A Word from the Mayor...

VALDOSTA
A City Without Limits

Dear friends,

On behalf of the City of Valdosta, it is my great pleasure to welcome you to the 2012-2013 Annette Howell Turner Center for the Arts Presenter Series.

The Presenter Series offers citizens in our city and the surrounding South Georgia and North Florida counties quality entertainment for individuals of all ages. Where else can you meet the King of Pop, be entertained by singing nuns, view live performances from your favorite movies and be swept away with *A Chorus Line*? The full-scale Broadway productions, prominent companies, and skilled performers from around the world await you and your family—and you can see them all right here in Valdosta, Georgia!

Since the earliest organized support of the arts in 1903 with the opening of the City Opera House, the chartering of the Lowndes/Valdosta Arts Commission in 1962, and the establishment of the current Annette Howell Turner Center for the Arts in 2003, our community has celebrated and appreciated the finest in art. The Center continues to impact the quality of life for our citizens by providing access to exceptional hand-picked art, dance, drama and music, in addition to serving as an integral gathering place for social, business and non-profit functions.

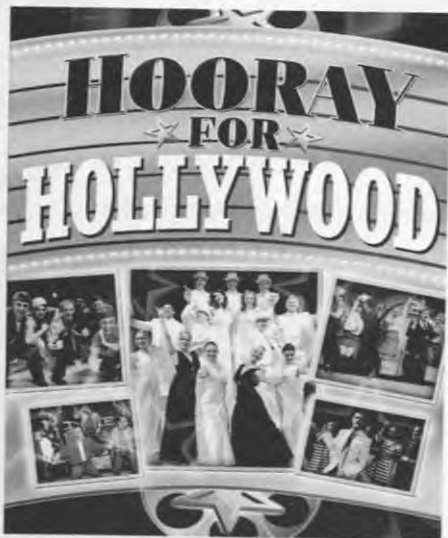

Congratulations to the Annette Howell Turner Center for the Arts, their Board and staff for another successful year of great performances. Also, join me in thanking the sponsors listed in this program for making this year's program possible. Now, sit back and enjoy the show!

Sincerely,
John Gayle

Michael Jackson Tribute Artists

Jeffrey Perez- Live Concert Michael

Jeffrey Perez is one of the best and exciting Michael Jackson tribute artists to take center stage. Music has always been a big part of Jeffrey's life, and he's not just any performer but indeed a special one. At the age of 1 he began to bounce to the beat of Michael

Jackson's Bad Album and began to mimic the iconic legend. At the age of 3 he became obsessed with the entertainer and started to structure his career mastering Michael's sound, body language and look. Today he has become a hit tribute performer across the United States. Aside from his work with KING MICHAEL, Jeffrey is preparing to perform as one of the stars in the upcoming international world tour The Legend Continues. In his spare time he currently coaches a team for Arizona Thunder All-Stars in Peoria, Arizona. There are many other Michael Jackson tribute artists, some have a remarkable resemblance and others can dance or even sing like the King Of Pop, Jeffrey does it all and artistically portrays Michael Jackson like no one else can.

Ivan Kelley - Young Michael

Hailing from Atlanta, Georgia, R & B sensation Ivan Kelley is a singer first. Also an impressive songwriter, dancer and actor at age 14; he has been compared to the likes of the young Michael Jackson and Ralph Treasvant. Born Ivan Kelley Cousins Jr. in Chattanooga, Tennessee, his family relocated to Atlanta when he was a baby. As a youth, with his unrivaled work ethic and determination, he learned to play the drums, piano, bass, and lead guitar. Ivan's resume holds impressive performances which includes The Ellen DeGeneres Show, Good Day Atlanta, NBC News and CTV News Canada as well as several international tours working with other great R & B talent. 2012 was a monumental year for Ivan. He toured the U.S. with the Boys and Girls Club of America reaching thousands of his peers and co-starred in the movie "Joyful Noise" alongside Queen Latifah, Dolly Parton and KeKe Palmer. He also released his debut album and single "Scream". Ivan will be singing a few Jackson 5 favorites like ABC and I'll Be There....capturing the emotion and pure talent that would make our beloved late Michael Jackson proud.

Montray Cherry - Dancing Michael

Montray Cherry was born in Brooklyn New York. At an early age he was inspired by Prince, James Brown, Usher, Ginuwine, and most of all "The King Of Pop" Michael Jackson. He performed at many talent shows doing Michael Jackson impersonations where he would always win first place. His destiny was sealed when he entered a competition at Show Time at the Apollo and once again won first place. Montray's passion for Michael, the man, the music and love for children is deeper then anyone could imagine. Montray has also opened for numerous celebrity artists including Bobby Brown, Johnny Jill, and Ralph Tresvant. Montray has been blessed with the gift of dance like no other.

We depend on the support of our loyal and dedicated members to help the Turner Center fulfill its mission to provide cultural enrichment to Valdosta and the surrounding areas. We strive especially to provide art programs for those persons who may not receive this exposure in their homes or schools. To do so, we must rely upon members for the necessary operating funds to maintain our diverse classes, events and activities.

For more information on membership, please contact the Turner Center for the Arts at 247-ARTS (2787) or visit our website at www.turnercenter.org.
