right here in Valdosta, Georgia!

Since the earliest organized support of the arts in 1903 with the opening of the City Opera House, the chartering of the Lowndes/Valdosta Arts Commission in 1962, and the establishment of the current Annette Howell Turner Center for the Arts in 2003, our community has celebrated and appreciated the finest in art. The Center continues to impact the quality of life for our citizens by providing access to exceptional hand-picked art, dance, drama and music, in addition to serving as an integral gathering place for social, business and non-profit functions.

The Turner Center's Presenter Series surprises me each year with remarkable performances that most have to travel far to experience. Congratulations to the Annette Howell Turner Center for the Arts, their board and staff for another successful year of great performances. Also, join me and Peggy in thanking the sponsors listed in this program for making this year's program possible. Now, sit back and enjoy the show.

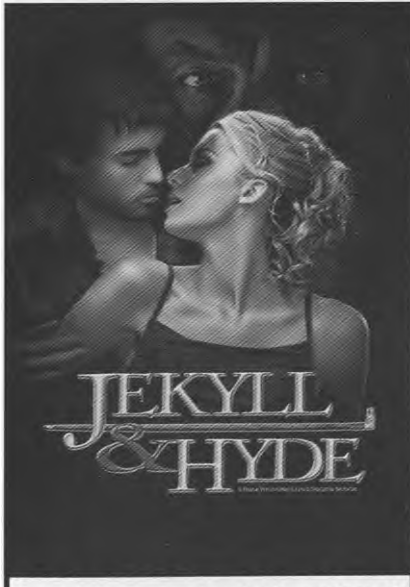

Sincerely,

John Gayle
Mayor

Don't miss the two remaining shows of the 2014-2015 season!

Glamorous, provocative and deliciously wicked, **JEKYLL & HYDE** is the enthralling musical based on Robert Louis Stevenson's classic story about a brilliant but obsessive scientist whose alter ego wreaks havoc across Victorian London. The epic struggle between good and evil comes to life on stage in this musical phenomenon, an evocative tale of two men - one a doctor, passionate and romantic - the other, a terrifying madman; and two women - one, beautiful and trusting - the other, beautiful and trusting only herself. Both are in love with the same man and both are unaware of his dark secret.

Featuring a thrilling pop rock score including the haunting hit, "*This is the Moment*" from multi Grammy and Tony-nominated Frank Wildhorn & double Oscar and Grammy-winning Leslie Bricusse, **JEKYLL & HYDE** is mesmerizing audiences the world over. "Lush, appealing and genuinely moving," proclaims *The Daily News*, **JEKYLL & HYDE** is back! Unforgettable!

MILLION DOLLAR QUARTET is the high voltage Tony® Award-winning Broadway musical, inspired by the phenomenal true story of the famed recording session where Sam Phillips, the "Father of Rock 'n' Roll" brought together icons Elvis Presley, Johnny Cash, Jerry Lee Lewis and Carl Perkins for one unforgettable night. This thrilling musical brings you inside the recording studio for a monumental night of rock and roll that explodes off the stage, featuring 21 timeless hits including "Blue Suede Shoes," "Sixteen Tons," "Great Balls of Fire," "I Walk the Line," "Fever," "Hound Dog" and more.

For more information, visit:

A promotional image for the musical 'Million Dollar Quartet'. At the top, the names of the four rock and roll icons are listed in white text on a black background: ELVIS PRESLEY, JERRY LEE LEWIS, CARL PERKINS, and JOHNNY CASH. Below this, the text reads 'THE TONY® AWARD-WINNING BROADWAY MUSICAL MILLION DOLLAR QUARTET' with a microphone icon in the word 'DOLLAR'. Underneath, it says 'INSPIRED BY THE ELECTRIFYING TRUE STORY'. The main image shows the four icons in a recording studio setting, each with their own instrument or microphone. At the bottom, there is a small logo for 'MILLION DOLLAR QUARTET LIVE.COM' and a date box.

Creators' Bios

Lior Kalfo

Creator - Writer - Director

Lior is an award-winning actor and creator. In 1995, Lior co-wrote and starred in one of Israel's most popular TV comedy series, "**The Comedy Store**," which ran for 102 episodes. The show won numerous awards worldwide including "**The Golden Album**" and "**The European Golden Antenna**" for best comedy series. Lior also stars in "**Ramzor**," a series that recently won the prestigious Emmy Award for "Best Comedy Series." In 1999 Lior co-wrote and played the lead role in "**Aladdin**" during the successful Israeli run. "**Wow**," the 3D Black Light Theater marked Lior's international stage directing debut at the age of 28, in the Czech Republic's capital city of Prague. In 2003, he established the Israeli Black Light Theater "**Fun-Tazi**" with three shows: "**Fun-Tazi**," "**Fun-Tazi Kids**," and an original version of Oscar Wilde's classic tale "**The Selfish Giant**." Along with his TV work, he invested three years of development and received over one million dollars in investments made by Broadway and European top producers for his comical theater spectacle—the Matrix show "**Glow!**" The show was launched in a world première in Belgium in August 2008.

VOCA PEOPLE was yet another zany idea and a very different project that Lior carried in his mind for almost four years until the first rehearsals in February 2009 took place. Lior has created a unique show which combines theater, comedy, and extreme vocal talents into one musical theater experience.

The first video clip of **VOCA PEOPLE** was launched in April 2009 on YouTube and had more than 6,000,000 viewers worldwide after only four months, creating a great buzz and interest in the show.

Lior currently lives in Binyamina, Israel, with his wife and four little kids, sharing his life between Israel and other countries and constantly pursuing his acting-creating career.
