"Silver Linings" - Jeffrey Smart Baisden

1999 Calendar

“Coppade Road Tobacco Barn”

Lillian Brooks

Dear Friends and Customers:

It is with great pride that we present this year's calendar featuring artwork created by members of LVAC and the Southern Artist's League. We are very fortunate to live in a community that takes such a strong interest in promoting the arts. Unfortunately, the large number of talented artists in our area makes judging for the calendar a very difficult job. Congratulations to each of you who were selected and to those of you who were not selected — keep on creating...next year may be your year.

Speaking of next year, we are looking forward to the challenges that lay ahead in 1999. With the completion of our expansion in August of 1998, we now have some breathing room in our main entrance and customer services areas. Also included in our addition is a large conference room, new art production offices and a state-of-the-art digital scanning department which will allow us to increase and enhance our already growing art reproduction services. If you have the opportunity, stop by and we'll give you a tour of our facilities.

As the new year unfolds, we are excited about the markets we serve and are committed to finding the best ways to meet the needs of these markets. We are continually investing in new equipment to stay abreast of the latest technological advances. Who would have thought a customer could send a complex job via email! Much to my surprise, we've been doing it quite successfully for years now thanks to the highly skilled individuals in our pre-press department.

Finally, all of us at Colson Printing would like to say “Thank You” for your continued business, and as we say in the South, “Bring It On!”. We need and enjoy your work and are ready to serve you!! Have a happy holiday season and let's make the best of the last year in this century!

Sincerely,

Wendy Colson

Wendy Colson

Production Notes

Printing

The 1999 Calendar was printed using 4-color process on our 40", 5-color Heidelberg Press.

Design

The calendar was created entirely on Macintosh computer systems. Art print images were merged into a page-layout program, combined with text and output to an AGFA Imagesetter at 175-line screen.

Photography

Modern Photographics, Valdosta, Georgia

Paper

80 lb. Coated Text & 80 lb. Coated Cover
