Dear Sir

Mr John Boston requests me answer
your letter of 11/22-1900 relative to
establishing deed from Shos M Boston

Mr Boston will acknowledge service, but
wants you to furnish him copy of
proceedings in the mean time.

Will say further that Mr John Boston
has never been discharged as Adminis-
trator on the Estate of Shos M Boston &
perhaps you might proceed in that
way & save hunting the other heirs
some of whose whereabouts he doesn't
know
Yours truly

~~letter making~~

Dear Sir, In reply to your

Making Enquiry of me as to the title to certain lands
in the town of Thomasville I have this to say. About
the year 1856 - or 1857. I bought a town lot from the
Mr Boston which lot I improved and lived on it some
two or three years in what was known then as Dockwater
across the street from where R R Evans then lived and
where his family now live Boston I think bought the land
from the Hon Peter E. Love dec'd. The quantity land I
bought was ^{or more} one acre. Subsequently I bought from the same
party four or perhaps more acres from the same party,
and about the year 1860 I sold the land bought
from ^{the Hon Peter E. Love} Peter E. Love to Thomas J. Bain and more from
the town to my plantation in the country. I never did
to ^{my} recollection buy any land from Judge Love. There was
two distinct purchases from Boston at different times
but the whole of the land bought from Boston was sold
to Mr Bain

over

It has been some time since I parted with
 the property to Mr J D McBain and having given
 him all the papers relating to the sale of the land
 I must of course write from memory, and from
 all I can remember these statements are true
 and yet I do not swear to them as facts
 But from my best recollection they are so.

Sworn to as above stated

Before this the ^{19th} ~~18th~~ day of
 May 1888.

Hon. J. Hansell Merrill (Confidential)
Thomasville, Ga.

Columbus, Ga., 3/27/1922.

Dear Sir:—

To-day I send you a copy of the latest edition of my TABLE OF OVERRULED CASES. It comes down through the 151 Ga., and the 26 Appeals, and some subsequent Georgia cases in the Southeastern Reporter.

Often some extrinsic information is given by my work. For example on page 75 we see this:—“86/464(5)—Changed by Acts 1887 p. 62. 149/159.” The decision in the 149 Ga. states that the decision in the 86 Ga. is changed by the Act of 1887,—an Act which has not been codified. As another illustration of the conflict of the decisions on the same point involved in those cases, see top of page 102 and note the comments on 113 Ga. 1157.

The Table of Overruled Cases is \$1.90 per copy. I understand that you wish me to send you my works as published, and so I am sending you a copy of the new Table of Overruled Cases. If this meets with your approval, kindly let me know at once. Hoping that you are well, I am, with best wishes,

Yours truly,

Hugh U. Downing.

P. S. My last “Black Book” covers all 24 years of my Code Annotations, and comes down through the 148 Ga. and the 23 Court of Appeals. I enclose a sample page. Out of the 600 copies that I had printed, I have about 25 on hand. These 25 copies were returned to me by lawyers to whom they had been sent on approval. These copies were only slightly used, and are in good condition. At full price this work was \$7.50, but it was only \$5.85 to regular customers. I will let you have one of these returned copies and also the Table of Overruled Cases for only \$6.50 in all. THIS IS CONFIDENTIAL.
